Published on January 31<sup>st</sup>, 2011

[Listen on TheMcElroy.family](http://TheMcElroy.family)

### **Intro (Bob Ball):**

The McElroy brothers are not experts, and their advice should never be followed. Travis insists he's a sexpert, but if there's a degree on his wall, I haven't seen it. Also, this show isn't for kids, which I mention only so the babies out there will know how cool they are for listening. What's up, you cool baby?

[theme music plays]

### **Justin:**

Does anybody remember laughter? It's one of my favorite lines from the hit movie, *Almost Famous*. [laughs] I remember laughing, it was just one Monday ago when I listened to My Brother, My Brother, and Me. But the sun has gone around the earth seven times.

### **Griffin:**

Is that it?

### **Justin:**

That's how it goes, and we're back for another episode of juk—jokes and churkles.

### **Travis:**

And jokes and jokes and—

### **Justin:**

And juks. And jorks. [laughing]

### **Travis:**

And Mighty Ducks.

### **Justin:**

And a Mighty Ducks. Quack. [laughs] All this is My Brother, My Brother and Me. It's an advice show for the modern era. I am Justin McElroy.

### **Travis:**

I am Travis McElroy.

**Griffin:**

I'm Griffin McElroy.

**Justin:**

So our show is that you ask us things, and then we take those things, and we make you sound smarter by giving you the answers to all your problems. Uh, so let's get right into the answers to the problems. "I get ultra-nervous around famous people. How can I work through my fear and build up enough courage to talk to Felicia Day or Bruce Campbell at the Chicago Comic Con this year?" That's from Chaz Monroe.

**Griffin:**

The easy answer is, you don't.

**Justin:**

Don't. Don't do that. What do they need with you?

**Griffin:**

'Cause do you have to say to people like them? Their lives are so much cooler than yours.

**Travis:**

Well, the thing is, it's a win win, though. Like, what are you gonna say to them where they're gonna... Bruce Campbell is gonna make the decision like, not to hang out with you anymore?

**Justin:**

[laughs]

**Travis:**

What have you got to lose?

**Justin:**

Travis is really the one to be answering this question cause we usually, if we see a celebrity or something, what we do is, we tell Travis to go talk to them. [laughs].

**Griffin:**

Yeah. Oh God. Yeah. He's our envoy to the stars.

**Justin:**

[laughs] Yes.

**Travis:**

Well, the nice thing is, you can walk up to Bruce Campbell and be like, "Hey Bruce, shove it." And then walk away. He has no idea who you are. Like, you have neither gained nor lost anything.

**Griffin:**

Yeah. 'Cause they don't have feelings.

**Travis:**

Well, but if you walk up and you say like, the nicest compliment you could possibly construct, or like, the meanest insult, like—

**Justin:**

Didn't you give Bruce—

**Travis:**

Your stock doesn't go down in Bruce Campbell's eyes.

**Justin:**

That's true, like you got... It's all... This conundrum is all your head. Like, if you say to yourself like, "Ah, screw it, I'm just gonna be normal and polite." That's the number one thing, just don't... what you don't want is for him to walk away thinking, "Man, what a weirdo."

**Travis:**

Yeah.

**Justin:**

What a weird guy. Now, now speaking of this, Travis, did you or did you not, uh, once give Bruce Campbell a cookie? Is that accurate?

**Travis:**

I did. I did give him a cookie, 'cause he was talking about how everybody was giving him like, hand drawn pictures of Ash, and like, action figures that they have made in their basement, working extra several weeks.

**Griffin:**

Ash Ketchum?

**Travis:**

Yes. Of Ash Ketchum. And I was like, well, do you want a cookie? I didn't make it, but you can have it and he was like, "That's the greatest thing anyone's ever given me." So anyone who sees Bruce Campbell at Comic Con, give him a cookie. He looves cookies.

**Justin:**

He's down, man.

**Griffin:**

I guarantee he did not eat that cookie.

**Justin:**

He did not. Hey, Darlene, throw this in the poison box for me? [laughing]

**Travis:**

[laughing]

**Griffin:**

It's chocolate chip and pills.

**Justin:**

[laughing] I cried into it, just a little. Just a little.

**Travis:**

Just remember, when it comes to talking to famous people, really, your only goal should be that, for years to come, you can tell your friends how you talked to Bruce Campbell. Like—

**Griffin:**

Yeah. It's—it's not gonna matter much to Bruce Campbell, ultimately.

**Travis:**

Like, if you expect him to look at you and go, "Man, that was a really witty you just said. Let's be best friends."

**Griffin:**

You seem like somebody I can be best friends with.

**Travis:**

Yeah, that's not happening.

**Justin:**

That's the thing, you've gotta be realistic about what the interaction is gonna be.

**Travis:**

Mm-hmm.

**Justin:**

`Cause it's not... They're not gonna walk away thinking like, "Man, I wish I had more time to, to chill with that dude." It's just not how people's brains are wired. You uh—just try to make the best impression possible and be confident. That's the number one thing.

**Griffin:**

Although, I bet the only thing Bruce Campbell hates more than when people come up to him and are, are super, like, skin-peelingly awkward uh, are the people who are like—think they hang on the same level as Bruce Campbell. Or, even worse, are cooler than Bruce Campbell.

**Justin:**

Yeah. You're not all that.

**Travis:**

You wanna be uh, uh, reasonably complimentary. You wanna be like, I love your work, you know, keep up the good stuff. See you later. That's it. Like, that's all you need to do.

**Griffin:**

Mm-hmm.

**Justin:**

Uh, uh, I do wanna make thing, uh, a note about Felicia Day. Uh, this is... That is a different situation, just don't do that.

**Travis:**

Yeah. Don't talk to her.

**Justin:**

Just don't talk to her. She gets that all the time. Let it go. [laughs] Well, talk to Bruce Campbell, he seems all right.

**Travis:**

Yeah, he's a cool dude.

**Justin:**

Felicia Day, from everything I've heard, is very nice. I haven't, I haven't spoken to her.

**Travis:**

Well, I'm sure she's very nice, but the odds are, you're gonna walk up, and no matter what wonderful compliment you have formulated in your head, it's gonna come out like this: [goofy gibberish] "Hey!" [laughing]

**Griffin:**

Yeah, you're just gonna start—you're just gonna start expectorating wildly.

**Justin:**

[in a goofy voice] "Red hair."

**Travis:**

"Red hair is nice." [goofy laughter]

**Justin:**

"You have pants. Like your show." [laughs] "I recently moved to a new city to be with my girlfriend. Mistake?"

**Travis:**

Yes.

**Griffin:**

[laughing]

**Justin:**

[laughing] That's funny. There's like, in parentheses, "(Mistake?)" Yes. "At first, it was difficult, but..." well! Well, I wonder who could've have told you that, could it have been our first episode?

**Travis:**

Yep.

**Justin:**

"At first, it was difficult, but now things are going well, and I recently been hired on to do my dream job. However, the most important thing in my life, by which I mean, my motivation, is this girl. She recently informed me that she's moving to a city an hour and a half away, and said so..."

**Griffin:**  
[angry grunt]

**Travis:**  
[laughs]

**Justin:**  
[laughs] "... said so nonchalantly, as if it had not been a consideration and a decision making process. Is she packing her bags and moving away?"

**Griffin:**  
Oh.

**Justin:**  
Love this guy.

**Griffin:**  
Dude! She's giving the Carmen San Diego slip. [laughing]

**Justin:**  
[laughing]

**Griffin:**  
[singing] She goes from Nashville, to Norway, Montigo...

**Justin:**  
"Hey uh, Ricky, where is... where is Tracey?"  
"Uh, I don't know, I have to go buy an atlas." [laughing]

**Griffin:**  
Listen, gumshoes!

**Travis:**  
Hello gumshoes, where is your girlfriend?

**Justin:**  
How familiar are you with country flags? [laughing] 'Cause I need someone who can identify them to find my girlfriend. Hey, first off, that's some cold shit. [laughing]

**Griffin:**

Yeah.

**Justin:**

Just wanna tell you, that she did to you, that she's doing to you. So you move to Nowheresville, Indiana, and she says, I'm moving an hour and a half away. Is that the—is that the way this shakes out? Really? I've gotta tell you dude, honestly, I love you, 'cause you listen to our show and I know that you love this girl. Um, this... that doesn't sound like the actions of somebody who cares enough about you.

**Travis:**

No. Especially to drop it... Like, it's one thing to be like, "Listen um, yknow, I've had this opportunity come up, I can't turn it d—" But to just be like, "Oh, P.S. I'm moving. Peace." Like...

**Griffin:**

BT dubs.

**Travis:**

Yeah. That's not something someone does...

**Justin:**

Right. The nonchalantly is what really bothers me.

**Travis:**

Yeah.

**Justin:**

M—maybe she's... You know, I'd do that, I think everybody does that, where you feel really bad about something, so you act like it's not a big deal.

**Travis:**

Yeah.

**Justin:**

It's not an effective defense mechanism in the slightest, but uh, but I've, I've done it before.

**Griffin:**

I mean, 90 minutes isn't too bad. It's not like, as far as long distance relationship goes, it's not too bad. But I don't know, it's just the—

**Justin:**

But presumably, she's the only one he knows there.

**Griffin:**

Yeah.

**Travis:**

Yeah. And also, he moved to a city to be with her, and then she bailed.

**Griffin:**

Yeah.

**Travis:**

If they were in the same city to begin with, and then she moved an hour and a half away, no problem. But to him, to relocate himself, and then she moves away... um, here's a little tough love. Um, you might want to take a step back from the situation and kind of take stock of the relationship, 'cause you might be a little too close to it, and it might be going as well as you think.

**Justin:**

Mm-hmm. I, I, I— [laughs] We got another email here. "I keep moving away from my boyfriend, when is he gonna—and then he moves to where I am. When is he gonna get the hint?" Love lost in Las Vegas. [laughing]

**Travis:**

I say, you just got hired to your dream job? Uh... It's time to make a new home, an hour and a half away from your ex-girlfriend.

**Justin:**

Yeah. You need some time for you. You really do. You need to take some time and see where it goes. Don't follow her again.

**Travis:**

No.

**Justin:**

If she... if you wanna like, cool things off and see if it's still working in a few months, cool. But you just got a good, and you really... the, the fact that

she would do that without really thinking about you that much um, it doesn't... it worry—it's worrisome.

**Griffin:**

Mm-hmm.

**Justin:**

Let's put it that way. It's worrisome. So take... I agree with Travis. Take stock. Take stock.

**Griffin:**

Just bury yourself in your work, 'cause really, work is the best girlfriend that a guy could ask for.

**Griffin:**

Yeah.

**Justin:**

Yep.

**Griffin:**

I have 13... 13 goddamn Yahoo Answer questions.

**Travis:**

Let's just do them back to back to back to back to back.

**Griffin:**

Yeah. Okay.

**Travis:**

To kill ourselves.

**Justin:**

[laughs]

**Griffin:**

Uh, I think... I think it would be good to start out with this one. It was sent in by Randy May. Thank you, Randy May. It's by Yahoo Answers user Sarah, who asks, "Why do I sleep walk to the toilet, sit there, and cry?"

**Travis:**

[laughing]

**Justin:**

[laughing]

**Griffin:**

"Ever since I was a child, I would sleep walk to the bathroom and just sit on the toilet, not go into the bathroom, and cry. The thing is, I'm usually conscious of it. So am I sleep walking? Why am I doing this?"

**Justin:**

Hey. No, you're dep—you're like, really depressed.

**Griffin:**

You're like... You've been super depressed your whole life.

**Justin:**

Whole life. [laughing] And this thing you're doing is the most depressing thing I've ever heard of, so it's not... It's like, cyclical. You're making yourself more depressed. You're not sleep walking, you can't sleep walk when—

**Griffin:**

You're conscious!

**Justin:**

You're conscious! Sometimes I sleep walk, but I didn't lay down to go to sleep, but I did this really super depressing thing...

**Griffin:**

Um, everybody... Yeah. Everybody in the answer section agrees that... agrees that this is just stone cold depression.

**Travis:**

Can I just say right now, if you post a question on Yahoo Answers and everyone in the answers is like, uhhh...

**Griffin:**

Hey, dude...

**Travis:**

If, if everyone on *Yahoo Answers* is aware you have a problem... oh, bad news. If there's not one person in the answers who's like, "No, that's

completely normal." Then you've broken Yahoo Answers, and it's time to stop.

**Justin:**

'Cause there's some fucked up things that people will endorse on Yahoo Answers. They look raw on there.

**Griffin:**

Jeremy—Yahoo Answers user Jeremy responded, "It's probably hard gas and depression." [laughing]

**Travis:**

[laughing] Like—

**Justin:**

[laughing] Hard gas?

**Travis:**

The lethal combination. [laughs] Oh no.

**Justin:**

Sounds bad. "Uh, uh, thanks for coming into my office today, Fred. But listen, your stomach sounds like you got hard gas."

**Griffin:**

[laughing]

**Justin:**

"That's where it crystalizes. We're gonna get some little miners in there and uh, really get that out for you. Hard gas is the hardest thing to deal with... that you can have. It's harder than diamonds." Hard gas? What's wrong with you, Yahoo Answers? So she... so she's... she goes to sleep, and she says, I need a walk. I'm gonna go to the toilet and sit on it and cry. [laughs]

**Travis:**

Mm-hmm.

**Griffin:**

But she's not asleep, is the thing.

**Justin:**

The thing is, she's not asleep. That's not sleep walking.

**Griffin:**

She just unconsciously... uh, she's just like, you, you know, you do that from time to time. You time travel. You're like, oh, how did I—why am I doing this? Like, how am I... why am I sitting on my porch, I'm not even wearing pants, what's going on? [laughing]

**Travis:**

Maybe you went to—

**Justin:**

Yeah, I've been there.

**Travis:**

—like, the worst hypnotist show ever.

**Justin:**

[laughing]

**Griffin:**

It's possible.

**Justin:**

Every time you see Jay Leno's face, you'll stand up from your bed, you will walk to your toilet, and you will cry. [laughing]

**Travis:**

To be fair, I do that every time I see Jay Leno's face, too.

**Justin:**

Hey! Uh, "Whenever I call a pizza place, the first thing they say is, "How can I help you?" I've got in the habit of saying, "I'd like a pizza." [laughing] But I'm beginning to think that sounds a little patronizing, of course I'm ordering a pizza. When I call a restaurant with pizza in its name, what the proper etiquette here? How do I get through the pizza ordering process quickly and without seeming rude? Thanks," Caro.

**Griffin:**

[laughing] I like this one a lot.

**Justin:**

Travis, is it Caro, or did you just paste it improperly?

**Travis:**

No. It's Caro.

**Justin:**

Okay. Caro, not Carol. Um—

**Travis:**

No.

**Justin:**

I like th—this is uh, um, that's better than my usual which is, I say, "Any pies today?"

**Griffin:**

[laughing]

**Travis:**

I just yell, "'Za me, brah!"

**Griffin:**

'Za me, brah!

**Justin:**

What's the `za situation over there?

**Griffin:**

I like this a lot. I think that when you, when you call, um, any sort of food business, you should explain as explicitly as possible, the—the steps, the processes that brought you to, to this phone call. [laughing]. Like, hi uh, Papa John's, this is Griffin. I understand that you have pizza. I am in need of pizza uh, I am calling your particular location, because it's close to my apartment, and uh, also, I've heard great, great things about your garlic dipping sauce. So uh, can we just begin the exchange right now, or do you—do you have any questions for me? I shouldn't—I shouldn't be so presumptuous."

**Travis:**

"What are the possibilities that you could bring me a pizza? Do I need to come get the pizza, what is the pizza situation at your location?"

**Justin:**

"I don't want a pizza, what I'd like is a round crust with sauce, cheese and toppings melted in top of it. Can you do that for me? Is that a possibility?"

Hey, uh, I gotta, I gotta tell you. This guy is working at the pizza place. There is not like—you being expedient and what—and efficient in your order is the least rude thing you could do.

**Travis:**

Yeah.

**Justin:**

Like, the, the last thing he wants to do is listen to you prattle on about... and hem and haw about, you know, how... what do you wanna... what are you gonna say? I mean, your pizza is great. I don't make it. I work in a chain.

**Travis:**

What I like to do is, when they ask, "How can I help you?" I pretend like I have called On Star and I've been in an accident.

**Justin:**

[laughing] That's good. That's an efficient way of getting pizza. That's not gonna be awkward or—

**Griffin:**

Travis is bad at getting pizza. [laughing]

**Travis:**

So bad, but really great at getting out of cars.

**Griffin:**

This is a... This is a total non sequitur, but I've found—I came across this incredible thing on the internet that people started doing, where they write um—whenever you order pizzas online, uh, there's like, a special field where you can write in like, special requests. And people have uh, started asking like, "Draw a wizard on the box." And like sometimes, you'll get somebody awesome who will, in fact, draw a wizard on the pizza box. [laughing]. Um, so I wholly encourage people to start doing that.

**Justin:**

Do you think—do you think if you said, "Can you write me uh, a happy face out of uh, pepperonis?"

**Griffin:**

Yes. I think they can do that.

**Travis:**

Yeah.

**Justin:**

Oh. You know what else? Uh, uh, emailer Caro? Um, I have completely stopped using the phone for my pizza order. I mean, maybe if you calling like, uh, you know, the local pizza joint, then this will be a different situation. But Papa John's and, and uh, Dom—Dominio's, they will uh... you just do that online. Do that on your computer. Dominio's has a tracking system that tells you who made your pizza, and who is putting it in the oven, and who delivered it.

**Griffin:**

Yeah. Like, what stage of its life cycle it's currently at.

**Justin:**

I wish it went further, actually. I wish it was like, "In your small intestines." [laughing]

**Griffin:**

Or into the past like, "Justin is thinking of ordering a pizza."

**Travis:**

Whoa!

**Griffin:**

"Justin has a deep, deep pizza hunger."

**Travis:**

Whoa!

**Justin:**

That—that's your intro. My name is Phillip, my pizza hunger is deep.

**Griffin:**

Yeah.

**Justin:**

I have a deep, rich pizza hunger. I got a vein of pizza need in me that goes way down.

**Griffin:**

You guys... do you guys sell pizza? 'Cause you're called Pizza Hut, but I don't—there's still a little confusion there. It's nebulous.

**Justin:**

It's nebulous on your pizza... I... So I guess what we've settled on is "'za me, bro."

**Griffin:**

Yep.

**Justin:**

[laughs] I think that's still the best. Uh, Griffin, hit me. We need another one.

**Griffin:**

Okay. 'Cause I got—I got 'them to spare.

**Justin:**

I know. We know you got 'em.

**Griffin:**

Um... how about this? It was sent in by Emily Terrible. Thank you, Emily Terrible. It's by Yahoo Answers user Drake H., who asks: "Need some good drug awareness slogans. 10 points." Oh, I should explain. Yahoo Answers has this form of currency that I don't think I've ever discussed, but it's, it's... it's highly upsetting.

Um, I think like, you can give people point for answering your questions? I don't know what you, you spin those points on like, koosh balls? I don't know. I'll never know. Uh, anyway.

"I just need some good drug awareness slogans, it'll be better if they rhyme. 10 points to the best one. That probably means the one with the most or the one with a really, really good one. Thanks guys."

The best answer is by Yahoo Answers user A7X Rules who says, "[inaudible], you can get a picture of the big bad wolf huffing something and write, "He

huffed and puffed," and the a picture of a grave, and underneath that, write "And he blew himself in."

**Justin:**

[laughing] What?

**Travis:**

[laughing] What?!

**Griffin:**

Or, there's a whole website dedicated to it. [gasps] Just say no. I'm too good for drugs. Drug free is the way to be. Don't choose the booze. If you choose the booze, you lose. What's your anti-drug? Stay alive. Don't drink and drive. Shoot up for the stars not your arms. Smoking the dope won't help you cope. Up with hope, down with dope. If you don't know Jack, you won't smoke crack. This is your brain, this is your brain on drugs, any questions? Drugs are retarded, so don't get started. Say not to pot. PCP bad for you.

**Justin:**

Whoa! Whoa! Whoa! Whoa! Say not to pot?

**Griffin:**

Yeah.

**Travis:**

Hey man, do you want some pot? Not!

**Griffin:**

Not! [laughing]

**Justin:**

No. No. No. It's uh, it's like, it's a *Wayne's World* throwback. Hey, I'd love some pot. Not!

**Travis:**

Not!

**Griffin:**

Not! Uh... PCP bad for me. I love that one. [laughing] 'Cause then sometimes, like I have a, a big PCP r—rock? A big vial of PCP juice?

**Travis:**

A big sack of PCP.

**Justin:**

A big strip of PCP.

**Travis:**

A Pringles can full of PCP.

**Griffin:**

I have a container full of PCP. I have a container with PCP in its appropriate form, in the appropriate amount to get me fuuucked up. [laughing] And I think, is it, can I, should it, do it? Um, but then, 'PCP bad for me' just runs through my mind and—and I fly away. Kiss meth mouth goodbye. Hugs, not drugs. I'm above the influence. Pot makes your brain rot, so let's not.

**Travis:**

[laughing]

**Griffin:**

Get high on life, not on drugs. You don't need heroin to be a hero. Be aware, don't share.

**Travis:**

What?

**Justin:**

What? Griffin, you are—

**Griffin:**

This—those are your drugs. [laughs]

**Justin:**

Griffin, you're probably the best slam poet of our time.

**Griffin:**

Do you think?

**Justin:**

I feel like... listening to you, I feel like I'm on Russell Simmons' *Def Poetry Jam*.

**Griffin:**

Mm-hmm.

**Justin:**

It's like a tr—it's transportive. Uh, say not to pot? You can't just make things up.

**Griffin:**

Yeah.

**Justin:**

And then s—and then pretend that 'not' is something you say to people.

**Griffin:**

Yeah. You can't be like, "Say jeed to weed." [laughing] Say what? Jeed?

**Travis:**

The rest of that should be, "Say not to pot, and get beat up because you're an idiot." [laughing]

**Griffin:**

If you say any of these things, you will get the shit beaten out of you. Like hey, hey, hey buddy... you wanna—you wanna eat, do you wanna eat or snort or s—somehow imbibe this PCP? [laughs] Uh... sorry guys, PCP, bad for me.

**Justin:**

Do you wanna help me drink this empty Squeezit bottle of PCP?

**Griffin:**

[laughing]

**Justin:**

That's what they keep them in. They melt the top with a lighter. They drink the Squeezit, then they melt the top with a lighter—

**Griffin:**

Well that's uh, that's why it's so popular as a drug, is because—

**Justin:**

They fill it with PCP.

**Griffin:**

There's so much impetus to squeeze it. [laughs]

**Justin:**

Sure, who wouldn't want to squeeze it? Who are these people that are constantly having to turn down drugs?

**Travis:**

And why can't they just say no? Is their dealer gonna be like, "That wasn't creative enough, take this."

**Justin:**

[laughing] Try again. I need to feel it. I need to feel that you really don't want my drugs that I bought.

**Griffin:**

Could you... If only you had rhymed, I wouldn't be shoving this PCP in your mouth and eyes.

**Travis:**

[laughing] Or possibly ears or nose.

**Griffin:**

Or ears or nose.

**Justin:**

And maybe bu—perhaps butthole, I don't know how it's distributed. I don't know about PCP very... angel dust, Griffin. Angel dust.

**Griffin:**

Is that what it is?

**Justin:**

Yeah, you know, angel dust. It's probably snorted.

**Griffin:**

That actually sounds kinda nice.

**Justin:**

[laughs] But it's bad for you, don't forget.

**Griffin:**

Ah, shit.

**Justin:**

Yeah. It's uh... sometimes I, I uh, I get confused. I label my empty Squeezit bottles. So they say 'bad for me' on them.

**Griffin:**

Can we, can we come up with anything for this—for this person?

**Justin:**

Like, better than 'say not to pot'? How about, say yes to the dress? Because—

**Travis:**

Yep.

**Griffin:**

Cause if you spend your money on dresses, you won't have any money for drugs.

**Travis:**

All I can come up with is something like, "Angel dust: it sounds really pleasant but I'm gonna have to pass."

**Griffin:**

No, see, that's nice, because I didn't know that before. I was—I was literally 15 minutes away from going on to the street and finding some dust.

**Travis:**

"I appreciate your offer of marijuana, my friend, but unfortunately, I'm going to have to pass because I have things to do today." By that point, you're just—

**Justin:**

What about, "I'm broke"?

**Travis:**

—punched in the face. [laughs] I'm broke?

**Justin:**

I'm broke. [laughs]

**Griffin:**

How about um... you holding? Keep holding. And then you walk away.

**Justin:**

[laughing] That's a pretty good one. I think that, that one, that would really shut him down.

**Travis:**

Hey, uh...

**Griffin:**

I'm a secret cop.

**Justin:**

A secret cop. [laughing] Yeah. I'm a cop. That'll get you out of any of these.

**Travis:**

Let me tell you about Jesus.

**Justin:**

My dad—not angels. You're confused.

**Travis:**

Jesus dust.

**Justin:**

My dad's a cop. That's how you turn any drug—drug dealer down. My dad's a cop.

**Griffin:**

Mm-hmm.

**Justin:**

He's gonna bust us. Uh, I think that this is an imagined situation. Like, I don't think that there are these people who wanna say no to drugs, but don't know how to... to do it. Like, who don't know how to come up with a good cover story for why they don't wanna do drugs.

**Griffin:**

Yeah. Do you wanna know how I say no to drugs when people offer them to me? Oh, no thanks. [laughs] That's it! That's all you have to do!

**Justin:**

Yeah. Or maybe, "I'm cool." I'm cool, but you're the fool. Don't do drugs.

**Travis:**

I'll just keep drinking this whiskey, thank you so much. That's what I usually say.

**Justin:**

I'm getting high on life, by which I mean whiskey. [laughs] "My friend wants to ask someone to Sadie's." What is that?

**Travis:**

Like Sadie Hawkins?

**Griffin:**

Like Sadie Hawkins?

**Justin:**

Okay. Sorry. I didn't have that in my school, I grew up in the, in the '50s. I haven't been antiquated for 30 years. [laughs] "She doesn't know what she she should say. Her plan is to make a banner with a pick up line, and the question to ask the guy to Sadie's, and hang it from the top of the stairs at lunch. What should she put on there?"

**Griffin:**

Sorry.

**Justin:**

Any suggest—"Sorry about this." [laughing] "Any suggestions are welcome, if you come up with something inappropriate, she's willing to tape it up there an run off campus if necessary." Thank, Sugar Tie.

**Travis:**

Um... how about...

**Justin:**

Holy crap.

**Travis:**

"Hey. You're probably gonna say no because of this banner, but you wanna go to the dance?"

**Griffin:**

Hey. Everything you just said sounds absolutely like the worst.

**Justin:**

[laughing] The worst thing!

**Griffin:**

Don't do any of that!

**Travis:**

You know what makes someone really wanna go out with you? Public embarrassment.

**Justin:**

Yeah. Humiliation. Hi. Hey. Look over there, it's banner Bob. [laughing] People only know because some girl had a banner up about him.

**Griffin:**

Just pronounce him four by sixes of his tiny dick and paste it on every single locker that you can find.

**Justin:**

[laughs] This is Bob's dick, it's minuscule. Wanna go to Sadie Hawkins with me? Not now, probably.

**Travis:**

[laughing] Um...

**Justin:**

Oh God. See... Okay. Girl, you are, you are uh, illustrating the classic 'men are from Mars, women are from Venus' conundrum. A girl would love that. That would be so romantic, she would love that. A guy, that does not... he's not... No! Don't do that. He's in a very delicate situation. He's in high school, and uh, proba—presumably, right? I mean high school, it seems like a Sadie Hawkins, right? High school?

**Griffin:**

Well, she said run off campus. Or he said run off campus. And like—

**Justin:**

Oh shit, that sounds like college.

**Griffin:**

If I tried to run off my campus at Huntington High School, I would've been shot as I tried to leave the gate.

**Justin:**

[laughs] Got a runner!

**Travis:**

Um, my question is this. Um... Sugar Tie. What possibly put your friend under the impression that she needed to do a big display? Why doesn't she just walk up to the dude and be like, "Hey, Sadie Hawkins, you down?" Like, that's gonna cover it.

**Justin:**

Yeah. That would be plenty. That would be plenty of interaction for this.

**Travis:**

She probably doesn't even have to do that much.

**Justin:**

Okay. But we're—we're uh, we are violating the premise of this question. She's hanging a banner up. The banner... she bought the banner, okay? She's already prepaid—

**Griffin:**

[laughs] Oh, I see.

**Justin:**

...deposit on the banner.

**Travis:**

Okay.

**Griffin:**

She lost her receipt. She's already done three exchanges at Walmart this year, so this one's not going back.

**Justin:**

Gotta do it. Gotta do it. What does the banner say?

**Travis:**

Um... You're the best I'm gonna do. Let's go to Sadie Hawkins together.  
[laughs]

**Justin:**

Um... I, I still think, 'sorry about all this' would be really effective.

**Travis:**

[laughing] Please don't read this banner, let's go to Sadie Hawkins.

**Justin:**

What if you buy him in on something he doesn't like? Say, uh, "Carolyn put this banner up, so don't go to Sadie Hawkins with her. So to Sadie Hawkins with me, your friend."

**Griffin:**

Um, what if you meant one of those uh, picto—pictographs? Is that what it's called? One of the things that like pictures with like—it's like a puzzle you have to solve.

**Justin:**

A rebo... a rebus.

**Griffin:**

A rebus. So you have a rebus, right? But it's uh, you just take a picture of Steven Hawking, and you put it up there. [laughing] And so you put it up there, and like, you write minus, minus 'teven,' then plus, plus—

**Travis:**

Side note - I would be much more interested in going to a Steven Hawking's dance.

**Justin:**

[laughing] Yeah. Yeah. The good thing is, lots of seating.

**Travis:**

[laughing] Not a lot of talking.

**Justin:**

Not a lot of talking.

**Travis:**

Very quiet.

**Griffin:**

Yeah. And all of like the hip hop, the shitty hip hop music they play is run through a vocoder. [laughing] [in a robotic voice] Shawty got low, low, low, low, low, low.

**Justin:**

[laughing]

**Griffin:**

We're allowed to make fun of him 'cause he's so goddamn smart.

**Justin:**

Yeah. [laughs] He's never gonna listen. [monotone] My anaconda don't want none unless you got buns hun.

**Travis:**

Here, here it is. "Wanna roll up to the Steven Hawking's dance with me?"

**Justin:**

[laughs] Why don't you ask him to the Steven Hawking's dance?

**Griffin:**

[laughs] Why don't you get Steven Hawking's to ask him to the Sadie Hawkins dance for you?

**Justin:**

I have—wait, where are you going? Come back. Just give me 20 more minutes to type this out with my eye. [laughing] That's what he does, right?

**Griffin:**

Stop. Stop it.

**Justin:**

Is that what he does?

**Griffin:**

Why don't you turn the banner?

**Justin:**

I can make fun of him! He's like... He succeeded! Like he's good!

**Griffin:**

Sure. He ripped a—he ripped a hole in space with his thoughts, but—

**Justin:**

Yeah.

**Griffin:**

Um, listen...

**Justin:**

He ripped, he ripped a hole in space with... What if he does that to me? Uses his brain to kill me fr—from far away?

**Griffin:**

He almost certainly will. You—you've got this banner, right? That's what we're saying, that she has this banner already. Why don't you not, um, write something cover on it and hang it at this top of the stairs at lunch? Why don't you use it as some sort of make shift net?

**Justin:**

Catch that boy. [laughs]

**Griffin:**

Catch that boy and bind him. Catch him, bind him, take him to the dance.

**Justin:**

I'm gonna wrap you up like a mummy, and you're gonna be mine forever. [laughing] Come on, mummy.

**Travis:**

`Cause what every guy is waiting for...

**Justin:**

Is to be wrapped up like a mummy.

**Travis:**

And then tag him and release him back into the wild.

**Justin:**

[laughing] Where's Rob? He looks like he's in the science class right now. Gonna bring him down.

**Travis:**

In six months, we'll pull him in and trim his nails and clean his teeth and see how's he's doing.

**Justin:**

[laughing] We're gonna get him domesticated. He'll eat meat out of your hand. Just hold—hold a super donut out in your hand, and he'll peck at it.

**Griffin:**

Now he's sleepy. Who's sleepy? Now he's sleepy. How about a Yahoo?

**Justin:**

Yeah. Perfect. Okay.

**Griffin:**

This one was sent in by uh, Jacob Locker. Thank you, Jacob Locker. It's by Yahoo Answers user Hans who asks, "Answering the phone while having sex – super hot, or really rude?"

**Justin:**

[laughing]

**Travis:**

[laughing]

**Griffin:**

That sounds like a headline of like a, some sort of dateline report. Uh, "I'm sure at one point or another while you were all doing the deed, the phone rang, and that's where this question starts." [laughing]

**Justin:**

[laughing] Where does it end? No one knows.

**Griffin:**

"Is it super hot to answer the phone and pretend like nothing is going on while continuing to have sex, or is it unbelievably rude to even glance at the phone to see who it is, what more, answer it? I think we are all in agreement that texting during a dinner date is terrible manners, but why is

it more acceptable during sex, considering sex is much more intimate than sharing a meal and conversation?"

**Justin:**

It's not! It's not.

**Griffin:**

"Your thoughts?" You're a fucking psychopath, Hans! You're a fucking psycho.

**Justin:**

Who sa—why is it that everybody says it's cool to text during sex? Like, you... What are you talking about? That's not a thing.

**Griffin:**

Wha—what reports are you reading?

**Justin:**

Yeah. [laughs]. According to the Hans Daily... [laughing]

**Travis:**

If I ever—

**Justin:**

Texting while sexting. Like, that's what he thought sexting was. Everyone's talking about sexting right now, and I guess it's all right to do, but it seems rude to me.

**Travis:**

Um, I just wanna point out, I don't care how good a fucking good actor you are...

**Griffin:**

I'll know.

**Travis:**

Um... ain't no way you're pulling that off.

**Justin:**

You're not f—yeah. Everybody knows.

**Griffin:**

What's upsetting is that I probably wouldn't know and like, that's the most upsetting thought in my mind right now. So now, whenever I have a conversation with anybody over the phone and I hear like a small lull, like the tiniest lull, I'm just gonna assume that they're boning down.

**Justin:**

Uh, I... So this is—okay. First off, I'll tell you what it is sexy odds – calling it "doing it the deed." [laughing] That's really... That's so hot. What I love is uh, euphemisms for sex that I'm pretty sure my gym teacher used when he was trying to explain to us the difference between boys and girls.

**Griffin:**

When you say, "doing the deed", it makes it sound like you're committing a felony. Like that, that is either—

**Travis:**

Is it okay to answer the phone while making whoopee?

**Griffin:**

That's either like a, a small, small boy, or a dog, or a corpse that you're doing the thing to.

**Justin:**

Later he did... the deed. Uh... Don't know how else to put it other than that. And he chopped him up, and he buried him in a hole. [laughing] So find him guilty, please.

**Griffin:**

We got tons of evidence, 'cause he was talking on his goddamn cellphone.

**Justin:**

We've been tracing all his texts, his texts that he sent while h—having sex with people. What a weirdo.

**Travis:**

Chopping them up right now, LOL. [laughing]

**Griffin:**

LOLs!

**Justin:**

LOLs! You know what's worse is that, he probably doesn't have like, an iPhone. He's probably got one of those old, like Zack Morris giant cellphones.

**Travis:**

[laughs] Time out!

**Justin:**

Hey sweetheart, sweetheart can you unflip this for me? [laughing] I need to flip it open. I need to uh, and I need to hold the pound key down while I press this letter so I can capitalize it.

**Griffin:**

I mean good for Hans to apparently have this as much like... he can just like, focus on... He's—he can do more than one thing at once whenever he's doing the deed, like... how does that not demand all of your... How does that not demand all of your attention? If it's not, then you're not a very considerate lover.

**Justin:**

Maybe, Hans, the problem is, you're not a very considerate lover. Also, uh, getting to have sex and uh, getting somebody to call me to wanna do something, are two such rare events. I can't imagine them aligning.

**Griffin:**

[laughing]

**Travis:**

I just know that when I go into a movie, I turn off my cellphone so as not to interrupt the other patrons. But when I'm having sex, I turn it all the way up.

**Justin:**

Sorry other patron, it's just you and me now!

**Griffin:**

I even tweet. I tweet my phone number like, give me a ring. `Bout to get it on.

**Justin:**

[laughing]

**Travis:**

Nothing hotter than that.

**Justin:**

Hit me up.

**Griffin:**

When you call the My Brother, My Brother and Me voicemail... I guess you can't. That doesn't work, 'cause it happens on the internet.

**Justin:**

Yeah, that's gross, also, to think about.

**Travis:**

But just know, chances are...

**Griffin:**

Chances are... I fuck all the time. Like...

**Travis:**

Just 26/7.

**Justin:**

Oh. 'Cause he's in Chicago, he's got that extra hour in the different time zone. Uh, "How much does age matter in a relationship? I'm 22 and I work with a 35 year old that I'm crushing on hardcore. I think the only reason that we aren't sleeping together right now is because he thinks I'm too young. Thoughts?"

**Travis:**

Well, you are too young.

**Justin:**

Well, you are too young. That's gross. 22 and 35?

**Griffin:**

I think it's... Once it's half your age. If half your age is the difference between, I think that's...

**Justin:**

But that's... so he's cool?

**Griffin:**

No. I'm saying he's not cool. I'm saying, that's more than half your age. If half, half of his age is 11 right?

**Justin:**

Half of his age is, is 35.

**Griffin:**

So adding 11 to 22 is 33.

**Justin:**

Right?

**Griffin:**

You're too young!

**Justin:**

You're too young.

**Griffin:**

He's gonna hurt you.

**Justin:**

Here's the thing—

**Griffin:**

He knows so much more shit than you do.

**Justin:**

I mean, if you're old enough to enjoy the taste of vine ripened 30 plus man...

**Griffin:**

[laughing]

**Justin:**

I'd say that you are pretty mature. Don't listen to Travis. Us, uh, us 30 plus guys have to stick together.

**Griffin:**

His jaundiced, sun stained, wrinkly old skin.

**Justin:**

There's no one... I think once you hit 30 plus, you assume that no one wants to have sex with you. Maybe you need to be more explicit. [laughing] Just go up to him and say, "Hey oldie! Let's do this. Hey."

**Travis:**

Hang a banner.

**Justin:**

Ready to be a statistical improbability? Let's have some sex. [laughing]

**Griffin:**

This is a sexy episode.

**Justin:**

It is a lot of sex in this episode.

**Griffin:**

It's just ripe.

**Justin:**

A lot of people wanting to have sex but not able to work it out. Or pizza. They just can't seem to make the initial connection.

**Griffin:**

It's sagging with sex juice.

**Travis:**

[laughing]

**Justin:**

Hey, hey. Uh, hi. I'd like extra cheese, pepperoni, and sagging with sex juice. Is this weird? Is this a weird conversation we're having? I was looking for a less awkward way to order pizza, and the podcast I listened to said I should order it with sex juice and we'd have a good laugh about it.

**Griffin:**

Sex juice and angel dust. [laughing]

**Justin:**

That is uh, that is my favorite Carrie Grant movie, though.

**Travis:**

[laughing]

**Griffin:**

I still have like a dozen Yahoos.

**Travis:**

Okay. Do another one.

**Justin:**

Okay. Do another one. Wait, are we... I mean, did we help 22 and 35 out enough?

**Griffin:**

Just go for it, he wants to—

**Justin:**

He wants to fuck.

**Griffin:**

He wants you on and around him. Just go for it.

**Travis:**

Yeah. The, the short answer is, age doesn't matter in a relationship unless it does matter in a relationship. Like, if it doesn't matter to either one of you, it's not a problem. If it matters to him, then it's a problem.

**Justin:**

He doesn't think you're too young. Trust me. I think I—I mean... I don't know.

**Travis:**

He's just scared.

**Griffin:**

Long as he's not married.

**Justin:**

Long as he's not married. You don't wanna be a homewrecker.

**Griffin:**

Unless he is. I feel like, um, maybe I should just read like, five or six of the headlines, and then you guys can tell me...

**Justin:**

Choose your own adventure style.

**Griffin:**

...which one we should, which one we should dip into.

**Justin:**

Okay.

**Travis:**

Do it.

**Griffin:**

Does that sound acceptable? Um... okay. How about this? Uh, I'll just read them and then I'll, I'll, I'll go into further detail when you decide. "Who does Ash really kiss from Pokemon?"

**Justin:**

Mm-hmm.

**Griffin:**

"Is it okay to cry after sex?"

**Justin:**

Mm-hmm.

**Griffin:**

"How do you ask someone to model for you?"

**Travis:**

[laughing] Oh!

**Griffin:**

"Could an adult male survive on just breast milk?"

**Justin:**

Goddamn it! [laughing]

**Griffin:**

"Can I lick my cat? I enjoy it, does he?"

**Justin:**

[laughing]

**Griffin:**

"Getting a tattoo soon. I know what I want but could you guys help me with something?"

**Travis:**

Uh...?

**Griffin:**

"I need help naming my chinchilla breeding business."

**Justin:**

[laughing] Okay. Okay. All right.

**Griffin:**

"Could I legally hunt and kill a Sasquatch?"

**Justin:**

[laughing] Okay. Uh...

**Travis:**

I vote on the chinchilla business.

**Justin:**

Okay. Chinchilla business. This is easy. We can knock this one out quick, though.

**Griffin:**

Okay. All right.

**Justin:**

Chi—chinchis in a cinch-y.

**Travis:**

What?

**Griffin:**

This one was sent in by Matt Warren. Thank you, Matt Warrens. By Yahoo Answers user Megan, who asked, "I need help naming my chinchilla breeding business. Hello. I am looking into breeding chinchillas, but I need a

name for my company. I want it to be something elegant and pretty, and the last word needs to be chinchillas or exotics. I don't want anything that says Megan's or Anterio's, et cetera. I also don't want silly names like Chippy Chin Chins." That's the best!

**Justin:**

That's the best one, though! [laughing]

**Griffin:**

Uh, "It needs to sound sophisticated. For example, some names I like are, Blue Moon Chinchillas, Blue Moon Exotics, Autumn Breeze Chinchillas, Autumn Breeze Exotics, White Rose Chinchillas, White Rose Exotics. If you need any other information, just ask. Also, if you want, uh, to add in some possible chinchilla names, I wouldn't mind." Wink, wink nudge nudge.

**Justin:**

Bramblepelt!

**Griffin:**

[laughs] "Thanks for everything," Megan.

**Justin:**

Stormscream. Uh, uh—

**Griffin:**

Nightshadow!

**Justin:**

Can I suggest uh, Fluffy Rats Exotics?

**Griffin:**

Mm-hmm.

**Justin:**

Because that says what they are, without being... coming right out and saying chinchillas. Chinchilla is a bit on the nose.

**Travis:**

Can I suggest Chin Deep?

**Justin:**

[laughs] Chin Deep. Now, it does have to end with chinchillas or exotic. Those are the rules.

**Griffin:**

Oh. Chin Deep Exotics? Oh, that's not good.

**Justin:**

[laughing] That's not a good combo.

**Griffin:**

That doesn't work for me on a few levels.

**Justin:**

That's... no.

**Griffin:**

That sounds like a website that opens when you're on another website you shouldn't be on accidentally.

**Justin:**

[laughing] Get ready to go chin deep.

**Griffin:**

How did you get chin deep?

**Justin:**

Why is it, that when someone started dumping exotics, when it got waist deep, you weren't like, "Out." It didn't happen all at once.

**Griffin:**

I am chin deep in exotics right now.

**Justin:**

That pit of exotics doesn't look so deep. I'm gonna jump in and just see how it goes. Ah! I'm chin deep.

**Griffin:**

What about Speed Rats?

**Justin:**

Speed rats? Exotics.

**Griffin:**

'Cause that's what chinchillas are, they're like rats, but they dart back and forth very quickly.

**Justin:**

Erotic Exotics.

**Griffin:**

Okay. Now we're onto something.

**Justin:**

Yeah. That's good. It's got like a little flow to it. What about Mussolini's Chinchillas?

**Griffin:**

[laughing] I mean, you want something classy.

**Justin:**

Something classy. Uh—

**Travis:**

What about Sack o' Chinchillas?

**Justin:**

Sack o' Chinchillas?

**Travis:**

And then your best thing is like, you already have a gimmick, so like, people come in and you're like, "How about a sack of chinchillas?" And like, they can pay extra for the grab bag, and who know what's in the grab bag?

**Griffin:**

Yeah.

**Justin:**

Spoiler alert: dead chinchillas.

**Griffin:**

[laughing] Ooh! There's a good one.

**Justin:**

[laughs] Dead chinchillas!

**Griffin:**

People come in like, hey, what the fuck man? And you're like, no, no, no, they're very—they're very much alive. So you want.... Would you like one?

**Justin:**

It's pronounced 'dee-ahd.'

**Griffin:**

How about Tiny Shitty Cats? [laughing]

**Justin:**

Chinchillas, exotics.

**Griffin:**

Exotics. Anytime you'll have like any pets smaller than a cat, just fuck you. Like, that's not a thing.

**Justin:**

Yeah. Get out of here with that, unless it's a ferret, which is like a long cat. I still don't like those. A friend of mine once told me that I shouldn't be afraid of his chinchilla, cause it has little raspberry eyes, and—

**Travis:**

Mm-hmm.

**Justin:**

... and it wouldn't hurt a flea.

**Griffin:**

What does that mean?

**Travis:**

That's a weird name for a business.

**Griffin:**

It has like, segmented eyes?

**Justin:**

Yeah. It ha—no. It looks like a ra—um, I think it may be just the color of raspberry. I hope they don't have segmented eyes. That would be pretty much the worst.

**Griffin:**

[laughing] Um...

**Justin:**

The worst thing, they could see you from all angles.

**Griffin:**

There's gotta be something.

**Justin:**

Guys, I think we've got—

**Travis:**

Out of curiosity, are there any answers on that question?

**Justin:**

Yeah. There's gotta be some, right?

**Griffin:**

I mean they're all... but they're all very um, uh... how about, Clueless Money Grubbers R Us? That's a little mean. [laughs]

**Travis:**

Excuse me?

**Griffin:**

Breeding any animals is not a business or a company, they're not [trailing off into angry gibberish]

**Justin:**

[angry gibberish] I'm ruining things!

**Griffin:**

Uh, oh god. Oh god! Ragan Telecaster says, "I don't know about names, but I'll breed with your chinchillas if you like."

**Travis:**

Oh no!

**Griffin:**

Dude!

**Justin:**

What? What did you say to me? You'll breed... [laughing] You'll breed... here! Hey, do on site and call it, "The Worst Thing You've Ever Seen Chinchillas."

**Travis:**

The Island of Dr. Moreau Chinchillas.

**Justin:**

Yeah. [laughing]

**Griffin:**

A nightmare circus side show.

**Travis:**

Everything You've Ever Feared in Your Life Chinchillas.

**Justin:**

[laughing]

**Griffin:**

How about just chinchilla—

**Justin:**

Come on in, buy a chinchilla! Maybe wanna die.

**Travis:**

[laughing]

**Griffin:**

How about Loose and Easy Chinchillas?

**Justin:**

[laughing] Sluttiest madame—Madame Chinchillas.

**Griffin:**

[laughing] Madame Chinchillas!

**Justin:**

Your first time, right? You're gonna want Rosy. [laughing] She breaks in the newbies.

**Griffin:**

Uh, Yahoo Answers user Emerald A responded, "I like Autumn Breeze Exotics, but I am thinking Chinny Chinny Chill Lala?" [laughing] "Chinchilla Cool Cats or Chinchilla CC's for short."

**Justin:**

Chinchilla CC's? What? [laughing]

**Griffin:**

Is it... "It is good to start out the name with C, because one of the first listed in directories, and how about Chinny Chilled Out Cats? LOL." What the fuck are you saying?@

**Justin:**

[laughing] Chinny Chilled Out Cats?

**Griffin:**

"How about Fun Dipped Baseball Disco Dance?" [laughing] Like, how about we just make it a bunch of words that have nothing to do with the thing that she asked about?

**Justin:**

So he says, you should pick something with a C, 'cause it's one of the first letters. Like, you know the first one, right dawg?

**Griffin:**

[laughing] Yeah.

**Justin:**

You know it's A!

**Griffin:**

Maybe a few pages in the directory that precede uh, Chinny Chilled Out Cats, you dumb fuck!

**Travis:**

To be fair, everyone knows everyone just skips right over A and B, 'cause those are for pussies. You gotta go right into the C, that's where the meat of the matter is.

**Justin:**

Absolutely Amazing Chinny Chin Chin Chilla Cats.

**Griffin:**

Aardvarks Chin... Chinchillas... for fucking.

**Justin:**

This is what you call your business, "Aardvarks and chinchillas and not aardvarks." [laughing]

**Griffin:**

Aardvarks, Chinchillas, and Just Kidding About the Aardvarks exotics.

**Travis:**

Just do a rebus with a picture of an aardvark plus chinchilla, minus aardvark.

**Griffin:**

[laughing] Because everybody know that in the phone book, rebuses come first.

**Justin:**

[laughing] Go on in and watch a grown man fuck a chinchilla.

**Travis:**

[laughing] I'm so glad we're back to that.

**Justin:**

Make a day of it.

**Griffin:**

Well, the rebus for that is gonna be a nightmare.

**Justin:**

Here at Aardvarks, Chinchillas and Not Aardvarks.

**Travis:**

I came here to fuck aardvarks and chinchillas and we're fresh out of aardvarks.

**Justin:**

[laughing] So this is misleading advertising. I'm also—I'm also a lawyer, and I'm gonna sue you. But first, I am going to fuck one of your chinchillas. [laughing] I've heard good things about Rosie. Can you direct me to her?

**Griffin:**

Goddamn slut rats.

**Justin:**

Fuckin' slutty rats.

**Griffin:**

You're fooling nobody.

**Justin:**

[laughing] I can't get past it. Nothing is funnier than a man having sex with a chinchilla. How am I gonna top that? With like—

**Griffin:**

More like, logistically perplexing.

**Justin:**

Yeah. It's...

**Travis:**

All I can picture is that, if that was as the business, watch a dude fuck a chinchilla. It's just him waving and smiling at a crowd, and it's really messing with me.

**Justin:**

Dear Bob, do you and your chinchilla sized wiener wanna go to Sadie Hawkins with me? [laughing] Get back at me.

**Griffin:**

Here's, here's a photo of reference for people who are—are not familiar with Bob.

**Travis:**

You said chinchilla sized, and I heard chinchilla shaped.

**Justin:**

[laughing]

**Griffin:**

We have to move on.

**Justin:**

We can't. Legally.

**Travis:**

I'm stuck here.

**Justin:**

I'm stuck in a trap, too many terrible—too many terrible images. "Is it weird or gross when you answer your cellphone while on the toilet? My brother does that all the time, and when I tell him it's gross, he begs to differ."

**Griffin:**

Yes. The end of the show. That was easy.

**Justin:**

Yeah it is. Don't ever do that again.

**Griffin:**

I mean, what's the fucking... what could possibly be ambiguous about this?

**Justin:**

There's nothing. There's nothing to debate on this—on this question. It's—it's gross all around.

**Travis:**

Unless...

**Justin:**

Unless?

**Griffin:**

No! No.

**Griffin:**

You... Unless you—unless you push it and answer your phone in a huge airport bathroom whilst everyone else is going.

**Justin:**

[laughs] That's pretty good. Uh, hey Christie, it's Reggie. What's up? What are you doing? Uh, I'm just crying.

**Griffin:**

[laughing] Whoa! How did I get here?

**Justin:**

Whoa! Thank you for calling me and helping me snap out of it.

**Travis:**

Damn you Mr. Mysterio!

**Justin:**

[laughs] He got me again! Uh, I wanna hear Griffin's last question. But first, uh, housekeeping. If you want to listen to other shows, if you want to talk to likeminded individuals, anything you can dream of, mbmbam.com is our web address. Uh, make sure you head over to the maximumfun.org forum, that's where everybody is talking, and uh—

**Griffin:**

We've seen—there've been a lot of MBMBaM listeners who have made the pilgrimage over there, and I just wanna tell each and every one of you how just I'm su—I'm legitimately super proud of every one of you. It's a big step.

**Justin:**

Yeah. Scary.

**Griffin:**

But, but, just don't be afraid cause you can do it. I notice a little bit of hesitation in the first couple, first couple of weeks, but uh, I think that our communities are... they're jelling.

**Justin:**

Yeah. They are jelling. Um, they, they... And also, there's a post on the forum every week where people discuss the new show.

**Griffin:**

Mm-hmm.

**Justin:**

Go there and like, talk about it so we can beat those jerks at Stop Podcasting Yourself. I want our forum to have more responses than theirs. Um—

**Griffin:**

Why, why do you... Why are you so angry at them?

**Justin:**

I'm gonna st—I need to start an imaginary... You know how like, they say when you go to prison, kill somebody the first day? This is the same—same principle.

**Travis:**

Okay, I see.

**Justin:**

No. I love those guys. They just had their 150<sup>th</sup> show. Good for them.

**Griffin:**

Oh! Congratulations.

**Travis:**

Congrats.

**Justin:**

I know. Congrats, guys.

**Travis:**

Mazel tov.

**Griffin:**

That's a funny ass show. But I feel like we should be a better job at like—go listen to all the different Maximum Fun podcasts. They're all so, so incredible.

**Justin:**

Yeah. They're all great.

**Travis:**

We get—we get questions all the time where people are like, well, I'm finally caught up on your show, what do I do now to wait till next Monday? Go to [maximumfun.org](http://maximumfun.org).

**Griffin:**

Yeah.

**Travis:**

And listen to all of those shows.

**Griffin:**

There's like, hundreds of Jordan, Jessie, GO!s.

**Justin:**

Yeah, there's—

**Griffin:**

Jump on those. Stop Podcasting Yourself, Judge John Hodgman, Kasper Hauser.

**Justin:**

Go listen to the Jordan Jessie GO! bit where they're coming up with new, uh, Sci-Fi channel movies.

**Griffin:**

Oh, holy shit.

**Justin:**

Like, combined people with animals.

**Griffin:**

Mm-hmm.

**Justin:**

Uh, one of them was Jose... [laughing] Jose Consnakeum. [laughing] God, classic. So go listen to those shows, you'll really enjoy them. Um, if you would like to sponsor our show, uh, we will, we will... we would love to have you on as a sponsor. Um, we'll say whatever the hell you want us to. We're dirty like that. Uh, and you can—

**Griffin:**

We're like chinchi—we're the chinchillas of podcasting.

**Justin:**

We are the chinchillas of podcasting. That was our original title. Uh, you can email Theresa... that's with an H, correct?

**Griffin:**

That is correct.

**Justin:**

At maximumfun.org and tell her, "Hey, I wanna get on board with those guys." It's affordable.

**Griffin:**

It is!

**Justin:**

Mm-hmm. It's like a hundo. So get on board.

**Griffin:**

A hundo for a personal message, a hundred and fifty for a commercial message.

**Justin:**

Mm-hmm. Um... what else?

**Travis:**

I'd like to say a couple of special thanks. Uh, one out to KSDB the Wildcat 91.9, your antidote to commercial radio with Hot Donna.

**Griffin:**

That's good.

**Justin:**

What are you doing?

**Travis:**

Yeah. You like that? It's the Kansas State college radio station, and Hot Donna gave us a great shout out and recommended us to all of the listeners.

**Justin:**

So can I—wait, I wanna try.

**Griffin:**

Let's give her a liner.

**Justin:**

I want to give her a liner. [in a dramatic radio DJ voice] Hey, you're listening to KSDB, the Wildcat 91.9, your antidote to commercial radio with Hot Donna!

**Griffin:**

Worth its weight in gold.

**Travis:**

You're welcome, Hot Donna.

**Justin:**

Hey! This is My Brother, My Brother and Me, an oasis, and you're listening to KSBD Wildcat... they're being quiet. 91.9.

**Travis:**

We're here Mark McGrath. Listen to the KSDB the Wildcat 91.9.

**Griffin:**

Can we go a week without a Mark McGrath reference?

**Justin:**

[laughs] How do we get him to leave?

**Griffin:**

It's dated, and like completely... like, why the fuck do we keep talking about this dude?

**Justin:**

[laughs] I love him. I can't get enough.

**Travis:**

Hey! Lock into KSDB the Wildcat 91.9 and enjoy fucking that chinchilla!

**Griffin:**

B—B—B—Break off the knob!

**Justin:**

[laughing] Uh, so—

**Travis:**

Also, a special thanks to Michael, Eric, and Steven for helping me out with a project uh, for work, they're very nice guys. Um, on Twitter, thank you to @mattmurray for recommending us to your friend, and @mattulpher... sorry about fart touch. I just kinda wanna apologize to everyone, it's like a blanket apology—

**Griffin:**

For fart touching?

**Travis:**

I feel like fucking Pandora, and I opened the box and let fart touch out, and I've ruined lives.

**Griffin:**

Yeah. You can't put that back.

**Griffin:**

I'm so very sorry.

**Justin:**

Master Stealth on YouTube?

**Travis:**

He created a video to help introduce um, new listeners. So you know, check it out, it's all about the peepum's nasty gum bit. Um, so thank you much.

**Justin:**

If you search MBMBaM on YouTube, you find a lot of clips. That's a good way to introduce you to the show. Say hey, I listen to the show, here's a bit. Here's a bit they do. Here's a classic bit. One of the recurring bits. We don't actually have those, but it would be nice if we did.

**Griffin:**

You know what we need to bring back?

**Justin:**

Tell me.

**Griffin:**

You know what's coming back in fashion for the—for the new spring season? Listening parties.

**Justin:**

Ooh! Listening parties.

**Griffin:**

Yeah. We... This, for our, for our new listeners, we used to do this this, we still do it, we just... not a lot of people have requested them, where uh, if you get together with a group of friends... What was our ruling? Was it four?

**Justin:**

Uh, we said i—it's two for God, so four for us, 'cause there's three of us. Whenever four or more are gathered in our name...

**Griffin:**

Preferably some people who never, maybe—maybe a couple of people who'd never heard the show before. Um, but you uh, yeah. You guys, you get together with the, uh, and you, you schedule a listening party and you send us an email with explicitly stating, this is for the listening party, uh, and we will record you a brief private message.

**Justin:**

And tell us as much about the party as you can so we can—

**Griffin:**

Yeah.

**Justin:**

So we can try to make it, you know, as personal as possible.

**Griffin:**

Yeah.

**Travis:**

And it's important that afterward, we need pics or it didn't happen.

**Griffin:**

Yeah. Photographic evidence. If you need a template, just check out the Mondlock's, because uh... dudes still repping the set after, what? Like five months? Nothing but nonstop parties?

**Travis:**

Yeah, he's up to like, party 17 or something.

**Griffin:**

Yeah. It's completely... it's sickening.

**Travis:**

But like, in a good way. Sickening in a good way.

**Griffin:**

No I'm s—I'm s—I'm sick.

**Justin:**

And I think that's it, right? It's all of our garbage that we have to do? All of our housekeeping?

**Griffin:**

Uh, did you give out our email address?

**Justin:**

[Mbmbam@gmail.com](mailto:Mbmbam@gmail.com).

**Griffin:**

Did you give out our phone number?

**Travis:**

Here it is.

**Justin:**

321-333-MBMBAM-7839.

**Griffin:**

So wrong. Wow.

**Justin:**

I don't know it. [laughs]

**Griffin:**

I don't think he got a single one of those correct.

**Justin:**

I don't—I don't actually know the number.

**Travis:**

Uh, it's 203-MBMBAM-1.

**Justin:**

Okay. That's easy enough. That's easier than I made it out to be, I think.

**Griffin:**

Yeah. Just call and leave us a message, 'cause we like hearing your voices.

**Justin:**

Yeah. We just, we love you very much. Uh, so Griffin, hit me with the last question. One to grow on, one to think about.

**Griffin:**

Yeah. Yeah. This one was sent in by Donald Hawkins. Thank you, Donald. It's by Yahoo Answers user Tommy Smith who asks, "Can you help me stop thinking about Sonic the Hedgehog?"

**Justin:**

[laughing] This is Justin McElroy.

**Travis:**

[laughs] This is Travis McElroy.

**Griffin:**

This is Griffin McElroy.

**Justin:**

This has been My Brother, My Brother and Me. Kiss your dad square on the lips.
