### **Intro (Bob Ball):**

The McElroy brothers are not experts, and their advice should never be followed. Travis insists he's a sexpert, but if there's a degree on his wall, I haven't seen it. Also, this show isn't for kids, which I mention only so the babies out there will know how cool they are for listening. What's up, you cool baby?

[theme music plays]

### **Justin:**

Open your minds. Open your heart. Open your spirits. Open...

### **Griffin:**

Open your doors?

### **Justin:**

Open your doors. Open your hands.

### **Travis:**

Open your wallets.

### **Justin:**

Open your wallets.

### **Griffin:**

Open your iTunes. And your Zunes.

### **Justin:**

And your eyes.

### **Griffin:**

And your eyes.

### **Justin:**

And your ears.

### **Griffin:**

And your WinAmps.

**Justin:**

Listening is not a two-way street. It's time now for you to relax, breathe, and learn with My Brother, My Brother, and Me. It's an advice show for the modern era. I am Justin McElroy.

**Travis:**

I am Travis McElroy.

**Griffin:**

I am Griffin McElroy. I don't like that idea. That... that listening isn't a two-way street. You're saying that we shouldn't have... be having a dialogue with our fans right now?

**Travis:**

No, it's not. A dialogue is a two-way street but listening is not. If listening were a two-way street, there'd just be a lot of quiet.

**Justin:**

Yeah.

**Griffin:**

Sure, but I just want... I want people to feel that they can come to us, and talk to us, and question—

**Justin:**

They do, but they already had... Their part of the conversation, goes on for literally the entire week, except an hour. This is the part... like, this whole... I like to imagine that, for this whole week, we've been sort of sagely, like, nodding and stroking our chins.

**Griffin:**

As the world just moans and wails.

**Justin:**

[laughs]

**Griffin:**

We just... We're just listening the entire time.

**Justin:**

Really—yeah, weighing it over. Then... and then, like, for one week...

**Griffin:**

The clouds part...

**Justin:**

... one hour out of the week. We just give that wisdom down. So if you're driving, stop. Go park. If you're sweeping, finish sweeping, and then stop.

**Griffin:**

Give yourselves to us.

**Justin:**

Yeah, give yourselves to us.

**Griffin:**

Entirely, for 40 minutes.

**Justin:**

Body and mind. As we convert your questions into wisdom.

**Griffin:**

You... you can call this period you listen to this show The Calm.

**Justin:**

[laughs] Welcome to The Calm.

**Griffin:**

The Calm.

**Travis:**

The Calm.

**Justin:**

That's our new name. The Calm. Um, this one comes from SuperSara77, uh, which I like for the alliteration. "How do I deal with my suite mate's ruckus, arrhythmic love-making?" [laughs] "Her squeaking the bed is getting to me... her squeaking bed is getting to me." Hi, reading. Uh, "I've suggested the beanbag, but to no avail. I'd pop in my headphones to listen to My Brother, My Brother, and Me, but you don't put out enough episodes." Wow. [laughs]

**Travis:**

I personally like that one of the complaints is that it's arrhythmic. Like, if she can just find that sweet beat...

**Justin:**

[laughs]

**Griffin:**

If it was just, like, a constant... a steady *unts unts unts*.

**Justin:**

If it... It was like... if it was just a constant, regular beat, she could just find some, uh, Ti'sto song.

**Griffin:**

[laughs] Just throw down *Speed Rail* and just lose it.

**Justin:**

[laughs]

**Travis:**

Oh, I think that's... that's the answer.

**Griffin:**

That'd be good.

**Travis:**

Whenever your suite mate starts her arrhythmic love-making, start pounding on the wall in rhythm and see if she falls in line with it.

**Justin:**

Yeah. [laughs]

**Griffin:**

That's a... that would be a fun experiment. Um, if I may suggest, don't listen to us. Don't listen to us when you're listening to your roommate's love-making, because that's not a Freudian mental connection that you want your subconscious to make.

**Travis:**

[laughs]

**Justin:**

[laughs]

**Griffin:**

You don't want... well, maybe it would be nice every time you listen to us to think of sweet arrhythmic love-making.

**Travis:**

[laughs]

**Griffin:**

But every time you hear love-making or participate in love-making, the last thing you want to be thinking about is... is our voices.

**Justin:**

Yeah. Uh, I...

**Travis:**

I disagree.

**Justin:**

Excuse me Phil... excuse me Philip. I'm enjoying our love-making. Arrhythmic though it may be. But I believe in order to climax, I'm going to need to turn on My Brother, My Brother, and Me. It's a podcast. You'll enjoy it. Maybe you won't.

**Griffin:**

See, now we're getting meta.

**Travis:**

If, at the end, you yell, "I'm ready for Griffin's last question," then...

**Justin:**

[laughs]

**Griffin:**

[laughs] Um, you should talk to your... your roommate and talk about how gross this whole... this whole scenario is. 'Cause you have to see her the next morning.

**Justin:**

Uh, I... there is a reason why we make this show the perfect, uh, length for a love-making session.

**Griffin:**

40 minutes?!

**Travis:**

[laughs]

**Justin:**

Well, I am... I am, of course including, uh, a 35 minute get pumped nap for afterwards, before you get pumped again.

**Griffin:**

Oh, thank god.

**Justin:**

Yeah.

**Travis:**

Yeah.

**Griffin:**

I was about to ask, uh... a really embarrassing question.

**Justin:**

[laughs] "My Brother, My Brother, and Me, uh, my brother said on a show that we do together..." [laughs] "The ideal length for love-making..."

**Griffin:**

I love it when people do stuff like that just to mess with you. Like, oh, you mean it... it takes you less than an hour? To climax? That's so... that's so bizarre. You don't have a 13 inch penis, soft? That's... that's just... well, that must be terrible for you.

**Justin:**

Uh, Penis Soft was my favorite software developer in the... in the '80s, by the way. They made a lot of really great racing games.

**Griffin:**

They totally did. Um, let's, uh... how about we kick off a Yahoo?

**Justin:**

Oh, wow.

**Travis:**

Let's do it.

**Griffin:**

It's early but, um, I feel like, uh, it might be a good way to get the... the show started. Um, this Yahoo Answer was sent in by Austin.

**Justin:**

Yeah baby.

**Griffin:**

It's, uh...

**Justin:**

It's a man, baby.

**Travis:**

Oh, god.

**Griffin:**

It's from Yahoo Answers user, JustMe, who asks... "Why does my cat have huge boobs?"

**Travis:**

[laughs]

**Justin:**

[laughs]

**Griffin:**

"Only the back two, and I'm positive she is not, nor has she ever been, pregnant. I got her when she was tiny and I got her spayed ASAP. That is when I noticed her boobs getting bigger and bigger. Is that at all normal? She's a calico, if that matters." Oh, it matters.

**Travis:**

Oh, it matters.

**Justin:**

Fuck yeah it matters.

**Griffin:**

You know what they say about those callies.

**Justin:**

Callies. Cala...

**Griffin:**

Big, big front meat. On those... well, I guess on the cat it would be, like, under meat.

**Justin:**

Under meat. God. Have you seen that callie's under meat? It is off the chuck.

**Griffin:**

I don't wanna sound weird, but...

**Justin:**

Okay.

**Griffin:**

... That cat has some sweet tits.

**Justin:**

[laughs]

**Travis:**

[laughs] Me-yow!

**Griffin:**

Like, really, just... bonkers stuff going on down there.

**Justin:**

Yeah, meow indeed.

**Griffin:**

It's weird, because it's just the back two.

**Travis:**

Yeah.

**Justin:**

I don't really like her... the... her other... eight?

**Travis:**

Is it... is it at all possible that your cat is a boy, and that's his balls?

**Griffin:**

[laughs]

**Justin:**

[laughs] Does your cat have giant balls? Uh, maybe your cat's... Okay, think about this for a second. You've assumed treated your cat, like, you've named it Mrs. Snuggle Baby, and it's been your cat, your girl cat, for years, right? But it's been a boy this whole time, and now it's like, biologically reasserting that by increasing its ball size four-fold. And so you'll, like, see them finally and be like, yes. And now it's super frustrating because it's... it thinks it... it... you now believe that it has giant boobs.

**Griffin:**

[laughs] I hate to... I hate to do another Yahoo, uh, Answer. I wasn't going to read this one initially, but the segue way now... it just set itself up so perfectly. And I can't remember who sent it in, so I apologize to whoever it was. But it's by Yahoo Answers user TheColeTrain who asks, "Why are cat's testicles furry, and human's not?"

**Travis:**

[laughs]

**Griffin:**

"I would like furry testicles, thank you. Furry cat testicles look so cool, don't you think so?"

**Justin:**

[laughs]

**Griffin:**

I've had... I've actually had that thought as well.

**Justin:**

Yeah.

**Griffin:**

Just... just looking, not on an actual cat, but on a... like, a furry. Like a furry... like a human being dressed up like a cat.

**Travis:**

Yeah.

**Griffin:**

I'm just saying that's kind of a cool look.

**Justin:**

Um...

**Travis:**

I was actually thinking of naming my new garage band that. Furry Cat Testes.

**Griffin:**

Furry Cat...

**Justin:**

Furry Cat Testes? What is the, uh... what's the story with, um, with cat balls? Are people looking at these things more than I knew that they were? Is that... with the kids?

**Griffin:**

It's troubling when in the same week, I get asked two questions that have to do with cat genitalia. Um, uh, I didn't know. Maybe it's some sort of... some sort of... it's like bird watching? Maybe they're—

**Travis:**

Looking at cat balls is the new watching paint dry. Kills some time.

**Justin:**

[laughs] This is as boring as watching a cat's balls.

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

Uh, I—I don't think that you should... I think it's one of the mortal sins to covet the balls of another animal. Isn't that in... in the Bible or something?

**Griffin:**

Well, no.

**Travis:**

Please don't.

**Griffin:**

Because cats are an exception because you're supposed to worship them, and their sweet tits and their huge, awesome balls.

**Justin:**

God. God. What... what... what if, oh my god. What if there was a cat that had huge, huge tits and big furry balls? Do you know how hard I would jerk?

**Griffin:**

[laughs]

**Travis:**

[laughs] Oh, Jesus!

**Justin:**

You know, forget... I... this will be me. This will be me. "Uh, hey sweetheart, I can't hear our arrhythmic love-making over the sound of Justin furiously masturbating."

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Justin:**

"Why did... why did you send him that YouTube clip?" "I thought it was funny." "Well, it's not funny! He has to stop jerking off."

**Travis:**

[laughs]

**Travis:**

"I'm growing concerned about him."

**Griffin:**

"He has... he has lesions now. Listen."

**Justin:**

[laughs] "Just toss in a bottle of Gatorade and hope for the best."

**Griffin:**

[laughs]

**Justin:**

What's, uh... Jay from Gmail asks us, uh, "What's a sign that I'm being a bit too touchy-feely with my girlfriend in public? She's an incredibly attractive lady and sometimes I like to wrap my arms around her, Griffin, and pull her close to me."

**Griffin:**

You know, you said my name in there.

**Justin:**

Um, yeah, he... 'cause, uh, he... I feel like he was showing off. That's what I'm feeling.

**Travis:**

[laughs]

**Griffin:**

Now... well, Jay, as... I mean, I'm not a... a dictionary author, but it sounds like you're describing a hug. Which...

**Justin:**

Oh, okay.

**Griffin:**

I think... I think hugs are still kinda cool.

**Justin:**

Yeah, hugs are all right. Um, the thing is... I... here's what I think. If they could use your picture in a catalog to sell sweaters, you're not overstepping the bounds.

**Griffin:**

Sure.

**Justin:**

This is actually a pretty good rule for PDA. If someone can take your picture, and some... and someone else can think, "Oh, I'd like to buy that shirt," then it is okay. If someone would look at the picture and be like, "What are these two creepos doing?" Then it's gone too far.

**Travis:**

My... my rule of thumb is always, would I do this in front of my grandmother?

**Griffin:**

That's a bad rule.

**Travis:**

Well, it depends.

**Griffin:**

There's a lot of... there's a lot of awesome shit in life that you can't do in front of your grandmama.

**Travis:**

Well, yeah.

**Justin:**

Or Jesus.

**Travis:**

Or Jesus.

**Griffin:**

Or Jesus.

**Travis:**

Um...

**Justin:**

Or my grandmother, Jesus.

**Travis:**

[laughs]

**Griffin:**

Maybe, uh...

**Justin:**

It's a family name. Don't be a jerk.

**Griffin:**

Sometimes you just can't help it, though.

**Justin:**

Yeah.

**Griffin:**

Sometimes you got a super attractive girlfriend, like, you... there's nothing you can do about it. It's a foregone conclusion. You are gonna... you're gonna just grope a little bit.

**Justin:**

Griff, can you tack "if memory serves" into that last paragraph when you're editing?

**Griffin:**

Uh-huh. If memory serves...

**Justin:**

[laughs]

**Travis:**

[laughs]

**Griffin:**

From what I remember about the female form, um...

**Travis:**

[laughs] I read in a book once...

**Justin:**

[laughs] If I learned anything from watching Titanic, it's...

**Griffin:**

Um, I mean, as long you're stealth about it... just... just... I mean, you gotta understand. We got this question last week about the guy who has a friend who's too touchy-feely with his girlfriend. Um, maybe there's a connection here. Um, just be polite and be conscientious. Don't do it at, like, you know...

**Travis:**

A funeral.

**Griffin:**

A funeral. You know?

**Justin:**

Yeah. Or look around you and see if, like, anybody else is being a weirdo, like, with the hugs and stuff. If you're in a hug-friendly environment, you'll usually get a pretty good sense of it.

**Griffin:**

Mm-hmm.

**Justin:**

Um, and... and again, this is one of those, uh... if you have to wonder about it, then it's probably already too late.

**Travis:**

Yup.

**Justin:**

Like, if the thought... if that thought crosses your mind, you are... you're a conscientious enough person that, you know, y-you're just gonna have to put the kibosh on it.

**Griffin:**

I'll tell you what I... I'll tell you what I cannot stand. What I can't stand for. And this was big when I went to high school. Is, um, boyfriends and girlfriends who would walk side by side, uh, with their hands in each other's

back pockets. First of all, when... when you do that, you become a... a fucking TIE fighter. Like, nobody can get past you. Like, you...

**Justin:**

Yeah.

**Griffin:**

You are a... a... twice... taking up twice as much space as normal, and it's hard to navigate those tight high school hallways. Uh, but also, your hands are just straight up on each other's butts. Like...

**Justin:**

Yeah. [laughs]

**Travis:**

[laughs]

**Griffin:**

There's no apologizing for that.

**Justin:**

You're touching butts.

**Travis:**

You know what I can't stand? Um, creepy tiny kisses. Like when—

**Griffin:**

Oh, yeah...

**Travis:**

But, like, multiple. Like... [makes many small kissing sounds] I love you. Mm. Mmm.

**Justin:**

Yeah. Mm-hmm.

**Travis:**

Mm... Eugh!

**Justin:**

I don't like it when the girl stands on the guy's feet and then grabs his wrists and then walks with him like he's a big exoskeleton.

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

Like, we get it. You're in love, right? You don't need to form Voltron.

**Travis:**

Uh-huh. [laughs]

**Justin:**

I hate... I hate that. "How does one gain swagger when entering a club? I wanna become a lady's man when I go to clubs/parties. Any tips?" From SwagLess, Formspring.

**Griffin:**

[singing] I'ma just gonna put some Fifty Cent over this question while you guys answer it.

**Justin:**

That would be awesome. Uh, I... I have a seven-tiered plan for you, to help you get your swagger in a club or party.

**Griffin:**

Mm-hmm.

**Justin:**

Shots, shots, shots, shots, shots, shots, shots.

**Griffin:**

Well, I mean, physical inebriation will certainly grant you swagger. Um...

**Justin:**

Yeah, why do you think people even do it? This is why people pre-drink. This is why people go to, like, have a drink before they go to the club so they get that swagger going.

**Griffin:**

Pre-gaming is important. I would say, maybe, don't do shots. I... You gotta slow build up to it. With a... you know... maybe a case of Keystone with your boys.

**Travis:**

Yeah.

**Griffin:**

Back at the...

**Justin:**

Shot... shots should be reserved for when you're drunk enough to not remember how shots will make you feel the next day.

**Griffin:**

Right. You can't... you can't go from zero to shots. Regardless of what LMFAO and Lil Jon tell you.

**Justin:**

You really get the impression from that song that they walk into the club and just start pounding shots, which isn't a healthy art.

**Travis:**

No.

**Griffin:**

No. Because you'll be at that club for 25 minutes, and then you'll be...

**Justin:**

Yeah, it's untenable.

**Griffin:**

... you'll be asleep or you'll be kicked out of that club.

**Justin:**

Why is Lil Jon asleep?

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Griffin:**

Lil Jon, you just got here.

**Travis:**

Shh, he's had a long day.

**Justin:**

Shots! Shots! Shots! It's 7:30, what are you doing?

**Griffin:**

Um...

**Justin:**

This is a Chili's.

**Griffin:**

Drinking is good.

**Justin:**

[laughs]

**Travis:**

[laughs]

**Griffin:**

There are other things you can do, though, to gain swagger.

**Travis:**

Okay.

**Griffin:**

Aside from... aside from like, a... like a mental swagger. You know?

**Travis:**

Yeah.

**Griffin:**

Where, like, you know that you... Maybe you get a nice haircut, and you buy some new shoes.

**Justin:**

GTL?

**Griffin:**

That will... you GTL it, and then you'll be able to swagger. Um, you could also, um... I don't know if it's possible. Can you give yourself a club foot?

**Travis:**

See, I was going to say pimp cane and tiny shoes.

**Justin:**

Whoa. Well, that would do it. That would give you a club foot.

**Travis:**

Yeah.

**Justin:**

Right? You want like... what, now... what is a club foot? I am unfamiliar.

**Griffin:**

A club foot is like, uh... from... if memory serves, a clubfoot is a... like a foot that just kinda, like, stops, like, halfway. It's like a 'fo.'

**Justin:**

Like... like a nubbin?

**Griffin:**

It's like a nubbin, but it's...

**Travis:**

You're thinking of a peg leg.

**Griffin:**

It's not a peg leg, because there is something there, um, but you don't have a whole lot of control over it. But I think that would be the ultimate swagger.

**Travis:**

So like a foot you would wear to a club?

**Griffin:**

It's... that's precisely the point.

**Justin:**

I just, uh, Google image searched club foot and just got a bunch of pictures of Dylan McDermott's.

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Justin:**

So I don't know... I don't know what the deal is with that. Uh... I, uh... yeah, I think club foot would be great. A peg leg, as Travis suggested, would also be great. Um, drinking is good. It's a Mitchell game, basically is what you're playing, and you need to do whatever you need to do to get your sexy right.

**Griffin:**

Get your sexy right. Get your money right. Everything else will just fall right into place.

**Justin:**

If you get your money right, and then you get your sexy right, get in a... like Griffin said, haircut, get yourself...

**Griffin:**

Get your hair right. Get your shirt right. Get your watch right, and your shoes right.

**Justin:**

Yeah.

**Griffin:**

Maybe a little makeup?

**Travis:**

Get your soul right.

**Griffin:**

Maybe a little man makeup.

**Justin:**

By... and by makeup, he means makeup. Like, seriously.

**Griffin:**

Get your makeup right. Get some blush right. Some eyeliner.

**Justin:**

Right.

**Griffin:**

Yeah.

**Justin:**

Yeah, get all those things. And uh... and by get your watch right, he means don't wear a watch, because it's 2010 and you've got a cellphone.

**Travis:**

Yeah. You are just getting—

**Griffin:**

I like Travis's idea of getting your soul right, too.

**Travis:**

Yeah.

**Justin:**

Whoa.

**Travis:**

You gotta get clean.

**Griffin:**

Maybe... just find out what's going on in there.

**Justin:**

You think he's got, like, a swagger road bump that's keeping him from swagger.

**Griffin:**

I'm saying he's got a metaphysical, meteorological road bump that he needs to get right before he can get that swagga'.

**Justin:**

Is... is road bump a real thing, or is that a word we just invented? I'm pretty sure...

**Travis:**

I'm almost certain it's a real thing.

**Justin:**

Okay.

**Griffin:**

I'm pretty sure at least three of the words I used in my last sentence were made up words.

**Justin:**

[laughs] Um, what is keeping you from swagger? What is keeping you from getting your sexy right?

**Travis:**

I think... I think this is a job for a licensed therapist.

**Justin:**

Yeah, that... Travis has made a great point. We don't wanna be... end up in a protracted legal battle.

**Travis:**

Yeah.

**Justin:**

Um... What about... what about...

**Travis:**

Go to a therapist, say, "Hey, I need your help. I gotta get this swagger figured out."

**Griffin:**

Get your therapy-wagger figured out.

**Travis:**

Yeah.

**Justin:**

[laughs] Get your therapist to help you. We can't... This is too much for us. We can't tell you about your swagger, um, without... w-we need videos, we would need... we would need a lengthy interview, um, to figure out...

**Travis:**

And a sleep study.

**Justin:**

And a sleep study. [laughs] Definitely a sleep study. I have swagger in my sleep now. Like, involuntary swagger.

**Griffin:**

It makes it... it makes you very hard to sleep in a bed with.

**Justin:**

Yeah.

**Travis:**

Mm-hmm.

**Justin:**

I'll wake up... I'll wake up sometimes and my wife will be kissing me and I'll be like, "What are you doing?" She said, "Your hair just looks so baller while we were sleeping."

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Justin:**

"I think you got your sexy right. You're swagger now." Like, "Yeah, I guess so."

**Travis:**

Sometimes... Sometimes I wake up with an empty bottle of Jägermeister next to me.

**Justin:**

[laughs]

**Griffin:**

Um...

**Travis:**

But that has nothing to do with anything.

**Justin:**

That... that's neither here nor there. That's really... the... those two are more connected than you think.

**Griffin:**

Hey, can we introduce a phrase into the... the consciousness of America, right now? Um, if, whenever you see an unattractive person, instead of commenting at all on their unattractiveness, can we just say they have their sexy wrong?

**Travis:**

[laughs]

**Justin:**

Yeah, I think so. Th-their sexy is... is... is wrong. Your... your... your sexy, um, your sexy is...

**Griffin:**

It's incorrect.

**Justin:**

It's incorrect. You've done it wrong.

**Griffin:**

It's fallacious.

**Justin:**

Take another shot at your sexy. [laughs]

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

"All my friends, and everyone in my class are so immature. Any time my teacher says the word ball or anything that sounds like "penis," they laugh. Should I suck up and pretend to laugh?"

**Griffin:**

[laughs] Suck it. Sorry.

**Justin:**

Uh, "Or tell them to shut up?" Benjamin from Gmail. Um, Benji. You're young. If you can't laugh about balls and words that sound like penis... what words are those, by the way?

**Griffin:**

[laughs]

**Justin:**

I, uh...

**Griffin:**

[laughs] Maybe if you say the word "jeans" weird. Then...

**Justin:**

[laughs]

**Travis:**

Pencil.

**Griffin:**

Maybe? Pin...

**Justin:**

Yeah, maybe?

**Travis:**

Pinochle.

**Griffin:**

Pinochle? Definitely.

**Justin:**

Yeah.

**Griffin:**

But if... if you're... you're 12 years old and you're talking about pinochle, you have much, much bigger problems.

**Travis:**

Penis?

**Griffin:**

[laughs] Penis?

**Justin:**

Menses. Um, but, I think that this is the time in your life when you gotta give yourself permission to laugh at balls and words that sound like penis. I know that I actually found that kind of stuff funnier as I got older and just let myself go. Let myself enjoy it.

**Travis:**

Mm-hmm.

**Griffin:**

If memory serves, uh, we spent about five minutes on this show earlier laughing about cat balls and penises, so...

**Justin:**

[laughs] I do not recall that. I'm gonna have to go back and listen.

**Travis:**

Let's have a look at the transcript.

**Griffin:**

Let's consult the stenographer, and we'll, uh...

**Justin:**

Doris! Doris!

**Griffin:**

Run it back.

**Travis:**

Did we talk about cat balls? Oh, we did. We did for a long time.

**Griffin:**

I mean, we don't know how old Benjamin is. Benjamin might be... he might be 35, and this might be like an adult learning program, and if that's the case, then this is entirely unacceptable.

**Justin:**

If... if... if this is an adult learning program and people are laughing about balls and penises, I have bad news for you. You are in a Bill Murray movie.

**Griffin:**

[laughs]

**Justin:**

You need to get out. You need to extricate yourself from that.

**Griffin:**

Unless it's Groundhog Day.

**Travis:**

Here's some real advice. Here's what you need to do. You need to parlay this with the ladies. So when all the dudes laugh at balls and penises, you look at the ladies and go, "How immature. Am I right, ladies?"

**Griffin:**

"I laugh at Pruste."

**Travis:**

[laughs]

**Justin:**

[laughs] "Who can laugh at anything with this cholera situation in Haiti?"  
Um, no, don't be that guy.

**Griffin:**

No, be that guy.

**Justin:**

... oh, god...

**Griffin:**

Okay, don't be specifically that guy, but you can be the guy who doesn't get in on their reindeer games, and you will seem like the smartest kid in the room.

**Travis:**

Mm-hmm.

**Griffin:**

And that ain't... that ain't worth nothing.

**Justin:**

Yeah. I... Yup. Yup. Yup.

**Travis:**

Talk about a joke you heard on NPR.

**Justin:**

[laughs] Will Shortz had the funniest puzzle last week.

**Griffin:**

Did you hear the latest Prairie Home Companion?

**Justin:**

[laughs] Guy Noir is up to his old tricks...

**Travis:**

[laughs]

**Griffin:**

[laughs] This Yahoo Answer question that I am reading, apropos of nothing, was sent in by Jonathan Bartram, close friend of the show. Um, which by the way, to earn that designation, you actually have to be a close friend of the show. We don't just throw that around. Uh, but it... it's from Yahoo Answer user KeithUrbanF, who is also a close fan of this show.

**Travis:**

[laughs]

**Justin:**

[laughs]

**Griffin:**

Who asks...

**Justin:**

Wait, Keith Urban? [laughs] I am so... the country music star?

**Griffin:**

It's... it's... it's KeithUrbanF.

**Travis:**

No, no, it's KeithUrbanF. You're thinking of Keith Urban A.

**Justin:**

Well, we've perfected the Keith Urban series. It took us seven iterations, but may I introduce, Keith Urban F!

**Griffin:**

[sings] She thinks my tractor's sexy!

**Justin:**

You silly bitch.

**Griffin:**

So crisp.

**Justin:**

No.

**Griffin:**

Um, Keith Urban...

**Justin:**

That's not Keith Urban. That's Danny McCluskey.

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Justin:**

Get your country music facts straight.

**Griffin:**

You broke my heart. KeithUrbanF needs to know...

**Justin:**

[in a silly voice] Where can I find oil?

**Travis:**

[laughs]

**Justin:**

Country oil! I need Budweiser oil!

**Griffin:**

[laughs] See, now this riffing is going to be funnier than the question is.

**Travis:**

No, say it.

**Griffin:**

KeithUrbanF wants to know, "Does sausage have seeds?"

**Justin:**

[laughs]

**Travis:**

[laughs] Of course it does!

**Griffin:**

"I told my friends..."

**Travis:**

Where do you think more sausage comes from?

**Griffin:**

"I told my friends at school today that I thought sausage had seeds in it, and they all thought I was crazy, but I always thought that sausage has seeds in it. Does it?"

**Travis:**

[laughs]

**Justin:**

Well, if sausage doesn't have seeds, what kind of tree did I fall out of when I was eight and break my arm?

**Travis:**

Exactly.

**Griffin:**

I like...

**Justin:**

Think about it.

**Griffin:**

... sausage tree sounds like something it's... it's not. Sausage...

**Justin:**

Sausage Tree is actually a new club for discerning gentlemen that I am opening up. In 2011, get there.

**Griffin:**

A very... a very private club.

**Justin:**

Select... select...

**Travis:**

Sausage Tree, formerly Gentlemen Hole.

**Griffin:**

Gentlemen can come and be gentlemen.

**Justin:**

And be gentlemen together as gentlemen.

**Griffin:**

On each other.

**Justin:**

Yes. Your membership cards from Shemanigans will be accepted. So just come on right in. Uh, there... that... it's anise, right?

**Griffin:**

There are pellets, in sausage.

**Justin:**

They're pellets, right.

**Travis:**

It's gristle.

**Justin:**

No, it's not gristle. It's like...

**Griffin:**

It's Grisham.

**Justin:**

Like, flavor. It's... it's Laurence Fishburne. It... It's, uh, it's like seasonings, right? Like pepper, and stuff.

**Griffin:**

Uh-huh. Coriander.

**Justin:**

Like peppercorn.

**Travis:**

Popcorn.

**Justin:**

Coriander.

**Travis:**

Paprika...

**Justin:**

Pop-erika...

**Griffin:**

But, um, I totally support the idea of planting things. Just to see if a tree will grow out of them. So...

**Justin:**

Mm-hmm.

**Griffin:**

... So, just go sausage-crazy. Maybe tuck a few microwaveable pizzas down in the lawn and see if... if a pizza tree springs out. You... you don't know until you try.

**Justin:**

Guys, if I... if I plant a Bagel Bite, and it grows a Bagel Bite tree, I am quitting my job. I am divorcing my wife, and... 'Cause I will have everything that I will ever need. Right there.

**Griffin:**

If you get that Bagel Bite tree and a shemale kitten, you are fucking set...

**Justin:**

Holy...

**Griffin:**

... for at least 15 years or however long the cat stays alive.

**Justin:**

As long as people keep bringing me Mountain Dew Code Red, I will... I will live and thrive.

**Travis:**

What you have to do is cut a Mountain Dew in half, and then suspend it in a jar of water, and it sprouts off new Mountain Dews. And then you can cash in on that.

**Griffin:**

Aw, like a little baby Mountain Dew arboretum.

**Travis:**

Exactly.

**Justin:**

I though... I thought we weren't going to turn this into a gardening podcast and give away all our secrets.

**Travis:**

[laughs]

**Justin:**

If we started... if you want... if you want gardening tips, tune into our other podcast, My Garden, My Garden, and Me.

**Travis:**

[laughs] How do you get your bratwurst bush...

**Justin:**

It's actually... It's actually a show about gardens that I do with Ina Garten, the Barefoot Contessa.

**Travis:**

[laughs]

**Justin:**

It's not... it's not very popular.

**Griffin:**

How many episodes?

**Justin:**

It's actually...

**Griffin:**

How many episodes?

**Justin:**

It's actively disliked. A half. We finished one and she had to go make some scones for Jeffrey.

**Griffin:**

[laughs]

**Travis:**

[laughs]

**Justin:**

Um, "My friend recently sent me a picture of his new tattoos, and I do not like them at all. We are very good friends and he respects my opinion. I don't want to lie, but I also would rather not tell him the truth." Okay. Uh, "How should I respond?"

**Travis:**

What a conundrum.

**Justin:**

Yeah, you've... you've really drawn yourself into a logical corner here.

**Griffin:**

Well, first of all, uh, we need to address the fact, uh, this question was sent in by our website. Our fresh new website which, if you haven't been to it, is mbmbam.com.

**Justin:**

Yeah.

**Griffin:**

Go to it.

**Justin:**

More on that later.

**Griffin:**

But there's an... there's an input there where you can put in your own questions. Uh, and make sure you put your name on it. 'Cause this guy didn't put a name on it, so how is he going to know that this wisdom is for him? Just a cautionary tale.

**Justin:**

We know that... we know that he is not a friend of one very special gentleman, who I think you... you guys all know who I'm... I'm referring to. I believe his twitter username is Elenem?

**Travis:**

Mm-hmm.

**Justin:**

Elemim. Forgive me. That's a...

**Griffin:**

Elnamim. Elnemar.

**Justin:**

El...

**Travis:**

Elmememar.

**Justin:**

El... El... Elm...

**Travis:**

Pinochle.

**Justin:**

Elmum? Elmumum? Aluminum? Al-u-minium? Uh, this gentleman, who we will refer to by... because this is, uh, a Christian podcast, we'll refer to him by his... his Christian name. Uh, and that's Erickson from, uh, uh... Rochester, New York. He's the reviews editor at eBaum Nation and he made the ultimate...

**Griffin:**

Sacrifice, I would say. [laughs]

**Justin:**

I don't want to call it a sacrifice!

**Griffin:**

I would call it very much a skin sacrifice. It's like he's in a Saw movie, and in order to get out of some trap, he had to get this thing on his skin which he can't use for anything else.

**Travis:**

I think it's more of a skin contract.

**Justin:**

Yeah, it's a skin contract with us, so we have to do this show forever.

**Griffin:**

Thanks Eric!

**Justin:**

Thanks Eric. We're getting ready to wrap up season one and take a three month hiatus. He got an awesome, um, uh, M-B-M-B-A-M tattoo with our new little "pack your bags" guy. Um, and, uh... you can get his tattoo on a t-shirt, coming up soon.

**Griffin:**

You can rent the skin off of his forearm, put it on a t-shirt, and we'll... you can just wear it. That's the, uh... that's the kind of service that we provide here at MBMBaM.

**Justin:**

Yeah. You've earned that right, to rip his arm off. Um, uh, now, uh... to our question. Uh, you have to lie.

**Travis:**

You have to.

**Justin:**

This isn't... this isn't up for debate. You have to lie.

**Griffin:**

Maybe we shouldn't of connected these two points, of this guy hating his friend's tattoo and Eric getting a totally sweet tattoo. We're not lying, Eric. We totally love your sweet tattoo, but this guy...

**Justin:**

Yeah.

**Griffin:**

... it... it sounds like he's talking about something completely different.

**Justin:**

Your sweet tattoo and your sweet cat tits. We love them both.

**Travis:**

Here... here's the thing. It's one of two problems. Either it is the quality of the tattoo is not good, or the tattoo itself is bad. Now if it's the quality of the tattoo, he can get that redone. He can go and get something over it, anything like that. But if it's just, the tattoo is stupid...

**Griffin:**

I mean, maybe.

**Travis:**

...like, got like, "Simpsons Forever."

**Griffin:**

Maybe he got... maybe he got Bret Michaels' face on his face. Like...

**Travis:**

[laughs]

**Justin:**

[laughs]

**Griffin:**

You can't... you can't... there's no second draft for that. Like, that's it. That's what you're wearing forever.

**Justin:**

Wait a minute, why are we ignoring the third... pretty obvious option? You have to stop being his friend.

**Travis:**

Oh yeah.

**Griffin:**

Mm-hmm.

**Travis:**

You don't want to be hanging out with a guy who has Bret Michaels' face on his face.

**Justin:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

The... the... the only solution is to not be his friend anymore.

**Travis:**

And... Side note, unless it actually is Bret Michaels. Then it's awesome.

**Justin:**

If it's Bret Michaels, uh, getting a tattoo of a face on his face, that... you've got the most meta friend ever. What if it's a guy named Bret Michaels, but not *that* Bret Michaels? [laughs] Got tired of all the jokes and had real Bret Michaels' face tattooed on his face. Is that a cool friend? Is that somebody you want to spend time with? I don't know.

**Griffin:**

I mean, I wouldn't say cool. I wouldn't say cool in the traditional sense of the word.

**Justin:**

Like, not cool. No.

**Griffin:**

I would say, um, fucking insane. And you should still surround with a person like that.

**Justin:**

Yeah, insane.

**Griffin:**

And you should still surround with a person like that.

**Justin:**

Yeah. I would... I would want to surround myself like that...

**Griffin:**

And by surround yourself with a person like that, I mean get all of Bret Michaels', not Bret Michaels', body tattooed all on your body.

**Travis:**

[laughs]

**Justin:**

[laughs] You gotta up the ante! You've gotta get a worse tattoo than your friend so they're the one that's uncomfortable, not you.

**Travis:**

Get a tattoo that says, "My friend's tattoo is stupid."

**Justin:**

[laughs] And then you'd be like, "You there now. You can't get mad at me."

**Griffin:**

I feel like...

**Justin:**

It's... it's on my body forever. [laughs]

**Griffin:**

Maybe we need to come up with some sort of... MBMBaM identikit. Where like... a tattoo. Like a standard-issue tattoo that fans can get. And it wouldn't be... wouldn't be quite as large as Eric's, 'cause I don't know if any fan is as die hard as Eric. So I don't think that any other fan would be willing to dedicate so much of their body space to that. So I'm saying, like, maybe like a tiny... like...

**Travis:**

Griffin face.

**Griffin:**

No, no, not even that. Although, if you want to get my face on you, go crazy. Um, I'm saying like a tiny, little... maybe just like the size of, like, a pea. Like a... maybe like a little one you get in the webbing between your right thumb and forefinger.

**Travis:**

Mm-hmm.

**Griffin:**

Just so that like... like a secret handshake people know.

**Justin:**

You're building a new society here.

**Griffin:**

I'm trying to. You guys aren't...

**Justin:**

This is kinda... this is kinda creeping me out actually. You took a weird turn, where suddenly you want to have a... you want to, like, Illuminati-style control the world.

**Griffin:**

That's exactly what... but it wouldn't be Illuminati in the sense that we would, like, plot to assassinate the Pope. Like...

**Justin:**

Or even have regular meetings, really.

**Travis:**

Yet.

**Griffin:**

[laughs]

**Justin:**

Whoa!

**Griffin:**

If by episode 300, we have to come up with some sort of conspiracy to assassinate some sort of leading political figure, or religious figure.

**Justin:**

Yeah.

**Griffin:**

I don't know. That would actually be... I hope that our show...

**Travis:**

Right. It's time to let you guys in on something.

**Griffin:**

Okay.

**Travis:**

Go back to our archive. Every third word, write them down. Then rearrange them. You'll get it.

**Justin:**

Ask Tom Hanks. He'll help you.

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

Um, Mr. Hanks, do you have the codex? I need the codex to decode the shows. The Illuminati plant. Um, this is taking kind of a weird turn. Griffin, do you have a Yahoo question that will, like, take us out of this odd...

**Griffin:**

Yeah. Uh, I'm gonna read a Yahoo...

**Justin:**

This odd... Pope-assassination path we seem to be wandering down.

**Travis:**

[laughs]

**Griffin:**

I'll read a Yahoo Answers question. That will... that will make you feel less weird.

**Justin:**

And not wandering so much as sprinting towards the assassination to a public figure.

**Griffin:**

I'm saying we're not there yet. I'm saying in, like, 270 episodes.

**Travis:**

We... we haven't earned... we haven't earned that street cred to order the death of someone.

**Griffin:**

That's... that's fucking... that's like six years down the road. Like, we'll cross that bridge when we come to it. I'm just saying, I want to be part of a community. And by be part of, I... I mean lead.

**Justin:**

And by community, you mean angry...

**Griffin:**

Cult.

**Justin:**

Pope-killing mob. Okay, okay.

**Griffin:**

Uh, Max Jackman sent this one in. Can we just take a moment to set that in?

**Justin:**

[laughs]

**Travis:**

[laughs]

**Griffin:**

[laughs] Thanks Max Jackman. Um, Yahoo Answers user SidewaysSmileyFace, uh, asks, "Is the Human Centipede real?"

**Travis:**

That was the sound of Justin taking off his headphones and walking away.

**Justin:**

Is The Human... We're done, guys. Like, our c... c....

**Griffin:**

You don't mean the show. You mean fucking humanity. People. America.

**Justin:**

I don't... I'm not gonna answer this question. I need to talk about the fact that, as a society, we're done. Dog, there are people wandering around on this earth that... that were like... they were sitting at their den. Not reading. And... and they suddenly realize, like, I... This question is gnawing at me too much. I've gotta go ask the internet if the Human Centipede is real. It's a...

**Travis:**

Have you guys seen that new documentary? The Human Centipede?

**Justin:**

Have you seen that docu-drama, The Human Centipede? Where a mad scientist sews a person's mouth to another person's butt hole?

**Travis:**

[laughs]

**Griffin:**

Twice.

**Justin:**

Twice. Have you seen that movie? Because it was... that's a st... that's a true story.

**Travis:**

It was a hard-hitting introspective.

**Griffin:**

It was on Nat Geo the other day. Uh, so it must be real.

**Travis:**

[laughs] I was watching Planet Earth and they were doing a special about the Human Centipede.

**Justin:**

You'll know if the Human Centipede is ever real, because you'll see me about six feet away, jerking it so right.

**Travis:**

[laughs]

**Griffin:**

[laughs] You have got to get your Human Centipede right.

**Travis:**

[laughs] You want swagger?

**Griffin:**

There... there's one way to have swagger, is to walk on all fours with two human beings suspended by your mouth and butt hole.

**Travis:**

[laughs]

**Justin:**

[laughs] If you walk into a club with anything less than six legs, your sexy is not right. You've gotta get your leg count right. It's so... it's so important to have your... your Human Centipede fresh.

**Travis:**

And then... and then ask the DJ to turn on Jitterbug.

**Justin:**

[laughs] People will never see that coming. Uh, that, I have a... I have a, uh, a regiment I call G-T-L-N-C-S, and it's, uh, gym, tan, laundry, new centipede segment. Where I cut off the back... my back quarters.

**Griffin:**

Sure.

**Justin:**

And I find a new person to sew to my butt hole. [laughs]

**Travis:**

[laughs]

**Griffin:**

Right. I... Well, I call... I refer to that as pruning. Um...

**Travis:**

Rinse and repeat.

**Justin:**

Yeah. You just gotta get a new person to sew to your butt hole every night before you go to the club.

**Travis:**

And that's what Craigslist is for.

**Justin:**

[laughs]

**Griffin:**

[laughs] Oh...

**Travis:**

You know, we laugh and joke, but I'm really sad.

**Justin:**

Yeah. This culture is... I'm really worried about people. Like, these... we make light of these people, and this isn't a crazy person. This person is just, like, way stupid.

**Griffin:**

I mean, that's...

**Justin:**

Like, way, way stupid.

**Griffin:**

That's why we do this show. 'Cause if... if... if we had to deal with shit... if I had to deal with this shit by myself, like, knowing that these people existed and I just had to eat that knowledge and... and digest it myself, I would... I would be driven crazy.

**Travis:**

Here... here's a scary proposal.

**Justin:**

I'll tell you what we need...

**Travis:**

One is that someone saw that movie and thought, "Oh, this is probably real." But scarier than that is that someone else said to this person, "You know, that's real." And they couldn't determine, on their own, whether that was true or not.

**Griffin:**

Right.

**Justin:**

What we mean... what I just realized that's very important is that we need listeners to, after they've listened to a show, track down these questions on Yahoo and then post a show link in there. So people le... Like, 'cause I need the truth to get to them. What... what answers did people have for that, Griffin? What... what... what answers did people have about, "Is The Human Centipede real?"

**Griffin:**

Uh, I closed the window because it was bumming me out. Hold on.

**Justin:**

[laughs] I can... I can see how that could be a little depressing to... to have to stare at that kind of...

**Griffin:**

Quentin Jeremiah replies, "Yes! I seen it in the park and it's real. The film's based on that."

**Justin:**

Wait, what?

**Travis:**

What?

**Justin:**

He saw... wait, wait, he saw... he saw a centipede in the park? And he got confused? Or he saw a Human Centipede, like...

**Griffin:**

He may have seen a human holding a centipede, and it freaked him out.

**Justin:**

Maybe we was... saw a human holding a baby and he got confused.

**Travis:**

Maybe it was one of those Chinese dragons.

**Justin:**

[laughs]

**Travis:**

I always get those confused. You take off the top, and it's just butt hole, mouth, butt hole, mouth. It's awful.

**Justin:**

[laughs]

**Griffin:**

Miss replies, "It would be cool if it did." Uh, no it fucking wouldn't.

**Justin:**

[laughs] Would it? Would it be cool? Hey, that... hey, that's cool how you have your mouth sewn to another human's butt hole.

**Travis:**

[laughs]

**Griffin:**

That's... that's a pretty cool thing you got there.

**Justin:**

That... that's cool!

**Travis:**

Awesome!

**Justin:**

I'm glad that's happening for you.

**Griffin:**

You know, you've really got your centipede right.

**Justin:**

[laughs] You can tell, you've really got all your legs. Your leg count is right where it needs to be. So nice.

**Travis:**

Nothing like showing up to your high school reunion with your mouth sewn to someone's butt hole to really show them how you got your shit together.

**Justin:**

"Yeah, I've only been in a human centipede for, like, three years, but I'm hoping to be the front segment in, like, four or five. But it's really gonna get

my... gonna get my sexy right. Gonna... it's all about the politics, man. It's a politics game."

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

"If you wanna be the front segment in a centipede, you gotta... you gotta eat some dooky from a man's butt hole."

**Travis:**

[laughs]

**Griffin:**

[laughs]

**Justin:**

"But a lot of these new kids, they come up out of college with their Master's degrees and butt holes, and they think that they're just gonna be the front segment. It's like, hey, get in line. I mean, literally, get in line behind me and sew your mouth to my butt hole and we'll see what we can work out for you in a few years. But not right now, okay? 'Cause, right now, he's got a second segment and it's me. I'm waiting for Darryl to die. And then I'll be the front segment and I'll have a bunch of kids behind me, eating my butt hole."

**Griffin:**

[laughs]

**Travis:**

[laughs] As we all know...

**Justin:**

Don't think...

**Travis:**

... if you're not the front segment, the view never changes.

**Justin:**

[laughs] That's so true. You're just looking at the top of a person's butt your whole life.

**Griffin:**

Second place is first loser, and also, you eat a whole bunch of poop.

**Justin:**

Yeah.

**Griffin:**

That's how that phrase goes.

**Justin:**

Do you think... I've never seen The Human Centipede. Is that front segment person... are they just like...

**Griffin:**

They got a sweet deal.

**Justin:**

Wow. That's convenience!

**Travis:**

[laughs]

**Griffin:**

They just mostly... they just...

**Justin:**

How pleasant!

**Griffin:**

They just kick it, mostly.

**Justin:**

Yeah, they just, like, kick it... well, they don't kick, because that could be dangerous, but they de... they don't want to dislodge the person, 'cause they got a pretty good deal going.

**Griffin:**

Right.

**Justin:**

Right?

**Griffin:**

I'm totally yucked out. This is like the second week in a row where we end the show where it's like...

**Justin:**

I know, but quick. I got a serious... I have a serious question for you. If you're in the human centipede, and you gotta get out of it...

**Griffin:**

Uh-huh.

**Justin:**

... would you rather cut off a person's mouth and have a mouth stuck to your butt hole forever?

**Griffin:**

Uh-huh.

**Justin:**

Or cut off a little sliver of your butt hole?

**Griffin:**

Of your own butt hole.

**Justin:**

And then... and then make them have butt hole mouth forever. [laughs]

**Griffin:**

[laughs]

**Travis:**

[laughs] I think I'd rather just kill myself.

**Justin:**

You would rather kill yourself?

**Travis:**

Yes.

**Justin:**

That's... that's the coward's way out. That's why you'll never be front segment.

**Travis:**

[laughs]

**Griffin:**

I still say... that I would wrap myself in a chrysalis and become a human butterfly.

**Travis:**

[laughs]

**Justin:**

[laughs]

**Griffin:**

Now, I know that's caterpillars.

**Justin:**

[laughs]

**Travis:**

[laughs]

**Griffin:**

But...

**Travis:**

Oh god!

**Justin:**

"What, mommy... that's... what's up with that giant butterfly? It's... it's beautiful and crying."

**Griffin:**

"Its thorax has three torsos."

**Justin:**

[laughs] "Why is that... why is that giant butterfly's middle segment wearing FUBU gear, mommy?"

**Travis:**

[laughs]

**Justin:**

"I don't understand."

**Griffin:**

Um, I mean, you would still be pooping into mouths. Uh, but you would have the... the great, big, beautiful wingspan of a monarch. And I think that that would more than make up for it.

**Justin:**

That's what happened to Lindsay Lohan.

**Griffin:**

We have to end the show.

**Justin:**

Uh, I thought we already... it...

**Travis:**

Did we not end it 10 minutes ago?

**Justin:**

I thought the show would basically end when everybody turned it off, which was... which was a few minutes ago. Um, so, housekeeping, uh, before we hear Griffin's last question. Um, uh, mbmbam.com is brand new. It is so full of, uh, games, activities for kids, uh, forums, all our old shows...

**Griffin:**

Like Penguin Town? We got Penguin Town.

**Justin:**

[laughs] It's like the Penguin Town of websites. There is an instant-advice eight ball. Don't stop clicking until you get the special musical, uh, uh, answer. You'll know it when you get it. Um, we'll have new, um, pre-orders for new gear going up in the, uh, going up in the MBMBaM, uh, clothing wear store.

**Griffin:**

Can we talk about some of that gear? Or is it too soon?

**Justin:**

Yeah, yeah, yeah. Yeah, talk about the gear. I feel pretty confident about it.

**Griffin:**

Uh, we're gonna have a new shirt. It's gonna be a deep heather chocolate brown. Just a really smooth, mellow brown. Uh, of the... the new Justin Russo joint. The... the "pack your bags" logo. Which, I'm pretty sure is gonna be on the Facebook group. Um, also, we're gonna have the logo shirt reprinted, but it's gonna be, uh, a cardinal red color this time around. So maybe you already have one, but to... maybe you want a red shirt. Maybe.

**Justin:**

Yeah.

**Griffin:**

To go along with all... so you can... with any outfit you wear, you can either wear a red or blue shirt with it. Um, I remember reading that in Vogue. Uh, and we're also gonna do a mug, I believe. A coffee mug.

**Justin:**

Yes.

**Griffin:**

Which is a great, uh, a great way to spread the word about the show if you just, like, leave it laying around the office. People will wonder what this thing is.

**Travis:**

Also a great way to drink hot beverages.

**Griffin:**

Also hot beverages. But I'm not thinking about your pleasure, I'm thinking about mine.

**Justin:**

Um, there's a... what else...

**Griffin:**

Oh, and lady shirts.

**Justin:**

Lady shirts. There's gonna be dark purple lady cut of the t-shirt. Um, also we, uh, we got forums now. That Facebook group is the old... old mess. I'm not going there anymore. Uh, if you want to get down on that fresh stuff, everybody... See, not everyone is on Facebook and everybody can participate on a forum.

**Griffin:**

I think... I think that both worlds can survive. It's just, uh, I think that... I don't think it's too much to ask that people give their time to both... to both outlets, you know? 'Cause that Facebook group, it's a good way for people to meet people and just, like, just sync on Facebook and just, you know, match up and just hook up.

**Justin:**

Yup. And look for, uh, Craigums. Our... our... our boy Craig is over there in the forums. He's... we've titled him the Cruise Director. So he's, uh, he's there just to make sure you're having fun. If you're not, uh, if you're not there, enjoying yourself, then let Craig know and he will... he will take care of it. Um, we got a fun thread right now full of, uh, people's costume pictures that they... they, uh...

**Griffin:**

Oh, that is fun.

**Justin:**

It is fun. Uh, you guys should get up in there. I'm already... I'm already down. I gotta put up my Abominable pictures up there. But that's... that's blowing up. That thread's doing well. And it's just really a fun site. And if you want to talk about the show, there's lots of people there who are talking... talking about stuff and it's... it's a fun community of people. Um, and the... the pre-orders for that new stuff will be up this week. Uh, just look on the website. We'll have threads in the forum and on Facebook and on everything. Um...

**Griffin:**

Um, as always, if you want to send in question, there is a form on the website.

**Justin:**

Mm-hmm.

**Griffin:**

Right on the front page. Just make sure you put in your name. That's probably the fastest, newest, hottest way to do it. Um, but there's always email, which you can reach us at mbmbam@gmail.com. Um, you can call us. Leave a message on our voicemail at 203-mbmbam1. Uh, or you can tweet at us. Though, we probably... I don't know. It's hard to get answers from Twitter. You know? It's hard to get questions. 'Cause it... it... those... those don't last forever. Email, that's forever.

**Justin:**

Yup. Email's permanent. Uh, oh, and if there's something you'd like the website to do that it's not doing it right now, uh, anything, just let us know. We can... we can... we gotta guy now. Got our... our guy, Michael Demoro. And he will, uh, he will set it up... he also runs thriftynerd.com. He made the site...

**Griffin:**

Killer website, that thriftynerd.com.

**Justin:**

Yeah. Uh, and... and he made our new website. He did a really, a really great job with it.

**Griffin:**

Thank you, Michael.

**Justin:**

So, um... Thank you, Michael. We love you very much.

**Griffin:**

Thank you, Mike.

**Justin:**

Uh, thank you, Mike. We wanna... we wanna hear the new, uh, the new question.

**Griffin:**

Well, first off...

**Justin:**

Hold on, hold on, one second.

**Griffin:**

Appsperience owners, you have a special treat waiting for you.

**Justin:**

Oh, yeah! Special... special... [laughs] It's really rad. I... I...

**Griffin:**

It's a bonus. You can get it through the episode bonuses if you're listening to this on the Appsperience.

**Justin:**

Yeah. Um...

**Griffin:**

I'll just say, it's a wrap. Perhaps from a personality we invented. Last week. Uh...

**Justin:**

Yeah.

**Griffin:**

And it... it was... it's a wrap created by Liana Winternets. Thank you, Liana.

**Justin:**

So she...

**Griffin:**

That's all you guys get, though. You gotta... you gotta...

**Justin:**

That's all you get. You gotta get... Go get the Appsperience. Check it out. Um, so that's it, right?

**Griffin:**

Yeah, I think that's it. I've just... I've been sitting here for 10 minutes. There are two fucking great questions, and... it's like Sophie's Choice. It's worse than Sophie's Choice.

**Justin:**

'Cause here, the stakes are real.

**Griffin:**

The stakes are real high this time. Alright. Um, this... this question was sent in by Jacob Locker. It's uh, Yahoo Answers user Billy Reynolds who asks, "Why do Chinese people eat food?"

**Justin:**

[laughs]

**Travis:**

[laughs]

[theme music plays]

**Justin:**

I'm Justin McElroy.

**Travis:**

I'm Travis McElroy.

**Griffin:**

I'm Griffin McElroy.

**Justin:**

And this has been My Brother, My Brother, and Me. [laughs] Kiss your dad square on the lips.
