

## **MBMBaM 59: Real Talk Live: Face 2 Face 2**

Published on June 13, 2011

[Listen here on themcelroy.family](#)

### **Clint:**

I want you to keep that big grain of salt and be ready to take it-

### **Audience:**

[laughs]

### **Clint:**

-as you enjoy Justin, Travis and Griffin. Ladies and gentlemen, McElroy brothers!

### **Audience:**

[cheers and applauds]

### **Bob Ball:**

The McElroy brothers are not experts, and their advice should never be followed. Travis insists he's a sexpert, but if there's a degree on his wall, I haven't seen it. Also, this show isn't for kids, which I mention only so the babies out there will know how cool they are for listening. What's up, you cool baby?

[theme music plays]

### **Audience:**

[cheers]

### **Griffin:**

Welcome. Don't open that for a while.

### **Travis:**

Oh, yeah.

### **Audience:**

[laughs]

### **Griffin:**

I am already very sweaty.

**Audience:**

[laughs]

**Justin:**

What's-

**Travis:**

And I'm spent. Good night, ladies and gentlemen!

**Griffin:**

Thanks for the show.

**Justin:**

Another classic for the record books. We arrived here a couple minutes after Travis. Um, Travis got here of course to help set up.

**Griffin:**

Opening with this story, are we?

**Justin:**

Yeah, I just thought I'd open with it. We, uh, we got here a couple minutes after Travis. Uh, his co-workers were, were looking for us. They, they don't know us. Uh, Travis had come in to set up and, uh, the, the young lady sitting out there said, "Oh, you must be the brothers." We said, "Yeah." She said, "Travis said to look for you. He said that one of you was blonde and one of you was fat."

**Audience:**

[laughs]

**Justin:**

Hand to God. Hand to God.

**Travis:**

I have *no* excuse.

**Justin:**

One of you...

**Griffin:**

Like, it's the dumbest. Like, I'm not blonde.

**Travis:**

I was in a rush!

**Audience:**

[laughs]

**Justin:**

You were so in a rush you don't know what the fuck hair color he has? And there's other... The thing is, the, the, the fact I'm overweight isn't even the first thing people notice about me. E- one, he's the best rapper of the three of them.

**Audience:**

[laughs]

**Griffin:**

You will hear him drop beats and rhymes.

**Travis:**

Just forget his home-made toffee.

**Griffin:**

Yeah.

**Justin:**

If he's carrying a great plate of toffee, that's Justin. Of course, that could also loop back in to our original complaint about him being a port-portly. Any, like-festive, festive.

**Audience:**

[laughs]

**Griffin:**

You're never too short on time for manners.

**Justin:**

Yeah, it's... There's always time for pl-, if there's one message we try to espouse on *My Brother, My Brother and Me*, an advice show for the modern era. Hi, I'm Justin McElroy.

**Travis:**

I'm Travis McElroy.

**Griffin:**

I'm Griffin McElroy. The blonde one!

**Audience:**

[laughs]

**Griffin:**

You guys, maybe you can't see this from the audience, I frosted my tips for this show.

**Audience:**

[laughs]

**Griffin:**

So, I, I can think of two things that are different, uh, for this show than our last live show.

**Justin:**

Okay.

**Griffin:**

Um, uh, first of all, we don't have, like, tangible microphones. They're on our face.

**Justin:**

It's weird.

**Griffin:**

They're attached to our face, uh, which is great, uh, 'cause, there's... I, I, I don't know if you guys know this. I produce the show and I, I edit it, uh, which I think are the same thing. Uh...

**Audience:**

[laughs]

**Justin:**

I pay you as though they're the same thing.

**Griffin:**

Justin pays... I know, it's riding up. What's it doing?

**Audience:**

[laughs]

**Griffin:**

Thank you.

**Travis:**

Uh, if you ever want to know Griffin's grun- glasses sound like...

**Griffin:**

[laughs] They've got a lot to say. Uh-

**Justin:**

Super tender. Like, for a show, they're super tender. [crosstalk]

**Griffin:**

There's a lot of, uh, we produce a lot of sound. That is, uh, just genuinely, sonically unpleasant to hear.

**Audience:**

[laughs]

**Griffin:**

And I catch it, uh, and on our last live show we had mics. So if we had to make such a sound, we could get away from it. But there's-this is gonna be, like, as raw as it gets 'cause [crosstalk].

**Travis:**

So basically, enjoy listening to us drink.

**Griffin:**

Every chi- gulp, every sip, every belch, every glottal stop? Is that a sound that people make with their mouths?

**Justin:**

A glottal stop? Yeah.

**Griffin:**

Every snuffle, snort, sneeze, oh guys, buckle in.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

It... You're g- your ears are about to go on a roller coaster.

**Justin:**

It's gonna get [crosstalk].

**Audience:**

[laughs]

**Griffin:**

So that's the first thing. Also, they look kind of, like, I feel like I'm in a boy band. I don't know if you guys can see that. I just have the cord. I'm either a King's Island performer or, like...

**Justin:**

[laughs]

**Griffin:**

... a founding member of S Club 7.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

Um, we also have, uh, Justin's sister-in-law is in the audience, who is how old? Riley?

**Justin:**

She's 10.

**Griffin:**

10? *Far* too young to hear some of the words we're gonna say on this stage.

**Audience:**

[laughs]

**Griffin:**

So...

**Justin:**

Hi, Riley.

**Griffin:**

Yeah. Hi, Riley.

**Travis:**

Hey, Riley.

**Griffin:**

Uh, uh, they've requested, the Smirl family has requested that, uh, instead of using earmuffs, this is the only time we say it. Uh, like, dick [crosstalk] or no, no, no. That's one's fine. Uh, or, like, vagina. Uh, we have to use the term, "front butt", so...

**Audience:**

[laughs]

**Griffin:**

... as much as we can, we're gonna interchange the two. So-

**Justin:**

Yeah.

**Griffin:**

... just a little pre-show anatomy terminology. *Fuck*, it's so hot on this stage, you guys.

**Justin:**

It's really.

**Audience:**

[laughs]

**Justin:**

Now it is.

**Travis:**

My front butt is sweating so bad.

**Audience:**

[laughs]

**Griffin:**

Both, both of my butts are unpleasantly damp.

**Audience:**

[laughs]

**Griffin:**

I have to get out of here.

**Travis:**

Yeah.

**Justin:**

So, let's, uh, let's get to the advice. What do you think? Yeah?

**Audience:**

[cheers and applauds]

**Griffin:**

Yes. Let's get it wet!

**Justin:**

Let's dump this melon. Uh, "I've given up on clothing. Instead, I've opted for a uniform, because I don't want to think about what I wear. Several black t-shirts and several pairs of jeans. It seems to work. But certain people around me think it's weird. Uh, are they right or am I on the bleeding edge of wardrobe efficiency?" Kole from Cincinnati. Kole, are you here?

**Griffin:**

Kole, where are you?

**Travis:**

Kole, where are you? If you aren't wearing a black t-shirt and jeans... Yeah!

**Griffin:**

Yeah!

**Audience:**

[laughs]

**Griffin:**

Dedication.

**Travis:**

I salute you!

**Griffin:**

To the goof.

**Audience:**

Yeah!

**Griffin:**

Kole with a 'K'. From Cincinnati with a 'C'. Well done, my friend.

**Justin:**

Well, well done. Um, so first before we really delve into the meat of the question, if people around you think your clothes are weird, but you think it works, that's pretty much the definition of your clothes not working.

**Audience:**

[laughs]

**Travis:**

If you're talking about clothes working, you are covering all your, like, gentle bits.

**Justin:**

[laughs] Yeah, right. You're protected from the immediate elements, like, yeah, I guess in that [crosstalk].

**Travis:**

My favorite two tigers in the Ice Age are saying.

**Justin:**

Yeah. You're fine.

**Griffin:**

My favorite fashion catch phrase is, uh, Tim Gunn, who says, "Make it work for you. [wheezes] Everybody else doesn't really matter."

**Justin:**

Yeah. Uh-so, so that's, that's point one. Point two, uh, I love it. I'm a big [crosstalk]-I'm down.

**Griffin:**

I have a, I have maybe five shirts.

**Justin:**

Yeah.

**Griffin:**

Five shirts and, uh, I have two pairs of jeans. One of them I favor. I favor this pair of jeans. The other one, I'm not so hot on.

**Travis:**

I think everyone has a favorite pair of jeans, right?

**Griffin:**

Yeah, but they-

**Justin:**

Yes?

**Griffin:**

... most people don't have a, uh, like, a swap out, like, a one in, one out system, like I do. Uh- [crosstalk]

**Travis:**

You only have two pairs of jeans?

**Justin:**

You have, like, a favorite and then an off-court buddy.

**Griffin:**

I do.

**Audience:**

[laughs]

**Griffin:**

That's what I call them, "My off-court buddies." They've, uh... See, Travis's jeans are almost exclusively... you're wearing your only pair of jeans that are *not* covered in, in paint-

**Travis:**

That is correct.

**Griffin:**

... and soot.

**Travis:**

I bought them two days ago.

**Griffin:**

Yes.

**Travis:**

Thank you.

**Justin:**

They're much smaller than mine, you see, because I'm the fat one.

**Audience:**

[laughs]

**Justin:**

Oh, no. Oh, no. That's, yeah, that's the whole show in case [crosstalk]

**Audience:**

[laughs]

**Travis:**

Welcome to the show, ladies and gentleman!

**Griffin:**

The most hostile MBMBaM ever!

**Justin:**

Welcome to the grand finale of *My Brother, My Brother-*

**Travis:**

*My Brother, That Other Guy and Me.*

**Audience:**

[laughs]

**Justin:**

Who gets killed off? Spoiler, it's Travis.

**Audience:**

[laughs]

**Griffin:**

Um...

**Travis:**

I feel like I'm getting cut.

**Justin:**

Yeah, you're getting cut. Um...

**Griffin:**

I think, like, I'm down with the whole, like, Doug Funny ideology to-

**Justin:**

Right.

**Griffin:**

... wearing clothing.

**Travis:**

You got a t-shirt, sweater vest, shorts. I'm covered.

**Justin:**

Unless I'm mistaken, that's our second Doug reference in 45 seconds.

**Audience:**

[laughs]

**Justin:**

Off-court buddies is from Doug. Wow.

**Griffin:**

Holy shit. [crosstalk]

**Justin:**

Yeah, yeah.

**Griffin:**

Um-

**Travis:**

Welcome to the live show.

**Griffin:**

How about Patty Manny, she's a looker.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Justin:**

Anybody in here need more allowance?

**Griffin:**

[laughs loudly]

**Audience:**

[laughs]

**Justin:**

Because I do.

**Griffin:**

Um-

**Justin:**

What's up, half of the alienated crowd? [crosstalk] [laughs]

**Audience:**

[laughs]

**Justin:**

How does it taste?

**Griffin:**

I-

**Travis:**

Wait. Do you think anyone in here isn't on board with Doug?

**Justin:**

I-

**Travis:**

You think anyone in here is going, "What? Doug?"

**Justin:**

Some people, some people might be *Eureka's Castle*. I don't know.

**Travis:**

That's fair.

**Audience:**

[scattered cheering]

**Justin:**

So, so, what's up?

**Griffin:**

Uh, have, have you considered actually, um, investing in a literal uniform?

**Justin:**

Ooh.

**Griffin:**

Well, a jumpsuit might work. Uh-

**Travis:**

I like the interplay.

**Griffin:**

No, let's do it.

**Travis:**

Thank you, Kole

**Justin:**

This is good.

**Griffin:**

Let's get raw. Uh-

**Travis:**

Yeah.

**Travis:**

I can see a light on you now, Kole.

**Griffin:**

Um-

**Justin:**

Uh-

**Griffin:**

I think, I think, yeah, a jumpsuit, uh, some sort of janitorial tunic.

**Audience:**

[laughs]

**Griffin:**

Uh, uh-

**Justin:**

Some sort of oppressive imagery.

**Griffin:**

Some sort of-

**Travis:**

Yes.

**Griffin:**

... uh, like a magistrate's garb.

**Justin:**

Right.

**Travis:**

Ooh!

**Griffin:**

Or maybe, like, maybe we don't have to go that specific. What about just, like, a sailor. Like, a sailor thing.

**Travis:**

Yes

**Audience:**

[laughs]

**Griffin:**

I'm not talking, like, a, like, a-

**Travis:**

Not, like, the Navy.

**Griffin:**

A modern seaman. I'm talking about like a blue and white, like, *sailor*.

**Audience:**

[laughs]

**Justin:**

Oh, my! [crosstalk]

**Audience:**

[laughs]

**Justin:**

Wait, now what kind of sailor was that again? One more. Like, a *sailor*.

**Travis:**

[through gritted teeth] Sailor!

**Justin:**

[through gritted teeth] Sailor!

**Travis:**

Ho, ho, ho.

**Griffin:**

He's excited about his nautical craft.

**Audience:**

[scattered laughter]

**Griffin:**

Aren't all sailors?

**Justin:**

Yeah. They love-

**Griffin:**

Really?

**Justin:**

Yeah. Uh, so, Kole, in closing, um-

**Griffin:**

Be a sailor. Become a sailor.

**Justin:**

Become a sailor.

**Audience:**

[laughs]

**Griffin:**

Just walk around the docks, like, "Anybody need a hand?"

**Audience:**

[laughs]

**Griffin:**

No, don't do that! Actually, no, I thought about it twice!

**Justin:**

[laughs loudly]

**Audience:**

[laughs and applauds]

**Griffin:**

That would, that would require an entirely different kind of uniform. Oh, man.

**Travis:**

Something stain resistant.

**Griffin:**

Yikes. Something, a lot of mesh.

**Justin:**

Something that really features my front butt. [crosstalk]

**Griffin:**

Something that really shows off that, that FB. Uh-

**Justin:**

How about a Yahoo?

**Griffin:**

Hey, how about one? Um, this one was sent in by Jacob Blocher. Thank you, Jacob Blocher.

**Justin:**

Thank you, Jacob, in heaven.

**Griffin:**

Uh, he is, he died and he's in heaven now. Uh, it is by Yahoo Answers user Jessica, who asks, "Am I the only one who has a phobia of hot tubs?"

**Audience:**

[laughs]

**Griffin:**

"I have an epic fear of hot tubs. I was electrocuted by one before and I've s-"

**Audience:**

[laughs]

**Griffin:**

"... and I've seen people on *1000 Ways to Die* die in hot tubs for a few different reasons. Uh, If I get..." They had a whole special. It was just-

**Travis:**

How many different reasons?

**Griffin:**

We'll, we'll get to that. Uh-

**Travis:**

There was a raccoon in there with rabies.

**Griffin:**

Maybe you [crosstalk]-

**Travis:**

Oh, no!

**Griffin:**

Maybe you're in a hot tub and someone sho- shoots and stabs you to death.

**Audience:**

[laughs]

**Griffin:**

"If I get close-

**Travis:**

I was in a hot tub. I got E. Coli. Uh.

**Griffin:**

"If I get close to one, I get a panic attack."

**Justin:**

Whoa!

**Griffin:**

Uh, "I know it's silly, but I'm so afraid I'm gonna die in one. And it has nothing to do with drowning."

**Justin:**

Nothing to do with it.

**Griffin:**

"I was just wondering if there was anyone else out there who's afraid of hot tubs, not drowning or drains or electrocution, but just hot tubs in general."

**Travis:**

What-

**Griffin:**

Get that fucking thing away from me, man.

**Audience:**

[laughs]

**Travis:**

What kind of life are you living that day-to-day you are confronted with hot tubs-

**Audience:**

[laughs]

**Travis:**

-to the point that you can't avoid them?

**Justin:**

Right.

**Griffin:**

She works in a cruise ship.

**Audience:**

[laughs]

**Griffin:**

Yeah, maybe think before you talk.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

Uh...

**Justin:**

What, what is the scenario exactly in which a hot tub poses a threat to you?

**Travis:**

That's not electrocution.

**Justin:**

Not electrocution.

**Travis:**

Drowning.

**Justin:**

Not drowning.

**Griffin:**

I can't think of anytime where I haven't looked at a hot tub and gone, "Oh, cool relaxation is coming my way."

**Justin:**

Whoa, whoa. Time out, time out. *Cool* relaxation?

**Griffin:**

Cool, like-

**Audience:**

[laughs]

**Griffin:**

... like, this is, like, this is cool.

**Justin:**

You're familiar with the concept though, right? You know it's not just, like, a [crosstalk]-

**Griffin:**

Hot relax- Okay, fine.

**Audience:**

[laughs]

**Griffin:**

It's either.

**Travis:**

If I got into a hot tub that was cool, I'd be, like, "Oh, got me."

**Audience:**

[laughs]

**Justin:**

Hey, wait, that's not-this is a little pool! [crosstalk]

**Griffin:**

This is, like, a tiny Olympic pool [crosstalk].

**Travis:**

It's as cold as shit, you asshole!

**Audience:**

[laughs]

**Griffin:**

You either get-

**Justin:**

This is a bowl.

**Griffin:**

A hot, a hot, hot, I don't know, soothing water experience...

**Audience:**

[laughs]

**Travis:**

No!

**Griffin:**

... or you go on a raunchy time travel adventure with your three best friends.

**Audience:**

[laughs]

**Griffin:**

Either way I-

**Travis:**

Maybe that's what they're afraid of.

**Audience:**

[laughs]

**Travis:**

That's terrifying!

**Justin:**

Yeah.

**Travis:**

You're there with Rob Corrdry and John Cusack and it is terrifying.

**Justin:**

Uh, Griffin will never forget the time he was trying to make people who paid him to laugh and he mentioned *Hot Tub Time Machine*.

**Audience:**

[laughs]

**Justin:**

'Cause that-

**Travis:**

*1000 Ways to Die on Stage.*

**Justin:**

'Yeah.

**Griffin:**

[laughs]

**Audience:**

[laughs]

**Justin:**

By Griffin McElroy.

**Griffin:**

Uh, I, I don't, like, like-

**Justin:**

[crosstalk] been short on advice, like, just stay away from them.

**Griffin:**

Like, don't-

**Justin:**

Yeah.

**Griffin:**

... go near hot tubs maybe. Like, if you hear, like, rolling-

**Travis:**

[crosstalk] You guys wanna go to a hot tub? No.

**Griffin:**

I hear jets, I hear rolling water. I hear-

**Travis:**

Have you guys ever encountered a surprise hot tub?

**Audience:**

[laughs]

**Griffin:**

Like, you turn the corner and it's like, "Oh, what's that, what's that pit of foamy spew?"

**Travis:**

I've gotta-

**Griffin:**

It's like, "Aw fuck, it's a hot tub! No!"

**Audience:**

[laughs]

**Travis:**

I've got a Boy Scout induction that I want you... Hot tub! No, it doesn't- it's always on vacation and...

**Griffin:**

How do you relax your joints without hot tubs? It's like a fucking bath tub! Quit being an idiot, Jessica!

**Audience:**

[laughs]

**Griffin:**

It's a fucking bath tub that's, like, square instead of rectangular, you dummy!

**Audience:**

[laughs]

**Justin:**

Do you think she's afraid of bath tubs, too? Like, like if someone rounded out their bath tub, she would freak out as it was [unintelligible].

**Griffin:**

Do you think I... Do you know what? I have a theory. I think it is the communal experience of a hot tub over a bath tub, which I totally agree with, because we've talked about hot tubs before. Like, you're getting your balls' particles in a soup with everyone else's balls' particles.

**Audience:**

[laughs]

**Griffin:**

And who knows, like, what kind of convection is going on in there!

**Justin:**

I think though that if this was a pubic theory, it would be specifically mentioned. I have enough faith in Jessica that she would provide us those details.

**Griffin:**

She's afraid of the pubic ionic bonds that are going on in this hot tub.

**Travis:**

What kind of show did this turn into? We have a 10-year-old in the audience, guys!

**Griffin:**

Listen.

**Justin:**

You're right. This is weird.

**Griffin:**

People came here for real talk. This is as real as it gets.

**Justin:**

This is real. Right.

**Griffin:**

Sometimes, your front butt, you soak it in water...

**Audience:**

[laughs]

**Travis:**

And what?

**Justin:**

Yeah. And what? It expands like a dinosaur in a foam capsule?

**Audience:**

[laughs]

**Travis:**

[laughs] That's exactly where I went!

**Griffin:**

Oh, god. Oh, if only.

**Travis:**

Oh, it's a chicken!

**Griffin:**

[laughs] So much fun.

**Justin:**

It's uh- "My wife and I were on vacation and we saw a very peculiar sight. We saw another couple with their baby. But, you see, their baby had pierced ears. Real piercing. What would make parents think that this is an okay thing to do to a baby in arms? Follow-up. Who the fuck would actually do that to their baby? Puzzled in Paradise." Uh, before we get-again, I, I hate to, like, stall on the wisdom. How close did you roll up on this baby?

**Griffin:**

That's what I want to know. That, that was my first question too is, how do you know they're not, like, clip-ons, uh, or, or [crosstalk]. Give me that fucking ear. Yeah!

**Travis:**

Oh, weird.

**Griffin:**

You just jacked my mic. I had it set specifically.

**Justin:**

"Can I inspect your baby a little closer."

**Griffin:**

"Hey, do you mind if I get right up in your ba-like, by his head, which is, like, his most delicate part?"

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

"And just, like, fondle around-"

**Travis:**

Wait, why *his*? Who's piercing a boy baby's ears?

**Audience:**

[laughs]

**Griffin:**

No, that's how it hit me. Like, we're not talking about-no, no, no. Listen, you... our minds went to entirely different places 'cause you're thinking, like, fucking, like a porcelain doll, like, fashion baby.

**Travis:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

I'm talking about, like, a cool ass surfer bro baby.

**Justin:**

[laughs] Like, like the Bowdy of babies.

**Griffin:**

Like Bowdy.

**Travis:**

Bowdy baby.

**Griffin:**

Bowdy baby.

**Audience:**

[laughs]

**Griffin:**

He's on his little baby surf board. And all the other baby surfers are like, "Chaz, what's up? Like, Chaz, where's your-"

**Audience:**

[laughs]

**Justin:**

"Chaz baby."

**Griffin:**

"Chaz baby, where's your face bling?" And he's, like, "I don't... My parents are total squares, man. Like, I don't know what to tell you."

**Travis:**

Wait, wait. Whoa, whoa, whoa. Were you... Those of you at home, Griffin just did the square motion with his finger. Is it 1962?

**Griffin:**

I, I'm bringing it back. Um...

**Travis:**

Retro.

**Griffin:**

I don't, I don't know. I think if you *don't* let your baby get an earring, your male fucking hip ass baby...

**Justin:**

[laughs]

**Griffin:**

... if you don't let that sweet, cool baby get an earring, then you're a fascist.

**Justin:**

Yeah- Whoa.

**Audience:**

[laughs]

**Travis:**

And what about a face tattoo?

**Griffin:**

Whatever that baby, if that baby wants to get a Mike Tyson tribal face tattoo, fucking let him, because that baby-

**Justin:**

This is my baby, Tyke Tyson.

**Griffin:**

How-

**Audience:**

[laughs]

**Justin:**

Thank you. Thank you for your [crosstalk].

**Griffin:**

How old, how old does a human being-'cause that's what they are. They're, like, pocket-sized human beings.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

How old do they have to be before they can start expressing themselves?

**Travis:**

Let's hear it, audience?

**Griffin:**

That's right. Zero.

**Travis:**

Yeah.

**Justin:**

Exactly.

**Audience:**

[laughs]

**Griffin:**

Self-expression, self-expression begins at conception.

**Justin:**

It's an in-baby-able right.

**Griffin:**

As soon as seed touches egg, it's like, that baby's, like-

**Justin:**

What-

**Griffin:**

... you know, experimenting with

**Justin:**

You thought it was okay?

**Travis:**

I thought it was a good joke.

**Justin:**

In-baby-able. I don't know.

**Travis:**

In-baby-able right? No?

**Griffin:**

We'll-

**Justin:**

We can edit it out later.

**Griffin:**

We'll take that out. It's coming out in post.

**Justin:**

Yeah, we'll edit it out later.

**Griffin:**

Uh, I, I-for real though, don't pierce your baby's ears. What are you doing? Although, like, I guess if it's a dude baby, you did just cut the tip off his dick off, so it's like...

**Audience:**

[laughs]

**Griffin:**

Oh, god, the tip of his front butt!

**Justin:**

His front butt!

**Travis:**

Tip of his front butt!

**Justin:**

Tip of his front butt!

**Griffin:**

You just cut off the end of the cheeks of his front butt.

**Audience:**

[laughs]

**Griffin:**

Like, it's not like you're gonna hurt-

**Justin:**

And hey, and hey, as long as we're piercing stuff, what's up? Coolest baby ever!

**Audience:**

[laughs]

**Travis:**

Baby with gauged ears. [crosstalk]

**Griffin:**

It's like, you can only-you can only get so wet. Like, you get a bris going and it's like, you might as well, just, like...

**Travis:**

As long as you're down there.

**Griffin:**

Yeah.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

Modify that baby.

**Justin:**

Put a butterfly-

**Griffin:**

Pimp that baby's...front butt.

**Travis:**

Oh, and give him, like, a lizard ridge.

**Audience:**

[laughs]

**Griffin:**

What?

**Travis:**

Lizard ridge.

**Justin:**

You know, like a lizard ridge? Can you give my baby cat eyes?

**Audience:**

[laughs]

**Justin:**

I want, I want a baby, I want my baby working at a record store by the time he's 13.

**Audience:**

[laughs]

**Justin:**

And for every year sequential. Um...

**Griffin:**

We've talked about baby front butts enough. You want to go to a Yahoo?

**Justin:**

I would like that very much.

**Griffin:**

It's probably going to steer us away from those choppy-

**Justin:**

Choppy waters.

**Griffin:**

... choppy waters. Um-

**Justin:**

Of baby genital piercing.

**Audience:**

[laughs]

**Travis:**

Gentle.

**Griffin:**

Uh, this one was sent in also by Jacob Blocher. Thank you, Jacob, as always. It's by Yahoo Answers user Kally R, who asks, "How to start a letter to a friend that's in jail?"

**Audience:**

[laughs]

**Griffin:**

That's it.

**Travis:**

That's it?

**Griffin:**

Yeah, that's it.

**Travis:**

No, like, details of what they're in jail for?

**Griffin:**

Here, I'll, I'll make 'em up. "My friend's in jail."

**Justin:**

[laughs]

**Griffin:**

"I would like to correspond with my friend, but I'm too much of a pussy, I'm too much of a front butt to go-"

**Audience:**

[laughs]

**Griffin:**

"-and talk to him in person. Do you have an easy, an easy intro?" It can't be-like, I *feel* it, like, I *feel* this, Kally R, because you can't just be, like, 'Salutations.'" Like...

**Travis:**

Aloha!

**Griffin:**

There's-there is-there are two wrong ways to do this. And the first one is to blow right over the fact that they *are* incarcerated.

**Audience:**

[laughs]

**Travis:**

Well, what are you up to?

**Griffin:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

Did you go see *Bridesmaids* yet? Oh, you can't see *any* movies. Um...

**Justin:**

They let them see prison movies.

**Griffin:**

What? Can you explain?

**Justin:**

Es- *Escape from Alcatraz*, shit like that. [crosstalk]

**Griffin:**

Nah, see, I thought that same thing. *Shawshank*.

**Justin:**

No, *Shawshank*, the [crosstalk].

**Travis:**

These are all escape movies!

**Griffin:**

That's what I'm saying. Like, you don't want to give these prisoners any ideas. Are there any movies where there are people who are in jail and they're like, "Yeah."

**Travis:**

"I accept this."

**Griffin:**

"This is pretty fucking cool. Like, hey, I can lift weights and stuff. Like, all my friends are-not-well, they're not here, but my new friends are".

**Justin:**

They show *Shawshank*, but they cut it at the part where Morgan Freeman wants to go back to prison. And they have a little credits that come up at the end. Like, "And then he went back to prison and he was happy forever."

**Travis:**

He was super happy.

**Audience:**

[laughs]

**Travis:**

It turns out, prison? Awesome.

**Justin:**

He totally regretted his time with Tim Robbins, much like Susan Sarandon.

**Griffin:**

[laughs loudly]

**Audience:**

[laughs]

**Griffin:**

Oh, man. Wouldn't it be great, wouldn't it be great if there was a prison version of that movie where he, uh, he goes to, Red, was that, was that Morgan Freeman's name in the movie? Red? I don't know. He goes to him and he's like, "Uh, can I get a rock hammer?" And he's, like, "Nope!"

**Audience:**

[laughs]

**Griffin:**

"No, you may not!"

**Justin:**

The prison edit.

**Griffin:**

"Have fun in prison forever."

**Audience:**

[laughs]

**Griffin:**

So that's the first way.

**Travis:**

Yeah.

**Griffin:**

The second way is to joke about it too soon, like... "You got a can to rattle against those bars?" Or, like, "You gotten... Like, "Has somebody touched your front butt in, like, a way that you didn't particularly enjoy?"

**Travis:**

"Have you met anybody interesting?"

**Justin:**

Yeah.

**Griffin:**

Yeah. Uh, soap jokes are, like, right out the window. Like-

**Justin:**

No, no soap jokes.

**Griffin:**

Um, I don't know. Is there any way that, that sort of splits those uprights?

**Justin:**

Um...

**Travis:**

I mean, you could talk about the awesome things you do on the outside?

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

You think they'd enjoy that? Like, "I did just see *Bridesmaids*, and it was a revelation."

**Audience:**

[laughs]

**Travis:**

"I enjoy the tweeting of birds and a child's laughter." Like that kind of thing?

**Audience:**

[laughs]

**Griffin:**

Can they not, can they not bring birds into the jail?

**Travis:**

No, electrified fence all the way around.

**Justin:**

I'm pretty sure somebody in *Shawshank* had a bird.

**Griffin:**

That just seems mean.

**Justin:**

I watched the prison edit though.

**Griffin:**

Yeah.

**Justin:**

It might have been-it might have been-

**Griffin:**

Yeah. They took all-

**Audience:**

[laughs]

**Griffin:**

... all aviary life just got cut right out of that film.

**Justin:**

Just cut right out. Uh, you-it highly depends I think on how long they're in the clink. If they got 20 years ahead of 'em, you lie.

**Griffin:**

You do gotta-you gotta catch 'em up though.

**Justin:**

Well, no, you got to say how terrible things are.

**Griffin:**

"Shit sucks out here, man! [crosstalk]"

**Travis:**

"[crosstalk] president!"

**Justin:**

"Yeah, Bush is in office!" What?

**Travis:**

Tell him terrifying news on the outside.

**Justin:**

I think that would get around!

**Audience:**

[laughs]

**Griffin:**

Um..

**Travis:**

"The sky is lit with fire. Like, not where you are, but everywhere else."

**Justin:**

"Everywhere else. It made a circle around your prison."

**Griffin:**

"This is like *The Stand* out here! It sucks so bad."

**Justin:**

"You're the only safe one!"

**Griffin:**

"They outlawed ice cream. What are we doing?"

**Audience:**

[laughs]

**Justin:**

"You got to come back. We need you here." Uh, "My wife's cousin and I-their wife are staying with us overnight next week. Our house has no guest room. My wife says that we need to offer our room to her cousin because that's the polite thing to do. I say that they are not expecting extreme comforts, considering the fact that they are, one, not staying in any of the nearby hotels. And two, we didn't invite them."

**Audience:**

[laughs]

**Justin:**

"They called and asked if it would be okay if they stayed at our place. What do you think? Is it a fight worth fighting?" That's from B-RAD. B-RAD, uh, no matter we decide, it's about [unintelligible]. If you're here-Brad, are you here? Ah, very smart, Brad.

**Travis:**

Nice job.

**Justin:**

Very cunning.

**Griffin:**

Have we considered that B-RAD is short for, like, Bob Rad?

**Audience:**

[laughs]

**Griffin:**

Hey, what's up? I'm Bob Rad.

**Travis:**

I'm gonna be honest. I made up that name.

**Griffin:**

Okay.

**Justin:**

Okay?

**Griffin:**

That's good.

**Travis:**

My bad.

**Justin:**

Did you make up the question, too? That's, like-

**Travis:**

No, question-

**Justin:**

Is there-okay, wait. Are you-is this a bit? Are you-did you make up a name for someone?

[pause]

**Travis:**

Well, let's just say, I made up the name based off a real name, and I think you can put together what that real name is.

**Justin:**

Okay, so the guy is a [crosstalk]-

**Griffin:**

What the fuck?

**Audience:**

[laughs]

**Griffin:**

So, like, that's your goof? Is like, "I turned Brad into B-RAD. Get it?"

**Audience:**

[laughs]

**Griffin:**

You're off the show!

**Audience:**

[laughs]

**Justin:**

I think I know why B-RAD didn't raise his hand now. "I'm not going to be *that* guy." That, that Brad is divorced from me now. That's another Brad. That's a parallel universe Brad that calls himself B-RAD. Good work, Travis. You created a splinter universe.

**Audience:**

[laughs]

**Justin:**

Um, so is it worth-is it worth fighting? I think unless your life is in, like, mortal danger that it's usually not worth fighting. That's my, you know, my, my marriage tip for everybody. But, uh...

**Travis:**

So we're gonna go ahead and assume that no, it's not worth fighting. But then we're going to go into a pretend universe-

**Justin:**

Let's pretend-

**Travis:**

... where we're gonna make jokes about fighting that fight.

**Justin:**

Okay, Brad would never fight about it. B-RAD, though, you know him.

**Audience:**

[laughs]

**Justin:**

B-RAD, he's crazy!

**Griffin:**

He's fucking scrappy, yo!

**Justin:**

Have you been, like-

**Travis:**

Fucking pull a knife on you!

**Justin:**

Have you been, like, lying the whole time? Like, how much have you made up in these?

**Travis:**

All of 'em.

**Justin:**

Just pretty much-Okay.

**Audience:**

[laughs]

**Griffin:**

Listen, Travis doesn't know shit. He's got to be advised constantly about every single thing on the Earth.

**Justin:**

These are all his problems, you mean.

**Griffin:**

Um-

**Justin:**

Wow. This is [crosstalk]

**Griffin:**

Every ans-every Yahoo question too. All Travis.

**Audience:**

[laughs]

**Griffin:**

He's gotta know about hot tubs.

**Audience:**

[laughs]

**Justin:**

He's very afraid.

**Travis:**

They're scary shit!

**Justin:**

Yeah, um, although that would be pretty scary. Um, so my wife's cousin and her wife...

**Griffin:**

Listen, I... hmm.

**Justin:**

I think, it's, it's, it's probably, like, if you fight about it too much, there's probably a good chance you'll end up sleeping on the couch anyway, so why not just save yourself some time?

**Griffin:**

Is it a question of how tangential that cousin is?

**Justin:**

Ooh.

**Travis:**

Ooh.

**Griffin:**

Is it, like, your-fuck, I don't know what a cousin is. A brother's sister's son, right? Like, a dad's-

**Justin:**

And Travis is the bad guy. You don't know what a cousin is?

**Griffin:**

No, like, a-

**Audience:**

[laughs]

**Justin:**

No, no, no. You still called me fat! You can fuck right off. Okay.

**Griffin:**

Uh-

**Justin:**

A cousin is your, is your brother's-your dad's-

**Griffin:**

Your dad's-your daddy's-

**Travis:**

[crosstalk]

**Griffin:**

Listen, it's your daddy's sissy's son or s- son or daughter.

**Travis:**

What?

**Justin:**

Right.

**Griffin:**

Booyah. Um, so I think if it's that close, then nah.

**Justin:**

Yeah, I mean, doesn't it... I think cousins aren't close enough that you, that they get the normal, like, familial privileges. I think that you have to [crosstalk].

**Griffin:**

How close you gotta be?

**Justin:**

How close you gotta be? I think immediate family, obvs, grandma, grandpa, they're old. They get the bed.

**Griffin:**

Oh, they need that bed. Yeah.

**Justin:**

Yeah.

**Griffin:**

Have you seen their bones?

**Audience:**

[laughs]

**Travis:**

They're everywhere.

**Justin:**

They're everywhere.

**Audience:**

[laughs]

**Justin:**

They're literally just a-jangling and a-jingling.

**Griffin:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

I thought you meant, like, "What's this in my refrigerator?" "Oh, it's grandpa's bones again."

**Audience:**

[laughs]

**Justin:**

The bad news is you will have to sell your mattress afterwards, because they're going to old it up.

**Griffin:**

Oh, god.

**Justin:**

It's gonna be-

**Travis:**

You're never going to get rid of that smell.

**Justin:**

That new old person smell. You can't get that out.

**Travis:**

So Brad, long story short-

**Justin:**

B-RAD, you mean.

**Travis:**

B-RAD, you are right, if that's what you want. You are right. You shouldn't have to give up your bed. But you're gonna have to give up your bed.

**Justin:**

Yeah, right. It's not... This is not a battle you're gonna, you're gonna win, or is really worth fighting. I mean, it'll be-you know what? Sleep under the stars.

**Audience:**

[laughs]

**Griffin:**

Maybe, and then, maybe you can make a wish that your cousin's not there.

**Audience:**

[laughs]

**Travis:**

Like, I wish I didn't have any cousins. [laughs]

**Justin:**

I wish I had never pulled him out of that lake when he was seven. [laughs]

**Audience:**

[laughs]

**Justin:**

Revisionist history there. That's not Brad though. That's B-RAD.

**Travis:**

B-RAD's an asshole.

**Justin:**

Brad, Master Brad would never, would never allow that. Like, Brad prime.

**Griffin:**

We're having a crisis of infinite Brads in here.

**Justin:**

It's pretty bad. Um, you know what I mean.

**Griffin:**

I think you need a Yahoo Answer. This was sent in by Jacob Blocher.  
[laughs] Thank you, Jacob Blocher. I swear I, I thought I arranged these so it wouldn't just be the Jacob Blocher show. But-

**Justin:**

That's all right. [crosstalk] Hey, you didn't call me fat today.

**Griffin:**

That's true.

**Justin:**

So you're on a role.

**Audience:**

[laughs]

**Travis:**

Rest of my life.

**Griffin:**

Uh, we're gonna change the name of the show to *Fatty, Toe Head and Mean Guy*.

**Audience:**

[laughs]

**Justin:**

I would, I would be, I would be satisfied with just *Fatty and Toe Head*, actually. I mean, as long as we're making changes.

**Griffin:**

Whoa.

**Justin:**

Whoa, got real.

**Griffin:**

Shit got real.

**Justin:**

Got real, real.

**Griffin:**

Got really real.

**Justin:**

I... "Did you hear about that show, *My Brother, My Brother and Me*?" "I saw the last one. It was-..."

**Audience:**

[laughs]

**Justin:**

"... pretty, pretty sad."

**Griffin:**

Jacob Blocher is here to save us from this moment. Uh, it's a Yahoo Answers by Yahoo Answers user Mike, who asks, "Possible for a guy to dress a girl up as a boy and sneak her into his home?"

**Audience:**

[laughs]

**Griffin:**

[unintelligible] Uh, "Is it possible for a guy to sneak a mistress/girlfriend into his family (wife, mother, kids, etc.)-"

**Audience:**

[laughs]

**Travis:**

What's the etc.?

**Griffin:**

Cousins.

**Travis:**

Wife, mother, kid...

**Justin:**

Cousins.

**Griffin:**

Visiting cousins.

**Justin:**

Visiting cousins. Yeah.

**Griffin:**

"Is it possible to sneak a mistress, girlfriend into his family home by dressing her up as a guy pal and have her stay for a few days/weeks?"

**Audience:**

[laughs]

**Griffin:**

What? "If you have her dress up in heavy clothes to cover her breasts... her f..."

**Audience:**

[laughs]

**Griffin:**

"Hey, your guy friend looks, like, wicked weird. Like, what's up with his chest area, because, uh..."

"And give her a hat to hide her hair? I would never do this, but I wonder, could a guy actually pull this off and succeed?" So many problems with this question.

**Justin:**

There's a lot of... Number one, it's the same question as the last one.

**Audience:**

[laughs]

**Griffin:**

Uh, oh, you're saying that the sneaky cousin [crosstalk]

**Justin:**

I'm saying, B-RAD's sneaky cou- Not Brad.

**Travis:**

Sneaky cousin is the best thing I've ever heard.

**Justin:**

Yeah.

**Travis:**

Can that be a sex move?

**Griffin:**

Uh-huh?

**Travis:**

The sneaky cousin?

**Audience:**

[laughs]

**Travis:**

They gave her the 'sneaky cousin'.

**Griffin:**

The 'sneaky cousin' is when you sneak a woman dressed as a man into your house. *Sh- She's All That?* Is that what that movie is with the-

**Justin:**

Yeah, yeah.

**Griffin:**

Uh, *She's All That* style, into your house and then-uh, for *weeks* at a time. Uh, and then you guys touch front butts.

**Audience:**

[laughs]

**Griffin:**

While one of her breasts hang out of her concealing, like-oh, god, what are you saying?

**Justin:**

Sneaky cousin, it's al-, it's also my favorite Heath Barkley side project. [laughs] What's up?

**Griffin:**

Uh... I mean, no.

**Justin:**

Yeah, like, no, that's not possible. I think the nation would be executing this move if it were feasible, right? Like, it would get [crosstalk]

**Griffin:**

You think this would catch on like wildfire-

**Justin:**

Yeah!

**Griffin:**

-if it were physically possible?

**Justin:**

Have you been on the internet? Like, people spread weird-they're-*planking* caught on. You don't think this would?

**Audience:**

[laughs]

**Justin:**

Look whose-how is this less weird than, than laying flat?

**Griffin:**

"Oh, have you seen my Flickr gallery? It's all just-I'm *She's All That*-ing all over the place."

**Audience:**

[laughs]

**Griffin:**

I have so many problems with this question. The first and foremost being, like, first of all, how are you going to pitch, like, "This is my buddy. Like... Zack."

**Travis:**

"This is my guy pal. I'm gonna be in his room for hours at a time."

**Griffin:**

"This is my guy pal Zack. I know he's got one female breast, but let's not talk about that."

**Travis:**

"Ignore his chain-mail shirts."

**Griffin:**

"Listen, we're gonna chill. Uh, we're gonna chill up in my room for *weeks* at a time."

**Travis:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

"And, um, like, maybe just slide some, some beverages-"

**Travis:**

"I know I've never mentioned him before, and I have no pictures of him. And he looks like a chick in dude's clothing."

**Griffin:**

"He kind of looks like my friend Sheila, who you know, and are not too fond of."

**Justin:**

[laughs]

**Audience:**

[laughs]

**Justin:**

"It's gonna sound like we're porking but we're just getting really good at foosball."

**Audience:**

[laughs]

**Justin:**

"Also, also, I'm going to buy a foosball table..."

**Travis:**

"And we're also really proud of how well we're doing at foosball. Yeah!"

**Griffin:**

Yeah!

**Travis:**

"Good job! Yeah!"

**Justin:**

"Also, you're, you'll never see the foosball table."

**Audience:**

[laughs]

**Justin:**

If you look at it directly-

**Griffin:**

It's psychic foosball.

**Justin:**

It's psychic foosball. [unintelligible] style. If you look directly at the foosball table-

**Griffin:**

Oh, fuck-

**Justin:**

... it will not be there.

**Justin:**

What's up?

**Griffin:**

Somebody at Yahoo in one if the Yahoo Answers-

**Justin:**

Oh, yeah. This is good.

**Griffin:**

... said, "Watch *She's the Man*." I fucked up the name of the movie. I got corrected by Yahoo Answers!

**Audience:**

[laughs]

**Griffin:**

If you need me, I'll be in the bathroom slitting my wrists.

**Justin:**

Yeah. Get that gun metal taste. Well, you're done?

**Griffin:**

Done with that question. I'm embarrassed now.

**Justin:**

You're embarrassed and so we're moving on?

**Griffin:**

No, no, no. Let's... I mean, if we have more things to add, on the *She's the Man* scenario.

**Justin:**

Yeah, I think we could probably do, like, infinity things. It's, like-

**Griffin:**

[laughs]

**Justin:**

-the worst idea.

**Travis:**

I like that mother was included there just in case anyone was wondering, 'cause if you can get it past your wife, that's cool. But if your mom goes...

**Audience:**

[laughs]

**Travis:**

"What's the deal?"

**Griffin:**

Well, she's got maternal-

**Travis:**

"... with your effeminate friend?"

**Griffin:**

She's got maternal insight. She *knows*. She knows when you, you two have been... [wheezes]

**Travis:**

What? Okay. Just to demonstrate, Griffin just rubbed two hands together.

**Justin:**

She knows when you've been working on a plan to kill Superman?

**Audience:**

[laughs]

**Justin:**

Uh, "I've, uh, I've worn glasses since I was three years old, but recently I've been feeling like they're keeping my sexy back."

**Audience:**

[laughs]

**Justin:**

"I've, I've been thinking of maybe ditching them in favor contacts or LASIK. But, at the same time, I'm a total nerd, and I feel like the glasses kind of reflect some street cred there, in a sense."

**Audience:**

[laughs]

**Justin:**

"Glasses, no glasses? Help. Skeptically Bespectacled."

**Audience:**

[laughs]

**Griffin:**

Are they here?

**Travis:**

No.

**Griffin:**

Then fuck 'em.

**Audience:**

[laughs]

**Griffin:**

Listen.

**Justin:**

Whoa!

**Griffin:**

Straight up. I don't care what you do. Uh, I usually don't, but don't get LASIK, like, don't get LASIK. And I'll tell you why.

**Travis:**

It's the most terrifying idea.

**Griffin:**

It's because they cut off the tip of your eye with a laser. Right? Like, that is-

**Travis:**

It's like an eye bris.

**Griffin:**

It's like a ninja with a sword comes in and is like, "I'm just gonna take a little off the top." And it's-like a barber? He's like a ninja barber, I guess. And, like-

**Travis:**

So wait, just to come back. Tiny ninja laser barber.

**Griffin:**

Yes, and he cuts off the tip off your eyeball-

**Travis:**

Okay.

**Griffin:**

... so you can see better? Like...

**Travis:**

Do you know how LASIK works?

**Audience:**

[laughs]

**Griffin:**

As far as I know. No, no, no. I read a, I, I saw a documentary on, uh, Discovery Channel. They get a tiny ninja barber with a laser beam that cuts off the tip of your eyeball.

**Justin:**

I don't think that's accurate at all.

**Travis:**

That's what you're sticking with?

**Griffin:**

That's-

**Justin:**

I, I-

**Griffin:**

... that's my story.

**Justin:**

I've read *1984* a few times. I'm pretty sure that the people who-when they go to the place and the guy says, "I'm going to shoot your eye with a laser. But trust me, it's all cool." Those are the people that are first with their backs against the wall when the revolution comes. That's all I'm saying. If you'll buy that line of, of, of, um, laser propaganda-

**Griffin:**

Mm-hmm.

**Justin:**

... double talk-

**Griffin:**

Mm-hmm.

**Justin:**

... I think you'll believe anything.

**Travis:**

I think LASIK is doubleplusgood.

**Justin:**

You think it's...

**Audience:**

[laughs]

**Griffin:**

I get, I get-if I were to get some sort of corrective eye surgery, I would definitely get it at the Ministry of Love. [laughs]

**Audience:**

[laughs]

**Griffin:**

Anybody got any other *1984* jokes?

**Justin:**

[crosstalk] You wanna go *Animal Farm*?

**Travis:**

Take it from the audience.

**Justin:**

Fucking-

**Griffin:**

Um-

**Justin:**

I... "Did you go to *My Brother, My Brother and Me* show?" "You mean the last one? Yeah, I was there. Uh, it was good until they got into this Orwellian-Orwellian bit. It went 20 minutes."

**Audience:**

[laughs]

**Justin:**

"And then they ended, and they said they were done forever because one of them called the other one fat. It was weird."

**Audience:**

[laughs]

**Griffin:**

Um... I-

**Audience Member:**

[unintelligible]

**Griffin:**

I... Thank you. Uh, I don't..., like, just wear the glasses. Glasses are like a watch for your face, if you think about it, because, like, what other accessories-

**Audience:**

[laughs]

**Justin:**

No! Like, I'm not on your team. Fuck you.

**Travis:**

Oh.

**Griffin:**

What other accessories do-are you allowed to wear here as a, as a gentleman? Ladies get all kinds of things. They get, uh-unless you're a cool surfer baby dude-

**Travis:**

Mouth guards.

**Griffin:**

... you get earrings.

**Audience:**

[laughs]

**Griffin:**

You're saying, like-

**Travis:**

Like, mouth guards.

**Justin:**

Like a permanent mouth guard? You mean [crosstalk].

**Travis:**

Yeah. You're on the wrestling team or football team, and...

**Justin:**

Okay.

**Griffin:**

So, like, hold on, no, no, no, 'cause let's get back to this.

**Audience:**

[laughs]

**Travis:**

Eye patch.

**Griffin:**

Is this a, is that a fashion statement or is that a security concern? Are you afraid that someone gonna come in and jack your jaws at any given moment, you have to protect your teeth? [crosstalk] I'm asking why you're wearing a fucking mouth guard, Travis!

**Audience:**

[laughs]

**Griffin:**

Answer my question! Because you know how much [crosstalk] Hold on. You would answer my question, but you have to take out your spittle-covered mouth guard.

**Audience:**

[laughs]

**Justin:**

Nice style, Paco. Nice fashion. Nice fashion mouth guard. Although if those do catch on, copyright.

**Griffin:**

That's all right.

**Justin:**

2011.

**Audience:**

[laughs]

**Griffin:**

Can we get them branded so, like, what's yours say? Juicy.

**Travis:**

[laughs]

**Griffin:**

... and it will be juicy, if you have it in your mouth. I used to wear a, a... What are those? Invisalign, and there is nothing less attractive you can do at the high school lunch table than, like, "Oh, yeah. Hold up, baby..." [slurping noise]

**Justin:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

"What were you saying? No, don't smell that. No!"

**Audience:**

[laughs]

**Griffin:**

"No, no, no. I have to put these in the lead vault I keep in my fucking backpack because they smell so bad."

**Justin:**

And you wonder why he's single!

**Audience:**

[laughs]

**Griffin:**

Who would think... Who would think that a tiny Petri dish you keep in your mouth for 18 hours straight would, uh, adopt a, an unpleasant scent?

**Justin:**

Yeah. Wow.

**Griffin:**

Wow, what a turn this show this took.

**Justin:**

What a weird, funny, I guess, turn this took. About your mouth funk. Um, so, Griffin.

**Griffin:**

This one was sent in by Golly A Olly. Thank you, Golly A Olly. It's by Yahoo Answers user Dean.

**Justin:**

God, too. Golly A Olly.

**Travis:**

Is everyone dead?

**Griffin:**

Everyone's... Thank you, Golly A Olly and God, who gave her the inspiration to find this question.

**Justin:**

If they're not here, they're dead to me.

**Griffin:**

Um, Golly A Olly asks-and this is good. There's a lot of hostility in this episode. I think we can work it out right here.

**Justin:**

Okay, good, good.

**Griffin:**

Dean asks, "What would you say if you beat your brother in a wrestling match, lol."

**Audience:**

[laughs]

**Griffin:**

Couldn't get through that question without a giggle.

**Justin:**

[laughs] I'm cracking myself up typing this.

**Griffin:**

Um...

**Justin:**

Good one [crosstalk].

**Griffin:**

"If you had a wrestling match and you won, landing on their face and pinning them down for the three-count, but you were sat on their face so their nose went up in between you bum cheeks."

**Audience:**

[laughs]

**Griffin:**

"Like this." And then he's drawn an emoticon... to-it's, like, a greater than sign and then two inward facing parentheses. So it's, like... like, that's not what mine-like, that looks like you're putting, like, candy corn maybe in-

**Justin:**

Does he sell it though? But is he selling it?

**Travis:**

I mean, it's pretty good.

**Justin:**

You buy it. Like, in the context-yeah.

**Griffin:**

I mean, I appreciate the diagram.

**Travis:**

It makes it seem more like [laughs] target achieved. [boom noise]

**Audience:**

[laughs]

**Griffin:**

Um, I appreciate the diagram because without it, like, the physics of that, like, my nose is not sharp or broad or rigid.

**Justin:**

Mm-hmm.

**Griffin:**

Unless-

**Travis:**

It seems like you have to commit.

**Griffin:**

Unless your bro was a real gaper, I'm not sure...

**Audience:**

[laughs and groans]

**Griffin:**

Can I say real...?

**Travis:**

His rear butt.

**Justin:**

His rear butt. His back butt.

**Griffin:**

I'm talking about his back butt, and not his front butt, urethra. We're straight up talking...

**Justin:**

Just his back butt.

**Griffin:**

"What would you say to them at this point to humiliate them and rub it in that you won? All in fun. This is just to serve..."

**Audience:**

[laughs]

**Justin:**

What else do you have to rub in?

**Griffin:**

Yeah! Like, "Hey, what's my butt smell like?" Like, that would be a good start.

**Justin:**

This is the best survey ever, by the way. If they came door-to-door, like, "Hi, uh, just a brief moment of your time-"

**Audience:**

[laughs]

**Justin:**

"... if, if your brother's nose is in your bum cheeks, uh, what would you say to him?"

**Griffin:**

You done won that fight.

**Travis:**

I like that in the concept, you have to say something to humiliate them.

**Justin:**

Yeah, like, I think, it's done, done. Like, you got him.

**Griffin:**

You got him already. Top answer. "Tough cookie."

**Audience Member:**

[unintelligible]

**Griffin:**

Shh.

**Audience:**

[laughs]

**Griffin:**

Who let the fucking tubercular person in here?

**Audience:**

[laughs]

**Justin:**

"Did you go that *My Brother, My Brother and Me* show?" "The live one?"

"Yeah, it was good except for they did a 20-minute Orwellian bit and there was a lunger. We all have TB."

**Audience:**

[laughs]

**Griffin:**

"It was totally bubonic."

**Justin:**

Yeah.

**Griffin:**

"We've all got a case of the consumption."

**Justin:**

We all got the bubonic.

**Griffin:**

Got a case of the giggles and a case of the consumption.

**Audience:**

[laughs]

**Griffin:**

Top answer. "Tough cookie, sugar."

**Audience:**

[laughs]

**Justin:**

Sugar! That's what, that's what this question ne- needs, more homo-erotic overtones.

**Audience:**

[laughs]

**Griffin:**

Uh, the second highest answer by Mark The Answer says, "Haha. I won. Gay."

**Audience:**

[laughs]

**Griffin:**

Yeah. What's up now?

**Justin:**

What's up now? [crosstalk]

**Travis:**

Sick burn, bro! You got me.

**Justin:**

You got me.

**Griffin:**

"You're practically performing anilingus on me. Gay! What's up? I win. In a wrestling match."

**Justin:**

"I don't like this. Trust me."

**Griffin:**

Fuck.

**Justin:**

Fuck.

**Travis:**

By wrestling match, you mean, just, like, sitting on his face while he was asleep.

**Justin:**

Yeah.

**Griffin:**

Yeah. Good morning! Um...

**Audience:**

[laughs]

**Griffin:**

"Good morning, I win." I think that what you say is, "Let's never-

**Travis:**

"Let's never speak-"

**Griffin:**

... talk about this ever, ever again."

**Justin:**

Yeah. Super secret. [laughs]

**Audience:**

[laughs]

**Griffin:**

"Listen, go wash your nose. We'll fucking, like-dad and mom are gone. They don't have to know."

**Travis:**

"Hi, I'm moving out."

**Griffin:**

"I'm moving out."

**Travis:**

"I'll see you in 20 years."

**Justin:**

"If anyone asks, we were playing psychic foosball."

**Audience:**

[laughs]

**Griffin:**

I am bummed out now. Let's move on to a new question.

**Justin:**

Yeah, I'm, I'm a little bummed, too. "My, uh, ex-girlfriend of *many* years recently broke up with me." Oh, good, this'll pick everyone's-

**Griffin:**

Yeah.

**Justin:**

... spirits up.

**Audience:**

[laughs]

**Justin:**

"... and kicked me out of our apartment. Obviously, it didn't go over well then, but all is well now."

Oh, good.

"My problem is that now, whenever I get on Facebook, she messages me and tries to catch up and tell me about how her life is wonderful. I try to just log off when I see that she's online, but it cuts into my time catching up with people who are still very important to me. Do I confront her and ask her to stop? Do I ignore her when she tries? Or do I just keep doing what I'm doing?" That's Incommunicado in Indiana.

**Travis:**

Are you here?

**Justin:**

Is Incommunicado in Indiana here?

**Griffin:**

Let's get real.

**Incommunicado in Indiana:**

Yeah.

**Travis:**

Yes?

**Griffin:**

I appreciate your courage.

**Travis:**

Did you break up with her, or did she break up with you?

**Incommunicado in Indiana:**

[unintelligible]

**Griffin:**

Okay, all right.

**Travis:**

She broke up with you?

**Incommunicado in Indiana:**

[unintelligible]

**Justin:**

Aw, man.

**Griffin:**

Oh, fuck. I wish it was the other one.

**Justin:**

Yeah. [laughs]

**Audience:**

[laughs]

**Justin:**

Oh, yeah. Hold on. No, no. No, no. Not that. No, no. Well, maybe if you took out-

**Griffin:**

Is she here?

**Incommunicado in Indiana:**

[unintelligible]

**Griffin:**

Okay. Fuck that bitch!

**Justin:**

[screaming] Yeah! Fuck that bitch!

**Griffin:**

[screaming] Fuck her! Fuck that bitch! Hey, fuck her!

**Audience:**

[laughs]

**Travis:**

[screaming] Fuck her!

**Justin:**

What the fuck? Wait, wait, wait. Does she listen?

**Audience:**

[laughs]

**Incommunicado in Indiana:**

No.

**Justin:**

Fuck that bitch!

**Griffin:**

Fuck her!

**Audience:**

[laughs]

**Griffin:**

What the fuck? So she breaks up with you, and she's, like, "Doing great, by the way. Went to TJ Maxx. Found a really great..." *Fuck* you. What are you doing?

**Audience:**

[laughs]

**Travis:**

"Found a dude with a really sweet front butt."

**Griffin:**

Fuck!

**Justin:**

"Remember that time your nose was up my bum cheeks?"

**Audience:**

[laughs]

**Justin:**

"Cause I do. Enjoy TGI Fridays."

**Griffin:**

Fuck.

**Justin:**

Stupid.

**Griffin:**

Um, I forget what the question is, I'm so angry.

**Justin:**

Yeah, you... I think you mentioned this when we were going over this list, but I'll, I'll remind you. There's nothing you can say that to over-value the classic, bitter, icy gesture of an unfriending.

**Audience:**

[laughs and cheers]

**Travis:**

It's a slow burn.

**Griffin:**

It is tantamount, it is tantamount to murdering somebody on the internet.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

'Cause it's like, "Hey, where did Becky go?" She's fucking gone.

**Justin:**

She's a ghost!

**Griffin:**

She's been imagined away.

**Audience:**

[laughs]

**Justin:**

Uh, it's, it she won't know about it until she logs onto her front page and Facebook says, "Hey, I recommend you be friends with tha- this guy." And, and-

**Griffin:**

Pretty good recommendation.

**Justin:**

"I thought I was already!" Nope, you done fucked up.

**Audience:**

[laughs]

**Justin:**

You're incorrect. You used to be, and then you fucked it up. Because he's cool and here.

**Travis:**

There's also the option of coming back with, when she tells you how great her life is, just top it.

**Griffin:**

Yeah.

**Travis:**

Like, "I'm President now."

**Audience:**

[laughs]

**Travis:**

"I found a chest of gold."

**Justin:**

Something that maybe she couldn't check up on, like-

**Audience:**

[laughs]

**Griffin:**

What is your guy's deal with trying to invent a new president? "I changed my name. It's Barry Obama now." Um...

**Justin:**

"You may have heard. I'm wrecking stuff up in DC." Uh, you know, why don't, why don't you just tell her, "Well, you're on Facebook, so you're not that good, I guess." [laughs] 'Cause she's-[crosstalk].

**Griffin:**

[laughs] "Keeping busy, huh? Good for you. Good for you! Playing some *Farmville*, I see."

**Audience:**

[laughs]

**Griffin:**

"I hear you have a-"

**Travis:**

"How's your *Mafia* going?"

**Griffin:**

"Maybe a bumper crop of radishes. Good, good."

**Audience:**

[laughs]

**Griffin:**

"Glad to hear it." You want a Yahoo?"

**Justin:**

Uh, yeah, I think so.

**Griffin:**

For real, though, fuck that bitch. Uh, Yahoo Answers.

**Justin:**

Fuck her.

**Griffin:**

This one was sent by Golly A Olly. Thanks, Golly.

**Justin:**

Did we give him any practical-yeah, we gave him some good stuff.  
[crosstalk].

**Griffin:**

I feel like "Fuck that bitch" is about as practical as it gets.

**Justin:**

Wow, lie and say you're the President.

**Audience:**

[laughs]

**Justin:**

That's the best... she'll never... or go with mantis evasion, apparently it's a popular [crosstalk] too. That one's-

**Griffin:**

"Too busy to talk. The manti are really keeping me busy."

**Audience:**

[laughs]

**Travis:**

Oh, is that not cool there? It's totally cool here.

**Justin:**

Yeah. They'll get you eventually.

**Griffin:**

Um-

**Justin:**

That's what I thought, too. They'd never get here. Then, uh, what's that?

**Griffin:**

Uh, Golly A Olly sent this in. Thank you, Golly. It's by Yahoo Answers user...  
Oh. Uh, Renesmee Osmond.

**Audience Member:**

[unintelligible]

**Audience:**

[laughs]

**Griffin:**

Thank you for the back story.

**Travis:**

Excuse me. What was that? What was that?

**Griffin:**

It's a *Twilight* name.

**Travis:**

It's a *Twilight* name.

**Justin:**

*Twilight* name.

**Griffin:**

Uh, Renesmee Osmond asks-

**Justin:**

I salute you, by the way.

**Audience:**

[laughs]

**Griffin:**

Uh, I need s-oh, fuck. "I need someone to play a Donny Osmond fantasy game with me."

**Audience:**

[laughs]

**Travis:**

Wait.

**Justin:**

Just wait.

**Griffin:**

"All you need to do is respond to this as if you were the hot man himself."

**Audience:**

[laughs]

**Griffin:**

"Donny, I love you. I'm only 15, but I think you're a cutie. Do you like me? I like you and your music. I often listen to 'Puppy Love.' Will you dance with me sometime? I always dance around my room with a pillow pretending it's you."

**Audience:**

[laughs]

**Griffin:**

"I know this probably sounds strange to you, but I just think you're so handsome. I can't stop thinking about you."

**Audience:**

[laughs]

**Griffin:**

Oh, man.

**Justin:**

The first man to travel to space to inhabit another planet will be Donny Osmond, because you can't know that's out there and not [crosstalk]. I'm out. I can't be on this planet.

**Griffin:**

[laughs] I had to get off this planet before I'm shuffled off this planet.

**Travis:**

My favorite thing about that question is the phrase, "You *probably* think this weird."

**Justin:**

Now-

**Travis:**

As if there's a circumstance in which that isn't weird.

**Justin:**

Right.

**Travis:**

No, that's normal.

**Griffin:**

I would say Vegas odds, the over under on you finding this weird, I don't know, three to one?

**Justin:**

[laughs] Yeah.

**Audience:**

[laughs]

**Justin:**

I feel pretty good about you thinking this is weird.

**Griffin:**

Let me know if this affects the odds. I dance to 'Puppy Love' with a pillow, which I have put..."

**Audience:**

[laughs]

**Griffin:**

... I've put a wig on the pillow, uh, to simulate your, your flowing, flowing locks.

**Justin:**

The coolest thing about the internet is, you know, the old bit, like, comedy is tragedy plus time? It reduces that to zero.

**Griffin:**

Oh, god.

**Justin:**

Some things you're like-

**Griffin:**

Comedy on the internet is instant tragedy.

**Justin:**

Instant tragedy. Like, the worse the better.

**Griffin:**

Um, so, here we go.

**Justin:**

15, man. Starting out slow. That's rough.

**Travis:**

Who the fuck is a 15-year old in love with Donny Osmond?

**Griffin:**

Yeah. I'll tell you what it is. She sounds like a hipster, right? So it's like, instead of-

**Justin:**

No, what generational gap knows who Donny Osmond is at 15?

**Griffin:**

That generational gap has moved forward a bit. So, like, if I wanted to be a hipster, I'd be like, "Oh, man Crosby, Stills and Nash," right? But, like, for her, it's all Donny Osmond all the time.

**Audience:**

[laughs]

**Travis:**

I feel like that's a really specific genre of hipster.

**Griffin:**

Well, fuck yeah it's specific! Like, she's fucking crazy out of her mind!

**Audience:**

[laughs]

**Justin:**

I want to know what Twilight character got her into Donny Osmond. Where did, where did she make the leap between, like, "I like Edward. Wish he was a little whiter."

**Audience:**

[laughs]

**Griffin:**

"I wish he had a sister who he, like, maybe fucked. Like, maybe-[crosstalk]."

**Travis:**

I'm a little bit country, I'm a little bit vampire.

**Griffin:**

I-

**Justin:**

I'm a little bit all alone. This is her.

**Audience:**

[laughs and groans]

**Justin:**

Oh, now, it'll only be like that for her whole, whole life.

**Griffin:**

[laughs]

**Audience:**

[laughs]

**Travis:**

[crosstalk] She's owns a cat named Donny Osmond.

**Griffin:**

I don't know. In a few years...

**Audience:**

[laughs]

**Justin:**

And by the way, it's a puppy is the gag, you dumb shit.

**Griffin:**

Damn it!

**Justin:**

'Puppy Lo-' oh, it's right there.

**Griffin:**

Um, I feel like, let's give it three years, okay?

**Justin:**

Okay.

**Griffin:**

She's 18. She's of age now. Literally nobody else knows who Donny Osmond is.

**Audience:**

[laughs]

**Travis:**

Not even Donny Osmond. Riddled with Alzheimer's.

**Griffin:**

Fucking *Marie* Osmond is, like, "Hey, what's... Oh, Donny! God, I'm so sorry. Uh, Merry Christmas."

**Audience:**

[laughs]

**Griffin:**

'Cause it's Christmas time when this situation takes place?

**Justin:**

Oh, yeah, yeah, right, right. It's that you've built a world for your bit. I like it.

**Griffin:**

I built a whole Donny-verse, if you will.

**Audience:**

[laughs]

**Justin:**

Look. It's working out great for her.

**Griffin:**

Yeah.

**Justin:**

The Donny-verse that she's built for herself. It's more of a prison.

**Audience:**

[laughs]

**Justin:**

I mean, like a permanent, emotional, forever prison. Uh... [laughs]

**Audience:**

[laughs]

**Justin:**

It circled around again, by the way. It was funny. And now...

**Griffin:**

Now it's sad.

**Justin:**

Oh no. Let's read. Uh, "What is the appropriate way to deal with an ex at a wedding? The situation is this. We were together when a mutual friend got engaged. We split up six months ago. We have not really spoken since then. So I have no idea if she will have a plus one, or if she's even going. I've since begun seeing someone else. I would like to invite her to come with me to the wedding. I'm concerned that if I bring a date, and my ex is there alone, it could potentially upset her and I wouldn't want to do that. At this point-"

**Audience:**

[laughs]

**Justin:**

"... at this point, considering just staying home to avoid the situation. But I would hate to miss my friend's wedding. RSVP Reluctant." Are you here, RSVP Reluctant?

**RSVP Reluctant:**

[unintelligible]

**Justin:**

What?

**Griffin:**

Whoa!

**Travis:**

Where you at?

**Justin:**

Whoa, it got weird. Uh... fuck it.

**Travis:**

You won.

**Audience:**

[laughs]

**Justin:**

You won. Fuck it! [crosstalk]

**Griffin:**

How is this not, how is this not a contest?

**Justin:**

Yeah, it's always a contest. Yeah, like, you totally-you already have the winning hand. Unless she shows up with *two* dudes...

**Audience:**

[laughs]

**Travis:**

... or a dude and a half. If it's, like, eight and half feet tall. [crosstalk]

**Justin:**

[crosstalk] and Verne Troyer, like, then where-

**Audience:**

[laughs]

**Griffin:**

[laughs] Or, or just Donny Osmond, who I would consider a dude and a half.

**Justin:**

Yeah.

**Audience:**

[laughs]

**Justin:**

Um, or a pillow covered in tears. Either way. [crosstalk]

**Griffin:**

That's negative, that's negative 10 dudes. Um, listen, you got to beat her. You got to win. You got to win.

**Justin:**

Got to win.

**Griffin:**

You have to assume that she's gonna show up to that joint with Bradley Cooper on her arm. And it's like...

[pause]

**Travis:**

What?!

**Griffin:**

I'm saying maybe she knows Bradley Cooper.

**Audience:**

[laughs]

**Griffin:**

I'm saying maybe she knows Bradley Cooper?

**Audience:**

[laughs]

**Justin:**

[laughs] Ohh, okay. Now-

**Griffin:**

I'm saying she knows *Bradley* Cooper.

**Justin:**

Not *Mr.* Cooper. She's not hanging with him.

**Griffin:**

She's not hanging... She is, she's gonna make that joke at the wedding.  
[laughs] 'Cause it's gonna be awkward. She doesn't know Brad very well.

**Justin:**

Oh, B-Rad?

**Travis:**

So she doesn't know Bradley Cooper, like, she is acquainted with Brad-

**Griffin:**

... hanging with Bradley Cooper.

**Justin:**

You mean B-Radley Cooper?

**Audience:**

[laughs]

**Griffin:**

Um...

**Justin:**

If she shows up with Bradley Cooper and B-Radley Cooper, then you're in trouble. 'Cause that's a splinter verse situation.

**Audience:**

[laughs]

**Travis:**

Uh, I would say, you just go. Like, I think you're past the point of... It's nice of you to care, but you don't have to.

**Justin:**

Yeah, you're done with that. Listen-

**Travis:**

You did that all in the relationship. You don't have to care now.

**Justin:**

Yeah. Six billion people on this beautiful globe, a good percentage of them, you got to say, "Fuck it." All right?

**Audience:**

[laughs and cheers]

**Justin:**

I don't mind, I don't mean that, like-I mean, you just got to... Your heart is this big. You don't have room for people that aren't in it anymore. So they're kind of over there.

**Travis:**

Your-you should be busy caring about your date. [crosstalk]

**Justin:**

Yeah! Now, is it going to be weird for your date, 'cause then you've got a legit situation.

**Griffin:**

Don't even worry about that. All you got to worry about is getting your front butt wet.

**Audience:**

[laughs and cheers]

**Griffin:**

That's, that is the truth.

**Justin:**

That, that's some raw truth. I like that.

**Griffin:**

Because you don't, you don't have to give a shit about her. Here's what you do. You, you worry about your, your front butt, and that-everything else is just gonna fall into place. Because either one of two things are going to happen. She's gonna beat you. She's going to show up with Bradley Cooper and you can't... There is no female on earth that's equivalent to Bradley Cooper on the other end of the spectrum!

**Justin:**

Right.

**Audience:**

[laughs]

**Griffin:**

Uh, so she's, like, wins with a trump card, like-

**Travis:**

Unless you become the guy that beat the shit out of Bradley Cooper.

**Audience:**

[laughs]

**Griffin:**

Which, let's get realistic, did you-

**Travis:**

It's not gonna happen!

**Griffin:**

It-no.

**Travis:**

No.

**Griffin:**

Zero chance.

**Travis:**

He is a dreamboat.

**Griffin:**

He is a dreamboat and a pugilist.

**Justin:**

[laughs] [unintelligible] that guy.

**Audience:**

[laughs]

**Griffin:**

[laughs] Yeah!

**Justin:**

He learned how to fight from Quinton "Rampage" Jackson and Liam Neeson. They told him the ropes.

**Griffin:**

Your other option is to get Quinton "Rampage" Jackson or Liam Neeson to go with you, just as moral support. Um...

**Justin:**

[laughs] They'll diffuse the si-

**Travis:**

You think you're gonna turn them?

**Griffin:**

I think you could probably do it.

**Justin:**

They'll diffuse the situation much like I imagine they diffused a bomb in the hit film *The A-Team*. I haven't seen it.

**Griffin:**

No.

**Justin:**

I'm told it's excellent.

**Griffin:**

Uh, your third option is just *try* to make her feel bad for you. "What's up?"  
Like-

**Justin:**

Whoa, reverse!

**Griffin:**

"[dejected] No, I'm, uh... I'm flyin' solo this time."

**Justin:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

"I see you brought Bradley Cooper. Bradley, I loved you in *Hangover*."

**Travis:**

I haven't seen *Hangover Part II*, but I assume it's good.

**Justin:**

"I been trying to get a girl to go with me to it but you know, going to the movies alone is such a-"

**Griffin:**

"It's hard because I don't have your, um, I mean your good looks or your self-confidence."

**Justin:**

"Or your money."

**Griffin:**

"Your money, your, your [quietly] fame."

**Audience:**

[laughs]

**Justin:**

"Or your love-making skills, I'm assuming. I don't know Bradley Cooper personally."

**Griffin:**

"[tearfully] I'm going to wait in line for the apertifs. I'll, uh... Susan, it was great to see you." [crosstalk]

**Justin:**

"Bradley, it was nice to meet you."

**Griffin:**

Putty in your hands after that.

**Justin:**

Yeah, right. She will leave Bradley Cooper to go see that movie.

**Griffin:**

"Brad, I got to go check up on him. I'll be right back." But she won't. She won't. She's yours.

**Audience:**

[laughs]

**Griffin:**

What are you doing?

**Justin:**

I'm the-I'm the puppet master.

**Griffin:**

I thought you were, like, massaging her, like, a cat.

**Justin:**

I'm pretending to massage Bradley Cooper simultaneously.

**Audience:**

[laughs]

**Justin:**

Wow.

**Travis:**

She has the tiniest shoulders.

**Griffin:**

That's option four. That's option four.

**Justin:**

Whoa!

**Griffin:**

Is s-seduce the fuck out of Bradley Cooper.

**Audience:**

[laughs]

**Justin:**

[screams] I love it! I love it. "How's your date?"

**Griffin:**

"Better luck next time, Susan. This is mine."

**Justin:**

"This is my scoop of man candy."

**Travis:**

Make sure you tell your date beforehand what the plan is.

**Justin:**

Yeah.

**Griffin:**

[laughs]

**Justin:**

Like she won't be down with it! "Check it out. We're gonna get in a weird three-way with Bradley Cooper."

**Audience:**

[laughs]

**Griffin:**

We're gonna hang our... [hesitantly] balls over-

**Justin:**

Front butts over.

**Griffin:**

-each-each other? Our... [crosstalk]

**Justin:**

Are you imagining how men have-make love?

**Griffin:**

[laughs loudly]

**Justin:**

They just wrap their balls together.

**Griffin:**

They just dangle. Like, they just dangle 'em [crosstalk]

**Travis:**

[crosstalk] Spin the thing, it goes clack, clack, clack, clack.

**Justin:**

Clack, clack, clack.

**Griffin:**

Like a child's party toy. Hey, how about a Yahoo Answers?

**Justin:**

Yeah, please.

**Griffin:**

Uh... uh... how much time we have left?

**Justin:**

10 minutes. Go.

**Griffin:**

Jesus. Uh, this one was sent in by Blake. Thank you, Blake, it's by Yahoo Answers user Idiotic, who asks, "If drugs are legalized, does that mean I will find needles and used items in my hamburger/food?"

**Audience:**

[laughs]

**Griffin:**

"When legalization passes and heroin addicts are accepted into the service sector?"

**Travis:**

Hey, of course!

**Justin:**

Hey, dog, what do you think heroin addicts are doing now?

**Audience:**

[laughs]

**Griffin:**

Oh, that's a good point.

**Travis:**

When they legalize it and they have to quit their jobs as professors and doctors.

**Audience:**

[laughs]

**Justin:**

Right. Exactly.

**Griffin:**

"Uh, Reggie, that's a... Reggie, that's a pretty sweet score that you have there. Uh, what are you up to nowadays?"

"Oh, I'm a bank manager... /heroin addict. I manage a Chase Bank on the corner, and on the weekends, I just fucking pound that hammer in."

**Travis:**

Just heroin it up. 2007.

**Griffin:**

Um, yeah, they do work at McDonald's. That's a... A lot of people didn't know that.

**Justin:**

Not only, not exclusively McDonald's. Like, people who work in McDonald's aren't necessarily heroin addicts.

**Travis:**

And not only that, when they work at McDonald's, put their used needles directly into the [crosstalk]-

**Griffin:**

"Done with this!" Plop. Like... "I'll just fold the burger patty around it."

**Travis:**

"No one'll notice."

**Griffin:**

"This feels like more than a quarter pound." "Yeah, I put, um... put a syringe in there. Enjoy that. It's full of special sauce. Wink!"

**Audience:**

[laughs]

**Justin:**

Okay, point one, if they work at McDonald's, they don't have the money to just be throwing needles away. Like, they're gonna second use those, I would [crosstalk].

**Travis:**

My more direct question is, what conversation is going on in America right now that's like, "Maybe we should legalize heroin."

**Audience:**

[laughs]

**Travis:**

Is that a thing that's going on? Did I miss-

**Griffin:**

Yeah.

**Justin:**

-that conversation in Washington?

**Griffin:**

Heroin. Here's why you pass it. Heroin is the only drug I can think of that is *not* a gateway drug.

**Audience:**

[laughs]

**Travis:**

[crosstalk] It is a driveway drug!

**Griffin:**

Heroin is the fucking foyer that you get to after going through nine or 10 gates. And it's like, "Well, I'm here. It's not going to get any worse than heroin, you guys."

**Justin:**

Unless you consider the fun and excitement of working in the fast food industry a drug, I'm hooked on [crosstalk].

**Griffin:**

The problem is, if you, if you, if we pass a, a law that says, "Heroin's totes cool. Go crazy." Somebody is going to invent crackoin, which is...

**Audience:**

[laughs]

**Griffin:**

... you just take crack and you pour it into heroin. Like, that's the next step.

**Justin:**

Crackoins are actually the, the proudest tribe of Native Americans.

**Griffin:**

Uh-huh.

**Audience:**

[laughs]

**Justin:**

That's true. It's history! Like, I'm not-

**Griffin:**

It's hard to judge. Like, it's hard to-there's no metric for pride, but we're pretty sure it's the Crackoins.

**Travis:**

Yeah.

**Griffin:**

Mmm, that's good. That's good stuff. I hear that, uh-you remember Racks?

**Justin:**

Yeah.

**Griffin:**

Racks shut down because it was 100% heroin addicts.

**Justin:**

Really?

**Griffin:**

Couldn't show up on time, couldn't get that roast beef carved.

**Travis:**

No.

**Griffin:**

Uh, no, like... Oh, sorry. Uh, Yahoo Answers user-Richard Karn?! Wait a fucking second.

**Justin:**

Whoa!

**Audience:**

[laughs]

**Griffin:**

From *Home Improvement* Fame?

**Justin:**

Yeah.

**Audience:**

[laughs]

**Griffin:**

Poor Richard Karn. Like, he's probably on the-he's probably on the stuff, right?

**Travis:**

Whoa, whoa, whoa, whoa, whoa.

**Griffin:**

I don't want to... This isn't the basis of a libel suit, so I'm going to say this is a total fabrication, but Richard Karn definitely uses heroin. [crosstalk]

**Justin:**

Yeah, he loves heroin.

**Griffin:**

Um...

**Justin:**

I know Tim Allen got him hooked on it.

**Griffin:**

Do you know why?

**Justin:**

It might have been Jonathan Taylor Thomas.

**Travis:**

[sings *Home Improvement* theme song].

**Griffin:**

That's the *Home Improvement* theme song.

**Justin:**

Yeah! Just for you guys, it's a musical bit we're trying out.

**Griffin:**

[laughs loudly] Listen, Richard Karn went to Tim Allen, fellow *definite* heroin user, and said, "I need more power."

**Justin:**

[laughs]

**Audience:**

[laughs]

**Griffin:**

And then he grunted, but he wasn't, like, doing to say the thing. It was because he was, like, shooting heroin into his arm.

**Justin:**

Right.

**Griffin:**

So you, you grunt because it hurts.

**Justin:**

Richard Ka- Richard Karn has to watch John O'Hurley just butcher the *Family Feud* every Thursday, Wednesday, Tuesday. Every weekday night, he's there.

**Griffin:**

That's not how I would have done it.

[all groan]

**Justin:**

Gotta live!

**Griffin:**

Um-

**Justin:**

There's no Wilson across the fence telling him, "Hey, don't do heroin."

**Griffin:**

"Hey, you know what? I wouldn't [crosstalk] I wouldn't do that thing that you're doing."

**Justin:**

"Hey, neighbor."

**Griffin:**

"Hey, neighbor." Uh-

**Justin:**

"Jacked up on the stuff, neighbor."

**Griffin:**

"Hey, neighbor, I see your track marks. Uh, bad idea."

**Justin:**

"Get, get clean, neighbor."

**Griffin:**

Wilson's been around the fucking block. You wouldn't know it because you don't see him outside of the confines of his back yard.

**Justin:**

Right.

**Griffin:**

He's been around the block a few times.

**Travis:**

Covered in tattoos.

**Griffin:**

Just covered in tats, track marks, and heroin stains.

**Audience:**

[laughs]

**Travis:**

Oh? Excuse me?

**Justin:**

That's why he was behind the fence. He was riding the-riding the-the-the lightning. Riding in the...

**Audience:**

[laughs]

**Justin:**

Is that a thing? Please tell me that's-if it's a thing. Okay.

**Griffin:**

No, he's riding the lightning.

**Travis:**

All the heroin users out there in our audience. [crosstalk]

**Griffin:**

Straight up H's, we need your help.

**Justin:**

H-heads.

**Griffin:**

H, H...

**Travis:**

That was a test. You passed.

**Audience:**

[laughs]

**Griffin:**

We have Smacko.

**Justin:**

We have sky marshals in the audience. I, I think we have two of those and one of these. So maybe do another one of those.

**Griffin:**

Yeah, sure.

**Justin:**

Got to move quick though. These people got things to do.

**Griffin:**

This one's sent in by Peter Ermsten. Thank you, Peter. It's by Yahoo Answers user Aduielle, who asks, "My riding instructor told us we need to touch the horse's vagina before we can ride it?" The horse's front butt. "Before we can ride it? That makes no sense to me at all. Is there any truth to this?"

**Audience:**

[laughs]

**Justin:**

I mean, it's gonna run faster.

**Travis:**

Before you ride a horse, you got to earn its trust.

**Justin:**

Yeah.

**Griffin:**

You think?

**Audience:**

[laughs]

**Griffin:**

We are, we are on a stage right now, a theatrical stage.

**Justin:**

Yeah.

**Griffin:**

With the, the, the poet of-

**Justin:**

Take that.

**Griffin:**

... of the spheres.

**Justin:**

Yeah.

**Griffin:**

Lording over us. What if we just did a quick performance of *Equus*, like, right here on this stage!

**Justin:**

Yeah, that would be cool.

**Griffin:**

Uh, I don't know who we're going to get to play the horse, as I will have to...

**Audience:**

[laughs]

**Justin:**

Volunteers? No? No one from the audience? *Equus* is-

**Griffin:**

No! This is not the proper- we've never done audience participation in this show. But when we do, it will almost certainly not involve one of us touching a front butt.

**Audience:**

[laughs]

**Griffin:**

*Almost* certainly.

**Justin:**

Almost certainly.

**Griffin:**

I'm going to leave a small margin.

**Travis:**

95, 96% chance.

**Justin:**

Yeah.

**Griffin:**

You're right. Justin, the horse will go faster. I imagine. Uh, because horses are very long.

**Travis:**

But what [crosstalk] the circumstance where the horse goes, "Listen."

**Griffin:**

A talking horse.

**Justin:**

A talking horse.

**Travis:**

Well, yes.

**Griffin:**

He'll give you-or *she* will, because dude horses don't have vaginas.

**Travis:**

They have front butts.

**Griffin:**

Characteristically.

**Justin:**

They both have front butts, but go on.

**Audience:**

[laughs]

**Griffin:**

Different castes.

**Justin:**

Right. Castes of front butt.

**Griffin:**

Different genres of front butt.

**Justin:**

Okay. Good.

**Audience:**

[laughs]

**Travis:**

It'll be more this look.

**Griffin:**

I think it'll be a little bit more incredulous than that. I think they'll give us, like, a "Hey." Like, here's what's up. Horses are, are very long. They're very long creatures. Most equestrians, extraordinarily long.

**Justin:**

Okay.

**Griffin:**

They don't know their left hand, or in this case, front half doesn't know what the back half is doing. So if some-like, if a human hand touches their vagina-

**Justin:**

Front butt.

**Griffin:**

Front butt...

**Audience:**

[laughs]

**Griffin:**

If they feel, like, human grasp on their front butt, like, "Whoa!"

**Justin:**

"Whoa!"

**Griffin:**

"What is that fe-, what is that sensation? I think that, I think it's gonna, I think somebody's on to something.

**Travis:**

Just real quick, though, to break that down, uh, with the whole separation between the front and the back.

**Griffin:**

Mm-hmm.

**Travis:**

You're saying that if a human hand touches it, it doesn't register as horse masturbation. And they don't know what's going on.

**Griffin:**

Not to the horse. Okay. Have you seen a horse?

**Travis:**

Yes.

**Griffin:**

You have seen a horse?

**Travis:**

Yes.

**Griffin:**

Is there any...

**Travis:**

Please demonstrate.

**Griffin:**

No, I'm not going to-[crosstalk] A horse is on all fours. Okay?

**Justin:**

Okay. Well-

**Audience:**

[laughs]

**Travis:**

Okay. So you're a horse.

**Justin:**

Okay. So you're a horse.

**Griffin:**

I'm a horse!

**Audience:**

[laughs and applause]

**Travis:**

So you're a horse in this circumstance.

**Griffin:**

This is it, right? But the neck is longer. So the neck is-

**Justin:**

Okay. So, I'm, I'm a girl. I'm a 13-year old girl who's, like-

**Griffin:**

So fucking-

**Justin:**

[unintelligible] This will be fine.

**Audience:**

[laughs]

**Justin:**

This'll be fun.

**Travis:**

No, be cool. Be cool.

**Griffin:**

So I'm a horse, right?

**Justin:**

This is the hand of a 13-year old girl, right?

**Griffin:**

So I'm right here? Like, I'm a horse.

**Travis:**

Uh-huh.

**Griffin:**

My neck is even longer than it is, so you guys are going to have to use your imagination.

**Audience:**

[laughs]

**Travis:**

Okay, so, like, this is [crosstalk]-

**Justin:**

His head is right here. Okay?

**Griffin:**

And here's the stable master. And the stable master, very gently-

**Travis:**

Are we cool?

**Justin:**

Okay. We're cool? [crosstalk]

**Audience:**

[laughs]

**Travis:**

And he's a horse [unintelligible].

**Justin:**

Okay. [crosstalk] I haven't even touched you yet.

**Travis:**

[unintelligible]

**Griffin:**

Damn it.

**Justin:**

Sell it! Sell it, Vicky! Sell it!

**Griffin:**

What's going on? Where's that? Is that a hand?

**Justin:**

[screams loudly]

**Audience:**

[laughs]

**Griffin:**

Ladies and gentlemen, *Equus*.

**Audience:**

[laughs and cheers]

**Justin:**

Thank you. Hey, uh, I want to hear, I want to hear Griffin's last question.

**Griffin:**

Fuck.

**Justin:**

Uh, real quick. Um, Heather, Jen, and Kevin. Are you guys here? Heather, Jen, and Kevin? Hey, uh, Evan sends his love from Germany. And he says we owe you guys some hugs. So make sure you-

**Travis:**

Make sure to find us.

**Justin:**

... collect on that.

**Travis:**

We'll give you guys some hugs.

**Justin:**

Speaking of finding us, we're gonna go over to Arnold's after this.

**Griffin:**

It's the best fucking bar ever.

**Travis:**

Yes, Arnold's, Arnold's Bar and Grill. Check it out.

**Justin:**

They opened just for us.

**Griffin:**

You got an address on that [crosstalk] for people without iPhones?

**Travis:**

It's on 8th Street. Just go down that way.

**Griffin:**

Yeah. We're gonna to-

**Travis:**

Just be cool. Come on.

**Griffin:**

I'm gonna say straight up from the top, I am not... If you buy me a drink, I will throw it in your face.

**Justin:**

[laughs]

**Griffin:**

The last three hotels I've stayed at, this is not a joke, in a row, three hotels in a row, I have, like, projectile vomited at because of, uh, Maximum Fun listeners who are so great, uh, buying me drinks, and getting me, like, just wrecked. So, I appreciate the sentiment, but, um, I'm, I'm cool.

**Audience:**

[laughs]

**Justin:**

Oh, yeah. He's cool. Uh, we've got a, a merch table outside. Uh, buy... You can buy posters there and our, our friend Felicia Gillespie is still here, I'm assuming.

**Griffin:**

Let's give it up for fucking Felicia Gillespie!

**Justin:**

Right?!

**Griffin:**

Jesus Christ!

**Travis:**

She fucking killed it.

**Audience:**

[applauds]

**Justin:**

So buy, buy her CD, buy our poster, um, and we, we super appreciate that, and we'll be happy to, like, sign them, if you want or whatever. They're all signed and numbered by Justin Russo, who-

**Griffin:**

It's this, it's this guy right here.

**Justin:**

Yeah, Justin Russo made this, this poster. He's amazing. He signed all these and numbered them. There's only a hundred in existence, so-

**Griffin:**

On the planet.

**Travis:**

On the whole planet, there's a hundred, so you wanna get those-

**Travis:**

In the universe.

**Justin:**

In the whole universe, there's a hundred. Thank you to, um-

**Griffin:**

And the Bradi-verse.

**Justin:**

Yeah.

**Griffin:**

And the Donny-verse. All the splinter universes.

**Justin:**

Thank you to, uh, Clint McElroy, our emcee. He was great.

**Griffin:**

Yeah!

**Audience:**

[cheers and applauds]

**Griffin:**

Thank you for [crosstalk] providing-thank you for providing the seed which found purchase...

**Justin:**

Ugh.

**Audience:**

[groans]

**Griffin:**

What?!

**Audience:**

[laughs]

**Justin:**

Thank you to [crosstalk].

**Travis:**

Can we not talk about our dad's seed?

**Justin:**

Yeah.

**Travis:**

For once?

**Justin:**

Sydnee and Rileigh and Teresa. I guess they're working the merch table. Thank you to them. Um, make sure you find your posters and... Hey, number one, thank you guys so much.

**Griffin:**

Fucking Jesus.

**Justin:**

You guys are the fucking best.

**Griffin:**

We said some shit up here that was straight up not funny that you laughed at.

**Audience:**

[laughs]

**Justin:**

What's up? That was a test, a test of wills. And you, you lost, but we appreciate it the win.

**Griffin:**

But the, but the friendship test, you passed.

**Justin:**

Flying colors. Flying colors. Griffin, hit me with the last question.

**Griffin:**

This final question was sent in by Nafariosity. It's by Yahoo Answers user Stormy Weather who asks, "If you could take a walk on the sky, would you do it with a smile?"

**Audience:**

[laughs]

**Justin:**

I'm Justin McElroy.

**Travis:**

I'm Travis McElroy.

**Griffin:**

I'm Griffin McElroy.

**Justin:**

This has been *My Brother, My Brother and Me*. Kiss your dad square on the lips.

**Audience:**

[cheers and applauds]

[theme music plays]

**Justin:**

Thank you guys.
