Clint: The McElroy Brothers are not experts!

[Audience cheers]

Clint: And their advice should never be followed. Travis insists he's a sexpert, but if there's a degree on his wall, I haven't seen it. Hey, it's my gig, okay?

[Audience laughs]

Clint: It's all I have.

[Audience laughs]

Clint: Also this show isn't for kids, which I mention only so the babies out there will know how cool they are for listening. What's up, you cool baby?

[theme music, "My Life (Is Better With You)!" by Montaigne plays]

[Audience cheers]

Justin: Let me tell yah something. If you've never experienced that before, and then you go two years without it? Oh, it starts to hurt.

Travis: Oh boy.

Justin: Oh boy, it starts to hurt. You start to crave it. Hello everybody and welcome to *My Brother, My Brother & Me*, an advice show for the modern era.

[Audience cheers]

Justin: I am— They did have to recast me during the break, but I'll be playing Justin Mickelroy, the oldest brother. Sorry, McElroy it says here. McElroy.

Travis: Uh, I'll be playing Travis "Big Dog, Woof Woof!"

[Audience cheers]

Travis: McElroy.

[Audience woofs]

Justin: [cackles]

Travis: Hell yeah!

Justin: Oh no! I don't think so, folks.

[Audience laughs]

Travis: How many more live shows can we pack into 2021 before that dies off?

Justin: Uh... I just checked. Is it... None.

Travis: Aww...

Justin: Apparently it's just this one.

Griffin: Uh, and I'm Griffin McElroy.

[Audience cheers]

Travis: And I also wanna say a special thanks to the Old Prospector who came and introduced us at the start of the show. Thank you, Old Prospector.

[Audience cheers]

Griffin: [in a sad voice] Yeah. That's... that's funny, I guess.

[Audience laughs]

Justin: Griff, what's, what's wrong?

Travis: What's the matter, buddy?

Justin: What's wrong, bud?

Travis: You should be happy. We're back doing live shows.

Justin: Yeah, we're back doing live shows.

Griffin: Aw yeah, I'm sto— I'm stoked, everyone.

[Audience laughs]

Travis: Did something happen?

Justin: Yeah, what's up?

Griffin: [snorts]

[Audience laughs]

Justin: Hold on, let me try to— let me try to guess.

Travis: This is sincere— Can we get a second read?

Justin: Yeah, I'll take it. We'll get this in post.

Travis: 'Kay, we'll get it clean. Can we get it clean please, everyone?

Justin: Hey, what's... what's up?

Griffin: Um, it's fine. Let's just do thi— Look, we can do this.

Travis: No, hey.

Justin: Yeah let's not belabor it, Griffin.

Travis: This is a safe spa— Hey.

Justin: Clearly something's up!

Travis: Do you need to talk in private?

Griffin: Yeah.

[Audience chuckles]

Travis: John Cena whipped your ass?

[Audience laughs]

Travis: Oh, I forgot the mics were on, I'm so sorry, Griffin.

Justin: Wha— Wait, Griffin, is he telling the truth? Or is this some twisted game of Telephone? Certainly—

Travis: No.

Justin: — TV and game's John Cena didn't whip you ass.

Travis: Not children's prank show host, John Cena!

[Audience laughs]

Griffin: It's fine— It ha— It was this afternoon and I'm doing much better now.

[Audience laughs]

Justin: Well, what happened?

Griffin: Well— [chuckles]

[Audience laughs]

Justin: Tell me the true story of how John Cena whipped your ass.

Griffin: Up and down, um...

[Audience laughs]

Justin: Oh, up and down! You didn't say!

Travis: Not side to side?

[Audience laughs]

Griffin: No, he got me there— He got me there too.

Justin: [cackles]

[Audience laughs]

Justin: Poor thing.

Griffin: It was just like— It really wasn't a big deal, um... But I, it was right after lunch.

Travis: Yeah.

Griffin: And I was going to the restroom. Which is—

Travis: You just finished your crustless PB & J.

Griffin: Yeah, and it was just after lunch, which is, you know, for the bathroom that's like rush hour.

Travis: Yeah.

Justin: Yeah.

Griffin: And so I just like showed up to the bathroom and there was only one stall open, but John Cena kind of like walked in there at the same time...

Justin: [snorts]

[Audience laughs]

Travis: Yeah?

Griffin: And... he was like "Excuse me." [in a deeper voice] "Excuse me."

Justin: [wheezes]

[Audience laughs]

Travis: I'm glad you took a second run at that.

Justin: Yup.

Griffin: "Excuse me."

Justin: It's much more Cena-esque.

Griffin: Now you guys jo— you can joke about this...

[Audience laughs]

Griffin: But uh, I was like "Oh hey. Um, great stuff that you do. I'm gonna— I'll be real quick." Um...

[Audience laughs]

Griffin: And then he started— He, like, what surprised me was how quickly he started just yelling.

Justin: [wheezes, laughs]

[Audience laughs]

Griffin: He was like "I should go first. I was the one who did wrestling."

Justin: [laughs]

[Audience laughs]

Griffin: And then, um, I was like "I understand that, but I'm actually here with—" but he already was whipping my ass at that point.

Justin: [laughs, wheezes]

[Audience laughs]

Travis: Hey, Griffin, I'm sorry. This is—

Griffin: Yeah, no, go ahead man. Whatever you wanna know.

Travis: Did the ass-whipping ramp up slowly, or was it a—

Griffin: No, it was like— It was so, it was— Everything about this was so fast.

[Audience laughs]

Griffin: He like, I, before I knew it. And I was already like “Oh, yeah, okay! You can—” Um, and like a few more stalls opened up.

Justin: Yeah.

Griffin: But he was pretty focused in on that point.

Justin: [laughs]

[Audience laughs]

Travis: Yeah. That’s kinda his whole thing. I mean—

Griffin: Yeah. No, he has sort of explosive strength.

Justin: [laughs]

Griffin: And then he was like, he was like picking me up.

Travis: Yeah.

Justin: [wheezes]

Griffin: And he was like trying to put me in the sink?

Travis: Yeah.

Griffin: And he was like—

Travis: Like headfirst? Like a swirlie?

Griffin: No, like, he was sitting me in it, and then he was like pushing me down and he was like “I’m gonna make you go in the sink hole!”

[Audience laughs]

Travis: Yeah. And you’re sure it was John Cena.

Griffin: It was him, for sure.

Justin: [laughs]

Travis: You weren’t mistaking it with another large man?

Griffin: [sighs]

Travis: Are you sure it was—

Justin: We are never going to invited to this convention again!

[Audience cheers]

Justin: 100%! We’ve done three—

Travis: Oh no! John Cena just stood up in the crowd and walked out!

Griffin: John.

Travis: John, it was a joke!

Griffin: John, it’s not a fuckin’ joke.

Justin: We have done three of these today, and at every one of them, the majority of the discussion’s been about John Cena!

[Audience laughs]

Justin: It’s all we’ve been able to talk about all day!

Griffin: Those two other things were before he whipped my ass inside and out, and tried pushing me down the sink—

Justin: Wait! Inside and out is new. Is that—

[Audience laughs]

Griffin: And he was yelling—

Justin: That's a new direction. [wheezes]

Travis: That's a new piece of information.

Griffin: Guys, I'm not kidding.

Justin: He wore my brother like a hand puppet!

Griffin: It was like 10 minutes of him trying to push me down, what he kept calling the "sink hole". And I was like "Do you mean the drain?"

[Audience laughs]

Travis: Was he whipping your ass during that? Was it separate?

Justin: We're gonna get a letter! We're gonna get a letter from someone.

Travis: So did he whip your ass and then try to put you in the sink hole?

Justin: "Please ask the McElroy brothers not to talk about me anymore!"

[Audience laughs]

Griffin: He shoulda thought of— I mean, it is my fault. I should've let him go first. His, like— I guess part of it—

Travis: Did you try going in the sink hole? To defuse it?

Griffin: I di— I did. God, it took so long, I started to get uncomfortable for him, and I was like "I'll try to go in the 'sink hole'."

[Audience laughs]

Travis: How did it end? Where did you leave it?

Griffin: I ran— After— I mean, I stayed in the sink until he left the room.

[Audience laughs]

Griffin: And then, when I was outside, I grabbed a security person and I was like “Hey.”

Justin: [chuckles]

Griffin: And I pointed at him.

Justin: [wheezes]

[Audience laughs]

Griffin: And I pointed at him, and I was like “He just— “, and then he started yelling like, again, and he was like— He kept yelling “I’m invisible today!”

Justin: [laughs]

[Audience laughs]

Travis: Wait, now hold o— We don’t even have time to unpack that!

Justin: This is an advice show. We do advice here.

[Audience cheers]

Justin: No, wait, I do— I do have to ask one more question. Did you try to fight back at all? Or did you try to take a swing at him, or anything?

Griffin: I did a couple times, but then like I kind of got invested in trying to fit in the sink hole.

Justin: [chuckles]

[Audience laughs]

Travis: Woulda been a great story.

Justin: It was collaborative art, at that point.

Griffin: Yeah.

Travis: And Mario makes it look so easy.

Griffin: I know. [sighs]

[Audience laughs]

Justin: So this an advice show. We take your questions and turn them alchemy-like into wisdom, and I realize now that I should have begun, because it's never been more appropriate, by saying we're so happy to be reemerging.

Travis: Yeah.

Justin: Like our proud Chilean miners.

[Audience cheers]

Justin: We've returned here to... To the Emerald City. C-Town. Jet City. The Queen City, until 1982, when they officially changed it to—

Travis: Wait, no, what?! The Queen City is Cincinnati!

Justin: That's where they changed it. They were scared.

Travis: Yeah, take that!

Griffin: That Cincinnati was gonna cross the country and—

[Audience laughs]

Justin: And beat them up!

Travis: Like Jo—

Justin: Like John Cena beating up Griffin McElroy.

Griffin: And you know—

Justin: Who, by the way, John's people, if you're listening, was the one who told that story.

Griffin: Yeah.

Travis: Yeah, not us.

Justin: Not us.

Travis: It's very easy to confuse our three voices, but Griffin definitely told the story about John Cena—

Griffin: I told, I told that story. John wrote it with his actions.

[Audience laughs]

Justin: [chuckles] I, Justin McElroy am still extremely hireable for any work that you may have.

Griffin: What the fuck are we hireable for, at this point?

[Audience laughs]

Justin: I mean, they're making another *Trolls*, so.

Travis: That's true.

[Audience cheers]

Justin: Hey weirdly, 'cause I'm sure— I just wanna give you guys the scoop on this. No-one has... Let me check with Amanda. No, okay.

Travis: They're playing coy. [chuckles]

Justin: They're playing coy on this one. They haven't reached out, yet, about that one. But I'm assuming they'll eventually ask us to be in the movie.

Travis: A much larger part, I have to assume.

Justin: I have to assume.

Griffin: Yeah. A five-headed tall troll.

[Audience laughs]

Travis: That will still not incorporate our dad.

Griffin: No.

[Audience laughs]

Travis: I don't know if you guys know this but a lot has changed in the last two years.

Justin: In these trying times.

Travis: In these trying times, a lot has changed and I would say that in a lot of ways I think that we've matured. On this show.

Griffin: Like a third of the audience just realized you were setting up a bit.

Travis: The show has become, I would say much classier.

Justin: Oh, god.

Griffin: Oh, okay. That one.

Travis: Um, much more artistic.

Justin: Paul, I'm gonna need another White Claw, my man.

Travis: And so I'd like to start this show off, uh... With a little high-class segment I like to call—

Griffin: Just say it!

Travis: — Work of Fart.

[Audience cheers]

[Work of Fart jingle plays]

Justin: Kidding aside, thanks Paul.

Griffin: Thank you Paul.

[Audience cheers]

Justin: Kidding aside, before we move on. Would it be possible for us to listen to the Work of Fart jingle in absolute silence? So you guys can appreciate—

Griffin: Don't—

Justin: — what a fucking low-grade fart sound—

Travis: Okay, wait. Let's all be quiet. Play it again, Paul.

[Work of Fart jingle plays again]

[Audience laughs]

Griffin: Okay. So there are... there's. Yeah.

Travis: [giggles]

Justin: It sounds like a fucking keychain!

[Audience laughs]

Justin: It sounds like a keychain you press a button on.

Griffin: It sounds like a fuckin' Yak Bak from like 1994.

[Audience laughs]

Travis: It was a free-use sound effect. I don't know what to tell yah.

Justin: We're not gonna spend money on this podcast!

Travis: We're not spending money on Work of Fart! Are you kidding me?! How am I gonna explain that to an accountant of any kind?

Justin: [chuckles]

Travis: "Now, I see a charge here for \$1.79. What was that for?"
"I paid for a fart!"

[Audience laughs]

Travis: "It had to be a good fart, so my brothers liked the bit!"

[Audience laughs]

Justin: Oh, that part. I think that is actually a federal crime to lie to your accountant. So I don't think—

Travis: [chuckles] Yeah. So, here's how it works. Um, I have some—

Griffin: [sarcastic] 'Kay, so the rules— Now— Really listen, 'cause the rules are pretty complicated.

Travis: I have, um, some classics here of different kinds, and I will list the description and all my brothers have to do is give me the title of that classic. For example, if I said "a genius detective who uses deductive reasoning, and is also very confident in his penis".

Griffin: [chuckles] Sure-cock Holmes.

Travis: Yeah, exactly, thank you Griffin.

Griffin: Yeah. I fuckin' hate how good I am.

[Audience laughs]

Travis: Justin, I think you're gonna win this one.

Justin: Okay.

Travis: You're not, but it's 'cause Griffin and I have kind of the same, twisted, South Park-style sense of humor.

[Audience laughs]

Justin: Okay.

Travis: Um, so this first one I've framed kind of like a, like a trailer description. One minute here.

Griffin: [sarcastic] Oh, cool. That oughta, that oughta fix it.

Travis: "This orphan waif, having been tossed aside by numerous people, is back and ready for action. He's angry, and he wants more. Revenge?"

Justin: [groans]

Griffin: This is, has nothing to do with using the bathroom.

Travis: Well... What's a word for angry?

Griffin: Oh.

Justin & Griffin: [simultaneously] Oliver Pissed?

Griffin: That sucks.

Travis: There it is.

[Audience laughs]

Travis: Tied.

Justin: That's a tie point.

Travis: That's a tie point. Are you ready?

Justin & Griffin: [simultaneously] Yeah.

Griffin: And don't give us a double-hint.

Travis: Okay.

Griffin: That felt cheap to me.

Justin: Yeah.

Travis: “Humphrey Bogart has to help—”

Justin: Humphrey Bo-fart.

Travis: Nope. I said— It wouldn’t be that! God! It’s like you’ve never played Work of Fart before!

Justin: Okay, I’m ready. I’m ready.

Travis: “Humphrey Bogart has to help his ex-girlfriend escape a Moroccan city. If only he could stop masturbating.”

Justin: Casa-wanka.

Travis: Yes!

[Audience cheers]

Griffin: Wow.

Justin: Mm, mm, mm!

Griffin: And Travis, may I say, just to doff my cap to you, sir. The easy one was Ass-ablanca, and you didn’t walk down that route.

Travis: Not as good.

Griffin: And I’m proud of you.

Travis: Not as good as “Casa-wanka”.

Griffin: [sarcastic emphasis] Yeah, that’s real good!

Justin: Yeah, we can all agree.

[Audience laughs]

Travis: “After being framed... for a crime he didn’t commit, and sent to a terrible French prison, Edmond Dantès is back, posing as a rich gentleman, attempting to get his revenge on his enemies by shoving his hand as—”

Griffin: [quickly] Count of Monte Piss-to.

Travis: Yes!

[Audience cheers, laughs]

Griffin: Next!

[Audience laughs]

Griffin: Next one!

Justin: What’s the score? It’s two-two, right?

Travis: Well, here’s the weird— That was all I had!

Justin: Damn it!

Griffin: You son of a gun!

[Audience laughs]

Justin: Come up with another one right now.

Griffin: Come up with another one. Fresh.

Justin: At the top. From the top. Just fresh, right off the dome.

Travis: Okay, great. Uh... “Ariel is dying to join Prince Eric—

Griffin: The Little Sperm-aid?

Travis: “— in a land filled with flatulence in this ‘I want’ song.”

Griffin: I— oh, uh...

Justin: Fart of Your World.

Travis: Yes!

[Audience cheers]

Travis: A rare Work of Fart victory for Justin McElroy.

Justin: Wow. This is huge.

[Audience cheers]

Griffin: This is—

Justin: It's weird. It's weird, I like this bit now. That's weird.

Travis: Yeah.

Griffin: This is doubly humiliating, 'cause I didn't have to say "The Little Sperm-aid".

[Audience laughs]

Griffin: But I did.

Travis: Or, or "Ass-ablanca"!

Griffin: Yeah. [laughs]

[Audience laughs]

Travis: [singing "True Colors" by Cyndi Lauper] "I see your true colors, shining through!"

[Audience laughs]

Justin: So, as I was saying, this is an advice show.

[Audience laughs]

Justin: And uh, we're gonna help, we're gonna help some people right now. Here we go.

Travis: Yeah.

Justin: "I'm in the middle of creating a delicious bowl of chili, one of its ingredients being a bottle of lager beer."

Travis: [chuckles] I'm sorry, what was— What?

Justin: "Lager beer."

Travis: Okay.

Justin: "I've f'ed up and forgot to get this ingredient, but there's good news. My neighbor is having a birthday celebration which he invited me to stop by for."

[Audience laughs]

Justin: "In fact, I already did drop by to drop off a few baked goods as a birthday gift before returning to my apartment to do chores, one of which was making this chili that brings us to now. Would it be weird for m—"

Griffin: Yep.

[Audience laughs]

Justin: "Would it be weird for me to go and grab a beer from this celebration, and then walk back to my apartment? It seems like it'd be— it'd look like a dick move, or at least just weird, but I was invited, I did provide snacks, and I wanna make this chili."

Travis: [laughs]

Justin: Which, honestly friend, you should have listed first, because that's what's driving you. "What's my move?" That's from Chili Maker in Chapel Hill.

Travis: What I love— Oh, I think we need to change, uh, like the way people ask these questions, because I think it should be like “Is this a higher level weird than normal level human beings?”

Justin: Yeah, everybody’s at base-level weird.

Griffin: Our wei— Our baseline for that’s pretty fucked up, gang.

Justin: Yeah.

Travis: Yeah, ‘cause we’ve all done this— not this thing— Not [emphasis] this thing.

Griffin: Yeah.

Justin: No, never this!

Travis: But we’ve done a thing that you’ve told the story like three years later and seen the look on someone else’s face and gone—

Justin: Oh no.

Griffin: No.

Travis: “Oh this isn’t as charming as I thought.”

Justin: No. “This was kinda roguish.”

Griffin: Okay, it— Here’s— I think this might be a helpful way of framing it. If you throw a party, and someone comes and they have a kick-ass time, but then they leave to go do chores, and then they co—

Travis: Next door.

Griffin: Next door, and then they come back in an hour and a half later and they grab a beer, and then they leave with the beer... As if to say “I got thirsty next door”...

Justin: [laughs]

Griffin: And then they drink that beer, you would think “Pretty inconsiderate friend”. Does the same hold true... [chuckles] ...if they walk in and grab a beer and say “Don’t worry, this is for my chili”?

Justin: [wheezes]

[Audience laughs]

Griffin: Is it the same— Does the same...

Justin: What if you said like “I’ll be back with some chili soon.”

Griffin: That’s—

Travis: Yes.

Griffin: One thing.

Justin: You’ve gotta return with some o— like a sampling of the chili. But you’re not making enough for a party.

Griffin: No way.

Justin: So you’re gonna have a small, solo cup full of chili.

Travis: “Hey, this is for the after party of just you and me, Derek!”

Justin: Yeah, a Chilifest-style sample cup, it’s Styrofoam.

Travis: I actually think it’s the one ingredient that it is better if you walked in and said “This is for chili”. ‘Cause if you walked into your neighbor’s house and went through their cupboard and grabbed just like a bag of dry beans, or like looked through their refrigerator for a pound of ground beef or something and said “Sorry, just need this for chili real quick”. But if you grab a beer and say “I need this for chili”, I think there’s enough going on that someone will go “Okay!”, and that—

Justin: Now, okay, wait wait wait wait wait. In this circumstance, what you have set up is the situation where somebody’s going to be like “Hey! Where you going with that beer?!”

Griffin: [chuckles]

[Audience laughs]

Justin: "Well, um. You know, it's a party so I'm just gettin' a beer."

Travis: No, the nice thing is because you live next door, you can go ahead and crack it open right there, pretend to drink and make like a "Glug glug glug glug" sound!

Justin: "Glug glug glug!"

[Audience laughs]

Justin: "Love that beer flavor!"

Griffin: [laughs]

Justin: "I'd hate to waste this."

Travis: "It's fizzy in my nose!"

Justin: "I'd hate to waste this on chili! You guys feel me?"

Griffin: [laughs]

[Audience laughs]

Travis: "I'm gonna go drink this next door so I can really savor it!"

Justin: [wheezes] "Savor this. And if you smell chili later, then I—" [wheezes]

Travis: "I made another drunken oopsie!"

[Audience laughs]

Justin: "I got so tanked off of this Corona!" Excuse me, I should have picked any other beer.

Griffin: Yeah.

[Audience laughs]

Griffin: Uh, you know what's funny is that I actually— In my pantry I do have about a half of a six pack of Corona that I do specifically keep around for chili-based sort of experiences.

Justin: I can't imagine it's for drinking them!

Griffin: No, not anymore. Not in, not, uh... Not today.

Justin: That's a tough break guys. Hey, tough break to my friends over at the Corona Foundation.

Griffin: Does it change it at all, if someone walks into your party, grabs a beer and says "This is for chili" and leaves, there will still be people at that party who's like "Who's that asshole?" But! If—

Travis: They're probably already doing that though, to be fair.

Griffin: Yeah.

Travis: People love judging people.

Griffin: Absolutely, but would the same be true if I walked in like shirtless with a cape on and grabbed a beer and yelled like "This is for chili!" And then left, people would be like "Who the fuck was that guy?!"

[Audience laughs]

Travis: Well, grab that and the lamp, yelling "This is for—

Griffin: "These are both going in, baby!"

Justin: "This one's for me—"

Travis: "I'm trying some stuff! It's been a weird year!"

Justin: "This one's for chili, and this one's for Dad. Let's go!"

Travis: [laughs]

[Audience laughs]

Travis: Wait, which one was which in that example?

Griffin: "I'm gonna eat this fuckin' lamp! Woo!"

Travis: [cackles]

[Audience laughs]

Justin: You could just do what I do and just run in, and be like "Oh no, oh no, oh no, oh no!" And then do it while you're still doing that. Nobody's gonna stop and question you.

Griffin: No.

Justin: If you make it seem like an emergency.

Travis: Especially if you say like "Quick! Where's the beer?!"

Griffin: Yeah.

Justin: "I have a beer emergency!" Uh, how about another question?

Griffin: Please.

Justin: [in a loud, dramatic voice] "My sister is getting her nipples tattooed."

Travis: [equally dramatic voice] "Your starting Chicago Bulls!"

Justin: [chuckles] "She has many tattoos already, and I like to be supportive and encouraging when she gets new ones. How do I appropriately compliment her new nipple tats without being weird!"

[Audience laughs]

Justin: "I already follow her tattoo artist on Instagram, so I know I'll be seeing at least some, slightly censored version of the artwork." Should be a good, regular day for you, I bet.

[Audience laughs]

Justin: That's from "Let's Nip It In The Bud".

Griffin: That's fun.

Justin: It's fun.

Travis: Well, I thought, I thought— So, when I picked this question, I thought we could do, uh, a little scene work.

Griffin: [sarcastic] Oh, good.

[Audience laughs]

Travis: 'Cause we're— We're siblings, and we all have tattoos and nipples.

Justin: And we're famously good at doing characters.

[Audience laughs]

Travis: And I thought maybe we could do this and like, you know— And you can pick either one of your brothers to compliment their nipples, if you want to, and like just pretend—

Griffin: Well, the tattoo that has been recently applied—

Travis: I mean, yes, obviously, it goes hand in hand.

Griffin: Yeah, I guess. It's never happened before, in my life.

Travis: Oh, really? Because our friend Burberry has a ham tattooed on his nipple.

Griffin: I've seen his, I've seen his ham nipple and it's exquisite.

[Audience laughs]

Griffin: But I don't think that I've ever said word one about either of you even have nipples.

[Audience laughs]

Travis: Hey, can I say?

Griffin: Yeah.

Travis: I've noticed that, and it's actually weird that you've gone this long without acknowledging—

Griffin: It has been. Hey guys... You have four nipples between the two of you.

Travis: But we won't say between who. [chuckles] Who has what. Alright Justin, now say something about Griffin's nipples.

Justin: I'm remaining— I'm remaining completely motionless in the hopes that my brothers will forget I am here.

[Audience laughs]

Justin: Perhaps the podcast will proceed without me, and move on to a different segment in which I am more comfortable participating.

[Audience laughs]

Justin: You guys... Ho! Guys... Where to start, making jokes, about your nipples.

[Audience laughs]

Justin: Uh—

Griffin: That's our job, baby!

[Audience laughs]

Justin: Aw, boy. I love these... These guys. If you knew 'em like I knew 'em. Woo! These nipples. Um...

[Audience laughs]

Justin: You got— You gotta be proud. Of that.

Travis: What's your favorite part?

Justin: Ohhhhh!

Griffin: Describe it.

Justin: Don't make him choose, gosh!

[Audience laughs]

Justin: Where they look... Shhhhh... It just shows that you're really a Star Wars fan.

Travis: Mmm.

Justin: When you got to that length.

Griffin: Yeah.

Travis: Yeah, that's what I was going for, yeah.

Justin: For a nipple tattoo.

Travis: Yeah.

Griffin: It's actually, uh, Stewie Griffin in a Darth Vader helmet.

Justin: I got that.

Travis: Did you catch that?

Griffin: You caught that?

Justin: I got that, yeah.

Griffin: Okay, cool.

Justin: How did you integrate the nipple into that exactly?

Griffin: It's his left and right eyes.

[Audience laughs]

Griffin: [chuckles]

Justin: That is a big Stewie Griffin! That's a real big—

Travis: It's a life— It's a life-size Stewie Griffin.

Griffin: That's why I ha— Can I be honest? I said originally I just wanted a Darth Vader, but because of the sort of the wingspan, it looked a little more [chuckles] sort of—

Travis: And a lot of it was just following the natural contours of his body.

Griffin: Right, yeah. It kind of actually looks like a very tired Darth Stewie Griffin.

Travis: It was free-handed.

Griffin: Yeah.

Travis: [chuckles] Was a lot of it...

Griffin: Travis actually did it.

[Audience laughs]

Justin: [wheezes] So cool.

Travis: It was my first one, and I really appreciate the trust you put in me.

Griffin: Yeah.

Travis: For my first tattoo. It took a long time.

Justin: Yeah, it looks like it took a long time.

Travis: It was a labor of love.

Justin: It was that.

Griffin: It looks like— yeah.

Justin: I felt that vibe.

Griffin: Yeah, for sure.

Travis: So what do you think of my handiwork?

Justin: Why is it still me? Do you think?

[Audience laughs]

Justin: Why am I still the...

Travis: I tattooed. Griffin got the tattoo.

Justin: Yeah, but why is it still me? It feels like other people should have a turn. Everyone is sort of feeling bad for Hoops.

Travis: Hey, Griffin. What do you think about what Justin thinks about your nipple tattoo?

Griffin: Hurts my feelings a lot.

[Audience laughs]

Griffin: Hurts my feelings a lot.

Travis: Justin, you want to address that?

Justin: But! I think it's important to remember that none of this happened.

Griffin: You remember the part where he thought it was just Darth Vader and not Stewie Griffin?

Travis: Yeah, I did catch that.

Justin: We're supposed to have fun.

Travis: And I also noticed how you integrated it as Stewie's eyes.

Griffin: Yeah.

Justin: I was enjoying it, at first.

Griffin: Yeah.

Travis: Yeah.

Justin: The show, not this bit.

Travis: It sounds like you really hurt Griffin's feelings. Is there anything you want to say...?

Justin: I don't—

Griffin: Say it to me now.

Justin: I, you know. People grow.

Griffin: Yeah. I actually heard that was gonna be a problem for the tattoo.

Justin: People change— [chuckles]

Griffin: For the dimensions.

[Audience laughs]

Justin: People, people change.

Griffin: Yeah.

Justin: One sec, one sec. Let me—

Griffin: Yeah. Think about it.

Justin: Um... Let me see him again. I—

[Audience laughs, cheers]

[theme music plays]

[music plays]

Tre'vell Anderson: Hey there beautiful people, I'm Tre'vell Anderson.

Jarrett Hill: And I'm Jarrett Hill. We are the hosts of FANTI, the show where we have complex and complicated conversations about the grey areas in our lives. The things that we really, really love sometimes, but also have some problematic feelings about.

Tre'vell Anderson: Yes, we get into it all. You wanna know our thoughts about Nicki Minaj and all her foolishness? We got you. You wanna know our thoughts about gentrification and perhaps some positives? Question mark?

Jarrett Hill: Uh-oh.

Tre'vell Anderson: Aspects of gentrification? We get into that too. Every single Thursday you can check us out at MaximumFun.org. Listen. You know you want it honey, so come on and get it.

Jarrett Hill: [chuckles]

Tre'vell Anderson: Period.

[music fades]

Justin: Um, here's another question.

Griffin: Yeah, please.

[Audience laughs]

Justin: "The kid I tutor broke his hand and wants me to paint his cast for him. I'm not super artistically gifted, but I don't wanna let him down. What could I paint on an eight-year-old's arm to make him look cool, but not super difficult to do?" That's from *In Way Over Her Head* in North Texas.

Travis: Why did— Why did that kid ask you to paint? Like, wha—
[groans]

Justin: Maybe they only know one adult.

Griffin: That's entirely possible.

Travis: That's... sad but fair.

[Audience laughs]

Griffin: Um... Let's see. I mean, this is a great question for us, 'cause we definitely know what... people of that generation are super into and think is cool.

[Audience laughs]

Justin: Eventually, they're gonna lose interest in Fortnite, and then I'll really be lost.

Griffin: And that's it yeah.

Travis: Wait. Ooo!

Justin: They seem to like pinatas? And Minecraft?

Griffin: Yeah.

Justin: Oh no, I'm hearing some "no"s, okay. Well, put me in the casket, folks.

Travis: Apex Legends?

Justin: I'm done.

Griffin: I don't know that either.

Travis: Could you— hm... Instead of painting something or doing a picture. Do some lettering to make it look like a Fortnite branded cast?

Griffin: Oh, that's cool. People like that brand— Is it ma, Massive...? Is that a— no, shit.

Justin: Supre— Supreme!

Griffin: Supreme is definitely it.

Justin: It's Supreme.

[Audience laughs]

Justin: A Supreme cast.

Griffin: Pretty close though, I think we can all agree. They practically rhyme, those two... very similar words. Oh, fuck that was embarrassing.

Travis: [laughs]

[Audience laughs]

Griffin: Um...

[Audience laughs]

Justin: I wanna say something, but I'm really trying to savor this for a second and then...

[Audience laughs]

Travis: You used to be the young, cool one.

Justin: Yeah, you were the young, cool one.

Griffin: Yeah.

Justin: We need a fourth one now. We need one who's young. Dad?!

Travis: Dad?! [chuckles]

Griffin: Dad?

[Audience laughs]

Travis: [laughs]

Justin: Um, would ya— Well, I mean... Drugs.

[Audience laughs]

Travis: Just— ...

Griffin: Just write the word "drugs" on it. Real big.

[Audience laughs]

Griffin: You could write "Ask me about drugs".

Travis: Yeah, there you go.

Griffin: But it's a trick question, 'cause they're like "Tell me about drugs", and you can be like "They're bad".

Travis: Yeah.

Griffin: "I have some literature for you."

Travis: [imitates revealing it suddenly]

Griffin: "You fell into my trap." Yeah.

[Audience laughs]

Justin: "I keep 'em stuffed in my cast."

Travis: "Sorry I broke your arm. Love, John Cena."

Griffin: That's good. That's really not his style though.

[Audience laughs]

Justin: I don't wanna talk about it again. I feel like his lawyers might just now be losing interest.

Griffin: Uh... I mean...

Travis: Maybe you could get— Maybe it's like, uh, get it branded so it says like "Hey, sorry about your arm. But make to check out *Matrix: Reloaded!*" [chuckles] "Coming soon! To HBO Max!"

[Audience laughs]

Griffin: That's not the name of the film.

[Audience laughs]

Griffin: Um...

Travis: Then what have I been waiting for?

Griffin: [laughs] Hmm... Could you—

Travis: Draw a smaller cast.

Griffin: [hopeful] Alright.

Justin: Okay.

Travis: 0.5% smaller. [chuckles] So it's just kinda fuzzy at the edges.

Justin: I saw—

Travis: That's dumb.

Justin: Did you guys see what they're doing with the *Matrix*...

[Audience laughs]

Justin: The— What's the new *Matrix*?

Griffin: *Resurrections*?

Justin: Thank you.

Griffin: Yeah, you're welcome.

Justin: Uh, so, uh.

[Audience laughs]

Justin: Paul Sabourin, or Paul and Storm fame, and I went to go enjoy um the *Ghostbusters: Afterlife* yesterday.

[Audience cheers]

Griffin: In a regular theatre, Justin?

Justin: No, dipshit.

[Audience laughs]

Justin: It was a 4DX experience. Every time Slimer farted, my butt shook.

[Audience laughs]

Travis: Now, Justin.

Justin: Yeah?

Travis: I know for a fact!

Justin: Don't spoil the movie.

Griffin: We've talked about this.

Justin: Yeah, we talked about how we can't spoil the movie.

Travis: Okay.

Justin: And whether some Slimers may or may not appear in the film.

Travis: And maybe you may or may not have lost a bet to Paul regarding that fact.

Justin: I may have bet Paul a sum of money that Slimer would be in the movie.

Travis: Without requiring Paul to match said bet.

Justin: Yeah.

[Audience laughs]

Travis: So the best cast scenario was, you left with the same amount of money you began, and got to see Slimer. [chuckles]

Justin: Slimer! Yeah, exactly!

[Audience laughs]

Justin: But the... beginning of the movie, they have these, um... They're like commercials for other movies.

[Audience laughs]

Justin: And they did one for... So you've seen this. Okay.

[Audience laughs]

Justin: They one for *Matrix. Resurr...*

Griffin: *Rections*, yeah.

Justin: And before that.

Travis: You just said "erections".

Griffin: Thanks, Trav.

[Audience laughs, cheers]

Griffin: I actually, I actually think I said "rections", which is now the only way I'm gonna say that word. Not that I say it a lot.

Travis: [laughs]

Justin: "Rectos". Um, so they had—

Griffin: [in a Cockney accent] "That gave me a rection!"

[Audience laughs]

Travis: [in a Cockney accent] "'Ello, `ello. What's all this then? This one of those rections I've heard about?"

Griffin: "'Ey, gov?"

Justin: So...

Travis: "Apples and pears."

Justin: We were watching the commercial for the movie, but before it, it wa— there was an ad that's like— [chuckles] "Denny's has entered the Matrix."

Griffin: [cackles]

[Audience laughs]

Justin: And it is like "Denny's has glitch meals, featuring your favorite *Matrix* characters." And it's like... I guess *Matrix* isn't cool anymore, huh? 'Cause that made me feel pretty old.

[Audience laughs]

Justin: 'Cause I'm kind of excited about a new *Matrix*, but if the only brand partner they had on board was Denny's.

Griffin: [chuckles]

Justin: For this new *Matrix* flick, for their glitch meals.

Travis: I like that their branding was uh-oh meals. We made you glitch meals.

Justin: "There's a glitch in the Matrix. There's no way we'd give you this much bacon."

Travis: [chuckles]

[Audience laughs]

Justin: "Is that pancake... a square?"

Travis: [chuckles]

Griffin: [chuckles]

Justin: "Must be a glitch meal." And then it's cats. There's black cats in it.

Griffin: In the commercial?

Travis: Or in the pancakes?

Justin: Yeah, it's in the pancakes. They're shaped like black cats. And it's like "Woah, I know kung fu". These *Matrix* jokes are, aren't landing.

Griffin: Are bad.

Justin: One, aren't jokes. Two... I feel like now that it's tied to Denny's, maybe the shine is off the proverbial apple a bit on *Matrix*. Maybe *Matrix* isn't gonna... Here's what my box office prediction is; *Matrix* is not gonna do as well as some people might hope. Coming soon to HBO Max. Check it out.

Griffin: God, that's good shit!

[Audience laughs]

Justin: "Antlers!"

Travis: It's like we never missed a day!

Justin: "Antlers are super cool."

Griffin: Yeah.

Justin: "This is a statement of fact. I would love to start incorporating different antlers into my outfit rotation. Problem is..." You could guess for a thousand years, and you would not guess the proper—

Travis: You could guess "Problem is clotheslines. Problem is leaves blowing in the wind."

Justin: "Problem is animals need 'em."

Travis: [chuckles]

[Audience laughs]

Justin: No. "Problem is, I take—"

Griffin: "Confused hunters. Confused city hunters."

[Audience laughs]

Justin: Uh, "Problem—" There's deer near my house, 'cause I live in West Virginia, on a hill. And every, literally like every West Virginia guy of a certain inclination and age, when he sees them, is like "Man, I'd love to come back up here with my bow." And I... usually have to ask him like "Do you mean to kill deer at my house?"

[Audience laughs]

Justin: [chuckles] I'd rather you not, thank you.

Travis: Also, they're not just carrying their bow with 'em? Come on!

Justin: Come on. It's in the trunk. "Problem is I take public transit."

[Audience laughs]

Justin: I told you. "Anything I wear is at risk of becoming an invitation to fellow passengers to strike up a conversation with me."

Travis: Some risk higher than others.

Justin: Which, yeah, in this case, I would say it would be their legal right.

[Audience laughs]

Travis: Even if it's just to say "Excuse me, are those antlers?"

Justin: "Is there any way I can wear some dope antlers that doesn't include strangers butting into my podcast time?" That's from Not As Horny As I'd Like To Be.

Griffin: [chuckles]

[Audience laughs]

Griffin: I mean, no?

Travis: Yeah.

Griffin: But that's not funny. Uh... If someone says like "Hey, what's up with those antlers?", you could just re—

Travis: You could go "What?!"

Griffin: "What?! Not again!"

Travis: "Ahhh!"

[Audience laughs]

Griffin: Just pull the bus break cord thing that I don't know if it— It's been a while since I've been on a bus, but, I don't think it brings the bus to a crashing halt.

[Audience laughs]

Travis: No, if anything, it just kinda let's the person driving know like "Oh—"

Justin: Every passenger has the right to stop the bus wherever they want to.

Griffin: [laughs]

[Audience laughs]

Griffin: That would add to the bit though, if you're like "What?! No! ... Why isn't this working?"

Travis: "Not again!" Um... I mean, you could have some small, tasteful antlers that maybe they don't notice.

Justin: Some fashion antlers.

Travis: Well, I just mean, perhaps uh... under a hat. And then someone comes on the bus and you tip your hat to them. Just for a brief wink of a moment they think "Excuse me, are those antlers? No, it must've been my imagination." And now you've given them a story, my lads!

Griffin: Yeah. I di—

Justin: "Oh, you're not gonna believe this story I have for you! The wildest thing happened for me today. I met Mr Tumnus, I think?"

Griffin: [chuckles]

[Audience laughs]

Griffin: "At first, I was like 'Why does that person have like a wild Dr Seuss Jamiroquai hat on?'"

[Audience laughs]

Griffin: "And, at first, I was like 'Maybe they have antlers under there.'"

Justin: "He called himself Mr Tumbus. And I thought that was..."

Travis: [cackles]

[Audience laughs]

Justin: "...a little on the nose." I guess like why— If you want to keep it incognito, there are many accessories that are not antlers that I would recommend.

Griffin: Mmm...

Justin: Like a flower, or a hat.

[Audience laughs]

Justin: Those are just two off the top of my head. I bet I could list many others, given the opportunity.

Griffin: Give it a shot.

Justin: What?

Griffin: Hot— Hot shot.

Justin: Regular shirt.

[Audience laughs]

Travis: No— Okay, I wouldn't call a regular shirt an accessory.

Justin: It's on your— It's wrapped around your arm.

[Audience laughs]

Justin: Like a... You know, like a—

Griffin: Hey.

Travis: That's not a regular shirt then.

Justin: [chuckles] It's a regular shirt that you've wrapped around your arm, like Bruce Springsteen.

Travis: No, I would say that that inherently makes it irregular.

Justin: Regular shirt, weird place.

[Audience laughs]

Justin: Name some different places you could put shirts where people would be like "I don't think so..."

Griffin: Um, could— could you, when they say "Hey, what's up with those antlers?", you just look up at them and go [imitates goat noise].

[Audience laughs]

Griffin: And I'm gonna say, after that, awesome joke.

Justin: [laughs]

Griffin: That I, I don't know what sound a deer makes.

Justin: [wheezes]

Travis: It's also a good way to guarantee no-one tries to talk to you for the rest of the trip.

Justin: Yeah.

Griffin: Yeah. Unless...

Travis & Justin: [simultaneously] Unless?

Griffin: They're like a secret cryptozoologist. They're like "Oh, shit! Actually, alright!"

Justin: "Oh damn."

Griffin: "May I sidle on up?"

Justin: "I never thought I'd meet a goat boy here on my own bus."

Travis: "Especially one with deer antlers!" [chuckles]

[Audience laughs]

Justin: "What a bold choice."

Travis: "Traditionally goats have, what we like to call, horns."

Justin: You could wear a shirt that says "Ask me about my pocket watch."

Griffin: [chuckles]

Justin: And then when they ask you, you can be like "I don't have a watch."

Travis: "What are you talking about?"

Justin: “What are you talking about?” They’ll be so confused like “I was gonna ask that guy about his antlers, but never mind. He seems, he seems like a bit of a pill.”

Travis: “I’d hate for this to be another pocket watch situation.”
[chuckles]

Justin: Uh...

Travis: Our show is funny and good and everyone’s lucky to be here.

Griffin: [laughs]

[Audience cheers]

Justin: Okay. That’s a weird, regular thing. Just a regular thing you’re doing. [imitates a series of high beeping noises]

[Audience cheers]

Justin: Folks, it’s a hau— It’s a, this just came across. Travis, thank you for seeing that. This came across my desk, it’s a Haunted Doll Watch.

[Audience cheers]

Justin: I’m sorry. Honestly, guys, I’m as surprised as you are.

[Audience laughs]

Justin: “Haunted doll Khloe Kardashian look-alike—”

[Audience cheers]

Travis: Wait.

Justin: Stop.

Travis: Sorry, what?

Griffin: What?

Justin: Shh. Shh. "Haunted doll Khloe Kardashian look-alike, succubus entity."

[Audience laughs]

Justin: "Sexual spirit, nympho, nymphomania."

Travis: Huh.

Justin: Just what it says on the eBay listing, guys.

Travis: Huh.

Justin: I don't know what to tell yah. "Haunted doll Khloe Kardashian look-alike, succubus entity, sexual spirit, nympho, nymphomania."

[Audience laughs]

Justin: "This doll resembles Khloe Kardashian, and is haunted by the spirit of 'Cloe', as she calls herself."

Travis: What are the odds?

Justin: I know.

Griffin: How convenient.

Justin: "Cloe was a huge fun of reality TV star and spe—"

Griffin: "A huge fun"?

Justin: I'm just reading the listing.

Griffin: Oh, sorry.

Justin: "Was a huge fun of reality TV star, and spent thousands on cosmetic procedures to look like her."

Travis: You heard it!

[Audience laughs]

Travis: "Huge fun of reality TV star!" Period!

Griffin: [chuckles]

Travis: "And spent—" [wheezes]

[Audience laughs]

Griffin: Was the cosmetic work before or after the Doll-ening?

Justin: If I could— If I could just read the next sentence.

Griffin: Okay, yeah. Sorry.

Travis: That's dumb, Griffin, because there's no way it costs thousands of dollars to paint a doll.

Justin: I just— I just want to say that she died due to complications arising from plastic surgery...

Travis: Yeah.

Griffin: Ohhh...

Travis: But not really, 'cause it's fake!

Griffin: Travis.

[Audience laughs]

Justin: "Her looks helped her become a successful high-end escort in Las Vegas. Cloe says it took a long time to find a right vessel, but she's happy with her choice, and finally feeling like her true self." A doll. I guess. "She looooves to be the center of attention."

Travis: [laughs]

Justin: "When you give her all of your attention, she will shower you with affection. It isn't—"

Travis: Is that good?

Justin: “It isn’t hard to get along with this spirit! All she asks... Is that you are real with her.”

Griffin: [chuckles]

[Audience laughs]

Griffin: “Hey, Tony! Cut the shit, okay?!”

Travis: “Hey, hey! It’s me.”

Griffin: “It’s me.”

Travis: “It’s Cloe, man. Be honest.”

Justin: Oh. “When you get her, don’t forget to give her a gift of something girly. Maybe something to do with fashion and beauty?”

[Audience laughs]

Justin: “Doll is 16 inches tall, comes with a stand. Smokefree.”

Griffin: Smoke—?! Oh, okay. The household where the house came from was smokefree.

Travis: Or going to!

Justin: “As I’m required by eBay’s policy on the paranormal to indicate, eBay forbids the sale of intangible items, and the listing is only for a tangible doll, with no promise of the spirit attached.”

Travis: Wait, why? Wait, why?

Justin: So you can—

Travis: Why is this shot inclu—

Justin: Shh. Shh. So you can see the ass.

[Audience laughs]

Justin: "It's for entertainment purposes only." But no, wait, friends. I don't just have one doll for you, I have two dolls for you. I have another doll.

[Audience cheers]

Griffin: But, wait.

Travis: Thi— This next doll is named Kim.

Justin: Thank you, Cloe. Thank you for your service.

[Audience groans]

Griffin: Oh, fuck, no!

[Audience laughs]

Justin: Oh, that's the—

Travis: [in a creepy voice] "I'm Cloe's friend." [wheezes]

Griffin: [laughs]

[Audience laughs]

Justin: That's the "Haunted doll, spirit vessel, negative entity, dark presence."

Travis: [creepy voice] "I go everywhere Cloe goes!"

Griffin: [creepy voice] "I'm Cloebee! Do you want a kiss?!"

Justin: "This is, this is Be—"

Travis: [creepy voice] "Cloe and I have to be home by 10, she can't stay."

Justin: “This is Bea. Bea’s vessel is pretty and unusual vintage bisque doll, and can—”

Travis: Bisque?

Justin: I’m not gonna decode the doll stuff, Travis.

[Audience laughs]

Justin: “In good condition for its age.”

Travis: “This doll’s full of soup.” [chuckles]

[Audience laughs]

Justin: “But with some, some kinds of age and wear to be expected. Bea is a dark and confused spirit. She came to me recently in spirit form only, and was causing much disruption to my electricity.”

[Audience laughs]

Travis: “Hence the lighting.”

[Audience laughs]

Justin: “She is a lost spirit and to help her, I found this vessel for her to take over, as these do help spirits, which cannot pass to the other realm, to find some form of comfort or grounding.”

Griffin: Yeah.

Travis: [creepy voice] “Why is this the doll you put me in?!”

Griffin: Yeah, sure, that spirit is stoked.

Travis: [chuckles]

[Audience laughs]

Travis: [creepy voice] “I said no pictures!”

Justin: "We have communicated with Bea via Ouija and dousing rods."
[sighs] "She was a farmer's wife."

Travis: [cackles]

Griffin: [creepy voice] "You've been doing what?!"

Travis: [laughs]

[Audience laughs]

Justin: "She was a farmer's wife and advises that she died of quote 'poison'."

Griffin: [cackles]

[Audience laughs]

Justin: Travis, can you confirm there is, there are quotes on the word "poison"?

Travis: Correct.

Justin: "When she was 43."

Travis: That does sound like the poster is like "She's obviously lying."

Justin: "Whilst we have not ha— not yet got to the bottom of how she ingested poison, we know her death was very unpleasant."

Griffin: Yay! [chuckles]

[Audience laughs]

Travis: "Hey, how'd you die, Bea?"

"Uh, poison."

"How?"

[mutters indefinitely]

Griffin: [also mutters]

Justin: "Ehh, I dunno."

"She says that she is buried, quote 'in the field'."

Griffin: [sighs pleasantly]

Justin: "And that she cannot sleep. There is much work to be done with Bea, and many things to be discovered. We'd like to find her new keeper, someone who can work with her to find out her story. She will disrupt electricity by way of interfering with picture on the TV. How spirits love to do this."

Griffin: That's a different doll.

[Audience laughs]

Justin: "And bulbs may go unusually quickly, in succession." Uh, which you would all know, if you'd been watching.

[Audience groans]

Justin: "She has eyes that will follow you around the room and at times her presence can be quite over-whelming and chilling."

Travis: Enhance.

Griffin: Why do I see a reflection of myself asleep in her eyes?

[Audience laughs]

Justin: Anyway, it says this has all been lies, and eBay makes them say it's lies.

Travis: Right. Right

Griffin: How much? How much?

Justin: Uh... Paul, can you pull up the listing? I don't know where it's at right now. It—

Griffin: It just jumped up significantly, I would wager, in the last five minutes.

Justin: Great British Pounds...

Travis: Hey, raise your hand if you bid on this doll. Uh-huh.

Justin: Oh my god, okay.

Griffin: There're a couple.

Travis: Justin posted this listing.

[Audience laughs]

Justin: Um— I should. That'd be a good gift, if I got that going.

Travis: Yeah, right.

Justin: Um...

Travis: "And then they were arrested on the weirdest insider trading charges ever."

Justin: "She can be quite rude at times, sometimes not talk or communicate at all."

Travis: Ugh.

Justin: "Or just swear."

[Audience laughs]

Travis: [chuckles]

Justin: "But—"

Griffin: So, she won't talk for a few days, and then from your weird doll closet, you'll just hear [in a creepy voice] "Shiiit!"

[Audience laughs]

Griffin: [creepy voice] "Eugh! Bastaaard!"

Travis: [chuckles] [creepy voice] "I'm in the fuckin' field."

Justin: [creepy voice] "I'm not gonna tell you how I was poisoned, get off my case."

[Audience laughs]

Justin: [creepy voice] "That's my business."

[Audience member calls out]

Travis: Oh, refresh it! Refresh it, Justin!

Griffin: We have to get it— Somebody—

Justin: I can't refresh— I'm not controlling it.

Travis & Griffin: [simultaneously] Yay!

[Audience cheers]

Justin: It says 69, folks. We did it.

Griffin: Oh, boy. That was a very great doll. Um...

Justin: "Throughout the pandemic I've really been trying to work on my physical fitness. I'm also an avid golfer. My fiancé said she wanted me to take 'thirst pics' out on the golf course. Fellas, how do I take sexy pictures on a golf course?"

Travis: You've come to the right place.

[Audience laughs]

Travis: Put your balls in the hole.

[Audience laughs]

Griffin: That— I'm gonna—

Travis: [laughs]

Griffin: There are like, four different angles on why that was a bad joke.

[Audience laughs]

Justin: Which one will you be exploring first, Griffin?

Griffin: [laughs]

[Audience laughs]

Griffin: Both the... metaphor of that image.

Travis: Yeah.

Griffin: First of all— Okay, if you put your balls in the... cu-cup hole, the hole that you try to get the golf ball in, it would be hard I think to see what you're doing.

Travis: [chuckles] Well it's the look on your face that sells it.

Griffin: They would just be like "Why is he laying down on the golf course?"

Justin: But you would have a look on your face that's like "What? Me? Worried?"

Griffin: Right.

[Audience laughs]

Justin: "I'm a bad wittle boy."

Travis: Like "I'm a stinker" kind of face.

Justin: Yeah. "I'm a stinker."

Griffin: But I also don't know that—

Travis: That's a thirst trap, right?

Justin & Griffin: [simultaneously] Yeah.

Griffin: I also don't know if it's like, even if it was very literal, especially sexy to say "I'm gonna put my balls in the hole..."

[Audience laughs]

Griffin: "Oh my! Promise?"

[Audience laughs]

Justin: Y— You could do the thirst trap in the sand trap.

Griffin: Yeah, that's a good one.

Justin: Those are two words that sound alike.

[Audience laughs]

Griffin: Mm-hmm.

Justin: So I said `em. I don't really have a follow up.

[Audience laughs]

Justin: I just wanted to say that.

Griffin: Could you lift a gol—

Justin: Could you guys do something with `em? [wheezes]

Griffin: Can you lift a golf cart over your fuckin' head?

Travis: Yeah!

Griffin: That's the end of my joke.

[Audience laughs]

Travis: Nah, I'm still going with balls in the hole.

Griffin: Alright, um... Could you do a hole in one, in a picture? [wheezes, laughs] Is there such a thing as a thirst gif?

Justin: [laughs]

[Audience laughs]

Griffin: Maybe just like a nice, like if you're playing at like sunset, just a nice picture of you smilin'.

[Audience laughs]

Travis: Maybe like a knowing smile.

Justin: Hey, can I get a—

Travis: "I've got a story to tell you when I get home."

Griffin: [in a flirty voice] "I just got my balls out of the hole."

Justin: I wanna give— I wanna give—

Travis: [flirty] "Where have my balls been? I'll never tell."

Griffin: [flirty] "I'm being forcibly removed from the golf course."

[Audience laughs]

Griffin: [flirty] "Can you guess why? That's right, I've done it again."

Travis: [laughs]

Griffin: [flirty] "We have to move cities." [giggles]

[Audience laughs]

Justin: [laughs]

Travis: [laughs]

Justin: I wanna give—

Travis: “I need you to take me to the emergency room because I put the balls in the hole, but someone [wheezes] played through.”

Griffin: [laughs]

[Audience laughs]

Justin: I wanna give quick credit to this question asker, because they must have thought for so long before landing on “Throughout the pandemic, I’ve really been trying to work on my physical fitness.” Do you know how many times they must have deleted, like, “I’m fucking cut”?

Griffin: [laughs]

[Audience laughs]

Justin: “I look fucking good, and everybody loves— [wheezes] Look at these fucking abs! I’m fucking sexy and swole and everybody looves it. Help— Help me, sad brothers.”

Griffin: [laughs]

[Audience laughs]

Justin: “Help me, dough siblings, what could I do?”

Griffin: They actually wrote here “And don’t say put your balls in the hole.”

Justin: Which like, don’t tell us how to do our jobs, you know?

Griffin: Yeah.

Travis: Right. Maybe you could just like pretend to hump the windmill?

Griffin: That’s fun. Yeah, ‘cause it’s definitely a mini-golf course!

[Audience laughs]

Travis: Wait, there are other ones?

Griffin: Yeah, they make these boring ass golf courses where you have to hit the ball wicked hard before you get to the fun stuff.

Travis: Major golf courses.

Griffin: Major golf, yes. Macro golf.

[Audience laughs]

Justin: This is actually very awkward but can I run to the restroom real quick? You guys got this? Thank you.

Travis: Okay, I mean— there's another question.

[Audience cheers]

Travis: Hey Paul, could I have another beer?

Griffin: Um...

Travis: Thank you, audience, for confirming that I can. Hey, give it up for Paul.

[Audience cheers]

Travis: And Paul, can you check on Justin? He's been in the bathroom for a really long time, and I'm worried about him.

Griffin: Can we say a big thanks to the Sheraton Grand, Seattle.

[Audience cheers]

Griffin: A beautiful hotel that I love. Uh, I've stayed here a few times and I hold it so near and dear to me heart, because it's the only hotel I've ever stayed in that's fuckin' across the street from a Cheesecake Factory!

[Audience cheers]

Travis: Also, very exciting, uh let's give a big cheer for Rachel, our editor.

Griffin: Yeah!

[Audience cheers]

Travis: This is, uh, the first time that Rachel has been here to actually help run the show so we don't have to worry about it, and it's huge! Thank you, Rachel! And to Amanda, and Danielle, and everybody who's helped us do this show this evening.

Griffin: And my wife, Rachel.

Travis: And my wife, Teresa.

Griffin: And our kids. And our dad. And Paul Sabourin.

Travis: I don't think Justin's ever coming back.

Griffin: I think that's entirely possible.

[Audience laughs]

[music plays]

[Audience cheers]

Travis: Oh god!

Griffin: Justin! I mean, Richard!

Travis: Richard, no! Richard!

[Audience cheers]

Justin: [as Richard Stink] Hi everybody.

Griffin: It's a good thing Richard isn't sharing a room with anyone this week.

Justin: Yeah, Richard's flying solo— Wow, some people smelled it even there and they wave it away.

Griffin: [laughs]

[Audience laughs]

Justin: They wave a smell away.

Griffin: It's like a fucking Gallagher show in here!

[Audience laughs]

Justin: You can taste it through the mask.

Travis: Oh my god, I can taste it. I'm right next to Richard.

Justin: Hey guys, it's so cool to be here. They're already starting with the jokes, these cut ups. But it's like—

Travis: Hey Richard, was there a point halfway through spraying yourself 19 times where you thought "This is too much".

Justin: No, there's a point where I thought "This is not enough".

[Audience laughs]

Justin: "I need 20 more sprays, but I'm running out of music."

[Audience laughs]

Justin: Yah, so it's so good to be here with you guys.

Travis: Mm! You made my beer taste like it, Richard!

Justin: I'd like to talk. When I heard you guys were doing a live show I was like [pant] "Yes".

[Audience laughs]

Justin: "I gotta get there, because I love... comics."

Griffin: Yeah.

Travis: You do?

Justin: Yeah, I'm like a total, total nerd about this stuff, man. I love it.

Travis: Who's your favorite superhero?

Justin: Hmm... Don't make me choose.

[Audience laughs]

Travis: You can say like five or six.

Griffin: Just anyone, yeah.

Justin: Red... Villain?

Griffin: Yeah, yeah!

Justin: Yeah, you guys have him over here?

Travis: So your favorite superhero is Red Villain.

Justin: Red Falcon.

Travis: Falcon, okay.

Justin: I misspoke, yeah. Red Falcon. We have him—

Travis: I actually don't know if that's one. [chuckles]

Justin: Okay. These guys know. They're geeks, they're nerds. They love it.

[Audience cheers]

Griffin: Jesus.

Justin: So what I wanna do, right, 'cause it's not winter yet and normally I'm only allowed to come once a season, which is like, I hope you don't like ratings, you know?

Griffin: Yeah, man.

Justin: I wanted to talk about like some superhero fragrances.

[Audience laughs]

Justin: 'Cause I don't know if you know this is like not a joke, but there's like... there's a lot of 'em. There's a weird number if you, if you Google later but not now, these are all real. And I love 'em. And they're— have been really good for me. Fucking compliment machines, man.

Griffin: Woah, hey, man.

Travis: Richard, watch your language.

Justin: You get out there. You spray 'em, people are like "Yes". Here's the first one I got that I want to try on you guys.

Travis: No.

Griffin: Try on us?

Justin: Yes. Just like, yeah. This one is—

Griffin: Um.

Travis: I do like that it came out of a capsule. I do actually like that.

Justin: It's cool, right? Hey, it's like, uh... gamma rays. [giggles]

Griffin: [cackles]

[Audience laughs]

Griffin: You're fucking great, Richard!

Justin: [wheezes]

[Audience laughs]

Justin: This first one is for— it's— This first one is Schpiderman.

Travis: Sorry?

[Audience laughs]

Justin: This first one! Is Schpiderman. Uh, this is, it says here, "The web king is back with his great original smell. Notes of elderberry."

Travis: Can I see it?

Justin: Yeah.

Griffin: The webbed king?!

Justin: "The web king is back."

Travis: Can I read where it says that?

Griffin: [cackles]

Justin: "The web king is back with his original smell. The nose on this—"

Travis: Can I read where it says that, Richard?

Justin: Do you guys— Do you guys know the nose on this one?

Travis: Is it spider web?

Justin: Spider web? No, the nose. You're thinking of notes. Right, the nose. Like the person who made the smell.

Travis: Oh, it's uh... Andrew Garfield.

Justin: No, correct.

Travis: Wait.

[Audience laughs]

Travis: Mixed message.

Justin: Grib? Gribert?

[Audience laughs]

Griffin: [laughs]

Justin: Gribert!

Griffin: Yeah, sorry, I uh, sorry! I was, I just, I ha—

Justin: The nose on Spiderman. Everyone knows, they all know it. Don't gu— Don't give it to him.

Griffin: Aw, yeah... Hugo—

Justin: It Schpiderman.

[Audience laughs]

Justin: He did the scent himself.

Travis: I do wanna take a close look at that.

Justin: Through the— Through the mask, he did it. Its notes are— I'll giv— I'll do like one small spray.

Travis: No!

Justin: 'Cause you guys— no? Alright, we're gonna pass on that, but this ones notes of like elder and some wooden oak, and Schpiderman's the nose. And he loves it and his wife, Mary Jane, loves it too. They all love it.

Travis: Does it smell like Spiderman?

Griffin: I have to smell it. Can I— Can I hold it in my hand?

Justin: Yeah, you can just smell it. Give me your quick— Give me your quick thoughts on that.

Travis: It's just that there's no branding on it that's—

Justin: They're sample bottles! Your TSA! If I can say this, here. I don't know if we're in mixed company. Your TSA won't even let me bring my seven ounce bottle of Schpiderman cologne.

Griffin: [laughs]

Justin: They take it out, they say "This is too big!" I say "I'll check it".

[Audience laughs]

Justin: But I think that doesn't mean put back in my pocket. They get very like, you know how these guys do.

[Audience laughs]

Justin: Give it a quick schmell. No, it's just a Schpiderman cologne.

Griffin: Okay, that's not bad.

Justin: Yeah, it's got notes of elder, and almonds.

Travis: Did you say notes of Venom?

Justin: Next up is Superman! "Clark Kent is back", it says here. "Clark Kent is back."

Travis: Where was he? [chuckles]

Justin: "Clark Kent is back from the dead with a new smell that'll wake up the sexual animal in you."

Travis: What?!

[Audience laughs]

Justin: Why does it say this?

Travis: Known sexual animal, Clark Kent.

Justin: “Clark Kent is back with a new—”

Travis: Known boner machine, Clark Kent.

Justin: Do you guys know the nose on this one?

Travis: Is it Clark Kent?

Justin: No, it’s Paul La Gaultier.

Travis: Okay.

Griffin: Ah...

Justin: You guys don’t know this? Paul La Gaultier. He put in notes of—
Let me hit— Like...

Travis: Yeah, spray it right up your nose.

[Audience laughs]

Travis: A-ha! No!

[Audience cheers]

Travis: No, he did it!

Justin: Fresh.

Travis: Oh god! It’s bleeding!

Justin: It’s like, it’s like—

[Audience laughs]

Travis: [laughs]

Griffin: How yah doin’ over there Richard?

Justin: It's chall— It's challenging. It is challenging.

Travis: Yeah.

Griffin: Yeah.

Justin: Right, when it's like—

Griffin: When you do it like that, Richard, it's like everyone' wearing Superman cologne.

Justin: Yeah, where it's like—

Travis: [laughs]

Justin: It's kinda like—

Travis: "How did he go?"
"Well, just like he wanted to."

Justin: It's got almond in it.

Travis: [laughs]

Justin: You can tell.

Travis: It smells like melting brain.

[Audience laughs]

Travis: There's some blood.

Justin: I wanna move on to Iron Man.

Travis: Wait, before you do.

Griffin: Just a, just a kind of related question. When Superman did get killed, by Doomsday, I think?

Travis: Yup.

Griffin: In that comic series.

Travis: Yeah yeah yeah.

Griffin: Was there a following comic where people were like “Where’s fucking Clark? Has anyone seen Clark lately?”

Travis: No, they covered it because Supergirl pretended to be Clark Kent.

Griffin: Okay. Asked and answered, thank you Travis.

Justin: Can I tell you about Iron Man?

Griffin: I would love to hear about Iron Man.

Justin: This is a robot that everyone’s wild about.

Griffin: [laughs]

[Audience laughs]

Justin: He’s, he’s the world’s— It says on here “The world’s richest robot is back.”

[Audience laughs]

Griffin: Why’s he always back? [laughs]

Justin: It says “The world’s richest robot is back.”

Griffin: Yeah.

Justin: And everyone’s favorite. The nose on this is also Jean Paul La Geratierdier, and...

Griffin: I swear to Christ, you put some new syllables in there.

Travis: Yeah, you put a stank on there, Richard.

Justin: This one is like... I mean, I smell this and I think money. I think robots. I think rich robots. I think Iron Man.

Griffin: Do you al—

Justin: Do you wanna take a little whiff, Gribert?

Griffin: Do you also— Yeah. Do you also think “It smells like the last cologne that you just sprayed up your nose?”

Justin: Just get in like a little— Do you smell the spice though? It’s like a spicy Iron Man, sort of rich robot, right?

Travis: It does kinda smell like motor oil, yeah.

Justin: They love this at my church, man. They go crazy for it.

[Audience laughs]

Travis: Oh yeah, how is your walk?

Justin: Stronger than ever, buddy.

Travis: I noticed your necklace there. Uh, is that a religious symbol?

Justin: I did it for the geeks, like they love this. It’s *Neverending Story*.

Travis: What does it say on the back?

[Audience laughs]

Justin: Uh, what? This? “Free with purchase”.

[Audience laughs]

Justin: Um, now my man Clint bought this for me on the show floor.

Travis: Yeah.

Justin: Thanks, Clint.

Travis: Well, you said “I had to leave my crucifix at home. Clint, will you get me a crucifix?” And what your man Clint came back with was...

Justin: Was the Auryrn from *Little Shop of Monster*— What was it?

Griffin: [laughs]

[Audience laughs]

Justin: *Neverending Story*. Do you— Did you smell that, Gribert? Did you spray it on you?

[Audience laughs]

Justin: Did he? I didn’t see him, guys. Did he spray it on him? Did he love it?

Griffin: I did.

Justin: What was his reaction? Do the face.

Griffin: It was very non-plussed.

Justin: Why is everyone wearing a mask?

[Audience laughs]

Travis: Oh, Richard.

Justin: What is happening? You can’t smell any fragrances! I’m sorry!

Travis: Richard. Sorry, come on.

Justin: [from a distance] What?!

[Audience laughs]

Justin: Still?! What?! Oh god. That’s so sad.

[Audience laughs]

Justin: Anyway, um, there's lots of other great ones. I got Black Manta...

Griffin: Black Manta?

Travis: Wait, they made a Black Manta one?

Justin: Green Lantern... But anyway, that's all the fragrances I got. I feel like the three of us can just bri— like bring it home. Let's like wrap it up.

Griffin: Yeah, for sure.

Travis: Yeah, we did a lot of the wrap up—

Justin: Justin's dead weight, man. We don't even need him around.

Griffin: Yeah man. You did drop one on the floor and if it did break open we would really never be invited back.

[Audience laughs]

Griffin: To Washington State.

Travis: Wait—

Justin: No no no, I know that this one, uh, it wouldn't. 'Cause you know what superhero this is?

Griffin: What?

Justin: Unbreakable.

[Audience laughs]

Griffin: Richard, I know you're the guest here, but do you want to take a swing at, uh... thanking the audience and getting us, getting us the hell out of here.

Justin: Yeah, thanks, you. Thanks ABBA, for the great music. Uh...

Travis: No, woah. Richard.

[Audience cheers]

Justin: Thanks, uh... I haven't listened for a bit, is it?

Travis: Yeah, no no no, I get that. It's actually Montaigne now.

Justin: Oh, thanks Montaigne.

Griffin: Thank you to Montaigne. This is your first live show with that as our, uh, righteous theme song.

[Audience cheers]

Griffin: Uh, let me think. Okay. Me and Travis thanked most people while Justin was—

Travis: Did we thank our Dad?

Griffin: Yes.

Travis: Thank you Clint McElroy.

Griffin: Thank you Clint McElroy.

[Audience cheers]

Justin: Sorry. I heard you goofing on John Cena. Do you want to say anything about him, like sorry? Or... anything like that?

Griffin: No. Not until he says it first.

[Audience laughs]

Justin: Fair. That's cool. Yeah.

Griffin: Um.

Justin: Can you, uh, Gri— Justin asked me through... a mirror we use to talk each other [wheezes].

[Audience laughs]

Griffin: Awesome. Fuck yeah.

Justin: [laughs] We have a mirror we use to talk to each other!

Griffin: [chuckles] Yeah, definitely.

Justin: Everybody knows this! They all, they all know this.

Griffin: I actually heard, Richard, last time we met, you had a, like a really small knapsack that I could hear sc— Like Justin screaming from. Was that that?

Justin: Yeah, it's a huge mirror I keep in a small knapsack, and it's got Justin. We talk to each other, and it's jus— I— That's all. And he just told me to ask you, he said that you had— He said that you had a whip-ass final Yahoo for us.

Griffin: Oh, yeah.

[Audience cheers]

Justin: From the final Yahoo Answers, which is weird for me 'cause like it doesn't work anymore when I try to go to the site.

Griffin: Yeah.

Justin: It's still in my—

Travis: Do you have your login?

Justin: What?

Travis: Like updated your password for Yahoo?

Justin: I— No, I do it through—

Griffin: That might be a—

Justin: I do it through a VPN.

Travis: Oh, good call.

Justin: Yeah.

Griffin: Yeah, I've just actually left the tab open for, uh... for a while now.

Justin: Yeah, I connect to a VPN at Paul Reiser's house.

Griffin: [laughs]

Justin: 'Cause I don't want my activity to be monitored. So I hack into Paul Reiser's internet. [chuckles] And I go on my sites through there!

Travis: Wait, so you do it at Paul Reiser's house? Or do you have a VPN that just looks like—

Justin: No, I hack Paul Reiser's house, and let me tell you, he is mad about that!

[Audience laughs]

Justin: Griffin, I'm done with my Paul Reiser story. You can finish show.

[Audience laughs]

Justin: Oh, thanks to Jesus Christ, obviously.

Griffin: [cackles]

[Audience laughs]

[DJ airhorn sound effect plays]

Justin: Without whose love, none of us would be here. Huge big ups to JC. My walk with him has never been stronger. Please keep me in your heart and prayer. Griffin, bring us home.

Griffin: This final Yahoo... was sent in by... R... L Stine.

[Audience cheers]

Griffin: Thank you, Dr Goosebumps.

[Audience laughs]

Travis: Please, that's just what they call him on the court.

[Audience laughs]

Griffin: Thank you, Dr Goosebumps. It's from Yahoo Answer— There's nothing I could say that would be as funny as anything Richard Stink has done since he crossed the threshold of this stage.

Justin: I'm just being myself. Read the que— Just read the one you have on the screen.

Griffin: Sure. This is a Yahoo Answers user...

[Audience chuckles]

Griffin: Don. Sheena.

[Audience laughs]

Griffin: Don, Don Sheena.

Justin: We heard that part, yeah. You can move on.

Griffin: Asks...

Travis: Do you think there was a point where a manager of someone said "Should it be Jeana?" 'Cause of the jeans.

Justin: Hurry, the people gotta go home.

Griffin: Yeah, sure. Don— Don Sheena asks.

Justin: My dad's the light guy. He says he wants to go home.

Travis: Woah!

[Audience laughs]

Justin: Hey, thank you, man. Thank you for the ride over here, Dad. Love you, I'll see you soon.

Griffin: Don Sheena ask— God, we've gone so long. Don Sheena asks—

Justin: Yes.

[Audience laughs]

Griffin: Don Sheena asks.

Travis: [chuckles quietly]

Griffin: "Does..."

Justin: [wheezes, chuckles quietly]

Griffin: "Does—" Fuck!

[Audience laughs]

Griffin: Don Sheena asks!

[Audience cheers]

Justin: Just read it!

Griffin: Don Sheena! Don. Don! Sheena asks! "Does. Does! Does muscle milk—"

Justin: [wheezes]

[Audience laughs]

Griffin: "Does muscle milk make— Does muscle milk make an invisibility potion flavor?"

[Audience cheers]

Justin: My name's Richard Stink!

Travis: I'm Travis McElroy.

Griffin: I'm Griffin McElroy.

Justin: This has been *My Brother, My Brother & Me*. Kiss your dad square on the lips!

[Audience cheers]
