

## **MBMBAM 051: Real Talk Live Face 2 Face**

Published April 20<sup>th</sup>, 2011

[Listen here on themcelroy.family](http://themcelroy.family)

### **Intro:**

The McElroy Brothers are not experts, and their advice should never be followed. Travis insists he's a sexpert, but if there's a degree on his wall, I haven't seen it. Also, this show isn't for kids, which I mention only so the babies out there will know how cool they are for listening. What's up you cool baby?

[audience cheers and claps]

[theme music plays]

### **Justin:**

Travis is prepping for our live show which we've, we've subtitled uh, My Brother, My Brother and Me Real Talk Live, Face Two Face.

[audience laughs]

### **Griffin:**

With a number two. It's important.

### **Justin:**

The number two. Otherwise— hi, this is My Brother, My Brother and Me. It's an advice show for the modern era, like Chilean miners emerging from the depths of uh— no? No, on the Chilean?

### **Griffin:**

Not this time. Can we drink here? Are we allowed to?

### **Justin:**

Yeah. Yeah, try to stop us. It's live. Can't— they don't want that on the— I'm going to move Jesse's computer. Um, so, hi. I'm Justin McElroy. I'm your oldest brother.

### **Travis:**

Uh, I'm Travis McElroy. I'm the middlest brother.

### **Griffin:**

I'm Griffin McElroy. I'm the youngest brother and my mic's turned on, which means I win.

**Justin:**

What? Like you'd need it.

**Travis:**

I'm— am I on?

**Justin:**

Yeah, you sound good. Fucking killer start. So, here's what we do.

[audience laughs]

We uh, we take your questions uh, and turn them alchemy-like into wisdom. We've asked some of the people who are going to be here tonight to submit questions uh, wisdom that they need, uh, delivered unto them. Uh, we also have some questions from the Yahoo Answers service, but let's start with uh, one of these right now. First—

**Travis:**

Before, before we begin?

**Justin:**

Yeah.

**Travis:**

Do you guys have any like, goals? Or... any wishes? Any hopes and dreams for this?

**Justin:**

Just for the live show?

**Griffin:**

My, my only goal, I don't care if it's funny or not, um, I mean—

**Justin:**

You're really up on that mic. You're really getting a taste huh? "I love the taste of chrome. I can't perform without chrome in my mouth."

[audience laughs]

**Griffin:**

My only goal is I hope that—

**Justin:**

Still.

**Travis:**

He hopes you can hear his mustache.

**Griffin:**

I want you to feel the beats of my face against your face.

**Justin:**

What's it like to kiss Griffin? This is what it's like.

**Griffin:**

My only goal—

**Justin:**

[laughs] I've got a new goal that's changed since we've started, but go ahead.

**Griffin:**

I just don't want my balls to come out of my pants. I don't know how it would happen. I would shift— I'm wearing jeans. Um, it would require some physics, put some English on it.

**Justin:**

You're money. You're good.

**Griffin:**

Yeah.

**Travis:**

I actually— I developed a fear slash goal.

**Griffin:**

What's that?

**Travis:**

And that is, no one could ever see it including these guys because we record in different places, but when I'm at home, if I'm thinking of a joke, my face goes to this....

[audience laughs]

**Griffin:**

For the majority of the show?

**Travis:**

Yeah. Like—

**Griffin:**

For those listening, uh, who are downloading the show later, I would liken it to a caveman.

**Justin:**

Yeah, it's— I call it dead face.

**Griffin:**

Okay.

**Justin:**

Because it's like... and then I come back with a joke and I need to not do that in front of all you.

**Griffin:**

That's a preview for Travis's wake. That's, that's that gallows humor.

**Justin:**

Um... I would just like to not be super racist. Like, if I dip my toe into some mild racism, that would be fine.

**Griffin:**

I edit every podcast uh, and in every episode, sure enough, there's one tiny little tidbit. You usually have to look to find it like Where's Waldo? Only instead of Waldo it's like a racist.

**Travis:**

We usually record like, three hours of material and then put out an hour-long show.

**Justin:**

I expressed this fear to my wife, uh, who's here. Is she here? Somewhere? Hey. Hey, everybody. It's my wife Sydnee and my dad, Clint.

[audience cheers]

Our dad, shared dad. Our Co-dad, Clint. I expressed this fear to my wife. She called it uh, pulling a Kramer, which I— if my career can be summed up that way—

**Griffin:**

And this is our first live show, which is not the best time to pull a Kramer.

**Justin:**

You don't want to pull a Kramer. Uh, so—

**Griffin:**

And also, because this is our first live show, I want to take a second to apologize uh, for the fact I can't— I don't, I don't hear myself. Is it, is it really that loud? I want to apologize because this is what we look like.

[audience laughs]

**Justin:**

Sorry everybody.

**Griffin:**

I feel like we adopted some handsome radio voices from our father who's a radio professional. But—

**Justin:**

Where's Eric? Is Eric here? Eric, can you raise your hand? Eric from uh, Chicago. Good one, Eric. Way to narrow it down, Eric. Eric uh, asked this question about people. He said uh, "At my corporate job, there was recently a call for suggestions for team building activities. I proposed paintball since it's a team game and can use the products we make, radios, while playing. The boss really liked it. We're going to do it this summer. Here's where I need advice. I actually proposed this idea because it would give me free

reign to shoot my coworkers in the dick with paintballs. Potentially, consequence free. Would it be uncouth to go on dick shooting rampage at a corporate team building event or should I go ahead with my plan of dick destruction because hey, it's part of the game?" Eric, Eric, first off, I think you're— you have some misconceptions about paintball.

**Griffin:**

I haven't played paintball.

**Justin:**

Yeah—

**Griffin:**

In a while, but I don't remember it being just a campaign for impotence.

[audience laughs]

**Travis:**

And what's all this pent-up dick rage?

**Justin:**

You really are angry at your coworkers' dicks.

**Griffin:**

There's, there's a lot of places you can shoot with a paintball gun on a person's body that's going to hurt. You don't have to aim straight for the dick.

**Justin:**

Yeah, not right for the dick. I, I think you can probably— Eric, uh, we can give you permission to do this, but I think it's going to come down to a question of fortitude. I mean, if you're... if you've got your boss's dick in the cross hairs, can you pull the trigger, release the CO2 and just fucking fire that red spot of like... I mean, it's insubordination. It has— right?

**Travis:**

Yeah, because that's not going to come up in the performance review, but it's going to be there like, in the background.

**Justin:**

Yeah, like, if the performance review were like, a play, the backdrop would be a picture of you shooting him in the wiener. Like... it's not going to— he's not going to let it slide.

**Griffin:**

I'll tell you, it's, it's not just about can you do it. But *can* you do it? Like, do you have the accuracy required to really just get right in there and shoot him square in the dick because first of all, you're going to need to know the parameters—

**Justin:**

Yeah.

**Griffin:**

Of said dick, which good luck acquiring that information.

[audience laughs]

**Justin:**

We're going to need some heavy recon before this paintball game.

**Griffin:**

He, he gets his own performance review. What are you working with down there?

**Justin:**

Eric was really worried about shooting all of us in the dick, but he spent most of the time just firing at walls.

**Griffin:**

[laughs] You could ask the measurements of his dick because you can tell him that you don't want to shoot him in the dick. So, you need to know which area not to aim for.

[audience laughs]

**Travis:**

Um...

**Justin:**

Can you paint your dick with some neon green, something just to help me avoid—

**Griffin:**

I tiny orange hat on the top.

**Justin:**

Don't get it twisted. Don't get it twisted, Rafael, I'm just going to shoot around. He works for the Ninja Turtles. I forgot to—

**Griffin:**

What I'm saying if, if you shoot your boss in like, the upper thigh or the mons pubis, you are— you're going to get in an equal amount of trouble and you're not going to get that sweet satisfaction that you'll get from a killer dick shot.

**Justin:**

Yeah. You want to feel it. Griffin, do we have any uh, Yahoo Answers?

**Griffin:**

We have so many Yahoos. Um, uh, this one we found. It wasn't sent in by anybody uh, which— it was actually found by—

**Justin:**

We'll still get down there in the dirt with you people and fucking dick around.

**Travis:**

We have a basic understanding of how the internet works.

**Justin:**

Google Schmoogle, I say.

**Griffin:**

Uh, Justin actually found this one, which I— is this your first uh... it's a treasure trove.

**Justin:** You don't have to say like that!

**Travis:**

In case anyone doesn't know, Justin contributes nothing until this moment.

**Justin:**

Here, here it is. Ready? I turn it on and they get like 50 minutes and then, off. I don't even remember the show exists. Hit me.

**Griffin:**

This question was asked by Carly who asks, "Where can I hire an Alf impersonator for my bday? I am going all out this year and throwing myself a bday party. I'm an Alf fanatic." I think we could have assumed.

**Justin:**

Yeah. I'm cool on Alf.

**Travis:**

I'm a minor Alf enthusiast.

**Griffin:**

"I bought my three friends three gifts to give me. An Alf lunchbox, an Alf alarm clock, and an Alf rockstar action figure with guitar and posable arms."

**Justin:**

Let it sink in, okay? Let it sink in.

**Griffin:**

"All I need is an Alf impersonator. Where can I find this?"

[audience laughs]

I would say first, first and foremost, you need a few more things than just an Alf impersonator. I can think of 25 things off the top of my head that you need before you need an Alf impersonator.

**Travis:**

I'm going to throw out, this person has three friends.

[audience laughs]

**Griffin:**

Who apparently don't— does not understand her penchant for, for Alf. Like, they couldn't think "What's Carly all about?" Alf, I think. That's maybe what you should base your gifts off.

**Justin:**

“So, tell me about this birthday party you're taking me to, Danny.” “Yeah, it's going to be cool. The guy's really nice. There's this one thing.”

**Travis:**

Just a heads up.

**Justin:**

Just a heads up. If someone's like— brings up Gordon Shemway just roll with it. He's, he's, he's a fan.

**Travis:**

Welcome to Melmac.

**Griffin:**

We are not being particularly helpful.

**Justin:**

You're right.

**Griffin:**

Where can they find an Alf impersonator?

**Justin:**

Wait. What's the number— is there an accepted answer from the Yahoo Answer service?

**Griffin:**

Well, I'm reading— I don't know if you can see this, I'm reading off a piece of paper.

**Justin:**

Yeah.

**Griffin:**

I don't, I don't have that information.

**Justin:**

I remember it because I looked it up. Number one answer? The midget store.

**Griffin:**

No, that's a— no, you guys laugh, but that's an excellent point because um, if you get uh, an Alf that is— like, you get eye to eye with an Alf, like he's, he's the height of a, a full grown man. You will— that's a tac— I can't imagine anything scarier than that, in my mind, than a six foot tall Alf.

**Travis:**

You don't think like, the whole situation is just terrifying enough?

**Griffin:**

I think the whole situation's terrifying in general, but for...

**Justin:**

No. See, I thought this too. Alf expanded to six feet tall, horrifying. But not as horrifying as that moment when you reach for the punch and you're like... whoa. Alf! Right there.

**Griffin:**

There's a whole emporium of oddly sized like, 80's sitcom star impersonators. Could we make this like a giant Webster. Horrifyingly gigantic wonders.

[audience laughs]

**Justin:**

Uh, with killing power.

**Griffin:**

She's a robot but with killing power.

**Justin:**

Yeah, she's basically—

**Griffin:**

She's still cute as a button, but she's nine feet tall.

**Justin:**

She's, she's sweet as pie. Her arm does spin around and become a machine gun. She's a darling though. She's hooked up to SkyNet, but otherwise, a real sweetheart. I, I think that like, if you are, if you are a midget who— a little person who will go to uh, who does birthday parties—

**Travis:**

If you are an Alf impersonator, you don't care.

**Justin:**

You've got the suit, right? Like you've got the suit in your house. There can't be enough of those just rolling around that...

**Travis:**

Call me what you will, I need the money real bad.

**Justin:**

Is this guy going to be able to handle meeting Alf in person? Is this guy going to be able to handle the pressure? Like, I couldn't—

**Travis:**

"I am starstruck."

**Griffin:**

Let me toss in another question. Can we just get the real Alf? What's he up to? What has Alf been in since Alf?

[audience laughs]

**Justin:**

Oh, fucking stupid Alf. He's got to be doing something, right? Somewhere there's a clos— there's a room you can walk into and there would Alfs hanging from the ceiling. Deal with that reality. That's just like, dead eyed looking right at you. We were talking about this backstage actually. Just rapping about Alf. Uh, how fucked up is it that Alf's real name is Gordon Shemway, but people still called him Alf. Like, he told them his real, his real-ass name, right? Like, "Hi, I'm Gordon." Oh, Alf.

**Griffin:**

That's just, that's shorthand bigotry is what that is.

**Justin:**

Yeah. Alf is his slave name, basically.

**Griffin:**

I'll edit that out later.

**Justin:**

Fuck. Fuck!

[audience laughs]

You know, a lot of people don't know this. Lavar Burton played Alf. That's true. That's true. No, you laugh. It's true. He's multi-faceted. Not just a blind man. Also, an extraterrestrial with a real taste for kiddies.

Um, I am uh... is, is here? Jacquie? Hi, Jacquie. Jacquie asks us, um, "I am writing you on behalf of my BFF Allie B. Her boyfriend feels really uncomfortable in neck ties and bow ties. He doesn't like to wear them, but still wants to look classy when attending dress up style events such as weddings or charity balls. Uh, what are some great tie alternatives?" That's from Jacquie.

**Griffin:**

You picked a... of the two podcasts that are performing tonight, you picked the best one I think—

**Justin:**

Yeah.

**Griffin:**

To ask that question.

**Justin:**

To— who you go to fashion advice? The guys who all showed up with the exact same jacket and had to switch last minute. Yeah, Travis took his jacket off.

**Travis:**

All agree? Bolo tie.

**Griffin:**

Bolo tie.

**Justin:**

Yeah.

**Griffin:**

Are you, are you an up-and coming-oil magnate?

**Justin:**

I think if I see a guy in a bolo tie, I think it's time to party. If that guy makes that bolo tie choice—

**Travis:**

Shit might go down, shit might not go down. I want to be with that guy if it does.

**Justin:**

Yeah.

**Griffin:**

What is, what is the utility of a bolo tie? What is it, what is it holding together?

**Travis:**

It's like an ID badge. It's like saying I'm the Swiss Army knife of people.

[audience laughs]

No matter what circumstance comes up, I got it.

**Griffin:**

You need clothing accessories with real cow skulls on them, I'm your guy.

**Justin:**

Uh, I think a great alternative is just the open top button.

**Griffin:**

You think?

**Justin:**

Yeah, because that says like, I'm not going to constrain your rules. I'm not going to follow whatever laws you set forth before me here.

**Travis:**

I go with the office party look where it's, "I was wearing a tie. It might have been up later, but right now, I'm down. It's margarite Monday. Let's do this."

**Justin:**

Five o'clock somewhere, right?

**Travis:**

What about pet snake?

[audience laughs]

**Griffin:**

What if it was a corn snake that you turned into a bolo tie?

**Justin:**

I would wear that. I would support that look. Um, Griffin, you got anymore, anymore Yahoos?

**Griffin:**

Sure.

**Justin:**

I know you do. I saw the list. Fuck.

**Griffin:**

I do. Uh, this one was sent in by Jacob Locker. Is he here? I don't think he is.

**Travis:**

He's the greatest person.

**Griffin:**

He's the greatest person. Uh, thank you Jacob Locker. It's by Yahoo Answers user Megan Curtis who asks, perplexingly, "How can I get back at my mom... without putting pizza crust in my butt?"

[audience laughs]

That's the only way I know, like, that exists. "When I'm mad at her, I stick pizza crust in my butt so she'll have to take me to the hospital."

**Travis:**

How many times can that be effective? Once, maybe twice and then it's like, you got this—

**Griffin:**

"How, how can I get back at her without having to do this?" Megan Curtis.

**Travis:**

You think after like, three times the mom starts going, "Just start doing heroin or something."

**Griffin:**

[laughs] The little boy who cried "there's pizza crust in my ass."

**Justin:**

I think if your mom has had to, more than once, scoop you up in her arms like her baby boy, take you to the ER and, and show you to the doctor, and hold you up like Simba and say, "Yeah," You're fucking gotten back. You- there's no shit she can do where your- you have not gotten back in advance at her. You've gotten back hard.

**Travis:**

Why hasn't the mom stopped buying pizza?

[audience laughs]

**Griffin:**

Or at the very least, go with thin crust.

**Travis:**

"This Digiorno deal is just so good!"

**Justin:**

You see [laughs] you see the Papa Johns guy pull up outside and you start running through your mind like, "What the fuck did I do? Did we fight? What could he be mad about? I gave him back his Akron tape. I don't know what his problem is. I let him listen to Beastie Boys at all hours."

**Griffin:**

Like, of all the ways to inconvenience your parents to teach them a lesson, I think making them take you to the hospital is one of the worst ways to do it. Especially when the toll to do so is sticking...

**Travis:**

If, if anyone listening to the story now is considering this um, mode of getting back at your parents, A) kill yourself. B) your parents might react strongly in the moment. Then, they're going to have a glass of wine later and look at each other and go, "What did we do?"

**Griffin:**

"Our son's a pizzaphile freak."

**Travis:**

And then they're going to giggle. I'd giggle. Hey, and by the way pizza guy, like, we get it. We know what's up. You're not mad at your mom, you like to put pizza crust...

[audience laughs]

**Griffin:**

The sexiest of all the Italian foods. I think we can agree.

**Travis:**

Talk about stuffed crust.

[audience groans and applauds]

**Griffin:**

We were all thinking it. Thank you. The voice of the people.

**Justin:**

That was good.

**Griffin:**

Uh—f

**Travis:**

I do that when no one can see either.

**Griffin:**

That's all I had written down for pizza crust riffing. If you want to move on to the next one.

**Justin:**

Is that all the pizza— oh, is that all the pizza crust gags?

**Travis:**

That's all our notes?

**Griffin:**

Mm-hmm.

**Justin:**

Uh, is uh, Musically Minded in the Midwest here? Musically Minded in the Midwest? Hey! Back there.

**Griffin:**

That's a weird name.

**Justin:**

That's a weird name. I bet, I bet after you got that name you put some pizza crust in your butt. Admit it. "How do my wife and I convince our eight-year-old son that piano lessons are awesome and not nerdy? When we told him we wanted to take him to take piano lessons, he told us he only knows one kid that takes piano lessons and that they are a huge liability to his reputation." Grow up so fast. Uh, "We want him to inherit the same love of music that our parents gave us. Help us, Brothers." That's Musically Minded.

**Griffin:**

How old, how old is the kid?

**Justin:**

Eight.

**Griffin:**

Eight years old.

**Travis:**

How's he supposed to front in the Pokemon league?

**Griffin:**

How's your rep— what's your rep like? Like, what kind of rep do you have at age eight?

**Justin:**

Yeah, I mean he's potty trained three, four years. He doesn't give a shit. I mean, he does, but it's in the potty. There's a lot of really fuck— like, you show one of them manly, poon hound pianist out there like, your Elton John's, your Liberace's, give him those, those role models there to look, look for and... or Billy Joel.

**Griffin:**

I can name, uh, 10 nerdier instruments off the top of my head.

**Justin:**

Yeah.

**Griffin:**

Like, if you want to give that kid flugelhorn lessons then he's in for a world of hurt. But I think the piano... a piano you can play some, some tender shit on.

**Travis:**

Yeah, Maybe make him take flugelhorn lessons and then give him the option to do piano.

**Justin:**

Yeah, it's a descending... I've been practicing my theremin for three months. I'm ready to switch I think. I just got beat up in the, in the uh... at eight years old.

**Griffin:**

Well, on the other hand, though, uh, if, if he gets like, super talented and he is playing some tender jams for, for um, you know, ladies once that becomes a thing or dudes. Or fellas. Um, then, the problem is uh, piano, and the reason I switched from piano to guitar— not the real reason I did, but for the purpose of this podcast I'll say it is, um, you can't carry a piano around to play in the quad to try and get—

**Justin:**

You can, but it's massively unpleasant.

**Griffin:**

Super fucking heavy. It's like, it's hard to be on your game when you're carrying a two ton uh—

**Justin:**

Baby grand around, yeah. "Hey Griffin, what are you doing?" "I'm trying to get some trim." "Uh, why, why are you... you're so sweaty and you, you have three moving guys." What? That's the problem though.

**Griffin:**

It's expensive, but it works.

**Travis:**

Have you thought about keytar? It's like, all the beauty of a piano but with the portability of a guitar.

**Justin:**

Yeah, your, your eight-year-old should be really into that. Don't listen to Travis. So, hopefully that should help. Griffin, you know what I need.

**Griffin:**

I do. Uh... okay. Here, this one was sent in by Karen D. Thank you, Karen D. Uh, this one was asked by— there's a bug. Get out of here. Uh, by Jay Jenkins, who asks—

**Justin:**

Wait. For the radio— for people who are listening later. There was a bug.

**Griffin:**

There was a bug. It was super big and scary.

**Justin:**

Griffin wasn't riffing. Like, that was, that was a bug.

**Griffin:**

Jay Jenkins asks, "I have two urethras. Any information? I noticed this a few days ago, but when I use the restroom, I peed two different ways and when I pulled my foreskin back—" I can't say that on— got to cut that out.

[audience laughs]

"When I pulled back and looked at the tip, I had two completely separate urethras. How common is this and are there any advantages to this?"

[audience laughs]

**Travis:**

The worst super power ever.

**Justin:**

Easy. Easy.

**Griffin:**

The only thing I can think of is bitching parlor trick.

**Travis:**

There are two bad guys we must blind at the same time!

**Griffin:**

Yeah, I mean, we've all had that moment. We're at a bar, we've had a few drinks, we're trying to show off. Say, hey, look at how far back I can pee from the urinal and still make—

**Travis:**

How many urinals you got?

**Griffin:**

Now, we can add a whole other element to it where you can add a trick shot into this.

**Justin:**

Yeah.

**Travis:**

Somebody hand me a mirror.

**Justin:**

God, you could win some bar bets though. I bet I can, you know—

**Griffin:**

I bet you only have one urethra. Wrong! Pay up sucker. Check it.

**Justin:**

"Hi, my name, my name is Phillip Daniels. I'm the most in demand, not in demand porn star in the world."

**Griffin:**

They call it the funny shot. There it was. What's up dad? Uh, I actually— I did write one of the answers because it was so great. Uh, it was by Answerer One uh, who said, "Uh, you're telling me you never noticed this? Well, two holes equals two times the fun." Does it equal two times the fun?

**Justin:**

Does it?

**Travis:**

I think it equals two times the explanation.

**Justin:**

I think like, four or five times the explain— your whole explanation is I have a urethra. I think, I think you probably need a little bit more than that.

**Griffin:**

"You look like you have an alien's wiener. Can you please give me a little bit more info?"

**Justin:**

Confirm or deny. Um, hey uh, Griffin, can you read me the part about when he noticed?

**Griffin:**

Uh... well, he's 17. It sounds like it's a pretty recent, uh—

**Justin:**

Bullshit.

**Griffin:**

He pulled his fore... skin back and he looked right at the tip. I guess he'd never— I never look straight on at it. I... shit!

**Travis:**

Wait. Has anyone in this room ever checked?

**Griffin:**

When was the last— the last head count that you did?

**Justin:**

Raise—

**Griffin:**

When was the last census you performed?

**Justin:**

Your man got bifocals? Raise, raise your hand if you've checked for a double before? Has any— no? No? Yeah?

**Travis:**

People at home... zero hands.

**Justin:**

Zero hands, for the record. If we're, if we're keeping track. Um, I, I don't know if you remember being 14, I wouldn't notice two urethras. Eh, I probably wouldn't notice.

**Travis:**

That's the first time you really do some studying.

**Griffin:**

Yeah, do some Lewis and Clark, an expedition.

**Justin:**

Yeah.

**Travis:**

Did you say Lois and Clark?

[audience laughs]

**Griffin:**

That's exactly what I said. Play the tape back. Is that— I may have said Lois.

**Travis:**

The first time you do some serious Terry Clark, Dean Kane action. Boom!  
Nailed it.

**Griffin:**

Thank you.

**Justin:**

I think Terry Hatcher was the reason I first explored my urethra. At 14?  
Yeah, probably. Uh, give me—

**Travis:**

Let's get out of here.

**Justin:**

Give me another one.

**Griffin:**

Another one?

**Justin:**

Yeah.

**Griffin:**

Another Yahoo?

**Justin:**

Yeah. You know what I need.

**Griffin:**

Alright. Uh, this will take us down a pretty dark path.

[audience laughs]

**Justin:**

Cool. Cool. Awesome.

**Griffin:**

Uh, this one was also sent in by Jacob Locker. Best guy ever. Uh, it's by  
Yahoo Answers user Megan Curtis who asks, "Why are naked babies socially  
accepted though other age nudity is not? Really, I've seen advertisements a

plenty with naked babies slash toddlers, but why not other ages? It seems stupid."

**Travis:**

What advertisements is she looking at?

**Griffin:**

Yeah, that's...

**Justin:**

Sunscreen.

**Travis:**

[laughs]

**Justin:**

Baby lotion. That's it. Full on, full frontal baby nudity.

**Griffin:**

A lot of baby nudity that I don't think it exists in the world, but let's presuppose that it does.

**Justin:**

Let's presuppose that we're living as some sort of adult, dark alternate reality where every add features baby nudity.

**Travis:**

You want to buy this car? Check out this baby wiener.

**Griffin:**

This sweet naked baby.

**Justin:**

What's that in the passenger seat? It's a baby and he's naked. What's up? Hey, do you like frozen yogurt? Do you like frozen yogurt with naked babies in it? We got you. Don't even worry about it.

**Griffin:**

I've been sitting here while you guys were talking trying to think of something less sexy than a naked baby. Like, you don't look at a naked baby

and go, "Yeah" unless like, you've got a date with Chris Hanson in the near future.

**Justin:**

Yeah. I'm just letting you dangle. What's up?

**Travis:**

It's like a baby wiener.

**Justin:**

It's an aggressive technique, yeah, absolutely.

**Griffin:**

I just don't know how far we can go with this naked baby.

**Justin:**

Got anything else in there? In that fucking bag of tricks? You fucking pervert. You fuck— fine calling the Popo, you got anything else in there?

**Griffin:**

Uh, here's one.

**Justin:**

Yeah, real quick.

**Griffin:**

Uh, this was one we also found. It's uh, I didn't write who asked it. Shit. I'm going to say Mark.

**Justin:**

Thanks Mark.

**Griffin:**

[laughs] It couldn't have been Mark because the question is "What are some good dodgeball names for eighth grade girls?" Asks Mark.

**Justin:**

Griffin likes to say the, the uh, the questions most likely to get us arrested in sort of a Lenny Bruce type fashion like, hauled off the stage for indecency. Go ahead, Griff.

**Griffin:**

"Me and some of my friends are in a dodge ball tournament for middle school and we need some names. Any ideas?"

**Justin:**

For your eighth grade— is it eighth grade dodge ball team or eighth grade—

**Travis:**

Individual?

**Griffin:**

I think it's person to person.

**Justin:**

Oh, you mean like, nick— like, The Hammer.

**Travis:**

The Hammer.

**Justin:**

The Lil', the Lil' Hammer.

**Griffin:**

Lil' Hammer. Uh, the Pony Obliterator like, because eighth grade girls like...

**Justin:**

The Pony Destroyer?! The Glue Maker. Please welcome to the ring.

**Griffin:**

We'll talk about destroying ponies all night long.

**Travis:**

But that's what you're going with? She could throw a dodge ball so hard a pony would explode.

**Justin:**

I'll fucking blow up a pony. I don't care.

**Griffin:**

I'm saying we make a portmanteau. First word, something that eighth grade girls like. The second word is like a really intimidating word of like, uh, some sort of damage you could inflict with a dodge ball.

**Justin:**

Like, Princess Fuckyouup.

[audience laughs]

That's what you mean?

**Griffin:**

Um...

**Travis:**

I can't get the phrase "ass pounding" out of my head, but I'm holding myself back.

**Justin:**

Whoa!

**Travis:**

I know! Out of decency, I didn't say it. I mean, I said it—

**Griffin:**

I guess you're seeing how the sausage gets made because this is exactly the kinda shit like, naked babies? Nope, that's gone. Eighth grade... what, what was it again?

**Travis:**

I'm not going to say it again.

**Justin:**

That's in the scrap bin.

**Griffin:**

Um... I think something oddly robotic would be kind of... like, Smashulator. Like, it's kind of like a...

**Justin:**

The Smashulator.

**Griffin:**

But you got to put like uh... Smashly is really good.

**Justin:**

Smashly?

**Griffin:**

Uh-huh.

**Justin:**

That is good. Uh, I want to hear uh, Griffin's last question uh, but first, real quick, house-keeping. Uh, happy two-year anniversary to Grant and Amanda who for reasons unbeknownst to me— hey guys.

**Travis:**

Happy two year anniversary!

**Justin:**

Happy two years.

**Griffin:**

Sweetheart, I love you so much. We're going to have a special night tonight.

**Justin:**

Hey, you know how you always wanted to see three grown men talk about nicknames for eighth grade girl dodge ball players? Fucking hop in my Coop, we're driving to Chicago.

And also, Johnny Wags and Randy May drove eight hours from Marquette, Michigan. Hey guys.

[audience cheers]

Which I was impressed with but then it's like, I drove eight hours so fuck you. [laughs] Um, and thanks to um, Max Fun and Jordan Jessie Go for having us and letting us uh, open up for them, and, and share this time with you.

**Griffin:**

And thank you for Dan. Thank you, Dan.

**Justin:**

And thank you, Dan—

**Griffin:**

For fluffing for us.

**Justin:**

And thank you to, to all of you guys for coming out. You've been super cool and we really appreciate you sitting here and listening to us almost talk about child pornography but not exactly child pornography.

**Travis:**

Skirting the danger zone.

**Justin:**

Skirting the skirts, we like to call it. Skirting the little skirts.

**Travis:**

Let's get out of here!

**Justin:**

My Brother, My Brother and Me, skirting the skirts, Real Talk Live, Face 2 Face. That's the part—

**Griffin:**

Nice try Federal Bureau of Investigation. Maybe next time we'll go the whole nine yards.

**Justin:**

Hit me.

**Griffin:**

Uh, this uh, final one is uh, a Yahoo Question that was written, it was authored by Yahoo Answers user Ziggy Monkey Bob 2000 who asks, "Is it considered cheating if you have sex with someone telepathically?"

[audience laughs]

**Justin:**

I'm Justin McElroy.

**Travis:**

I'm Travis McElroy.

**Griffin:**

I'm Griffin McElroy.

**Justin:**

This has been My Brother, My Brother and Me. Kiss your dad square on the lips! Thank you.

[audience cheers and applauds]

**Host:**

Keep it going for the McElroy's. My Brother, My Brother and Me. Look at those pretty fucks. Yay.
