Travis: Hello.

[crowd cheers]

Travis: My name is Travis McElroy and I'll be your GM for the evening.

[crowd cheers]

Travis: The year, 1900. The place, San José.

[crowd cheers]

Travis: The feeling? Spooky as shit.

[crowd cheers]

Travis: Sarah Winchester.

[crowd cheers]

Travis: Sits in her sprawling yet uncomplete manor house. That's right, I said uncomplete.

[crowd chuckles]

Travis: Don't worry about it. She's crocheting, or reading a book, or whatever.

[crowd chuckles]

Travis: There's electric lights, or gas light. I'm not sure which, which is really appropriate if it's gas light.

[crowd chuckles and cheers]

Travis: She probably has a cat, 'cause that feels right. Suddenly, a ghost appears in the room. Sarah looks at it non-plussed.

Sarah: Well, shit... This again? I've had enough of this! I guess it's time to call... the Spirit Breakers!

[crowd cheers]

[Spirit Breakers theme music plays]

[crowd cheers]

Travis: You know, I didn't know how I was gonna feel about it on stage, Griffin, it's worse!

Aabria: [laughs]

[crowd laughs]

Griffin: [muffled] What'd you say?

Aabria: [chuckles]

Travis: This is gonna make for a great show!

Clint: Now they know it's Griffin!

Travis: Yeah, Griffin can neither hear nor speak. Welcome to our audio podcast!

Aabria: [laughs] Oh, he's...

[crowd chuckles]

Justin: Put it in your mouth, coward!

Griffin: It's inside.

Aabria: You guys, there's a smell.

Griffin: There's a smell—

Travis: There is a smell.

Griffin: Oh, I'm sorry, Aabria, is the smell bad out there?

Aabria: Don't look at me! Don't look at me!

Justin: [laughs]

Travis: People at home, Griffin is dressed as, what his shirt says is, Gooper.

Aabria: Gooper!

[crowd chuckles]

Travis: You know what? We're gonna start with Griffin and get it out of the way. Griffin, tell us about your character.

Aabria: [chuckles]

Griffin: Yeah, I'm Gooper, y'all!

Aabria: [laughs]

[crowd cheers]

Aabria: Perfect.

Travis: Can you tell us a little bit about Gooper's whole deal?

Griffin: You know Slimer from Ghostbusters?

Travis: I'm aware.

Griffin: ...

Travis: Okay!

Aabria: [laughs]

[crowd laughs]

Travis: On the nosey is what he's signaling to me on our audio podcast!

Griffin: Yeah, man! [chuckles]

Aabria: [laughs]

Travis: Okay, now, also—

Griffin: How much did the mask cost? I'm so glad you asked, Travis.

Aabria: [chuckles]

Justin: [chuckles]

[crowd chuckles]

Griffin: It wasn't cheap. But for San José, money is no object!

[crowd cheers]

Travis: Now, here's what's also great, as I'm sure many of you know, we had to reschedule this. I know Griffin bought that mask...

Griffin: It's been sitting in my closet for seven months, scaring the shit out of me every time I went into it.

Aabria: I hate it.

[crowd cheers]

Aabria: It's bad.

Travis: Also, joining us along with Griffin's mask stink, is Aabria Iyengar. Hello, Aabria!

Aabria: Hi!

[crowd cheers]

Travis: Now, we failed to tell Aabria—

Aabria: Hold on, no, no, no, I'm gonna do it!

Travis: Okay.

Aabria: Hey, so, I've been a fan of the podcast for years, but I've never been to a live show and I didn't know you mother fuckers dressed up.

[crowd laughs]

Aabria: So, I have a desperate request. If anyone brought any like taco-like apparel... does someone have a hat I can borrow?!

Travis: Yeah, right there, perfect!

Aabria: Thank you!

[crowd cheers]

Clint: [laughs]

Justin: [laughs]

Travis: Literally, Amanda and I, when Aabria was like, "I don't have a costume," Amanda and I were like, "We can get you a taco hat."

Aabria: [chuckles] Hey, if anyone has any like notes about costuming, just throw them on stage and I'll do my best.

Travis: Okay, Aabria, tell us about your character!

Aabria: I'm playing Matilda, a mistrusted town witch in San José.

[crowd chuckles]

Travis: Uh-huh? I love, by the way, I love that that is— we're playing, by the way, The Beast, which is a one-page RPG by Grant Howitt and Chris Taylor.

Aabria: Yeah!

[crowd cheers]

Travis: You can find it on Drive Thru RPG, that's where I got it. But it is very simple and very wonderful. But that is one of the backgrounds that I love. And I love that it's mistrusted town witch, because it implies that there's a town witch in San José that everyone's like, "Oh, yeah, go! Go there!"

Aabria: There are several witches, and I am not the A-tier witch.

Travis: I want to know why are you mistrusted?

Aabria: I have a lot of unpopular opinions.

[crowd chuckles]

Travis: Oh, boy!

Aabria: About bullfrogs.

Travis: Okay?

Aabria: And astronomy.

Travis: And what?

Aabria: Astronomy!

Travis: Astronomy.

Aabria: No, astrology! The one that I— [laughs]

[crowd chuckles]

Griffin: No, no, you—

Travis: No, no, no.

Clint: No!

Aabria: Astronomy. I don't believe—

Travis: I'm saying it's flat, guys! [chuckles]

Aabria: I don't think there's a moon!

[crowd laughs]

Aabria: I don't think there is one. I think that's fucking nothing.

Travis: I love that.

Griffin: That is a very bold witch position.

Aabria: Yeah!

[crowd chuckles]

Travis: Negating the existence of the moon! [chuckles]

Aabria: It's not real!

Griffin: [chuckles]

Justin: [chuckles]

Travis: All right, now, dad, tell us about your character? This is Clint McElroy, by the way.

Aabria: [cheers] Whoow!

[crowd cheers]

Travis: Oh, man—

Clint: Thank you for asking me, Trav!

[crowd chuckles]

Clint: I...

Griffin: It's so hot in here. I didn't bring any dice, guys.

[crowd chuckles]

Justin: [chuckles] I got dice, hold on.

Clint: I am the—

Travis: Do you need dice, Griffin? Yeah.

Aabria: No! Don't make him nod!

Clint: No, please nod!

Travis: It spreads the smell!

Clint: Nod! Right now, Justin is feeding die into Gooper's mouth.

Travis: Yeah, Gooper's face is a dice tower!

[crowd chuckles]

Clint: I am the perplexing Johndy.

Griffin: John D.?

Clint: John D.— J... yeah, nobody else had to spell their names!

Griffin: Mine says it on my fuckin' shirt, man!

Clint: Well, you did 'cause you put it on your shirt!

[crowd chuckles]

Clint: John D. is a psychic pretending to be a fake psychic.

[crowd chuckles]

Clint: Who is in turn posing as a real psychic. Posing as a fake psychic.

Travis: This is like if Psych and The Mentalist had a child, it would be John D.

Clint: Yes.

Travis: Excuse me, Johndy. It's not John D.

Clint: No, it's... Johndy.

Griffin: [chuckles] Okay.

Aabria: You have to spell it.

Clint: It's not John D.

Travis: No, that would be weird!

[crowd chuckles]

Griffin: I'm taking off the fuckin' mask.

Aabria: No!

Clint: No!

[crowd cheers]

Travis: It was Griffin the whole time!

Clint: [chuckles] Oh!

Travis: We'll get back to— oh, there we go. Okay, now, Justin, tell me of your character.

Justin: Oh, me? [chuckles] I'm Clint McElroy!

[crowd cheers]

Aabria: Unreal.

Justin: I've walked the planes and my... my newest shift with my team— I shift once every 20 days, I shift planes. And I have 20 days in order to help the plane that I'm in. And I'm on day 19 and I haven't helped this plane.

Travis: Oh boy.

Justin: And my team is getting pretty worried. I have a team. In the spinoff, I have a team.

Travis: Yeah.

Justin: And they're in the Clint van. I have my tools... My mop, Cleanda Ronstadt, and...

[crowd chuckles]

Aabria: [chuckles]

Justin: I call these my scryfocals. They're glasses that can see ghosts or whatever.

Travis: Hey, Justin?

Justin: Yeah?

Travis: Just as me, as your brother, I want you to know, that is amazing channeling dad, what he would name those things. I fuckin' love it so much.

Griffin: I got chills.

Justin: Yeah, yeah, I'm going deep. I'm going deep.

Travis: Yeah. Hey, man? Don't go too far!

Justin: Yeah, I know.

[crowd chuckles]

Travis: I'll give you the kick to come back, if I need to!

Justin: Yeah.

Travis: Okay.

Justin: When I start talking like Christopher Lloyd, just...

[crowd chuckles]

Clint: You're already my favorite character in the show!

Justin: Yeah, I don't blame you.

Travis: I thought we were gonna say favorite son.

Griffin: [chuckles]

Aabria: Yeah.

[crowd chuckles]

Clint: I think that's been established.

Aabria: I've been gunning for that spot for a year and a half.

Griffin: Good luck!

Aabria: [chuckles]

Griffin: You have probably played more sports than the rest of us combined! [laughs]

[crowd chuckles]

Justin: Put together, yeah!

Clint: Yeah, I announced to her earlier this evening. She's my new favorite.

Aabria: Yes!

Griffin: All right, all right.

Aabria: I got a little pin of you!

Clint: Yeah!

Travis: All right. This has gone off the rails already, we're on minute nine.

[crowd chuckles]

Travis: So, you enter the house of Sarah Winchester. Winchester House, thank you, Paul. Ooh!

Clint: Ooh!

Aabria: Ooh!

Travis: And this is— I don't know if you guys know this, a real place.

[crowd chuckles]

Travis: You can go to it now, it's next to a shoe carnival, I think.

Clint: TM, TM, TM.

Travis: No!

Griffin: You can't TM the Winchester House?

Clint: Right, sorry!

Justin: Or shoe carnival, for that matter!

Clint: [chuckles]

Griffin: [laughs] What were you trying to trademark, Mac?!

Justin: [laughs] Next to—

Travis: You know what TM means, right? It's not Travis McElroy!

Clint: Travis McElroy.

Travis: No!

Clint: Yeah!

Aabria: [laughs]

Justin: He's trademarking the idea of adjacency! The two are next to each other, that's a Clint McElroy idea.

Aabria: [chuckles]

Travis: So, you approach. You enter. Sarah Winchester welcomes you in.

Sarah: Hello!

Griffin: Even me?!

Travis: Yeah!

Justin: [laughs]

Griffin: Sarah Winchester sees that coming in through her front wall—

Travis: Now, here— now, Griffin, I want you to know, so far, we haven't discussed this off mic. Are you— you're a real ghost, right? You're not just a man wearing a shirt that says Gooper and a mask?

Aabria: [laughs]

Justin: [laughs]

[crowd laughs]

Travis: You have to know what I've seen so far! And now, tell me what Sarah Winchester sees.

Aabria: Use your imagination!

Travis: I can't!

Griffin: Are you familiar— are you— are you familiar of the phenomenon of Slimer from Ghostbusters?

Justin: [laughs]

Travis: I've heard of him.

Griffin: A lot of times on these shows, people kind of try to obfuscate the creative inspiration for their characters...

Clint: By naming them something similar but not the same?

Griffin: No, by like doing other shit. But then it's like, "Oh, that's definitely, you know, Jack Sparrow or whatever."

Justin: [laughs]

Griffin: I'm Slimer from Ghostbusters, but with a different name.

[crowd chuckles]

Justin: [hysterical laughing]

Travis: Okay—

Griffin: Justin's playing as dad, so what— where's the god damn bar—

Travis: You've heard— you've heard our brother! Look at him holding his literal sign!

Justin: I'm technically not dad, I'm Clint McElroy. [chuckles] Just, I don't wanna quibble, but—

Clint: Wait a minute, did the blood work come back?

Griffin: I sludge through the wall like a nasty fuckin' freak.

Travis: And she says:

Sarah: Oh! That's a wonderful special effect!

Matilda: Special effect? It's 1900, what does that mean?

Sarah: Well, I'm very scientifically minded! Ghosts are... a manifestation. Listen, it's fun—

Gooper: Ugh! Explain me!

Justin: [laughs]

Sarah: Well, you're clearly some—

Aabria: I push my hand through his chest.

Gooper: Whoow!

Sarah: Yes, illuminated swamp gas.

Gooper: Are you seeing this?!

Johndy: Wait, wait, wait, wait! Wait, excuse me. Extremely handsome man—

Sarah: I've eaten a lot of laudanum today!

Aabria: [chuckles]

Johndy: I'd like this extremely handsome man to use... his scry bones to see—

Travis: Hey, dad? You have to let Justin be a different person than you so that my show can move forward.

Aabria: [laughs]

Travis: Which is a weird sentence that I got freaked out by halfway through.

Griffin: Yeah, sure.

Justin: Okay—

Aabria: [laughs]

Clint: Don't your goggles see ghosts?

Justin: Well, yeah, but we're just talking to a human being right now. And then we'll definitely look at the ghosts later.

Sarah: And we can all see this apparition!

Justin: Maybe it shoots lasers out of 'em, I haven't quite figured it out. It depends on how the show goes. Hey, so— wait, hold on.

Clint [PC]: So, you're into science, huh?

Sarah: Oh, yeah!

[crowd chuckles]

Clint [PC]: I find that really sexy.

Justin: [laughs]

Griffin: [laughs]

[crowd laughs]

Clint: Man! That's me!

Sarah: Listen! Listen, I'm a happily widowed woman!

Aabria: [laughs]

Clint [PC]: Oh, well... [laughs] I guess no Clint McElroy— [laughs]

Aabria: [laughs]

[crowd chuckles]

Griffin: [laughs] I didn't think you two could make the energy at your table worse than the energy at this one.

Aabria: Truly, right?! We're the normal table now.

Justin: [laughs]

Travis: Justin's crying!

Aabria: He's crying!

Travis: Justin is crying human tears!

Justin: I just hate ghosts so much! I'm sorry, I was just thinking about they're stuck on Earth and they have all this unfinished business. I find it really sad, it gets me worked up. Anyway.

Clint [PC]: What's your... what kind of problem are you having with ghosts?

Sarah: Listen... I am a rich widowed woman.

Clint [PC]: Mmm...

[crowd chuckles]

Sarah: Okay... And so, a lot of rumors about me have spread around town. People don't like that so much. And listen, we all engage in séances as a fun party game. It's 1900! Everyone does that and cocaine!

Johndy: They are not party games.

Matilda: Yes, we do.

Sarah: Séances?

Johndy: Séances are not party games. Séances are serious ways to commune with the choir invisible.

Sarah: I'm about to hire three of you. And that includes the ghost, my man!

[crowd chuckles]

Matilda: Yeah!

Sarah: So, watch your ass!

Johndy: Yes. I'm looking right at him. Or am I?

Sarah: Are you?

Matilda: What does that mean?!

Johndy: Fake psychic, real psychic, fake psychic—

Sarah: Yeah, but you're looking at the ghost?

Matilda: Yeah?

Griffin: Did you just say that part out loud?

Justin: [laughs]

[crowd chuckles]

Aabria: [chuckles]

Clint: Yes, as Clint McElroy— oh, wait—

Aabria: You heard him say that, right?

Clint: I can't say it as Clint McElroy.

Travis: No, you can! It's a separate guy!

Griffin: Oh, right.

Clint: Oh, god.

Travis: Okay, anyhoo.

Aabria: My immersion is fucked.

Sarah: So, I have been— Someone, I believe, is trying to terrorize me into believing that there are ghosts in my house.

Clint [PC]: Mm-hm.

Sarah: Which, obviously, doesn't make any god damn sense. So, I need you guy to go through and conclusively prove, "Oh, yeah, no ghosts in the house."

Clint [PC]: Is there anyone else who lives in the house?

Sarah: Well, yeah, there's... Well, there's my handy man, my gardener and my chauffeur. But they're like family to me. In fact, I've recently adopted them. Everyone, come in! This is, what I like to call, the Winchester Boys!

Clint: Oh, god, Travis!

Griffin: Travis...

Clint: Travis!

Travis: What's wrong?

Clint: The show's off the air, you don't have to kiss ass to—

Griffin: It's skipped a gear for 100 years, Travis.

Clint: You're not gonna get on it!

Travis: And this is—guys, I googled 1900s workers, and this is just what came up.

Clint: [chuckles]

Griffin: It's weird that the photography captured not grey scale for three—all right, man.

Clint [PC]: Has... Has—

Aabria: Have daguerreotype.

Sarah: Yeah, these... these are the Winchester Boys! This is, over here, you will see this is Sandy... and Deacon.

Clint [PC]: Okay.

Sarah: And Deacon's husband, Casual!

Griffin: [chuckles]

[crowd cheers]

Aabria: You can be so happy you found the exact right crowd for this show.

Clint: Yeah! Yeah.

Griffin: This joke doesn't work in many other rooms, I don't know.

Aabria: [laughs]

Justin: I'm completely lost, but that's really helping the character, actually.

Aabria: [laughs]

Griffin: [laughs]

[crowd laughs]

Clint [PC]: So, has Mr. Winchester been able to sus— sus the ghosts out?

Sarah: Dead!

Clint [PC]: What?

Sarah: He's dead! I said I'm a happily widowed—

Clint [PC]: Ooh, you hate to hear it, though. Hmph...

Aabria: [chuckles]

Clint [PC]: In your prime...

Travis: Hey, Justin, can I get— Justin, can I give you a quick note?

Aabria: No.

Travis: You're actually— that was too effective.

Justin: Yeah?

Travis: That was too good flirting, you need to crank up the awkwardness like 5%.

Justin: Okay, got it, yeah.

Travis: Yeah.

Aabria: [laughs]

Justin: No, this is— you mean if it was dad? It's not dad, it's Clint McElroy.

Travis: Right.

Justin: That's a different character.

Griffin: I float towards Sarah Winchester and I say:

Gooper: Sarah...

Sarah: Yeah?

Aabria: [laughs]

Gooper: It's me... your late husband.

[crowd laughs]

Justin: [chuckles]

Sarah: What happened to your accent?!

Gooper: Ooh...

Aabria: British, go British!

Travis: No—

Gooper: [in silly voice] Sarah!

Clint: [laughs]

Travis: No!

[crowd chuckles]

Aabria: Yeah, that's it.

Gooper: Sarah, it's me!

Sarah: You know that I can like see what you look like, right? You look nothing like my husband.

Gooper: When you're turned into a ghost, they change you.

Sarah: I thought you were southern?!

Gooper: [in silly voice] When you turn into a ghost...

Sarah: No, more like Georgia southern!

Gooper: [in silly voice] When you turn into a ghost, they change you, Sarah!

Sarah: No, more like—

Griffin: Fuckin' Travis!

[crowd chuckles]

Clint: [chuckles] Enough of your improv games!

Aabria: [laughs]

Justin: Griffin, you did so good, though! It was like playing with Fred Armisen. It was amazing!

Aabria: [laughs]

[crowd chuckles]

Gooper: I'm just... I'm just fuckin' with you. [laughs] You got any hot dogs?

[crowd chuckles]

Sarah: Yes, I have several hot dogs over there in the hot dog warmer.

Gooper: Thank you, Sarah.

Travis: And you see like those spinning— the wheel, yeah, just rolling along.

Clint: [laughs]

Sarah: Every manor house in 1900 had a hotdog warmer!

Clint: "It's right next to the slushie machine."

Travis: No! This is *my* world of imagination!

Aabria: [laughs]

[crowd chuckles]

Travis: It's a slushie tureen!

Clint: Ah!

Travis: You dip out the slushie!

[crowd laughs]

Clint [PC]: So, boys... have you seen any ghosts?

Travis: And Deacon steps up:

Deacon: Yeah! Yeah, we've seen ghosts! The ghosts have been everywhere! Right, Sandy?

Travis: Sandy steps up.

Sandy: Yeah...

[crowd chuckles]

Sandy: Yeah, we... we've seen ghosts!

[crowd chuckles]

Sandy: The ghosts... yeah!

Gooper: Just to be clear, different ghosts, right?!

Matilda: Aren't you technically a poltergeist?

Gooper: Technically, I'm sewage! Blah!

Clint: [chuckles]

Matilda: Okay...

[crowd chuckles]

Travis: And Casual steps up.

Casual: We've seen all kinds of ghosts. Yeah, that's right. The ghosts have been everywhere— [mumbles] different ghosts.

Matilda: Casual, you gotta announce.

Johndy: Yeah.

Casual: [yells] It's different ghosts!

[crowd laughs]

Clint [PC]: No.

Casual: [yells] All ghosts are ghosts!

Johndy: No, that's projecting.

Casual: It's been different ghosts.

Johndy: Yes.

Matilda: [chuckles] Perfect.

Casual: [in silly voice] All kinds of ghosts.

Clint: [chuckles]

Griffin: I'd like to roll a dice.

Travis: Oh, okay.

[crowd cheers]

Griffin: To see if I can figure out—

Travis: If we must.

Griffin: Why these three are being so fuckin' weird... right now.

Aabria: Can I help with this roll?

Travis: Yeah, how many—

Griffin: Maybe you should just do it, because—

Aabria: No, you do it.

Griffin: Well, it's not Gooper's strong suit. [laughs]

Aabria: [chuckles]

Travis: Tell me exactly what you're looking for.

Griffin: Why are these three adult men being so fuckin' weird right now?

Clint: What are your four skills?

Travis: Okay...

Griffin: So, I roll a—

Travis: Well, what are your skills as Gooper?

Griffin: Track, charm, heal, shoot.

Travis: It's none of those!

Clint: None of those!

Travis: Okay, roll one D10.

Griffin: Okay.

Aabria: Could I help him?

Travis: No.

Aabria: I have watch.

Griffin: Oh, this is—

Travis: Then you do it.

Gooper: We should look at them!

Aabria: [laughs] Who was that?

Travis: Hey, Griffin?

Clint: That was Scooby!

Travis: You're starting to touch into like a Gungan kind of territory there.
[chuckles]

Aabria: [chuckles]

Clint: [chuckles]

Griffin: It felt kind of Yoda-y.

Travis: Yeah!

Griffin: I'll pull it back off, you're right.

Aabria: All right, how many do I roll?

Travis: Two.

Aabria: Prefect.

Griffin: Ooh, yeah.

Aabria: Two 9s, baby...

[crowd cheers]

Aabria: Thank you!

Travis: We tied.

Griffin: Tied?

Aabria: We tied?

Travis: It's a hard one, so I rolled three. We got 18. So, wait, so, here's what I'll give you, they are clearly attempting to like not answer the question fully, right. But they're trying their best to like answer as best they can. But you don't know exactly what it is that they're—

Griffin: That was nothing.

Travis: They're hiding something!

Griffin: They're hiding something?

Travis: You don't know what.

Griffin: Yeah!

Aabria: What is their... what's their vibe about the actual ghost next to us having a conversation?

Griffin: So far, everyone's been pretty chill about it.

Travis: Hey, Griffin?

Aabria: So normal!

Travis: Roll three D10.

Griffin: What is this?

Travis: Just roll it.

Griffin: 12.

Travis: Okay, yeah, everyone's pretty freaked out, but trying to be cool.

Griffin: Oh, okay!

Aabria: Oh, okay.

[crowd chuckles]

Travis: Like, Sarah Winchester, she's older, her freaked out is like, I don't know, I've seen some shit.

Griffin: Right.

Travis: Right? So, but like the—

Griffin: Worse than...

Travis: Yeah.

Griffin: Okay.

Travis: No, they're more freaked out by you.

Griffin: Okay— no, the mask that I'm pointing out on the other side—

Travis: Oh, yeah, no. She's a little freaked out. They are scooting in— like, they're inching away from you.

Griffin: That's the normal— that's what I've come to sort of expect.

Travis: But now let me say, how you've presented yourself so far, it's hard to tell if that's as—

Griffin: Not great, I did pretend to be their dad.

Travis: Are you a ghost or are you just... the worst? [chuckles]

Griffin: [chuckles] Yeah.

[crowd chuckles]

Sarah: So, here is what I propose. Sarah Winchester, this is me, Sarah Winchester again.

Matilda: Mm-hm.

Gooper: Thanks for that!

[crowd chuckles]

Sarah: Okay. Just head up to the séance room, that's where most of— it's supposed to be the science room and they misspelled it, am I right? These workers today...

Gooper: What are you talking—

Clint [PC]: The séance room, but they misspelled it. It's the science room, but they misspelled it.

Sarah: Thank you very much! Laudanum—

Clint [PC]: Séance room, I thought it was really funny, Sarah. May I?

[crowd laughs]

Johndy: If the—

Sarah: May you what?! Wait, no, stop!

Aabria: This is wild.

Clint [PC]: Call you Sarah, is that—

Sarah: That's my name! Don't wear it out!

Gooper: You're cool!

Clint [PC]: I'll try to— I'll try to—

Clint: I'm not that bad!

Justin: I'm not you!

[crowd laughs]

Aabria: [chuckles]

Justin: I'm Clint McElroy!

Travis: Okay!

Justin: A character that is a wholly owned trademark—

Griffin: Of Justin McElroy.

Justin: Of Justin McElroy, and The Adventure Zone Incorporated!

Aabria: [laughs]

Sarah: So, you need to get the key to the séance room from my room, from my bedroom.

Gooper: That seems unnecessary—

Clint [PC]: Oh, wait, hold on.

Matilda: Hold on!

Clint [PC]: Where's the key?

Johndy: Oh no!

Matilda: Hey, I'll go get it.

Clint [PC]: I'll go get it.

Matilda: How about you don't go?

Clint [PC]: It's all right, it's fine. I'll go, I'll dig through every drawer you have until I find exactly what I need. [chuckles]

Travis: Now, Justin, it is starting to border on libel!

[crowd chuckles]

Aabria: [chuckles]

Griffin: I'm liable to keep busting up over here if Justin keeps doing this great joke!

Aabria: It's wild being the one not related to any of you, not catching this heat... is crazy. [chuckles]

Griffin: [laughs]

[crowd chuckles]

Travis: Our dad's kind of a pervo.

[crowd laughs]

Aabria: [laughs]

Justin: Dad? No!

Clint: No! Clint McElroy!

Travis: Sorry, sorry, I mean Clint McElroy!

Justin: Clint McElroy!

Aabria: Yeah.

Justin: In my— if I may— in my interpretation—

Travis: [laughs] Griffin's O fell off!

Griffin: It says Goper now!

Clint: [laughs]

[crowd laughs]

Travis: Okay.

Sarah: Yes, the key. The key to the séance room is in my bedroom. So, of course, you'll have to make your way through my sprawling and complicated manor house. And listen, it wasn't supposed to be this sprawling. But workers today— and I went with the cheapest quote!

Matilda: You get what you get.

Sarah: Exactly, thank you! And you don't bid your fit.

Aabria: [chuckles]

Sarah: But don't worry—

Matilda: I like you!

Travis: Everyone, don't worry. I know that the Winchester mystery house can be very confusing, so, I prepared—

Matilda: You call it— you call your home—

Travis: No, this is Travis talking. This is Travis.

Aabria: Okay! [laughs]

Travis: You can see 'cause I seamlessly switch between voices. So, I prepared a map for you!

Griffin: Great.

Clint: I knew it!

Griffin: Travis!

Clint: I knew it!

[crowd cheers]

Justin: Okay, so, Travis, what you've presented here is, appears to be, yet again, the map from Clue.

Travis: No!

Clint: No!

Aabria: No!

Travis: At the bottom, you will see this is an exact and perfect map of Winchester... I think that says mystery house? Winchester House, circa 1900.

Aabria: Perfect.

Travis: An original designed by Travis McElroy, TM, TM, TM.

Justin: Now okay, just for the audio purposes, where the Clue logo should be, you previously erased it and wrote 'the toilet or whatever.'

Aabria: [chuckles]

Justin: And now, you've scratched out 'the toilet or whatever' and written—I can't make it out?

Travis: The séance room.

Justin: The séance room, okay.

Travis: Now, listen, also, the map here... Ugh, the Winchester House is so confusing. All of these rooms are linear, and I have that line here. So, you don't even need to worry about the map, really.

Justin: Okay!

Griffin: You just— it's a fun sidegag— who am I to fuckin' talk though, right?

Aabria: [laughs]

[crowd chuckles]

Travis: Yeah, Goper!

Griffin: I spent a lot of money on a Slimer mask I put on for four minutes.

Aabria: [laughs]

Griffin: Before I had a heat stroke.

Clint: We still have a second act!

Griffin: You're right.

Justin: Griffin kept furiously checking to see how many tickets have been sold for this show, like, "Eh! Well, okay."

Griffin: [laughs]

Justin: "Well, we might... might clear it?"

Griffin: Okay, I say:

Gooper: Well, no key necessary for me, I'll just splorp up through the ceiling!

Sarah: I put a lot of lead in the walls...

Gooper: Ow! Fuck!

Sarah: Yes...

Matilda: [chuckles] Oh no...

Gooper: You had to say that faster! I was already splorping!

Sarah: Sorry!

Gooper: Why are you talking like me?

Sarah: No, this is just how I sound! I'm an old lady!

Gooper: We're both kind of Bobcat Goldthwait!

Sarah: Yeah! And I'm smearing my makeup all over the place!

Griffin: [chuckles] You look fuckin' wild, Travis!

Travis: Yeah!

Johndy: Now, to be fair, you're not really that old.

[crowd chuckles]

Matilda: What?!

Johndy: Oh! Wait, sorry, yeah. Oh, yeah.

[crowd laughs]

Justin: Okay, I don't like that. That's weird, dad.

Clint: Sorry.

Justin: It's weird—

Sarah: Okay, so—

Clint: Apologies, apologies! Apologies.

Sarah: Head on into the entry way! If you need help, just call out for my boys! My newly adopted sons, the Winchester Boys.

Johndy: I don't remember what they look like, could we see the picture again?

Matilda: One more time.

[crowd laughs]

Johndy: Ah, there.

Griffin: Ah, fantastic.

[crowd cheers]

Johndy: Okay, we need the map again now, yeah.

Aabria: Hey, can I get a little like ring check on the Winchester Boys?

Travis: A ring check?

Aabria: Yeah. Are they available?

Griffin: Two of them are married to each other—

Aabria: Oh, I'm sorry—

Travis: I straight up said—

Aabria: Are your dad and your brother the only ones allowed to flirt with you?!

Clint: [laughs]

Travis: Deacon and Casual are married.

Aabria: Okay?

Travis: But Sandy is single.

Aabria: Copy that.

Griffin: And a mess!

Clint: [laughs]

Aabria: I can fix him!

Clint: [laughs]

[crowd laughs and cheers]

Aabria: Done.

Clint: [laughs]

Aabria: We have a goal.

Travis: His girlfriend did recently die in a mysterious fire.

Aabria: [laughs]

[crowd chuckles]

Griffin: What if that's why you're the mistrusted town witch, is not because of your magical practices, but because you're just a little bit messy.

Aabria: Yeah!

Clint: [laughs]

[crowd cheers]

Travis: Yeah, no, listen, her magic? Spot on. Her choice in men? Questionable.

Griffin: Rough.

Aabria: Fair.

[crowd laughs]

Clint [PC]: So, what... I'm new to this plane. What do you all think should be our plan of attack?

Travis: Well, here in the entry way, you have two direct options. You can take the ladder down to the basement. Or...

[crowd chuckles]

Griffin: Great.

Aabria: Did you put the word ladder on there?

Travis: Well, Paul did. Paul said, "I'm afraid of getting confused," so he labeled the photos.

Griffin: That could be... that could be train tracks. That could be a transparent PNG of train tracks.

Aabria: You're right, you're right!

Travis: Or you could stay on this first floor and head to the kitchen.

Griffin: Okay. No picture—

Clint: Is there a picture we could—

Travis: Well, not until you go there! I don't want to spoil it.

Griffin: It's like a room where a lot of food happens, okay, got it, good!

Travis: I don't wanna spoil it.

Johndy: Let us go to the kitchen.

Griffin: That's not...

Gooper: What do you think psychic is?!

[crowd chuckles]

Justin: [chuckles]

Johndy: You... are a jerk.

Justin: Whoa!

[crowd laughs]

Justin: Hey...

Travis: Once again—

Johndy: How's that for psychic?!

Aabria: That's... that's just context clues!

Gooper: It's not, it's an observation about the present!

Johndy: It seems to me that the latter is uncontaminated by evil.

Travis: Based on what?! Hey, dad? You can read it, by rolling dice. But you don't get to decide what's evil or not. I do!

Clint: All right. I... I'm going to look at the ladder and see if it's evil.

Travis: If the— okay—

Justin: Sorry, hold on!

Travis: Wait, sorry, yeah.

Aabria: [chuckles] Yeah.

Travis: If the ladder?

Clint: Yes.

Aabria: Yeah.

Clint: Yes. If the ladder— look at it!

Griffin: Let him roll.

Clint: It looks like it's made of bones!

Travis: Ash wood!

Clint: No. [chuckles] I'm the psychic here.

Travis: Okay! Roll...

Aabria: I don't think he knows what a psychic does.

Griffin: I don't think he knows what a ladder is!

Travis: I don't either!

[crowd chuckles]

Clint: Dionne Warwick, right?

Griffin: [laughs]

Travis: Dionne Warwick is not a ladder!

Aabria: [laughs]

[crowd cheers]

Clint: Because I know the way to San José! Thank you!

Justin: Well, no...

Griffin: That's...

Justin: Absolutely not.

Griffin: That's not what they're—

Justin: That was not a table slap—

Travis: Okay, Clinton, roll... you get one automatically, you are a psychic, you have background— roll three D10.

Clint: All right, wait... There's a 50, and 20... and a 2. So, 70—

Aabria: 9.

Griffin: 7!

Travis: 9.

Clint: 9, oh.

Travis: Thank you.

Clint: 9. It's a 9.

Aabria: Gotcha, bud. [chuckles]

Travis: Yeah, I rolled a 5. Barely beating you three dice 9! No, you win.

Clint: Yes, I knew I did.

Travis: So...

[crowd chuckles]

Travis: The ladder—

Clint: And I knew I was going to.

Justin: The ladder is evil?

Travis: The ladder is not evil.

Justin: Okay?

Travis: But there is a spectral... presence.

Clint: Mm-hm?

Griffin: Hey, you do a lot of these shows, right?

Aabria: Yeah!

Griffin: Do people usually spend that much time telling if like every inanimate object is good or bad?

Aabria: We kind of cut it in the edit.

Griffin: You cut it in the edit?

Aabria: Yeah.

Griffin: Oh, this is live.

Aabria: Yeah!

Clint: Oh.

Griffin: Okay.

Aabria: [chuckles]

Travis: There is a spectral presence on the ladder.

Clint: Oh, then we need to go to the kitchen.

Justin: Nice!

Aabria: What? After— okay—

Justin: Way to keep this breakneck pace going! [chuckles] I, Clint McElroy, hears 'evil ladder' and he just bounds right up it.

Travis: Down it.

Aabria: Down it. [chuckles]

Justin: Well, he bounds up it and bands his head—

Griffin: No, he somehow fell through the floor earlier and was downstairs!

Justin: Okay, so, he goes down it.

Travis: Okay! You find yourself in the basement, in the boiler room.

Griffin: By yourself?

Justin: Yeah, nobody followed me? I guess.

Clint: Aw.

Griffin: All right, cool!

Travis: The boiler—

Justin: I mean, you guys can come! But we're just standing, looking at an evil ladder. I just went down the ladder.

Travis: The boiler is fully going. Smoking, doing the whole thing. And you see a spectral presence shoveling coal and wood into it.

Justin: Ooh, a spectral presence... Okay, I'm gonna use my scryfocals to see what I can discern about this beast, with a... let's call this— I'm hunting it, which is one of my skills, hunting.

Travis: Okay!

Justin: Or sorry, strike is actually I guess the skill I'd be using here.

Griffin: You're just gonna fuckin' attack this thing?

Travis: Wait, no, hold on. You're gonna use your goggles to strike it?

Justin: [chuckles] No, sorry. Investigate! Is the word I was looking for. Investigate, yes, thank you.

Travis: Yeah! A big difference!

Aabria: [chuckles] He said every word!

Griffin: Every other skill! [chuckles]

Justin: If it's a mean ghost, I'm gonna hit it with my mop. But if it's a good ghost, then we'll see.

Clint: Let's be fair, he is playing like Clint McElroy.

Griffin: Yeah, he's crushing it!

Aabria: [laughs] Honestly, it's uncanny!

Clint: I mean, yeah!

Travis: Okay, J-man, roll... two D10, plus 2.

Justin: Okay... 6.

Travis: Okay.

Justin: 7.

Travis: Okay.

Justin: 13... 15.

Travis: I got a 5. So, you win. He seems to be pretty diligent about his job, he's whistling away.

Justin: Okay?

Travis: Doing a little dance as he's shoveling the stuff.

Justin: Okay.

Clint [PC]: Be calm, little friend. It's me, Clint McElroy.

Ghost: Oh, hey! How's it going over there?

Clint [PC]: Sorry, I didn't mean to... spook you.

Aabria: [laughs]

[crowd laughs]

Ghost: That's okay. I wasn't spooked nary a bit!

Clint [PC]: Oh, that's good to hear. Hey, are you the only ghost in the house?

Ghost: No!

Clint [PC]: Are there bad ghosts?

Ghost: I don't know about that. What do you mean? Do you mean by like the nature of man and whatnot?

Clint [PC]: Yeah... well, I mean, are there evil ghosts that would... harm people in the house?

Ghost: Oh, I don't know nothing about that! I know my friends, Rufus.

Clint [PC]: Uh-huh?

Ghost: Jannet.

Clint [PC]: Okay?

Ghost: Me, Sweaty Joe!

Clint [PC]: Okay. That's cool. Is there another house that you would like to go to?

Ghost: I'm sorry, what?

Clint [PC]: Do you wanna leave this house and... go to a different house?

Ghost: No?

Clint [PC]: Eh, dang it.

Ghost: I found a purpose here! Just keeping the whole house warm. No one was manning the boiler.

Clint [PC]: The sixth Mrs. Clint McElroy is upstairs and she needs me to get rid of all the ghosts in the house. So—

Griffin: [chuckles]

[crowd chuckles]

Ghost: I've never been— I ain't never bothered her none!

Clint [PC]: I know, I know, I know, it sucks. God!

Ghost: She don't even know I'm here!

Griffin: [laughs]

Clint [PC]: God, it sucks! It sucks. It sucks that people are like this, but sometimes, they are.

Aabria: [chuckles]

Clint [PC]: Argh, I hate it! But I do have to banish— [chuckles] I have to banish you.

Ghost: I sure wish you wouldn't!

Clint [PC]: Argh, ah!

Ghost: But if you must, I understand!

Clint [PC]: I gotta banish you, I'm sorry!

Ghost: Then I guess you need to help me finish my unfinished business.

Aabria: Ooh?

Justin: Wait, let me try— [chuckles] Let me try something real quick! And I pick up Cleanda Ronstadt and I strike the ghost.

Aabria: What?

Travis: Okay, Justin, roll three D10.

Griffin: He's just doing his job?

Travis: Just innocent men!

Aabria: No, he's gonna dry him off so he's not sweaty anymore.

Griffin: Oh?

Justin: Okay, 6, 9, 1. So, that's 16. Plus 2, 18.

Travis: Yeah, you swipe through him and he starts to fade away, and he goes:

Ghost: I just wanted one last dance!

[crowd exclaims]

Aabria: Aw!

Griffin: Aw...

Travis: And he's gone now. No, he's dead!

Justin: [chuckles] He was already dead!

Griffin: One down!

Aabria: Yeah!

[crowd laughs]

Justin: [chuckles] Hey, this is easy!

Aabria: [laughs]

Clint: You really cleaned up!

Griffin: Jesus Christ!

Aabria: Boo.

[crowd laughs]

Justin: Yeah. That was good.

Aabria: Boo!

Justin: That was really good.

Travis: Even Rachel— I just saw Rachel give a thumbs down!

Aabria: [laughs]

Travis: Like, our sound—

Justin: Rachel is employed by us! And she has booed you from the wings!

Aabria: [laughs]

Clint: Booed me?

Justin: I'm gonna talk— okay, is that another ghost thing?

Clint: And anything ghost thing.

Justin: So, I'm gonna talk to the mop.

Clint [PC]: Hey, are you okay in there, pal? I'm doing a catch and release thing, I'm gonna set you free next house I get to.

Ghost: And then we can dance?

Clint [PC]: Yeah, that sounds really nice, actually.

Clint: Aw.

Ghost: Slow dance?

Clint [PC]: We'll dance the night away, little ghost friend.

Ghost: Slow dance?

Clint [PC]: As slow as you need it to be.

Ghost: Real slow.

Clint [PC]: [chuckles] That sounds...

Aabria: [laughs]

Clint [PC]: That sounds real good. The slower the better in Clint McElroy's book, you know me.

[crowd chuckles]

Clint [PC]: You've heard—

Ghost: Yeah, I heard about you!

Clint [PC]: You've heard the stories.

Ghost: We've all heard about you!

Clint [PC]: Let's just say I make Sting look like an over-confident frat boy.

[crowd laughs]

Aabria: You've been here for 19 days, the rizz is unreal.

Griffin: [chuckles] It's outta sight!

Aabria: [laughs]

[crowd chuckles]

Clint [PC]: Well, every universe has tantric sex Sting, it's too funny!

Griffin: [laughs]

[crowd laughs]

Ghost: Oh, you mean the universal Sting!

Griffin: Whoa!

Aabria: [chuckles]

Griffin: [chuckles] You just threw a little horn on the wall as she just comes chiming in.

Travis: Mm-hm.

Aabria: [chuckles]

Justin: Okay, so I— somebody else do something.

Griffin: Yeah, that's one.

Travis: Are you heading back upstairs?

Justin: I'm not doing anything, I've banished a ghost—

Griffin: I'm going to the kitchen with my two friends.

Travis: Okay!

Aabria: Yes.

Travis: You enter the kitchen.

Aabria: Does Sandy also come?

Travis: No?

[crowd chuckles]

Clint: Well, she kind of—

Aabria: Hey, this is your imagination. Can you change that fuckin' answer for me?

Clint: [laughs]

[crowd laughs]

Travis: Let me form it this way...

Aabria: Thanks.

Travis: How do you ask him?

Aabria: Oh... I lean in, stirring my slushie, seductively.

[crowd chuckles]

Travis: From the tureen?

Aabria: From the tureen. Just top it off a little bit.

Matilda: We're going to the kitchen. You wanted to be a part of it?

Sandy: I don't know...

[crowd chuckles]

Matilda: I can't understand you, so—

Sandy: I've been burned before, my girlfriend was in a fire.

Griffin: [laughs]

[crowd chuckles]

Gooper: I hope she pulled through okay!

Aabria: [chuckles]

Johndy: There was a kiln explosion!

Sandy: No, man... I think it was the devil!

[crowd chuckles]

Johndy: Wait, here, hold on... It was!

Matilda: Ooh?

Gooper: He's good!

Matilda: [chuckles] Yeah! Stick with us, we'll... help. I'm losing the thread of this a little bit.

Travis: You know what? Roll...

Aabria: Can I roll with heal?

Travis: No.

Aabria: Cos I'm trying to fix him?

Griffin: Heal is so—

Clint: [chuckles]

Aabria: Thank you! Griffin understands my—

Travis: Okay, yeah, two D10.

Aabria: Thank you... 15. [chuckles]

Travis: I rolled 3!

[crowd cheers]

Sandy: Yeah, okay.

Travis: [chuckles]

Aabria: Sandy's fuckin' mine now. I'm adding him to my equipment.

Sandy: Can I—

Griffin: [laughs]

[crowd laughs]

Clint: [laughs]

Sandy: Can I...

[crowd cheers]

Sandy: Can I carry anything for you?

Matilda: Me!

Aabria: And I hop into his box.

Sandy: Okay!

[crowd chuckles]

Sandy: [panting]

Matilda: Perfect!

Gooper: I hope I take a lover on this adventure!

[crowd laughs]

Justin: I'm glad you guys have been reading my emails to the company! We need hornier adventures! It's like I keep telling you guys!

[crowd cheers]

Clint [PC]: I only have one day left in this plane and I gotta get—

Gooper: I've gotta spend the 19 days of my death—

Aabria: [chuckles]

Griffin: Oh, shit...

Travis: All right! It's going just as I've written.

Clint: [laughs]

Aabria: Just perfect!

Travis: You make your way into the kitchen! At first—

Griffin: Any hotdogs in here?

Travis: There is a moderate amount of hotdogs.

Griffin: Okay. [chuckles] Not anymore.

Aabria: [chuckles]

Travis: Now, when we see Slimer eat, straight through to the bottom.

Griffin: Sucks, yeah, to see it. Sucks to see it.

Travis: But I mean like, is it a cycle?

Griffin: I think yes. Yes. I think it sucks to see it because it makes you feel self-conscious about what happens inside of your own sort of human system.

Travis: Oh, I see!

Griffin: Like, oh, man, that's rough stuff.

Aabria: [chuckles]

Travis: The awareness is uncomfortable.

Griffin: The awareness of it is uncomfortable, yeah.

Clint: It's not seeing your wieners!.

Griffin: Am I rolling for anything?

Travis: No!

Griffin: Okay, cool.

Travis: I just really wanna— and I think we all do, drill down on Gooper.

Griffin: Is there a ghost in here other than me?

Travis: So, the fruit and the vegetables begin to move around.

Aabria: Ooh?

Travis: And approach.

Vegetables: Hey! What are you doing in here?

Aabria: [chuckles] The vegetables say that?

Vegetables: Yeah!

[crowd chuckles]

Gooper: What I'm doing is pretty obvious. [eating sounds]

Vegetables: You're a disgusting monster!

Gooper: Hey, these aren't alive, are they?

Vegetables: Not anymore!

Gooper: Ugh!

Aabria: [chuckles]

[crowd chuckles]

Aabria: Oh, no.

Travis: And they begin to dance around you in rhythmic patterns. Everybody is going to roll against being mesmerized.

Justin: I'm not there.

Aabria: [chuckles]

Clint: That's right, he's still downstairs.

Justin: I'm still—

Aabria: He's downstairs!

Justin: I'm still downstairs.

Travis: Hold on.

Justin: I'm gonna start making my way up, but it's slow.

Travis: Why?

Justin: Why? Do you want me up there? If you want me up there, I'll be up there.

Travis: Yeah!

Justin: Okay.

Clint [PC]: Hey, everybody— what the fuck?!

Aabria: [chuckles]

[crowd chuckles]

Travis: No, you know what? Here's what, J-man, I got a coin here, I'm gonna flip it. Heads, which is the skull. Tails, which is the ship. Heads, you get there when the mesmerizing is happening. Tails, you arrive after the mesmerizing.

Justin: Perfect. That's fair. That's fair.

[thud]

Griffin: That's a loud coin! Wow, Jesus, that scared me.

Aabria: That was hundreds of pounds!

Clint: What was—

Travis: You're going to arrive after the mesmerizing.

Justin: Hey!

Travis: Okay, everybody, roll... based on, if you think you have a way to justify your character—

Griffin: I'm fucked up— I'm— no way.

Travis: Okay, one?

Griffin: Yeah.

Aabria: No, just one.

Travis: One?

Clint: Psychic.

Travis: Yeah, you can roll... three.

Griffin: Okay. I just... rolled my dice into three other dice and forget which one was my dice.

[crowd chuckles]

Aabria: But here's the thing, all of those dice are a good number. So, I think—

Griffin: That's true... That's not, that's a 4.

Aabria: Sir... [chuckles]

Clint: I'm—

Travis: Dad, did you just hit your nose on the microphone?

Clint: Yes, I did.

[crowd chuckles]

Clint: But I knew I was going to do that.

[crowd laughs]

Travis: Clint McElroy to Johndy!

Aabria: That's still not being a psychic!

[crowd cheers]

Clint: I'm going to roll a 13.

Travis: Okay.

Clint: And I did.

Griffin: [chuckles]

[crowd chuckles]

Griffin: Wow.

Travis: Okay—

Justin: I guess the future and the present get kind of confusing for you sometimes, experiencing—

Aabria: [chuckles]

Travis: Yeah, the burden of the gift!

Clint: As you travel between planes, I travel between times.

Justin: As you would say, it's—

Aabria: Did you just—

Clint: I'm Matthew McConaughey in Interstellar.

Justin: Okay.

Travis: Dad just watched that for the first time on the way here and he's been talking about it a lot.

[crowd chuckles and cheers]

Aabria: [chuckles] Wait, so, we're just all fine with the fact that you're like a planeswalker?

Travis: Yeah.

Aabria: Like, that's never been like a thing?

Justin: Me?

Griffin: Who am I to judge his journey.

Travis: He's a ghost, he's a psychic, you're a witch, where do you draw the fuckin' line?

Clint: [laughs]

Justin: It's the thing that—

Aabria: That's so fair.

Justin: It's... Yeah, if you weren't aware, dad would refuse to use character voices so often, we eventually had to insert Clint McElroy in the mythology of the podcast. So, he's the one of us that is actually a character. And that happens so often that we had to put him in all the realities.

Aabria: [chuckles]

Justin: So, every reality does have one Clint McElroy who's—

Aabria: That's fair.

Justin: The planeswalker.

Clint: And I am the only one owned by Big Giant Head.

Justin: Yeah, you're the only real human IP that we've created. It's loosely based on you, I'll admit it. There're some—

Travis: Yeah, I'm sorry, what?

Clint: Oh, he's really—

Justin: There're some similarities, but it's loose.

Griffin: I tried to trademark Gooper, but a website owned it that is quite fowl.

Justin: [chuckles]

Aabria: [chuckles]

[crowd laughs]

Travis: Anyhoo, the vegetables—

Aabria: Hey, Travis, I rolled a 7.

Travis: Yeah. The vegetables are dancing, the three of you are mesmerized. You've joined the vegetable dance. Who knows how much time has passed?

Clint: Wait, who got mesmerized?

Aabria: How did Sandy do?

Travis: All three of you!

Clint: How?! What did you— what did they roll?

Travis: I rolled 17 and you got a 13!

Justin: Can I be watching?

Aabria: How did Sandy do?

Travis: Yeah, hold on! Who knows how much time has passed? And then you enter.

Justin: Okay.

Travis: And what you find... you find— I'm gonna say one of them, attempting to peel themselves like a banana, I won't say which.

Justin: Okay.

Travis: One of them yelling, "I am peas! I am peas! I am peas!" I won't say which. And Griffin's a tomato.

[crowd laughs]

Aabria: [chuckles]

Justin: Okay.

Griffin: Wait, hold on.

Aabria: What is this—

Travis: Sorry, Gooper. Gooper's a tomato.

Griffin: I was just thinking about... and this sucks, but if I was a VeggieTales character, it would not be too hard to turn me into a tomato man. [chuckles]

[crowd chuckles]

Clint: Is that Larry?

Aabria: No, that's Larry the cucumber.

Griffin: That's— no— Bob. Bob.

Clint: Bob, yeah.

Griffin: Yeah, Bob is— anyway.

Clint: Okay, so—

Griffin: Let's talk about Christ!

Aabria: [laughs]

[crowd chuckles]

Travis: Now, here's the thing, Clint McElroy, planeswalker.

Justin: Yeah?

Travis: You have entered. And what you see is fruit sitting in bowls, vegetables sitting in bowls.

Justin: Okay.

Travis: And your compatriots, peeling themselves like a banana, yelling 'I am peas.'

Clint: We're actually doing it, right?

Travis: Yeah— well—

Justin: What other fruits and vegetables are there?

[crowd chuckles]

Justin: What fruits and vegetables are there?

Travis: Apples and onions and pears—

Justin: Okay, I pick up an apple and start eating it.

Travis: Okay!

Clint: And it screams!

Travis: No.

Clint: Oh?

Travis: It's just a regular apple. This is my world of imagination!

Aabria: [chuckles]

Clint: Just helping!

Justin: The—

Griffin: [laughs] What a badass thing to say, dad! This kicks ass, next time you're playing D&D with your friends and the DM says something, say something else and then go, "Just helping!"

Justin: [laughs]

Aabria: [laughs]

[crowd laughs]

Griffin: "Elsabeth takes the blade and drives it into the dragon's heart."
"The dragon's fart! Just helping."

Aabria: [laughs]

Justin: [laughs]

[crowd chuckles]

Clint: [laughs]

Griffin: "You're welcome."

Justin: I fill up a glass from the cupboard and pour it onto Johnndy.

Travis: Okay.

Justin: Trying to wake him up.

Travis: Roll three D10, and roll one D10.

Aabria: What's Sandy doing?

Griffin: That's a good point. Wait, roll for Sandy to save against the apples and onions.

Aabria: Yeah.

[sound of dice thrown]

Travis: Mm-hm! He doesn't.

Griffin: Good.

Aabria: Okay.

Griffin: It would've been fuckin' embarrassing if he was the only one.

Aabria: [chuckles] Yeah!

Griffin: Like, it's not good—

Travis: But he also isn't fully in, he's just watching what you're doing and going:

Sandy: Looks great.

Aabria: [chuckles] Okay, but—

Sandy: You're doing great, babe!

Matilda: Thanks babe! Aw! We're there!

[crowd cheers]

Aabria: This is good for me.

Clint: I rolled a 2.

Aabria: [chuckles]

Justin: I rolled a 7.

Travis: Yeah, okay! So, with three dice, you rolled a 7, you win against his 2!

Justin: Yeah.

Travis: So, when you pour that water on him, Johndy, you're back!

Clint: Aw, I don't get to peel? Do my peel—

Travis: I didn't say you were peeling.

Clint: Oh, okay.

Travis: You could've been the peas.

Clint: [chuckles] I know I'm not a peeler—

Justin: Hey, wake those other two up.

Griffin: Aw...

Clint: Thank you.

Matilda: [sings] I am peas! I am peas!

[crowd cheers]

Justin: Oh, I tap Matilda. Matilda—

Travis: You're back awake, dad!

Justin: You're back, you're back already.

Travis: You're back awake!

Aabria: Get it!

[crowd cheers]

Justin: I...

Clint: I know!

Justin: I—

Matilda: Come be peas in a pod with me!

Justin: I tap Matilda. I tap Matilda on the shoulder gently and say:

Clint [PC]: Hey, I think you think you're peas.

[crowd chuckles]

Clint [PC]: Wake up— hey, wake up.

Aabria: You've only affirmed the thing I think, I don't—

Clint [PC]: Wake up, you think you— wake up, I think you think you're peas—

Travis: Okay—

Griffin: [laughs]

[crowd chuckles]

Travis: Clint McElroy, planeswalking janitor, roll three D10s.

Justin: Okay.

Travis: One D10—

Griffin: What are you gonna do if this roll doesn't go good? Wow, I actually—

Travis: 10.

Justin: 12.

Travis: Oh—

Aabria: Ah!

Justin: Ah!

Aabria: I got a 10.

Travis: Yeah! And you go, “Oh, I’m not peas.”

Matilda: Oh... [sighs]

Griffin: Don’t railroad her, Travis!

[**crowd** chuckles]

Aabria: [chuckles] This is my character, you don’t control me!

Travis: She failed her roll! You failed the roll!

Griffin: You’re not peas anymore.

Aabria: [chuckles]

Travis: You’re not—

Aabria: You don’t know how I feel—

Travis: You’re not peas beyond your own control. I won’t tell you how you feel about being peas or not, but now, you have the decision of if you’re peas or not.

Aabria: I’m doing a 1,000 yard stare, thinking about the peace of being peas.

Travis: Oh, yeah.

Clint: Mm-hm!

Travis: Hey, can I tell you? It helped you deal with a lot of shit.

Aabria: It did!

Travis: Yeah, you over— you overcame a lot of psychic damage from being peas.

Justin: Yeah, we dragged you out of the peablivion to come back to reality.

Aabria: [chuckles]

Justin: Okay.

Travis: You were in peaven, which is pea heaven.

[crowd chuckles]

Aabria: [chuckles] This is the buffy reboot!

Griffin: Another website that again I would not recommend!

[crowd chuckles]

Justin: I reach into my pocket and pull out a big handful of Werther's Originals and chuck `em at the ghost.

Aabria: You can make `em—

Griffin: I have a fuckin' name and it's on my shirt.

Justin: [chuckles]

Clint: No, actually, it says `Goper.'

Justin: Gooper, no, Paul fixed it.

Griffin: No, it's still on, Paul fixed it.

Clint: That E's not on there long!

Justin: Gooper, Gooper, Gooper.

Griffin: Okay.

Aabria: I wanna catch a Werther on the other side and eat it.

Travis: Okay, three D10 and one D10.

Clint: Three D10.

Griffin: 9.

Justin: 7.

Aabria: [chuckles]

Travis: Yeah, they pass right through you and you're like, "Tomato! Tomato! Tomato!" [chuckles]

Clint: I use charm. I use charm to snap him back—

Justin: You don't have that—

Griffin: It fails automatically.

Clint: Why?

Aabria: [chuckles]

Griffin: It automatically fails.

Clint: Just helping!

Griffin: It says on my— [laughs]

Justin: [laughs]

[crowd laughs and cheers]

Clint: [laughs]

Aabria: Gotta respect the callback. I'm gonna go over to Gooper and just say:

Matilda: Hey, bud.

Gooper: Hey!

Matilda: What if you weren't a tomato?

Gooper: Mm-hm!

Aabria: [chuckles]

Gooper: Well, God says that—

Matilda: God?

[crowd chuckles]

Gooper: The way he designed all the flowers in the field means he must care about us a great deal! Don't you think?

Aabria: You sound upsettingly like Mama Tomato! [chuckles]

Griffin: I sound really good, that's a really—

Travis: Hey, can I just say! Recurring theme on My Brother, My Brother and Me, doing a voice when you're not thinking about it and fuckin' nailing it.

Aabria: Holy shit. I convert on peas again.

Griffin: [laughs]

Clint: [laughs]

Travis: Yeah. Actually, you roll two D10 and you roll two D10.

Aabria: Yeah!

Griffin: Yeah, fuck yeah!

Aabria: [chuckles]

Griffin: Oh, 11.

Aabria: [chuckles]

Griffin: Tie!

Travis: It's a tie! You're peas again!

Aabria: It's a tie!

Travis: But you don't think she's peas!

Aabria: Ah...

Griffin: [sings] Everybody's wants a water buffalo! Yours is fast and mine is slow!

Aabria: [sings] Yours is fast and mine is slow!

Clint: [laughs]

[crowd laughs and cheers]

Griffin: I've never felt so close to anyone.

Aabria: I love you! [chuckles]

Clint: [laughs]

Justin: Okay...

Aabria: How are you guys doing?

Clint [PC]: Johndy, it looks like it's just the two of us left to fight the ghosts.

Aabria: [laughs]

Johndy: Let's go fight some ghosts, my friend!

Clint [PC]: All right. You two, you good?

Gooper: We're good! We're going to heaven when we die!

[crowd chuckles]

Justin: [chuckles]

Aabria: [chuckles]

Clint [PC]: Right on! Right on! I love that!

Johndy: Where did you go this last time?

Gooper: I don't know what you mean! [chuckles]

Travis: [chuckles]

Aabria: [chuckles]

Gooper: You're too far gone, you can go! We're not saving you! There's no way!

Matilda: Yeah!.

Justin: I really— I guess I can wake him up with— [laughs]

Griffin: No, give us like 15 minutes. We just need to get this out of our system.

Justin: Okay, you know what? Actually—

Aabria: This is important.

Clint [PC]: You two just come— just come with me. We're the—

Gooper: We'll catch up with you when we're ready!

Justin: Wait, I wanna use the— I wanna use the scryfocals to see if I detect a ghost in here.

Travis: Okay, roll three D10. Two D10, plus 2.

Griffin: Oh, wow.

Justin: 10, 12.

Travis: Okay, yeah, I rolled a 1. So—

[crowd chuckles]

Travis: When you put your scryfocals on, there's no ghost present. What you see is, floating in the air, particles of something.

Griffin: Oh, we're just high as fuck then? Okay, cool.

Aabria: [laughs]

Justin: Oh, okay, all right...

[crowd cheers]

Justin: So, I— it looks like— so, Clint picks up his mop and says:

Clint [PC]: Looks like I'm batting cleanup.

Justin: And then he swings Cleanda Ronstadt through the— through the particulate. And sucks it up, 'cause it's a mop.

Aabria: [chuckles]

Travis: Hey, you know what? There's eight minutes left in act one, it works!

Griffin: Wow!

Justin: Wow, I don't even have to roll for it?

Travis: Yeah, you nailed it!

Justin: Wow!

Travis: You solved my drug puzzle! [chuckles]

[crowd laughs and cheers]

Justin: Awesome, awesome.

Griffin: That was your unfinished business, was cleaning up—

Justin: I went— I stand real still for a second to see if I leap to the next plane... Nope! Okay!

Aabria: [chuckles]

Travis: Nope! You guys are coming down, slowly.

Matilda: My shoots can touch anything but themselves!

Griffin: [chuckles]

[crowd chuckles]

Travis: And it's time to move on to the dining room. So, in the Winchester house there are twin dining rooms. So, we'll start with dining room one.

Clint: Hm...

Aabria: Ooh!

Justin: Ya'll haven't been? It's wild!

Aabria: [chuckles]

Clint: Wait, I have a theory. Can we see twin dining room two?

Travis: Yeah.

[crowd chuckles]

Justin: [chuckles] Excellent, yeah, it's just a mirror image of—

Clint: Thank you for living up to my expectations.

Aabria: Interesting.

Griffin: There is something different about these two photos, and I cannot—it's like—

Aabria: Highlights did not prepare you for this day.

Clint: Mm-hm!

[crowd chuckles]

Clint: [in silly voice] Come play with us, Danny!

Griffin: All right, what is... What kind of funny ghost is floating in this room?

Aabria: [chuckles]

Travis: Nothing.

Griffin: Nothing?

Justin: You know what? I'm gonna save us a little time. I'll slip on my scryfocals to check for ghost particulate.

Griffin: And drugs. [laughs]

Aabria: [laughs]

Clint: [chuckles]

Travis: Yeah, you don't have to roll, you put 'em on. There's nothing here. What you do see is there is some paperwork on the table, recently— no— yeah, recently signed.

Griffin: Oh?

Justin: Oh, what is it? I'm gonna investigate it.

Travis: This isn't a challenge 'cause it's just reading and I think Clint McElroy, planeswalking janitor, knows how to read.

Justin: 18 different languages include Crybolg, a dead dialect that only I possess.

Travis: Anyhoo, you find some recently signed adoption paperwork.

Aabria: Ooh!

Griffin: Adoption paperwork?

Travis: Yes!

Aabria: Yeah, the Winchester Boys are all adopted!

Travis: Where Saraah Winchester has adopted the Winchester Boys.

Clint: Mm-hm!

Travis: Sandy and Deacon and Casual.

Aabria: Yes.

Griffin: Can you adopt a married couple? [laughs]

Aabria: [laughs]

[crowd chuckles]

Travis: Well, she adopted Sandy and Deacon, and Casual came along for the ride.

Clint: It's an adopted in-law.

Aabria: But again, you can adopt a fully-adult, married man. [chuckles]

[crowd chuckles]

Travis: Yeah, I mean, if you sign all the paperwork?

Griffin: Okay!

Aabria: Is there spare paper—

Travis: It's 1900!

Griffin: It's 1900, yeah, that's true, no rules, just right.

Aabria: All right!

[crowd chuckles]

Griffin: There's no way you have gotten through what you intended to get through in the first act of this show!

Travis: We're doing pretty good!

Griffin: All right!

Aabria: I read the papers!

Justin: So, what do I— what do I notice as I'm looking through these papers? Does anything jump out at me as interesting or relevant?

Travis: It seems—

Griffin: I would hope so, or else why the fuck did he bring it up in the first place?

Aabria: [chuckles]

Justin: Okay, Griffin!

Travis: You know, maybe I thought the bit of having the twin dining rooms was a good bit and we'd move on. But I don't know! So, these papers are fairly recent.

Justin: Okay?

Travis: Like, the ink has recently dried, which I think you can figure out with your scryfocals.

Justin: Okay.

Clint: What, now he's a notary public?

Aabria: Or your eyes and fingertips?

[crowd chuckles]

Justin: Yeah.

Travis: And what you can tell is that all of the writing about what is left to them, what they would get, everything is written in one handwriting. And then the signature from Sarah is a different handwriting. So, she did not write this out, she was just the person who signed it.

Griffin: I mean, my signature doesn't look like anything else I write. So, I'm not sure this is an issue.

Justin: But Clint McElroy would know the difference.

Travis: Clint McElroy, noted handwriting expert.

Griffin: Sure.

Aabria: Yeah!

Clint: That was plane 7-78.

Travis: Thank you. I think it was 17-76.

Clint: Ah! And I have had this conversation—

Justin: No, okay, stop.

Griffin: Next joke!

Aabria: [chuckles]

[crowd chuckles]

Justin: Can't do it. So, somebody...

Clint [PC]: This seems like something!

Justin: And I then I hold it up to everybody else.

Matilda: Cool.

Gooper: You want me to hang on to this?

Clint [PC]: Yeah!

Justin: And then I put it inside Gooper.

Clint [PC]: Yeah, there you go.

Aabria: [chuckles]

Gooper: I'll keep it next to this big bag of hamburgers!

Aabria: [chuckles] Hey, I'm holding Sandy's hand right now and I just wanna just give a little [kiss sound] to his hand. Is there any ink on his fingers?

Griffin: Ooh!

Justin: Ooh!

Clint: Dun-dun-dun!

Aabria: Yeah, you thought I was doing a dumb bit, but then—

Clint: I did!

Travis: Roll...

Aabria: 4.

Justin: [chuckles]

Clint: [chuckles]

[crowd chuckles]

Clint: Just helping!

Travis: No, I'm thinking about your background—

Aabria: Just helping!

Justin: Just helping! [chuckles]

Travis: Just helping!

Griffin: [laughs]

Travis: You're gonna roll one D10 versus my one D10.

Aabria: Can I have one more D10 'cause I have watch?

Griffin: Yeah.

Clint: Yeah.

Justin: Yeah.

Griffin: Yeah.

Travis: Yeah.

Aabria: Thanks! Thanks, everyone! 11.

Travis: Ooh! My 9...

Aabria: [chuckles]

Travis: Yeah, there's some ink on his index finger and his thumb.

Clint: On the same hand?

Aabria: Also, is he left or right-handed?

Justin: Ooh, good question.

Travis: You can't tell!

Aabria: [chuckles]

Travis: No, he's right-handed, like a normal person! [chuckles]

Griffin: Travis!

[crowd chuckles]

Aabria: Coward! Okay, I wanna make pointed eye contact with Clint McElroy. Not like the kind he's used to getting.

Justin: Okay.

Aabria: [chuckles]

Justin: Platonic eye contact?!

Griffin: [laughs]

Justin: Not you!

Aabria: Welcome to platonic eye contact! And I just gesture down at the hand I'm still holding.

Clint [PC]: Is it ink?!

Matilda: Oh, shh! Shh!

Clint: Clint McElroy or Clint McElory?

Justin: No, Clint McElroy— okay, I'm—

Aabria: You're Johndy!

Justin: I nod my head like 'yes, ink.'

Aabria: [chuckles]

Gooper: Is that ink on that dude's hand?!

Matilda: Oh my god!

[crowd chuckles]

Travis: And Sandy goes:

Sandy: Yes, ink.

Matilda: Oh, okay, I guess we're just gonna do that.

Gooper: Hey, did you do something with this paper?

Sandy: I write a lot. My journal, about my dreams and poetry.

Clint [PC]: Damn it, he's got us. That felt like something, that was a good job, Matilda. It felt like something but I guess it's a big bustivsky—

Matilda: Oh, we're just gonna believe him?

Clint [PC]: Yeah, well, hold on—

Matilda: I thought I would be the one that was a little bit like—

Clint [PC]: A little more— yeah.

Matilda: Yeah.

Clint [PC]: Hey, partner...

Sandy: Yeah?

Aabria: Who are we talking to in this moment? Am I partner?

Justin: This is Sandy, I'm saying— I'm talking to Sandy.

Sandy: Yeah?

Clint [PC]: So, Sandy, what kind of things do you write?

Sandy: Haikus.

Johndy: Do one!

Matilda: Yeah.

Clint [PC]: Yeah, do it.

Matilda: About our love! About our blossoming relationship.

Clint [PC]: Hit the cypher, let me hear some haikus off the dome!

Sandy: Okay, yeah, yeah, yeah, yeah, yeah. Leaves, man—

Clint [PC]: Yeah, yeah, yeah, drop a beat. Check my style out—

Sandy: Leaves, man. Crunchy, yeah.

Clint [PC]: What? One more time?

Sandy: Leaves, man. Crunchy, yeah. Love that smell, bro! Huff it in. Step on them? Yes, sir!

Griffin: [laughs] Are you— are you the gardener?

[crowd cheers]

Travis: Yeah!

Griffin: Okay!

Clint: See, I thought it was— I thought it was a limerick, and you would've started with—

Travis: No, those are dirty.

Clint: Oh, okay.

Clint [PC]: Hey, Gooper, come with me, we're gonna go talk to Sarah about this.

Gooper: What did you just call me?

Justin: Gooper?

Aabria: [chuckles]

Justin: Your name?

Griffin: Oh, okay.

Aabria: [laughs]

[crowd chuckles]

Travis: What just happened?!

Aabria: I love Gooper!

Clint [PC]: All right, Gooper.

Gooper: Yeah?!

Clint [PC]: I want—

Gooper: Hey, you want some hamburgers?!

Justin: I wanna stride into where Sarah is and take the papers out of Gooper, and slam 'em sloppily onto her desk!

Griffin: Yeah.

Justin: And say:

Clint [PC]: Hey, who drew these papers up? Whose idea was it to adopt the Winchesters?

Travis: You walk—

Aabria: Cut to the desk!

Travis: You walked out of the room, back to where the— where you entered the room.

Griffin: It takes us six and a half hours!

Aabria: [chuckles]

Travis: You exit in a different room than you came through. You are now in the grand ballroom.

Justin: Oh...

Clint: Can I do something while they're doing that?

Travis: No. As you enter...

[crowd chuckles]

Travis: You all four enter and the ground beneath you begins to spin. The whole thing—

Aabria: Where's Sandy?!

Travis: Sandy is also spinning now with you, but—

Aabria: So, it's five people.

Travis: It's...

[crowd chuckles]

Griffin: I'm a phantasm.

Aabria: Oh, you're right, you're right.

Travis: Yeah! But you're each spinning on different circles within the room.

Griffin: I'm floating, so, explain to me how that's happening to me.

Travis: Yeah! And it's very confusing.

[crowd laughs]

Travis: And creepy fuckin' music begins to play. And we're gonna take a quick break, so everyone can go buy signed posters and get a drink! And we'll be back, bye!

[crowd cheers]

[theme music plays]

[ad read]

[ad read]

[ad read]

[theme music plays]

Griffin: I...

[crowd cheers]

Aabria: Hey, can I have more cosplay?

Griffin: I just ran into Aabria super hard backstage, because I couldn't see at all.

Aabria: [chuckles] You kicked the shit out of me.

Travis: Then you don't have to see Justin's deep unzipping.

Aabria: [chuckles]

[crowd chuckles]

Griffin: Thank you for the heads up!

Clint: Highlander 2, The Unzipping.

Justin: I zipped it up for you... you prudes!

Aabria: Nope, nope!

Griffin: Aw...

Travis: Also, we wanna say thank you to Evan Palmer, the designer of our poster for this evening.

Griffin: It's so good!

Aabria: It's so cute!

[crowd cheers]

Travis: We wanna once again remind you, we're playing The Beast, which is a horror RPG by Grant Howitt and Chris Taylor.

Aabria: [cheers] Ow!

Travis: You can find that wherever good RPGs are found. And let's say thank you to Paul and Amanda!

Justin: Thanks, y'all!

Clint: Thank you!

[crowd cheers]

Travis: And Rachel! And Saul!

Justin: And Justin.

Travis: And Justin.

Aabria: Hey, Paul, can I have like a diet Coke for my wine glass full of Maker's Mark?

Griffin: [chuckles] Jesus! Is that what that is?!

[crowd cheers]

Justin: It gonna be a good show!

Clint: Wow!

Travis: Oh, and also Nate. Sorry, Nate! Thank you, Nate! Okay, we got it.

Clint: And the whole staff here! They're great, they really are!

Travis: Absolutely!

Clint: They actually—

Aabria: We're gonna get loose in the second half, fam.

Clint: They hung our poster in the anti-bathroom.

Aabria: [chuckles]

Griffin: It's true! There's posters hung up all backstage, it's really great! And then there's ours from last time we were here in 2019 hanging in the bathroom, which is correct!

Justin: Yes, accurate.

Clint: Yes!

[crowd cheers]

Justin: You have a real Bob Dylan poster in the other room, and we're in the bathroom. It's generous, frankly.

Travis: Thank you! Didn't make it on the legends who have performed here. That's fine, give us time.

Griffin: No, it says that in the bathroom!

Aabria: [laughs]

Griffin: Under our poster.

Aabria: In the anti-bathroom.

Griffin: Yeah.

Justin: Yes, it's the bathroom outside the bathroom—

Griffin: You keep saying anti-bathroom like— [chuckles]

Aabria: Ante! The Ante-bathroom!

Griffin: You keep saying anti-bathroom like the bathroom next to the room, but I'm thinking of the kitchen! Which is the anti-bathroom!

Justin: The kitchen is the anti-bathroom!

Clint: Yeah!

[crowd chuckles]

Justin: [laughs]

Travis: Speaking of the kitchen, you're in the grand ballroom—

Griffin: Thank you, San José sorry, this is a lovely venue and we're honored to be here. Thank you for having us.

[crowd cheers]

Travis: So, the grand ballroom is spinning around.

Aabria: Ooh?

Griffin: For everyone but—

Travis: Everybody make a one D10 saving roll.

Griffin: Are you not going to— okay, my background is ghosts. So, I think that should get—

Travis: You can make a two D10.

Justin: 7.

Aabria: 4.

Griffin: 4. [chuckles]

[crowd chuckles]

Clint: 6!

Aabria: This table's consistent and I like it.

Travis: Okay. Now, I'll roll as Sandy. Okay—

Justin: I wanna add two to my—

Aabria: How'd my baby's father do?

Travis: Well, I rolled a 12.

Griffin: Okay. We're all spinning around, then.

Travis: You're all spinning around!

Clint: Wee!

Travis: You're all discombobulated. So, you will be rolling one D10 less.

Clint: How did you roll a 12 with a D10?

Travis: Because I rolled two D10s, because it was a medium challenge.

Clint: Ah, okay!

Justin: Okay.

Travis: So, you are all very discombobulated and being swung around the room in concentric circles, as you're trying to make your way through. What do you do? How do you survive?

Aabria: I dance like a ghost from the Haunted Mansion.

Griffin: Ooh!

[crowd cheers]

Clint: Oh, can we be the hitchhikers?

Aabria: [chuckles] Yeah!

Justin: The train ghosts? Yeah.

Travis: Okay. Roll one D10.

Griffin: That's either a 7 or a 2.

Aabria: [chuckles] It's a 2!

Travis: Well, I got 4. So, I barely beat you.

Aabria: [chuckles]

Clint: I reach out with my screw stick and I—

Travis and Justin: Your what?!

[crowd chuckles]

Aabria: Hey, bud?

Clint: It's a screw stick? You know how some canes have swords inside of 'em?

Griffin: That one has—

Clint: Mine has a screw inside of it.

Aabria: What?

Griffin: That's just a cane, that's just a fastening mechanism for the—

Justin: [laughs] It's just a cane!

[crowd chuckles]

Justin: It's just a cane that unscrews into two parts! [laughs]

Aabria: Hey, bud—

Justin: It's not a secret weapon!

Griffin: It's really like this—

Travis: Now, hold on! You say that, until there's a perfect hole for dad to screw his cane into.

Griffin: Yeah, "We need to open this door, but... the doorknob's gone and the screw hole's so tiny!"

Clint: Well, I was gonna reach out and hook—

Griffin: Okay?

Clint: Linda Ronstadt.

Travis: Cleanda Ronstadt.

Justin: Cleanda Ronstadt, dad. It's your broom!

Clint: Yeah, well, nobody remembers my jokes either!

Justin: It's not, okay.

Aabria: [chuckles]

Travis: All right, dad and Justin, roll two D10, plus 2.

Justin: 7, 14, 16.

Clint: Really?

Justin: Yeah, 16.

Clint: Mine's a 10...

Travis: Okay, plus 2.

Clint: 12. I think they all know addition.

Justin: [laughs]

[crowd chuckles]

Clint: Do I have to help you with that too?

Aabria: Wild! This is wild!

Justin: [chuckles] Okay, so, 12. Is that good or bad, Trav?

Aabria: You know what, Travis, I actually feel a little bad for you. [chuckles]

Griffin: Yeah!

Travis: Thank you. And what was yours, Justin?

Justin: 16.

Travis: Plus 2.

Clint: So, it works!

Justin: 16 is with the 2 already.

Travis: Okay, thank you.

Justin: I can do the whole— I can show my work if you want. 14 plus 2, 16.

Travis: Thank you. So, 28 total.

Justin: Now, hold on a second, let's not go crazy, I need a second!

Clint: Wait a minute! 12...

Justin: 16...

Clint: So, the 6 and the 2, carry the 5...

[crowd chuckles]

Justin: 28. Yeah, 28!

Clint: 28!

Travis: Yeah, you are able to hook each other and get outside of your concentric rings. You still have Sandy and Gooper and—

Clint: I thought it was a freeze frame, sorry.

Travis: ... Matilda are rotating around, feeling very—

Aabria: What are you spinning on, Gooper?

Griffin: I have been asking the same question!

[crowd chuckles]

Aabria: Is it just like a little air current that's got you? [chuckles]

Gooper: It just seems weird if I don't do it too!

[crowd chuckles]

Justin: [chuckles] It's peer pressure!

Aabria: That has to be why!

Travis: I'm just gonna throw out the word spiritual magnetism.

Aabria: Ooh!

Griffin: Okay.

Justin: Okay.

Griffin: You're not really letting me have any kind of fun with this ghost character, "There's lead in the walls!"

Travis: I gave you two D10! And you still didn't do it.

Griffin: You're right, and I should be punished forever for that.

Aabria: [chuckles]

Justin: [chuckles]

Griffin: You're right, Travis.

Aabria: I miss Pasghetti!

Travis: It's how games work!

Griffin: I miss Pasghetti too! Pasghetti could've survived this trap!

Aabria: Pasghetti had a gun!

Griffin: Diabolical trap.

Travis: It's how games work!

Griffin: Okay...

Aabria: [chuckles]

Griffin: I guess I try again!

Aabria: [chuckles]

Gooper: Wee!

Travis: Well, you can have your friends help you?

Griffin: Yeah, shove your mop and make—

Justin: Should—

Griffin: No, don't, 'cause I've seen what it does.

Justin: [chuckles]

[crowd chuckles]

Aabria: Oh!

Griffin: I don't wanna touch that either. "You and me, let's bust the fuck out of here!"

Aabria: "Together, we do it together!"

Travis: Okay.

Clint: You don't want the help from my screw stick?

Travis: Do you want Sandy to help?

Aabria: Yeah.

Justin: Don't say screw stick. [chuckles]

Gooper: Actually, I feel like I'm butting in here! You guys—

Matilda: No, you're kind of a part of it now!

Gooper: [chuckles] All right!

Travis: Roll two D10.

Griffin: 7. That's a 2. Hey—

Aabria: [chuckles] 8.

Griffin: 15!

Travis: Really?!

Griffin: Yeah, yeah, yeah, yeah!

Travis: Okay...

Aabria: What do you need?

Travis: I got 17!

Griffin: Wait, let me roll for dipshit, what's his name?

Aabria: Sandy!

Griffin: Scott!

Travis: Sandy.

Griffin: Sandy.

Aabria: It's on my leg!

Griffin: 6 more to our— 21!

Aabria: Yeah!

Travis: Okay, yeah, thank god. The three of you...

Aabria: [chuckles]

Travis: Pull each other out of the concentric circles.

Griffin: It's a dance.

Aabria: Aw.

Travis: It is a dance. And you know what? The ghost that's trapped, Sweaty Joe in your mop, as you dance your way out, goes, "Heaven!" And escapes out of your mop.

Griffin: Aw! Good.

Aabria: Aw!

[crowd cheers]

Clint: So, the one ghost we got rid of is now back in the house?

Aabria: No, he's in heaven!

Travis: I said the word heaven!

Justin: Yeah, he's in heaven, forever.

Aabria: He, like us, is in heaven now, or going to.

Justin: Mm-hm.

Griffin: Pea heaven or normal heaven?

Aabria: Pea heaven!

Travis: Peaven.

Aabria: Peaven!

Griffin: Okay, cool.

Travis: That's what he's into!

Griffin: All right.

Aabria: I like it.

Travis: So, as soon as you make it outside of the concentric circles, you hear a ca-chunk, ca-chunk, cunk-cunk-cunk, and the mechanism that was spinning the floor around comes to a halt.

Aabria: Once we're done with it.

Travis: Yes.

Aabria: How interesting.

Griffin: Do we see anyone at a switch? Like, "Oh, shit!"

Aabria: [chuckles]

Travis: Roll for it.

Griffin: I'm gonna track the machine—

Travis: Okay, two D10.

Griffin: Yeah. [chuckles] 6!

Aabria: Can I help Gooper?

Griffin: Please help Gooper!

Travis: Yeah, you're gonna roll one more D10.

Griffin: Help Gooper.

Aabria: More!

Justin: [chuckles]

[crowd chuckles]

Aabria: [chuckles]

Griffin: Roll a higher number for Gooper.

Justin: [laughs]

Griffin: A 2 is not gonna help Gooper here!

Clint: Can I help her help Gooper?

Aabria: I only know one number!

Travis: Wait, tell me what you guys are up to.

Griffin: 8!

Travis: Yeah, you know!

Clint: Yeah, okay.

[crowd chuckles]

Clint: That's a 5.

Travis: Nope!

Griffin: 13. Help Gooper!

Justin: [laughs] Wait, yeah, absolutely. And then I extend my mop to Gooper.

Griffin: Not like that!

Aabria: [chuckles] Wait, which end?

Clint [PC]: I deactivated it, you gotta trust me!

Aabria: Business end?

Justin: What?

Aabria: Business end or normal end?

Justin: Business end, but I deactivated it.

Clint [PC]: You gotta trust me, Gooper! You know how we've never trusted each other and it's been a big part of our relationship?

Gooper: Yeah!

Clint [PC]: Well, this— in this moment, you've gotta trust me!

Clint: Ah!

Gooper: But listen!

Clint: [chuckles]

[crowd chuckles]

Gooper: I don't have unfinished business! They just don't have hotdogs in heaven...

Justin: [chuckles]

Aabria: Peaven.

Clint [PC]: I— Gooper, I turned it off, you have to trust me.

Gooper: Okay.

Clint: Ah!

Clint [PC]: Just trust me now, Gooper.

Clint: This is such an Adventure Zone moment.

Clint [PC]: Yeah, you ready? Let's— here it comes.

Griffin: Help Gooper.

Justin: 6.

Griffin: That's 21, I think. Something around there feels right.

Clint: Tcha, pff. 17...

Griffin: No, it was 13. So, 19.

Aabria: The neutron star coin is back.

Travis: You know what? I rolled 18. So, with a 19, you win. But—

Griffin: Good job, team!

Aabria: Yay!

Travis: But not by enough! But we don't have to flip a coin.

Griffin: I don't even remember what it is we were doing. So many people have rolled so many dice at this point that I forget what the challenge was.

Travis: Justin—

Aabria: We're looking for a guy.

Griffin: Looking for a guy hitting a switch.

Aabria: Yes.

Travis: Justin, heads or tails?

Justin: Skull.

Travis: And you see a human form shuffling away from a switch behind a wall. With your spectral eyes, you can see beyond the wall.

Griffin: Okay?

Travis: With the energy that everyone else is providing you.

Griffin: Okay.

Travis: And so, you do see that there was someone behind a wall at the switch, and they're running away from this room.

Griffin: I'm just gonna punch right through that fuckin' wall with my slimy, incorporeal body. This one doesn't have lead. Just help him, Trav! Hey, I'm a ghost, Trav! Let me do ghost stuff, Trav!

Travis: Okay! Roll... two D10.

Griffin: That feels right to me.

Aabria: Ooh!

Griffin: 15.

[crowd exclaims]

Griffin: You just rolled one of your— did you see it—

Clint: I saw it!

Aabria: [chuckles] I fuckin' seent it!

Travis: I'll roll it again.

Griffin: You saw the result rolled and oops, "Guess I gotta roll again!" It was a 1, wasn't it? You're gonna lose to Gooper and you're afraid of what that means!

Travis: No, I want you to know—

Clint: [chuckles]

Travis: I shit you not, I would've won.

Griffin: All right?

Travis: But I'm rolling again—

Griffin: Oh, you would've won, but— okay, I see. So, the—

Travis: Okay, so this is 7, 8, 16.

Griffin: [sighs]

Clint: Man, you just Goopered yourself.

[crowd chuckles]

Griffin: Is— am I— I'm hunting this person for a third dice.

Aabria: Yeah!

Griffin: 5. Yeah! That's right.

Justin: Just helping.

Griffin: I'm playing the game the way god intended.

Travis: Wait, don't say just helping to me! That was dad's—

Clint: That was my gag!

[crowd chuckles]

Griffin: “Blorp! I’m through the wall now. What’s that?” [mouths powering down sound]

[crowd chuckles]

Travis: Okay, I will say...

Griffin: Yeah?

Travis: That you are able to get one... one hand through, right. And you are able to leave a trace on whoever was behind it.

Griffin: Great.

Travis: They get away but you’ve left a trace.

Griffin: Just like a little bit of me off—

Clint: Ectoplasm!

Griffin: Yeah, yeah.

Aabria: But you can be wherever any bit of you is.

Griffin: That’s true.

Aabria: Like the lord.

Griffin: So now, whoever this is has a little bit of Gooper on `em.

Aabria: Yeah.

Griffin: And I spy—

Travis: I hate that.

Aabria: Yup.

Justin: Yeah.

Griffin: Yeah, yeah, yeah.

Aabria: Just helping, Travis.

Griffin: So do they, I bet.

Clint: Just helping. [chuckles]

Travis: You make it upstairs! You've reached the switchback staircase.

Justin: Whoa?

Aabria: Ooh?

Clint: We've been on that!

Travis: Yeah.

Griffin: Yeah. Not me, I float above the ground.

Aabria: [chuckles]

Travis: Which you'll know Sarah had installed because she has arthritis and it's hard for her to take big steps.

Griffin: Boo!

Aabria: [chuckles]

[crowd chuckles]

Aabria: The inexorable march of time!

Griffin: [chuckles]

Travis: And they're perfectly normal steps!

Justin: She shouldn't have to walk up 'em anyway, she's a queen. Queen's should be carried.

Aabria: [chuckles]

Justin: I'll carry her from now on.

[crowd cheers]

Justin: I'll be her feet on her bad stairs. No problem.

Aabria: [chuckles] Incredible.

Travis: She's not there.

Aabria: But she knows!

Justin: If I know Clint, he's gonna get her there.

[crowd chuckles]

Aabria: [chuckles] Hey, hey, I don't know... y'all are too close as a family. You get that, right?

[crowd laughs]

Travis: Dad knows how to please a woman! I guess.

[crowd chuckles]

Justin: He's not our dad, he's a character!

Griffin: Can I—

Clint: Travis was just making an honest statement!

[crowd cheers]

Travis: Bye, Aabria! That's a season wrap on Aabria!

Clint: [laughs]

Travis: Hey, it's special guest, Aabria!

Justin: Aabria's back.

[crowd cheers]

Aabria: [laughs]

Justin: Okay—

Clint: She's calling a Goober!

Justin: So, we're on the— we're on the staircase. Are we in hot pursuit? Do we—

Aabria: [chuckles]

Justin: Do you we know about the person that Gooper saw?

Travis: Yes.

Justin: Okay, so, we're following them?

Travis: Yes.

Justin: Okay.

Aabria: Do you make a running motion when you float through the air?

Justin: We're still doing— we're still doing it!

Travis: Yeah, the stairs are normal, it's fine!

Justin: Okay, I go—

Griffin: Are they— wait, wait! I wanna see if they're evil!

[crowd chuckles]

Aabria: Ooh...

Clint: No, that's my gig! No, that's my gig!

Griffin: Great, I almost became Goper—

Travis: Yeah, I rolled a 1. It's fine!

Griffin: Okay, cool! I had to check!

Aabria: [chuckles]

Griffin: It's Dungeons and Dragons, baby! Gotta check!

Travis: Hey, Griffin?

Griffin: Yeah?

Travis: Can I meet you over here for a minute?

Griffin: Yeah, sure.

Travis: The energy you're bringing—

Aabria: Should I leave?

Griffin: [laughs]

Justin: I feel like—

Travis: Challenging— Hey, you can't hear this!

Justin: No, I know, I just wanna say it's like—

Travis: This is between me and Griffin.

Justin: I feel like Jared Leto Joker energy. Like, Gooper—

Clint: [chuckles]

Justin: Gooper is sort of like becoming part of Griffin? Like, I don't know where the two— [chuckles]

Clint: And we're gonna find a dead rat in our dressing rooms!

Aabria: Ooh!

Justin: Yeah, "How was the show, Aabria?"

"Pretty good. Griffin left used condoms collected in a shoe box!"

Travis: Yeah.

Griffin: All right.

Aabria: [chuckles]

Travis: You can control the Gooper, right?

Griffin: You're right, I can.

Justin: You— you're— you're a—

Griffin: Gooper's not in charge of me, I'm in charge of Gooper.

Justin: That's right.

Travis: That's right.

Aabria: [chuckles]

Clint: [laughs]

Griffin: Thanks for reminding me, Travis.

Justin: Got this.

Travis: All right! You make it upstairs, you are in the atrium hallway.

Clint: God, how many rooms are there?

Travis: You're at the beginning, at the— a lot!

Clint: Yeah!

Travis: At the end of the hallway, you can see Sarah's bedroom.

Clint [PC]: Nice!

Matilda: No!

[crowd exclaims]

Aabria: I spritz Clint McElroy with a water bottle.

Travis: Not you, dad!

Justin: That's fair, that's fair.

Clint: Oh, that's it, make him look sweaty.

[crowd laughs]

Clint: Geez...

Griffin: I'll float forward, towards the bedroom, because traps can't kill me.

Aabria: [chuckles]

Travis: Okay, the windows shatter.

Justin: Whoa?

Aabria: What?

Travis: And the glass begins to fly both ways across the hallway, where it's crossing.

Griffin: Okay.

Travis: But you are a ghost.

Griffin: Yeah. I do have a big bag of hamburgers floating inside of my body that I don't wanna get—

Travis: Okay, roll two D10 for the hamburgers.

Justin: [laughs]

[crowd chuckles]

Griffin: 15.

Aabria: Yeah?

Griffin: You just rolled one dice, I know you didn't— stop it! You sorcerer! Where did that—

Travis: It's a 7.

Griffin: Okay. No, my hamburgers are fine.

Travis: Your hamburgers are fine. It misses your delicate hamburgers.

Griffin: I also have a gun in there somewhere.

Justin: [chuckles]

Aabria: [laughs]

[crowd laughs]

Travis: Now, hold on.

Aabria: Yeah!

Travis: Why—

Clint: I have a gun too!

Travis: Stop. Why does Gooper have a gun?

Griffin: I know we brought guns, right?

Aabria: [laughs] Yeah, we all got guns!

Griffin: All right, cool, cool! Just checking! We came here to kill ghosts, so we all brought guns, right?

Justin: [chuckles]

Aabria: My two items are a full gun and a man.

Justin: [laughs]

[crowd laughs]

Justin: A full gun!

Aabria: A full gun and a whole-ass man.

Justin: Tigger, holding part, barrel, the whole thing! The full gun!

Aabria: Why do you think I'm actually mistrusted as a witch? I don't do magic and I have a gun.

Clint: [laughs]

Justin: A full gun!

Travis: Yeah, so far, you've done zero magic!

Aabria: Yeah!

Griffin: [laughs]

Aabria: Oh, but there's no moon! Prra-prra-prra!

Justin: I wouldn't trust a witch that does no magic!

Travis: Yeah, "I'm kind of a gun witch!"

[crowd cheers]

Travis: "I do gun magic!"

Justin: Like Bayonetta!

Aabria: I do Gun Kata, like from the movie. [chuckles]

Griffin: Yeah!

Travis: Yeah!

[crowd chuckles]

Clint: In my gear is my screw stick and my one ball.

Griffin: I think it's unfair of you all to say that I'm bringing the Joker energy to this live performance in that it's not a five-hander.

Justin: I just wanna do a normal one of these someday!

Griffin: You're right.

Justin: Just a normal one!

Clint: Not gonna happen.

Justin: A normal—

Gooper: The hamburgers are fine, everyone! Let's go!

Aabria: [chuckles]

[crowd chuckles]

Johndy: But there's glass?!

Clint: I cast a magic shield around everybody.

Aabria: Wait do we have magic?

Travis: You're a psychic...

Clint: I cast a psychic shield around everybody!

Griffin: Fuck yeah, I like that!

[crowd cheers]

Travis: Now, hold on, hold on, hold on. You don't cast shit. You don't have spell slots?

Clint: I... create a— I think a psychic shield around everybody.

Griffin: One of the two of you has a mop to clean up glass with— well, I guess a mop's not a great glass cleaning instrument.

Clint: But a psychic shield is pretty cool?

Justin: I— I'm—

Clint: Let me do one thing in this damn show!

Griffin: [laughs]

Aabria: I shoot the glass.

Clint: That's not Justin doing it.

[crowd cheers]

Travis: Okay, dad, roll three D10 against my three D10.

Griffin: Fuck yeah.

Justin: Yeah!

Clint: Yeah, okay, fine. "Yes, I was there the night the McElroy family fell apart."

Griffin: [laughs]

[crowd laughs]

Justin: Illegible, these dice. Illegible.

Travis: 3.

Clint: 21— 9, 9 and 3, 21.

Travis: I have 24.

Justin: Oh my god.

Clint: Oh, bullshit!

Aabria: Ooh...

[crowd chuckles]

Justin: No... No, I believe it.

Clint: Okay, fine.

Travis: 9, 8, 7 is what I have.

Clint: Well, I am—

Griffin: So, you don't— thanks.

Clint: Well, I am— to the point, I am a psychic playing a fake psychic.

Travis: You know what?

Clint: So, this was the fake psychic side of me.

Travis: Clinton...

Aabria: What?

Travis: Because I love you.

Clint: Yes?

Travis: Use your crystal ball and get a plus 2.

Clint: Okay.

Griffin: So, that's 23. You're still not there yet.

Aabria: [chuckles] Interesting!

[crowd chuckles]

Griffin: You've still lost the roll!

Aabria: Wait, can I help by actually doing magic behind him?

Travis: Yes.

Griffin: Love that.

Clint: Oh, yeah!

[crowd cheers]

Clint: Yes.

Griffin: Love that.

Clint: Wait, and here's how you could help—

Johndy: And I need to hear a voice from beyond to help me cast my psychic shield!

Matilda: Ra-ta-ta-ta.

Griffin: [chuckles]

[crowd cheers]

Johndy: Tat. Trat-ra-ra-ta-ta-ra.

Aabria: [chuckles]

Griffin: [laughs]

Johndy: Dot, dot, dot, dash, dash, dot, dot!

Justin: Okay.

Aabria: [chuckles] You got to Lady Gaga faster than I expected.

Justin: Okay. And there's a shield.

Aabria: That's 6 more, he's got 6 more.

Travis: I would say, this one, between the two of you, the shield is more of a redirection.

Justin: Okay.

Travis: As the glasses flying around begins to swirl.

Justin: Ooh?

Travis: You made it through. You two are moving through it as it twirls between you. And Clint McElroy, plainswalking janitor, roll three D10. You're helped out by their— so, it will only be two D10 against your three D10.

Griffin: Let's see.

Aabria: Roll high.

Justin: 10... 17... 19.

Travis: Yeah, you're against an 11. So, you move through and you're just kind of spinning like full-blown, like spinning your... mop around you, creating—

Clint: Oh, yeah! Very Gymkata.

Justin: Yeah.

Travis: Yeah, okay.

Aabria: [chuckles]

Justin: And I have— and I have goggles, too.

Travis: Oh, yeah, the goggles help a lot!

Aabria: It's mostly the goggles.

Travis: 'Cause otherwise, glass shards in the eyes.

Justin: Yeah, no glass in my—

Travis: Not fun.

Justin: No glass in these peepers, as that's one of my catchphrases!
[chuckles]

[crowd chuckles]

Justin: The action figure, when you push the button it says, "No glass in these peepers!"

[crowd chuckles]

Clint: And mine will say, "Just helping!"

Griffin: [laughs]

[crowd laughs]

Travis: So, you've made it through the atrium hallway, you are now in Sarah's bedroom.

Griffin: This is not where we were trying to go. This is the first stop on our journey, if memory serves.

Clint: Oh dear god.

Travis: Yeah, you're grabbing the key!

Griffin: Yeah, I grab the key.

Aabria: [chuckles] Okay—

Clint: What key?!

Griffin: To open up the séance room.

Travis: Thank you.

Clint: Oh, okay.

Aabria: I want to look for a sample of her handwriting.

Justin: Wait—

Griffin: Ooh.

Justin: Yeah.

Clint: Ooh.

Justin: Check for that first.

Clint: Ooh, that's good.

Aabria: You gave me a look like I said something fucking crazy—

Travis: No, I was just surprised that—

Griffin: The first cogent idea—

Travis: Yeah, someone I was playing with remembered something.

Griffin: Yeah.

Travis: And I was confused.

Aabria: The look you gave me, I will never be helpful again! [chuckles]

Griffin: [chuckles]

Travis: No, no, no, no, I'm just not used to players in my game—

Griffin: We're not used to causality happening on this stage tonight.

Clint: I don't want your good play to die in a vacuum!

Aabria: [chuckles]

Travis: Okay, you know what? I'm so proud of you, you find it.

Aabria: Thank you!

[crowd cheers]

Clint: You are the favorite.

Travis: What you find— you find a will dated two years prior, in her handwriting, that is so clearly laid out that she'll leave it to her daughter, everything.

Griffin: Oh?

Clint: Oh.

Travis: Saying that it's her only living kin and that this will be for her. Dated two years prior.

Matilda: Patriarchy...

Johndy: Her daughter...

Aabria: Okay, where's Sandy in this moment?

Travis: Standing next to you.

Aabria: I shoot him.

Griffin: What?

[crowd laughs]

Clint: Agh!

Travis: Okay!

Aabria: In the kneecap! In the kneecap!

Griffin: In the kneecap.

Travis: You know what? You're gonna roll two D10.

Aabria: I have threaten?

Travis: Three—

Griffin: That is a threatening action, I would say!

Travis: You're gonna roll three D10 against my two D10, to see if you wing him or kill him.

Clint: [chuckles]

Aabria: Okay! [chuckles]

[crowd chuckles]

[sound of dice thrown]

Aabria: Help, I can't—

Griffin: Those are incredible dice.

Aabria: 18. Thank you!

Travis: Okay. So, you have the choice, do you wing him or kill him?

Griffin: Probably just wing, right?

Aabria: Yeah, I'm just gonna hit him the knee.

Griffin: Yeah.

Aabria: What, do I look like a wasp?

Travis: Yeah, you get him in the knee and he goes:

Sandy: Ugh!

Travis: And he falls down.

Sandy: Oh, no! My knee, babe!

[crowd chuckles]

Sandy: Babe, my knee!

Griffin: [laughs]

Clint: [laughs]

Sandy: Ugh! You got me, babe!

Aabria: Is that really what he says after I shoot him with my gun?

Sandy: Babe, you get me in the knee, babe! Ugh-ah!

Matilda: Hey, Sandy?

Sandy: Yeah?

Matilda: The loyalty? So appreciated.

Sandy: Yeah, babe!

Matilda: But what the fuck? Why did you— what— what— what— why did you...

Sandy: Ah, babe!

Griffin: You're realizing in this moment that what you have just done is a gross over reaction to the clue you just found! [chuckles]

Clint: [laughs]

Aabria: Yes! Yes!

[crowd chuckles]

Griffin: "Hey, this is different from this!" [action sound] Ba!

[crowd laughs]

Clint: [laughs]

Matilda: Why are you disinherit Sarah's daughter, Kathleen?

Sandy: What? What? Ah, babe!

Aabria: [chuckles]

Sandy: Ah, babe! My knee, babe!

Justin: [chuckles]

Sandy: I'll never— I'll never hacky sack again!

Aabria: [laughs]

[crowd laughs]

Sandy: Oh, god! My sacking days are over!

Clint: I heal him!

Aabria: Honestly, this is an unalloyed good, less hacky sack in the world.

Griffin: [laughs]

Sandy: I was... I was top 10 in the world, I was bringing it to an artform!

Aabria: [chuckles]

Sandy: Ah, babe!

Johndy: And we're in California!

Justin: Yeah, that—

Griffin: Where it was—

Aabria: What does that mean?!

Griffin: I don't know, they love it here. [chuckles] It's one of the California games!

[crowd chuckles]

Justin: Yeah, it is one of the California games!

Clint: Could I heal him? Can I heal him?

Travis: Based on what?!

Aabria: Hold on. I made a choice and now you're kind of contradicting—

Clint: No, that's a good point. I was trying to win brownie points—

Justin: Okay—

Clint: Wait a minute, hold on—

Aabria: Are you trying to take Sandy from me?

[crowd chuckles]

Clint: No, I shouldn't. I shouldn't do that, I shouldn't heal him.

Aabria: [chuckles]

Justin: You see... you see that Clint McElroy has turned the chair around and he's sitting on it backwards, and he lights up a cigarette.

Aabria: [laughs]

[crowd chuckles]

Clint [PC]: Okay, gang... [spoofs exhaling smoke] We've had some laughs here but—

Sandy: Hey, can I get one of those cool cigarettes?!

Clint [PC]: Yeah! Here you go. Since—

Sandy: Oh my god! Cigarettes are so cool.

Clint [PC]: Since Matilda took the shot, this whole job's gone stinko.

Sandy: [spoofs smoking sounds]

Clint [PC]: I've been— [laughs]

Aabria: [laughs]

Clint [PC]: I've here 1,000 times, you gotta know it's all right. Sometimes, it just goes sideways. We're gonna need to split up, though. Go our separate

ways, 'cause this one's gonna have the law— this one's gonna go south real fast! I say everybody gets as much valuable stuff as they can hold and we get the hell out of here!

Aabria: [laughs]

Griffin: [laughs]

Clint [PC]: There's gonna be a lot of questions, and I don't think you wanna be there to supply the answers—

Sandy: Ah, babe! I'm losing a lot of blood, babe!

Matilda: From your kneecap? You're fine!

Aabria: Okay, can I roll to like—

Sandy: You shot me, babe!

Matilda: In the knee!

Sandy: Yeah, babe! It's still a gun wound, babe!

Aabria: He's really doing a lot of heavy lifting, I'm gonna heal him.

Clint [PC]: There's... there's more small mirrors than I can fit in my pockets, guys! If you want, over here in this drawer is mainly like— it's like small mirror city over here. A few cameos too, if I'm not mistaken! Nice!

Travis: Roll three D10.

Aabria: Yay. I have—

Clint: Okay, I'm helping her heal!

Travis: No.

Clint: Why?!

Travis: You're a psychic!

Clint: I have heal as one of my skills!

Travis: I still am calling bullshit! [chuckles]

[crowd chuckles]

Travis: You can heal psychic damage.

Griffin: Oh, that's good—

Clint: Don't you think getting shot in the knee by your new girlfriend would cause psychic damage?!

Travis: Hey, dad, hold on, hold on. You roll.

Aabria: 17.

Travis: Okay, you beat dad. Now dad, you roll two D10 to heal the upset damage.

Clint: Okay.

Aabria: [chuckles]

[crowd chuckles]

Clint: Well, let me... let me see again how upset is he?

Travis: He's pretty upset, he got shot by his girlfriend.

Clint: Well, let me see.

Sandy: Oh, babe!

Travis: Ah, no, you get one die now 'cause you dropped one.

Griffin: [laughs]

Clint: [chuckles]

Justin: That's only fair, dad! It's only fair!

Aabria: [chuckles]

Clint: Okay... That's an 8.

Travis: [gasps] That's a 10. So—

Clint: He heals!

Travis: No, he's still upset.

Griffin: He's still pretty sad.

[crowd chuckles]

Travis: He's like:

Sandy: Ah, I'm not bleeding anymore, babe. But it's gonna take me about a week to get over this.

[crowd chuckles]

Matilda: If I've learned anything in our literal minutes together, it's that you like the drama and the trauma—

Sandy: I do!

Gooper: Yeah! He's the one who just did a very dramatic thing, I would say!

Matilda: Hey, Gooper? I'm gonna need you to shut the fuck up, I've been on your side the whole time.

Griffin: [laughs]

Aabria: [chuckles]

Matilda: I will reach into you and take your hamburgers.

[crowd chuckles]

Aabria: Wait, no, that was too far! That was too far! I take it back, I take it back.

Gooper: That was way too far!

Aabria: I take it back, I'm sorry.

Clint: Was that a euphemism?

Aabria: No! He has a— he has hamburgers in his... You can see them right now!

Clint: Oh, god!

Aabria: Yeah...

Clint [PC]: I think that there's something fishy going on with this here—

Aabria: [chuckles]

Justin: And then he waves the document around.

Clint [PC]: I think some— anybody making heads or tails of this?

Sandy: Yeah, we should keep moving, huh? Hey, babe, we should keep—

Matilda: No, we have to talk about this. I shot you because of that.

Clint [PC]: Yeah, what's the story here?

Sandy: Because of Clint McElroy?

[crowd chuckles]

Clint: Wait, let me think.

Matilda: No, the thing he's holding.

Gooper: Why do you— why do you got this? Come on, it's me, Gooper!

Johndy: Sandy?

Matilda: Sandy?

Johndy: Sandy?

Griffin: I'm gonna charm Sandy into speaking his truth.

Aabria: Let's go!

Travis: Okay, roll...

Griffin: I have charm as a skill.

Aabria: Mm-hm.

Clint: Oh, that really counts in this game, Griffin!

Griffin: [laughs]

[crowd chuckles]

Travis: Is Gooper—

Clint: Have all the fuckin' skills you want, pal!

[crowd chuckles]

Travis: Is Gooper inherently charming?

Griffin: Is Gooper inherently charming?

Clint: No.

Justin: No.

Griffin: In— okay—

Aabria: He has own— his own Hi-Sea, flavor, I think—

Travis: No, wait, just a second! Everybody on stage shut up. Audience, is Gooper—

[crowd cheers]

Justin: No, no, no, no, no, hold on, hold on, hold on. Stop, stop, stop! We'll do A B testing, okay? Is Gooper charming, yes?

[crowd cheers]

Justin: Stop, stop. Is Gooper charming, no?

Griffin: [spoofs booing]

Justin: Gooper's charming!

Travis: Yeah. Okay, you get three D10.

Aabria: Yay!

Griffin: 15... 21!

Clint: 21?

Travis: Yeah, you beat my 7.

Aabria: [chuckles]

Gooper: Eh... hey, it's me, Gooper! If you don't get that knee cleaned up soon, you're gonna be like me, and we can be pals!

[crowd chuckles]

Sandy: Man, babe, you know I love that, babe.

Matilda: Yeah. Wait, is he babe now?

Sandy: You're both babe.

Matilda: Okay!

Gooper: We sort of did a whole thing and the dancing!

Matilda: You're right, you're right, you're right, that's on me.

Sandy: Yeah, listen, I guess this is kind of our house now. And so, you wanna haunt it?

Gooper: So, wait, hold on.

Aabria: [laughs]

Sandy: Yeah?

Matilda: Okay?

[crowd chuckles]

Gooper: Can you describe the crime you did first?

Sandy: No, I'm just saying like she signed it over to us and we're like her...

Griffin: Wink!

Sandy: We're like her kids now. And so like, you're welcome to stay and haunt it or whatever.

Gooper: So, she wrote the papers?

Sandy: She signed the will, yeah.

Gooper: You've been weird since the moment I met you!

[crowd chuckles]

Sandy: Uh-huh?

Gooper: Get his other knee! He's got two of 'em!

[crowd chuckles]

Matilda: You heard 'em, babe!

Gooper: I think this mystery's solved, y'all!

Matilda: Yeah!

Johndy: But we haven't been to the séance room... That's the one room—

Gooper: All right, you come with us to the séance room. I'm placing you under citizen's arrest!

[crowd chuckles]

Sandy: All right, babe!

Aabria: [chuckles]

Griffin: I produce two goo hand— wait, does he have my goo on him?

Travis: Yeah.

Griffin: How? He was with us the whole fuckin' time?

Aabria: Yeah, who's the guy that had the goo on him?

Travis: No, this is— this is just from general gooeyness.

Clint: [laughs]

[crowd chuckles]

Aabria: You kind of have an AoE to your goo.

Griffin: Yeah, sure, sure!

Justin: Okay—

Travis: Yeah, your— your goo AoE is high! [chuckles]

Griffin: All right, I create two gooey handcuffs from my form and—

Sandy: I love this, babe!

Griffin: I take them back. [chuckles]

[crowd chuckles]

Gooper: Too fast! Too fast! I... I realize now, too fast!

Aabria: [chuckles] Goo cop, bad cop.

Sandy: All right, hey! Hey, you tease!

Justin: Griffin—

Gooper: Hold on, wait! Let her say that great joke again!

Travis: What'd you say? One more time?

Aabria: We're goo cop, bad cop.

Justin: [laughs]

[crowd cheers]

Aabria: [chuckles] Thank you.

Justin: Griffin, you lost the E from Gooper, you've turned yourself into the world's worst social media platform!

Aabria: [chuckles]

[crowd chuckles]

Justin: "Hey, are you on Goopr?"

[crowd chuckles]

Griffin: I do not know what a—

Travis: "Oh, do you mean goop.r?" [chuckles]

Clint: Everybody check the bottoms of your shoes, see if you have the E! If you do, you get to do our future live shows with us.

Travis: Okay, we're gonna— we're gonna jump right to the séance room.

Clint: Finally!

Aabria: Why are we going to the séance room?

Travis: Well, you've made it up the perfectly normal staircase.

Justin: Okay, now it just says G-O-P, I'm gonna insist you leave it like that.

[crowd chuckles]

Justin: [chuckles]

Travis: Gorp! [chuckles] Okay, you go up the perfectly normal staircase. Paul, perfectly normal staircase—

Clint: You could make it 'Grope.'

Griffin: I can't, actually!

Travis: Oh, right—

Griffin: I checked, I ran out of letters.

Travis: Do you guys wanna check out the door to nowhere?

Griffin: [laughs] Yeah!

Justin: Nice!

[crowd cheers]

Travis: It goes to nowhere. Okay, Paul? Perfectly normal staircase.

Justin: I'm gonna leap up it. Stride up it, two at a time.

Travis: Roll one D10.

Justin: 2.

Travis: Yeah, I rolled a 12. You trip.

Justin: Ah, no!

Travis: You're fine.

Justin: Okay.

Travis: But embarrassed.

Clint [PC]: I'm fine, but I'm gonna complain about it all night. [chuckles]

Aabria: [laughs]

Griffin: [laughs]

Clint [PC]: Ah, damn it! Ah, damn this leg!

Aabria: [chuckles]

Clint [PC]: Damn! You boys go ahead, I'm gonna head back to the room.
Damn it!

[crowd chuckles]

Aabria: This feels like such an inside joke.

Clint [PC]: I was having such a lot of fun, damn it! God, it hurts! Fuck!

Clint: Man, I... one time at King's Island!

[crowd chuckles]

Clint: God...

Travis: All right, you make it to the séance/science room.

Johndy: Okay, let me fire up my séance machines.

Griffin: Okay. I'm a literal ghost, so I can just sort of like chat with whoever's in here, without the aid of some sort of—

Aabria: [laughs]

Johndy: [chants] Kathleen! We need everybody to hold hands!

Clint [PC]: No.

Matilda: I thought that was his—

Johndy: Everybody hold hands!

Clint [PC]: No, you don't have to do that.

Griffin: She's still alive, yeah.

Johndy: [chants] Kathleen!

Matilda: She's still alive!

Gooper: She is alive!

Travis: Wait, who's Kathleen?

Johndy: [chants] Kathleen is the daughter that Aabria made up!

Aabria: I gave a gift.

Travis: Oh?

Johndy: Is it not Kathleen?

[crowd chuckles]

Clint: You assume I'm talking to the dead, I may be talking to a live person.

Johndy: Kathleen!

Travis: You see a ghost in the corner who looks up.

Clint: Uh-huh?

Travis: And he's like:

Rufus: Ah, hey— oh. Hey, what's up, man?

Clint [PC]: Hey, how's it going?

Johndy: Can you speak with us, oh disembodied spirit?

Rufus: Yeah, what's up?

Johndy: Yes, what is your name please?

Rufus: Rufus.

Clint [PC]: Hey, listen, you can just talk to the ghost.

Matilda: Oh, it's Rufus!

Rufus: Yeah, man.

Matilda: Where's Jannet?

Johndy: [chants] This is the only shtick I've got, let me do my shit.

Rufus: Jannet? Yeah, Jannet, come out!

Jannet: Hey, what's going on?

Matilda: Hey.

Johndy: Hi.

Jannet: Yeah, what's up?

Matilda: How you doing?

Johndy: Would you like to speak through me?

Griffin: [chuckles]

[crowd chuckles]

Jannet: What are you guys up to?

Gooper: We're literally talking right here!

Johndy: Wait, make— kick up this screw stick and make it float in the air!

Jannet: Yeah, are you guys doing? Yeah, what are you—

Matilda: Can you just hold that really quick?

Johndy: Ah, yes!

Jannet: Yeah, what's up?

Matilda: Sorry, no, just hold his little stick real quick.

Jannet: Okay, yeah.

Matilda: Thanks, sorry.

Johndy: Ja-yes!

Travis: Whack!

Aabria: [chuckles]

Jannet: That's for hitting him!

Johndy: Oh, yes, faster! Faster!

Matilda: Oh!

[chuckles]

Johndy: Harder! Hit me harder!

Travis: Yeah, and actually— hey, Johndy! It hits you so hard, you're unconscious for a minute.

Clint: Okay.

Aabria: [chuckles]

[crowd chuckles]

Matilda: Hey, how's it going?

Jannet: It's going great! What's up?

Matilda: Just, why are... why are there so many of you here?

Jannet: Oh, so, people die all over the place. There's actually—

Gooper: That's true!

Aabria: [chuckles]

[crowd chuckles]

Jannet: Yeah, there's billions of ghosts all over the Earth. This is just where we are.

Matilda: Sure, okay. But like, why here?

Jannet: 'Cause we're— oh, sorry. We're everywhere.

Matilda: Okay. So, you were just kind of passing through and you stopped—

Jannet: Yeah, man! We just hang out wherever.

Matilda: Oh? Sure.

Clint [PC]: I would like it if you would leave. Would you be open to that? And ask your friend how I handle rejection in this arena. I'd like very much if you moved on—

Gooper: He's in heaven now!

Clint [PC]: Yeah.

Matilda: Peaven!

Jannet: Wait, who?

Matilda: Sweaty Joe.

Clint [PC]: Sweaty Joe.

Jannet: Sweaty Joe's in heaven? Good for him.

Matilda: Yeah, do you wanna go to heaven?

Jannet: You know, that's interesting. I'm Buddhist.

[crowd chuckles]

Matilda: That's so delightful. I'm a Christian vegetable.

Griffin: [laughs]

Justin: [laughs]

[crowd laughs]

Clint [PC]: I would like...

Gooper: Where is my hairbrush, though?! I...

Aabria: [laughs]

[crowd chuckles]

Gooper: Sorry, we're on drugs!

Clint [PC]: Hey, I have a question, actually.

Jannet: Yeah?

Clint [PC]: I gotta ask you, you know...

Justin: And I kind of nod at Sandy.

Clint [PC]: Like, you know...

Jannet: Oh, yeah.

Clint [PC]: And their brothers. Have you seen them conspiring at all? Kind of conspiring—

Jannet: Oh, yeah! They've been... up in... up there.

Clint [PC]: Where?

Matilda: Heaven?

Jannet: No, the witch's cap.

Clint [PC]: Say again?

Jannet: The witch's cap on the house?

Matilda: The what? [chuckles]

Jannet: Here, I'll show you.

Travis: And so, Jannet— boom-boom! On the wall. And then the whole... Paul, can we show the original map? Yeah, thank you. The whole map changes.

Griffin: Oh shit.

Aabria: Oh... [laughs] Ooh...

[crowd chuckles]

Travis: Okay.

Justin: Okay, now if you could zoom in?

Aabria: Enhance!

Justin: And now, in the middle room it says, "A ladder to floor four."

Griffin: Okay, that's great!

Aabria: But what does the ladder look like?

Justin: That's a great question—

Griffin: Thank you, Paul!

Justin: Yeah, okay, thank you. Thank you, that's another ladder.

[crowd cheers]

Griffin: I love that. Aabria just jumped off the building, hoping that Paul would sort of catch her on the way down.

Aabria: Yeah!

Justin: Yeah.

Aabria: And there are only one set of footprints on that ladder, and it was Paul.

Johndy: Is there a ladder? I heard something about a ladder?

Aabria: [chuckles]

Clint [PC]: I've got you on my back, I'm carrying you up.

Johndy: Oh, okay. So, I can go back to sleep?

Clint [PC]: Yeah.

Johndy: Okay.

[crowd chuckles]

Johndy: I see a white light. Should I walk towards it?

Gooper: Probably! It worked out great for me!

Aabria: [chuckles]

Justin: Okay, so, what's up this ladder?

Travis: The witch's cap!

Justin: Okay, I go up there.

Aabria: Aw!

Travis: Mm-hm!

Griffin: That is not what those look like!

Justin: Are there any ghosts up here?

Travis: What you find up there are two of the three Winchester Boys. The third has been with you the whole time. And a big—

Clint: And what do they look like again?

Travis: Oh...

[crowd chuckles]

Griffin: Paul did not catch you, dad. Paul let you splat on the fucking ground.

[crowd chuckles]

Aabria: Thanks, Paul!

Travis: To be fair, I designed in the second ladder and then I literally said to Paul, "I don't think we'll need to see the Winchester Boys again."

[crowd chuckles]

Griffin: You fool!

Travis: Yeah.

Griffin: You said, "I'm sure they'll be done with the call-backs at that point."

Aabria: [chuckles]

Travis: I said the one bit is enough.

[crowd cheers]

Aabria: [cheers] Ow! Okay, wait, which one is Sandy?

Clint: Yeah?!

Travis: Clearly, it's this one with the Van Dyke.

Griffin: What?

Aabria: I don't know what that means. [chuckles]

Griffin: The one on the left.

Aabria: Oh, okay!

Clint: Oh, wow.

[crowd chuckles]

Clint: No, nah-uh!

Griffin: I don't think that facial hair is real!

Clint: That's not a Sandy!

Justin: [chuckles] You made that in MS Taint!

Aabria: [laughs]

Travis: [laughs] Best joke you've ever made!

Griffin: No one's gonna say anything dumber than that all night, which is incredible.

Aabria: Amazing!

Travis: So, you reach here and you find Deacon and Casual together, just sitting and cuddling, and it was nice. And then Sandy goes— I know. And then Sandy goes over and joins them. And then from out of the shadows—

Clint: In the cuddling?

Aabria: Wait, quick question. Does either Deacon or Casual have a little bit of Gooper on 'em?

Griffin: That's the question of the hour.

Travis: Deacon does.

Aabria: [sighs]

Griffin: I fuckin' knew it!

Aabria: Ah! He made us spin. [chuckles]

[crowd chuckles]

Travis: Sorry, what?

Clint: Oh, that bastard!

Aabria: He made us spin!

Clint: He made us spin around?

Travis: Yeah, he made you spin around.

Aabria: [chuckles]

Griffin: I'll fucking kill him!

[crowd chuckles]

Griffin: No one makes me spin around!

Clint: He made us spin around, right 'round! I mean...

Aabria: [chuckles]

Travis: And from out of the shadows steps a demon.

Aabria: Ooh?

Griffin: [laughs] What?!

Aabria: Okay!

[crowd laughs]

Travis: Yeah.

Clint: Is Deacon the demon?

Travis: No.

Aabria: How hot?

Demon: [incoherent garbling]

Travis: Wait, you don't have a picture of the demon?

Aabria: How hot?

Travis: No.

Justin: You don't—

Travis: Not attractive.

Justin: Sorry, you have two twin dining rooms...

Griffin: [chuckles]

Justin: You have stairs...

Travis: Well, Justin, if I try to depict the demon, your mind would melt.

Griffin: Oh shit.

Justin: Oh, that makes sense, actually!

Travis: I was doing this as a favor to your human brain.

Griffin: Okay.

Justin: I appreciate that. Thank you, Travis.

Clint: Wait. Oh, god, he is ugly. He really is ugly.

Gooper: Hey, what's your deal, partner?

Demon: [incoherent garbling]

[crowd chuckles]

Demon: Ah! Sorry, what I meant to say is, welcome to my [in deep, drawn-out demon voice] home.

Clint [PC]: Whoa.

Gooper: Whoa.

Johndy: Whoa.

Demon: Sorry, welcome to my home!

[crowd chuckles]

Clint [PC]: Thank you, that's better. What's your— how is this your home?

Matilda: Can you take any form?

Demon: What, no?

Matilda: No, I'm fine. It's fine, I'm fine.

Gooper: Can you fly?!

Demon: No?

Clint [PC]: [chuckles] How many wishes?

Gooper: Then what are you fuckin' doing, man?

Clint: [chuckles]

Justin: [chuckles]

Matilda: Are you just a guy?!

Demon: What?

Matilda: Are you just a guy from hell?

Gooper: Yeah, what's your powers, man?

Matilda: What do you do?! [chuckles]

Demon: No, I'm very powerful.

Gooper: Do a fireball!

Matilda: Do something!

Justin: [chuckles]

Travis: Hey, Griffin? Roll one D10.

[crowd chuckles]

Griffin: If I— let me say this, in my defense, if I see this dude's hand where his hip be at, I am also going to draw on him.

Justin: [chuckles]

Aabria: Yeah!

Griffin: With my keen shooter's instincts.

Travis: Okay, you go first and then I'll go.

Griffin: I don't like that. You go first and then I'll go.

Justin: [chuckles]

[crowd chuckles]

Aabria: [chuckles]

Griffin: Same time. Same time!

Travis: I rolled it, it's under the book.

Griffin: It's under the book...

Aabria: [chuckles] Rude.

Griffin: There's a rudeness to that, that and I don't appreciate it at all.

Aabria: [laughs]

[crowd chuckles]

Aabria: You're gonna roll so good.

Griffin: Mine also went under a book. Who fuckin' knows?!

Justin: [laughs]

[crowd chuckles]

Griffin: I like it, it's a 17! On two dice! There's only a few different things—you have three dice there! I don't know what you're showing me, nobody can see that.

Travis: 28!

Griffin: God damn it!

Aabria: 28? To do what?

Travis: Shoot a fireball at his head.

[crowd chuckles]

Aabria: At Gooper?

Travis: Yeah, it hits him and it goes through. It's fine, he's a ghost.

[crowd chuckles]

Aabria: Wait... so, you—

Travis: But it's a braggadocios move.

Aabria: But let me be very clear, Gooper's got shooters in these streets.

Griffin: [chuckles] Yeah!

Travis: So, now—

Aabria: Gun witch goes off!

Clint: Oh, yeah!

Travis: Now, Gooper, you roll three D10 and I'll roll two D10.

Griffin: I want some help—

Aabria: Yeah, can I help?

Travis: Yeah.

Griffin: I feel like if someone draws on Gooper, it's gonna be a whole situation.

Aabria: It's a whole thing.

Clint: Yeah.

Travis: Yeah.

Clint: I say we all shoot him.

Aabria: How many can I roll? I'm gonna roll three.

Griffin: Yeah, that's sounds good to me, Aabria.

[crowd chuckles]

Travis: Okay!

Aabria: 18.

Griffin: 22. [chuckles]

Travis: Okay, so, you guys rolled 40 against again his 4.

Aabria: [laughs]

[crowd laughs and cheers]

Demon: Ow!

Aabria: [laughs]

Clint [PC]: Hey, hey—

Johndy: Wait—

Clint [PC]: Hey, demon man!

Justin: And you see Clint's smoking and he takes a long draw.

Aabria: [chuckles]

Clint [PC]: Let the record show, I was Switzerland on this, man! I did not weigh in on either side of this conflict—

Demon: Yeah, but I was gonna—

Clint [PC]: We'll see how it shakes out in a little bit before I chose a side here.

Demon: No, they got me by 10 times, by a magnitude!

Aabria: [chuckles]

Clint [PC]: You piece of shit!

Justin: And then I swing my mop at him.

Demon: Yeah, but I had a whole plan!

Travis: Now, roll three D10.

Aabria: [chuckles]

Clint: Him or me?

Griffin: Git him. Get him. Get him, Clint.

Aabria: Get him.

Clint: Oh, okay.

Aabria: No, not you!

Griffin: You can help.

Justin: 13?

Travis: Yeah, against my 2. But, man, fuck! I have a whole plan about what I was gonna do! Now, actual Clint, you roll two D10.

Griffin: Yeah.

Aabria: Yeah.

[crowd chuckles]

Aabria: We're sitting at a tight 53 now, so...

Clint: I'm gonna put everything I got into this, 'cause—

Griffin: All right.

Aabria: I believe in you.

Clint: I can tell by the timer.

Griffin: Here we go.

[sound of dice thrown]

Justin: [laughs]

[crowd laughs]

Griffin: That went off the stage, I believe, Mac?

Travis: Now, wait, don't look!

[crowd cheers]

[crowd chuckles]

Justin: 8, 16!

Travis: Okay.

[crowd cheers]

Clint: 16, for you unmic'd people!

Travis: Now, here's what I want you to know... I'm glad he rolled a 16, but he rolled two dice. I rolled a 1. So, it didn't matter what was on the dice, he won.

Griffin: Yeah.

Travis: You shut this demon down, it gets sucks into the demonic plain.

Clint: Stop.

Travis: Okay?

Clint: Stop.

Travis: Okay.

Clint: This whole game, when I rolled these 10-sided dice, are you telling me that when it was a 0, it was 10 and not 0?

Griffin: Did you think it was 0, Mac?!

[crowd laughs]

Justin: You can't roll 0!

Aabria: Clint...

Clint: I swear to god...

Aabria: You beautiful man...

[crowd laughs]

Clint: Thank you, Aabria.

Aabria: You beautiful, gorgeous fool... why the fuck would there be a nothing option?.

Griffin: Why would there be a 0 on the dice, Mac?!

Aabria: Why would it have that? Sir!

Justin: Okay, Trav, can you bring us home, bud?

Aabria: You're my father and I love you—

Travis: Yeah, and the demon— and the demon says:

Demon: Do you know what, guys? I'm gonna go! This feels unfair!

Gooper: Wait, wait, did we solve it?!

Demon: Yeah, no, they were trying to con her out of her estate or whatever.

Gooper: We knew that one act one, bud!

Matilda: Yeah! [chuckles]

Demon: I feel bad for this guy.

Matilda: For which one?

Demon: I think you know.

Matilda: [laughs]

[crowd chuckles]

Gooper: Don't make him say it!

Demon: And so, you know what? You guys win or whatever! Hey, see to your man.

Aabria: [chuckles]

Demon: Check on him.

Matilda: Yeah.

Demon: Make sure he's cool.

Griffin: [chuckles]

Demon: Maybe give him like a spa day or something. It seems like he needs—

Matilda: Who's telling me to do this?

Demon: Hey, it's me, the demon.

Johndy: He's a love demon!

Justin: [laughs]

Demon: All right. He's not okay...

Aabria: [chuckles]

Gooper: We know!

Justin: Clint McElroy, as they're doing this one little scene—

Clint: Oh!

Justin: Clint takes a step back and he's like— he looks down and he's like:

Clint [PC]: Ah, no! Not now! Ah, no, my money! I haven't gotten paid for this job!

Gooper: You didn't do anything!

Justin: And then he jumps out of this plane, onto his next adventure!

Aabria: [chuckles] Yay!

[crowd cheers]

Aabria: [laughs]

Griffin: [chuckles]

Travis: Let's hear it for Aabria!

Justin: Aabria, everybody!

[crowd cheers]

Justin: Thanks for having us, San José! We love you very much!

Travis: Thank you! Thank you so much!

Justin: Come back and see us tomorrow if you want! It'll be funny too! All right, bye!

Travis: We'll be doing the exact same show!

[crowd cheers]

[Spirit Breakers theme music plays]
