

The Adventure Zone Outre Space: Episode 4

Published December 21st, 2023

[Listen here on mcelroy.family](https://mcelroy.family)

[warbling intro theme music plays]

Clint: [impersonating Stan Lee] Salutations, true believers! File on in for the frenetic, fantastic fist-clenching finale and *The Adventure Zone: Outre Space*. Like the escape-artist worm, this one is truly off the hook! With “Kablam” Kate Welch, “Gadzooks” Gabe Hicks, “Jumpin’ Josephat” Justin McElroy, “Good God, Y’all” Griffin McElroy, and “Tie Me Kangaroo Down” Travis McElroy. And if you’ve never used any of those adjectives before, give yourself a no-prize!

[theme music plays]

Clint: Hello everybody and welcome to episode four of *The Adventure Zone: Outre Space*. We are gathered here, we have just—

Travis: We’re gathered here today.

Clint: We’re gathered here today to say farewell to six intrepid adventurers. You had just gone into the Fluster, and punched in the first co-ordinates to transfer to the first sphere in your quest.

And you have... appeared inside some place that is complete and utter darkness. There is this terrible acidic smell and it’s fairly warm. And this terrible... chittering, clacking sound.

[insect clacking sound effects play]

Clint: From all these different sources, it’s very unnerving. Matter of fact, it’s more than just unnerving, it’s... making you, your super brave heroes, almost fearful. What do you do?

Thori: It’s the Scarecrow.

Justin: Mmm...

Wonder Man: Sorry?

Griffin: [chuckles] Nothing, noth— That's out of canon, there's no way.

Gabe & Travis: [laughs]

Justin: There's just no way, unless...

Kate: Kate Bishop is extremely brave. And has an Edge on any action check required to deal with fear, so I'm keepin' my shit together pretty well.

Clint: Okay. M'kay, good.

Kate: Okay.

Justin: Same here. We're both military, as you can tell.

Kate: Mm-hmm.

Justin: [chuckles]

Travis: Does Kate maybe also have a flashlight?

Griffin & Justin: [laughs]

Kate: Yeah. Yes, I have—

Travis: 'Cause I would light stuff up, but I think if I did, the pod would explode or something.

Kate: Now maybe I have an arrow that is glowing when I try to shoot it.

Justin: Okay.

Kate: And it's emitting some light. So I would draw my most luminous arrow, which might also be explosive if I wait too long, and draw and see if that casts any light around me.

Clint: Okay. I like that. I'm not even gonna make you roll for it 'cause I think that would just be an action, so... do so.

Kate: Okay, I do. What do I see?

Clint: Here's what you see. The sphere is about 180 feet across. And you five are standing on a small, rounded ledge, projecting from the side of the sphere.

[deep rumbling sound effect plays]

Clint: There is room for all five of you on this, but just barely. I mean you've got very little room to work. And you can kinda tell there's something... on the other side. But you can't quite make it out. Are you holding onto this... shining arrow, or what are you doin' with it?

Kate: Yeah, I'm just holding it and like pointing it like one would to try to look around and cast the light. I'm not gonna shoot it unless there's clear and present danger.

Clint: Okay. Here's what you can make out, that on the other side of the sphere is a similar rounded ledge and there's some kind of machinery on it. You can tell because there are occasional lights flashing.

You can't quite make out what it is, but as you move the arrow around to try to get an idea, you hold it down, little closer to the ledge to look down over the side. And about 50 feet below you, scrabbling over themselves, with... fanged mandibles clacking against each other...

[insect sound effects play again]

Clint: Are a hundred and eighty-nine... of the Brood.

Travis: Mmm.

Clint: Sebastian.

Travis: Yes? No.

Justin: Yeah.

Travis: Wrong one.

Clint: Make a Logic check. Your SHIELD training.

Justin: Mm. Okay.

Griffin: Oh my goodness.

Kate: Very nice.

Travis: That's a fantastic success.

Clint: Fantastic success! Well, in that case—

Travis: He knows who the Brood are and he knows their mom's name.

Griffin: He knows them name by name, all 189.

Clint: Well you know that the Brood are insectoid beings, they travel through space, and they find hosts which they infest with their spawn. They are— They have evolved to reproduce and consume any available sources, they're like parasitic.

What they do is they steal the bodies of others and reproduce, so they are just insidious in the Marvel universe. But unlike other parasitic creatures, they don't grow their own bodies, they take over the hosts. And change it into a Brood form of the host. Taking control of them.

Justin: And that's not all I know about them.

Clint: What else do you know?

Justin: I also know their secret weakness.

Clint: Do you?

Justin: And let me tell you all what it is now.

Griffin: [chuckles]

Clint: I'm listening.

Travis: Well, he got a fantastic success.

Justin: No no no, see I did the—

Travis: So.

Justin: I did the roll with a fantastic success, I'd like a weakness, is all I'm saying. Like ha— Maybe just with my SHIELD training, I know how people have fended off Brood attacks before, how we've been able to, and I feel like, with an 18, fantastic 18, I feel like I definitely know at least how we've fought 'em before.

Clint: SHIELD has never had any success against the Brood.

Justin: No shit?

Gabe: [laughs]

Clint: The X-Men have had very little success.

Justin: Sebastian's just like...

Sebastian: Fuck. Fuck. Fuck. Fuck. Fuck.

Griffin & Kate: [chuckles]

Clint: [chuckles] You're runnin' through your brain and Captain Marvel! Very little success.

Justin: Okay, are you—

Sebastian: Does anybody know Captain Marvel?

Wonder Man: I do.

Miles: Wait, which—?

Sebastian: Oh, tell her.

Wonder Man: We actually dated for a while when she was Ms Marvel.

Sebastian: That's wholly unsurprising.

Wonder Man: Yeah.

Sebastian: But you probably just can't get her here.

Wonder Man: If not—

Clint: I'll give you this. If you were to fight one Brood... you would be able to eventually get past their armor and their biting... and you would probably be able to destroy one, maybe two or three. But in doing that, you would be infected by the other Brood, and... as a bonus knowledge, I'll also tell you that you would be taken over. Even Simon.

Justin: [mutters] Sebastian.

Clint: Who's a being of ionic energy.

Justin: Oh, Simon. [laughs]

Clint: So.

Travis: It takes so very little to absolute abroo— obliterate Justin and I's ability to— "Oh, both of our names start with 's'! [chuckles] What are we gonna do?!".

Justin: Yeah. "Oh no."

Kate: So yeah, I'm looking down at this Brood with my arrow and I lean over to Miles and I'm like...

Kate: X-26 might not've been right.

Miles: Yeah, I don't... What do you think they taste like?

Wonder Man: The Brood?

Kate: I'm not gonna entertain that.

Thori: I was wondering the same question, Miles.

Kate: Brie?

Kate: [laughs]

Wonder Man: Probably brie.

Kate: Brie?

Miles: 'Cause they probably—

Wonder Man: It probably depends on how their prepared, 'cause it could be like freeze-dried crickets.

Kate: Okay.

Miles: Question.

Wonder Man: You ever had those?

Miles: Yes.

Kate: Listen.

Miles: How big are they? 'Cause it's hard to see.

Sebastian: Oh, that? Let me answer that for you.

Travis: And he opens his mouth, and out comes this answer.

Clint: All different sizes and sh— and they're all these hideous, insectoid looking things with needle-like like teeth. Some are little, those are called the Broodlings.

Griffin: Mm.

Kate: Cute!

Clint: A— yeah.

Travis: Game Master, I would like to test something based off of Grizzabella's warning. What was her real name? The Flinni— What? It wasn't Grizzabella, that's from *Cats*.

Clint: Glabella. Glabella.

Travis: Glabella.

Gabe: [chuckles] I was like “What are you say—?!” [wheezes]

Travis: Glabella’s warning—

Griffin: Rum-Tum Tugger, what was— what did Rum-Tum Tugger tell us—

Travis: Yeah, you remember...

Griffin: — before we got in here?

Travis: Based off of the railway cat, based off of Skimblehanks’s warning, I’m going to just like spark up a little ionic energy.

Clint: Okay.

Gabe: Hell no. I’m out.

Travis: And just—

Griffin: [giggles]

Travis: Just a test, just a little bit, and see what... Like do I feel a rumbling? Like you know what I mean?

Clint: Okay.

Travis: Like is it like “Oh, bad news bears. I can’t do that at all”.

Justin: Yeah, as—

Clint: Okay.

Justin: Okay. Real quick, just let me link something in real quick. Just linkin’ something in the chat real quick.

Gabe: My man. [chuckles]

Justin: It's called the Shield of the Seraphim. It's a magical shield that protects us from physical damage. Any attacks against us that do the— 20 points of damage or less are instantly absorbed. So I'm gonna put this shield up in front of the rest of us.

Clint: Okay.

Kate: Thank you.

Clint: That's good. Alright. Describe that, Wonder Man.

Travis: So think of it more of just like he puts his thumb and his fore finger together, his thumb and his pointer finger, and spreads it out with like an arc of like ionic energy between them.

Clint: Okay.

Travis: And just like seeing if it's like the presence of that at all is... is troubling.

Clint: Okay. When you do that, two things happen.

Travis: Oh boy.

Clint: It provides some illumination. And with that illumination, you can make out that the device on the ledge across the sphere from you... is the next transmat device.

Kate: Yeah. Yeah.

Clint: That you need.

Kate: We gotta get over there, guys.

Clint: And... the other effect is that when you... create that arc, some sparks fly out of the device. [imitates sparking sounds]

Travis: Okay. Put it away. Oop, put it away!

Clint: [imitates sparking sounds]

Travis: Put it away! Oh, it's gone. Oh, it's gone.

Clint: Okay.

Travis: It's gone so quick.

Clint: And the sparks stop. Who do you think's more technically savvy?

Travis: I mean, could be—

Gabe: Yeah.

Griffin: Yeah, probably Spider-Man.

Gabe: Yeah, probably Miles.

Clint: Okay.

Gabe: 'Cause like that's his whole thing.

Wonder Man: I mean, I was a... a weapons designer tycoon too. I've got a little bit—

Miles: We get it.

Wonder Man: — of that Tony Stark—

Miles: You're not Tony Stark. [chuckles]

Justin: [chuckles]

Wonder Man: I mean, I'm— Okay. He is my like main rival in my head, I get that.

Griffin: [chuckles] Sure. Me too.

Clint: Miles, Miles. Give me a Vigilance.

Gabe: 10. I'm gonna use [chuckles] my last Karma. 'Cause—

Clint: 'Cause you gotta get over a 12.

Gabe: 13. Hell yeah. I mean heck yeah.

Clint: What is it?

Gabe: 13.

Travis: 13.

Clint: Okay. You can tell that those sparks didn't do any... permanent damage to the transmat device. It may have overloaded it a little bit, but it did not damage it.

Wonder Man: My bad.

Miles: So it looks like it didn't do any damage, but that might be actually good for us, because if we get to a point where we have to overload the system in any way, Wonder Man just—

Wonder Man: I'm your boy.

Miles: — light it up.

Wonder Man: Now listen, if we're talking about traversal here, right?

Miles: Mm-hmm.

Wonder Man: You can... you know, do web things.

Miles: Mm-hmm. Spider-Man.

Wonder Man: I can fly.

Miles: Mm-hmm.

Wonder Man: So like if you can get Sebastian over there, I could like carry Kate and the dog.

Thori: Mmm, no.

Wonder Man: Sorry?

Gabe: [wheezes]

Thori: I don't like that.

Gabe: [giggles]

Wonder Man: I— You don't like me carrying you over there?

Thori: I am not luggage.

Wonder Man: I'm not— Okay, Thori, I'm sorry. I didn't mean to off— I just—

Thori: I can jump it.

Wonder Man: 50 feet?!

Griffin: How f— It's 180, right?

Kate: Yeah.

Justin: [laughs] Wait!

Travis: No.

Justin: Wait! [chuckles]

Clint: Hundred— 180.

Kate: Yeah.

Griffin: Yeah.

Travis: Well that—

Clint: It's 50 feet down. It's 50 feet down.

Travis: Okay wait, but it's—

Clint: If you make a 50-foot jump towards the platform, you're gonna end up in the Brood.

Travis & Griffin: [simultaneously] Yeah.

Wonder Man: So even then, if it's 180 feet across and it's in the middle, talkin' 90 feet. You could jump 90 feet?

Thori: No-one can look while he carries me.

Wonder Man: Okay.

Miles: Okay.

Clint: [giggles]

Sebastian: Okay.

Wonder Man: Do you wanna ride on my back? What's— What— I could sit on your back and kind of wrap my legs around and grip you that— Like what's the most—

Miles: Like a horse?

Thori: What's the least humiliating way, you mean to ask me?

Wonder Man: Yes.

Clint: [chuckles]

Wonder Man: Yeah.

Thori: Just scoop me up in your arms, like a child.

Wonder Man: Okay. And Kate, do you wanna get on my back, or...?

Kate: Yeah, sure. Yeah.

Wonder Man: Okay.

Miles: Mr.—

Kate: Climb.

Travis: Okay, so pick—

Kate: I climb aboard.

Travis: I pick Thori up like a baby.

Kate: Uh-huh.

Travis: And Kate's on my back. And I start floating my way over.

Miles: Mr. Druid, do you want me to carry you? Because I know you can teleport and I think they just forgot that.

Clint: [laughs]

Sebastian: You know, it's okay. I don't mind. I'm not particularly well-known in terms of what I can do, so I'll just teleport over. Do you want me to teleport you? It's pretty safe.

Miles: Yeah no, that'd be great. I don't wanna swing over that.

Clint: [giggles]

Sebastian: Okay, get in my cape.

Miles: What?

Travis: [laughs]

Sebastian: Well I can only teleport myself and I can take you, but you have to get into my cape.

Miles: Is that safe?

Clint: Is that a euphemism?

Sebastian: I don't kn— No, it's just—

Gabe: [wheezes]

Sebastian: Oh man, I hate— Yeah. It's—

Miles: Okay. No, it's fine.

Sebastian: I wish I could do it—

Miles: I'll—

Sebastian: But you have to get into my cape. If you wanna—

Miles: Can I breath in there?

Sebastian: What?

Miles: Is there—

Sebastian: You won't need— Okay, no.

Miles: What?

Sebastian: But you won't need to.

Miles: Ohhh...

Sebastian: That's good, right?

Wonder Man: [from a distance] Are you guys coming?

Miles: Okay.

Sebastian: You can swing if you wanna go for it.

Miles: No no no! No, this is—

Sebastian: You probably have to—

Miles: Look, I— Hey. I trust you.

Wonder Man: [from a distance] We're like halfway across! Are you guys coming?

Miles: I trust you implicitly, Mr. Druid.

Wonder Man: [from a distance] Or like what's up?

Clint: While you discuss this.

Sebastian: Okay.

Clint: I wanna cut—

Justin: [wheezes]

Clint: I wanna fill you in. You guys are talkin' about it and it's good, we'll come back to that, but as they already took off. Trav, are you using ionic energy to fly?

Kate: Oh god. Oh no.

Gabe: [cackles]

Travis: Well, so, no. The thing is...

Justin: [chuckles] Yeah.

Travis: Because of his just nature...

Kate: Uh-huh.

Travis: He is lighter than air. Like he can fly. It does not require energy to do it.

Griffin: Expenditure.

Travis: And in fact, I can back that up by saying the power in the Marvel RPG is not part of the elemental powers.

Clint: Okay.

Travis: It's just part of the basic powers. That and his strength.

Clint: Okay.

Travis: Are not related to the ionic energy, just to be safe.

Gabe: I'm glad you elaborated that, 'cause yeah, he's lighter than air. I'm like— I'm glad you elaborated it's a power.

Travis: Yeah.

Gabe: 'Cause Kate and the dog ain't.

Travis: It's— It is a power, it's just not from the elemental side of things.

Clint: Okay, well I will say this, you fly. As you get closer to the transporter... sparks begin to fly from it.

Kate: Okay.

Clint: Just from your...

Griffin: Your presence.

Kate: Just your whole deal.

Clint: The ionic presence, yeah. So, okay, back to Miles and Sebastian, what do you do?

Miles: Alright, I get in the cape.

Clint: [chuckles]

Miles: [takes a deep breath]

Sebastian: Okay.

Gabe: Miles takes in a deep breath. [wheezes]

Clint: Describe it. Yeah, okay. Alright.

Gabe: It's like—

Miles: So do I just— Do I just dive in?

Sebastian: Yeah. Um, you— I wouldn't dive. You could dive. You could just climb in slow or whatever. You just kinda get in there.

Gabe: And he kinda like hops a little like a rabbit.

Sebastian: Can I make a suggestion?

Gabe: Just like—

Miles: Yeah!

Sebastian: Can I make one suggestion to you before—?

Miles: Yeah.

Sebastian: Don't— And I'm serious. Don't go halfway.

Clint: [laughs]

Miles: What?

Sebastian: And then stop. Some people have done that, and that's gonna feel rough. That's gonna be bad. I need you to get in real quick, or don't get in, but just don't go halfway.

Miles: Hey Mr. Druid?

Sebastian: Yeah.

Griffin: [chuckles]

Miles: I hate this conversation.

Gabe: [chuckles] And Miles hops in.

Kate: [laughs]

Justin: Okay, good.

Clint: `Kay.

Miles: [yells as if falling from a great height]

Clint: Now, Sebastian, you gotta give me some kinda roll here.

Kate: Oh my god.

Gabe: [laughs] Don't you mess this up.

Justin: Dad. Dad, that seems 100% fair to me dog. [snorts] 100%.

Gabe, Griffin & Kate: [laughs]

Clint: I think I'm gonna have to have an Ego roll.

Justin: An Ego roll?

Clint: But I will tell you this. I'll give you adva— I'll give you an Edge.

Gabe: Thank god.

Justin: Yeah, don't say "advantage," we'll go to jail. [chuckles] Give me an Edge.

Gabe: [chuckles] Don't you ruin this for me.

Justin: Okay.

Kate: Ohhh.

Griffin: Yeah, right.

Kate: Okay.

Clint: You don't even need the Edge.

Gabe: Nah, do it anyways.

Clint & Gabe: [simultaneously] Do it anyways.

Justin: 17 to get— Now Dad, tell me what was the— what was I trying to hit?

Clint: I wanted you hit 14, you hit 17.

Justin: I shoulda asked you before. Let me see if I can get that— Nope, it's the exact same one again.

Clint: Okay, and then once you appear there. Remember, it's still total darkness. Oh no, Kate's holdin' her arrow, okay. So you've got some light and you can see that there are even more sparks flyin' off of the— flyin' off of that portal.

Kate: I think we gotta go back.

Clint: Matter of fact, an alarming number.

Travis: Is it looking bad? How close am I?

Clint: You've made it. You guys are there. You've made it.

Travis: Okay, then I back off. Like—

Wonder Man: You guys figure it out, I'll be over here. Let me know when you're ready.

Kate: Okay.

Griffin: I look down at the Brood below.

Thori: These creatures represent an existential threat to any world that they might be loosed upon, correct?

[insect buzzing sound effects play]

Wonder Man: Um, yeah?

Kate: I mean, yeah that's—

Sebastian: Yeah, they're 100% bad.

Kate: They're super—

Thori: Then I am du—

Miles: [speaks incomprehensibly, muffled by the cape]

Thori: I am duty-bound to destroy them.

Kate: No. No no no no no, Thori. I don't think that's a good idea.

Sebastian: Ohhh...

Kate: I don't think that's a good call because I mean how many could you— can you actually bite through? There's— there's hundreds of 'em down there. You—

Sebastian: I don't think you can eat all of 'em.

Thori: I have—

Miles: [muffled by the cape] Thori, stay!

Thori: — fire bre— Ohhh, you know I don't like that.

Gabe: [wheezes]

Thori: Now I'm going to do it out of spite.

Kate: [laughs]

Griffin: And I—

Kate: No!

Griffin: — shoot an elemental blast of fire down into—

Gabe: [wheezes]

Griffin: — the... hate bugs.

Clint: Okay.

Kate: [sighs heavily]

Griffin: If we can kill all these things, we are stopping apocalyptic level events from unfolding. I don't know whose fuckin' evil bugs these are.

Justin: He's—

Gabe: I hope we never find out.

Justin: I feel like— I don't wanna say he's got a point, but I think he kinda has a point.

Clint: He has a point, yeah.

Kate: Well it's— He's the only one who's not heroic. [laughs]

Gabe: [wheezes]

Griffin: Right.

Justin: [wheezes]

Griffin: Alright. So let's roll it.

Clint: You add one to your Agility damage.

Griffin: Yes, so I'm going to... And this is with Edge, so I'm— I got a four, four, two. Gonna replace the two... And nope. So that is a 14 total. Against the Brood.

Clint: It hits one of 'em.

Griffin: Okay, 16 damage.

Clint: Okay. You did 16 damage.

Griffin: Oh wait, no I have to spend Focus. So I'll spend another 20 here to make that 26 damage.

Clint: Ooo! That really hurt that Brood.

Griffin: Great.

Clint: Just the one Brood that you hit.

Kate: Just the one. Just the one, yeah.

Gabe: I love that he keeps emphasizing—

Kate: Uh-huh.

Gabe: — it's the one out of the 170.

Kate: Yeah.

Gabe: "Wow, that one is really miserable."

Clint: It's a great big one.

Griffin: Okay.

Clint: And then as you did that...

[electric sparking sound effects play]

Clint: More sparks are flying. With greater, rapid turnaround. I mean it's sparks and then more sparks and then more sparks. And it's gettin' a little dicey.

Kate: Oh, no no no no no.

Kate: Alright.

Clint: And the transmat—

Wonder Man: Hey, put in the Y co-ordinates real quick.

Miles: Let me outta your cloak!

Kate: [laughs] Have you teleported over yet?

Justin: Okay.

Kate: Sebastian?

Miles: There's weird snacks in here! Ugh! You should throw that cheese out.

Justin: Sorry, what? What was the question?

Clint: Is somebody po— What do you guys do?

Wonder Man: Put in the Y co-ordinates!

Miles: Y-19.

Travis: Okay. And as it triggers, Simon zooms in.

Clint: Okay. And you are automatically transported to a new sphere.

Sebastian: We can go back later, if you want.

Gabe: [wheezes]

Justin: I'm talkin' to Thori.

Clint: I know. [snorts] I know.

Sebastian: You seem upset.

Kate: I think we're gonna have to go back later with like—

Sebastian: We can go back later, if you want.

Kate: With more weaponry.

Thori: I could've handled that.

Sebastian: I know. I know, but you— We can go back and get— We'll go back and get 'em, okay? We'll go back and get 'em. We can both— We're both—

Thori: You promise. You promise.

Sebastian: Absolutely. Absolutely.

Thori: Thank you.

Sebastian: If the downloads are there.

Miles: You're a good god, Thori.

Thori: Thank you.

Sebastian: We'll be there. [wheezes] We'll come back.

Clint: Well unlike the previous sphere, this one is well-lit, well-illuminated. The walls are covered in display cases, all of them covered by some clear substance. Except for one case, which is open. There is a small... viewing pad on a table... nearby, next to a pile of items.

Now let me describe this case in front of you. It's open, it has seven individual stands. With little pairs of footprint indentations on each one of them. And... six of the seven stands have a symbol on them. There's an hourglass, a mirror, a flexing arm, a brain, a ghost, and a skull. One of them is blank.

Now the items laying on the table are... of course... intergalactically beloved Me-Got action figures. And they are of different Marvel entities. There's Natasha Romanov, there's Thanos, there's Daredevil, Ben Grim "The Thing", an AIM agent, Mystique, and Hulk.

And as you draw near... the video table fires up. And a hologram appears, hovering above it.

[electronic turning on sound effect plays]

Clint: And it's the face of Tana Lir Tevan... The Collector.

Thori: [growls]

Wonder Man: Thori. Thori.

Clint: Yeah.

Wonder Man: It's a hologram.

Clint: And The Collector says...

The Collector: Karina. I'm giving you a chance to redeem yourself for your recent indiscretions with that Infinity Stone. You know what to do with these, when you do it right, I will allow you to beam out. Do it wrong and you are fired. Aaand by fired, I mean the chamber will fill with white hot plasma, burning you to ashes. Again.

Kate: Do we see ashes anywhere?

Clint: No.

Kate: Okay.

The Collector: Don't make me regret having you resurrected. Ciao!

Clint: And The Collector's visage disappears.

Thori: This storage unit belongs to The Collector.

Wonder Man: You wanna piss on some stuff?

Thori: If you'll excuse me.

Griffin: Yeah, I immediately just—

Clint: [laughs]

Griffin: I'ma make a terrible, terrible— I'm gonna make a terrible— I don't know what kinda roll you want from this. In fact, it can happen off camera if we don't wanna work too blue today. But I make a terrible mess of things in this place.

Travis: While that's going on in the background. [chuckles] Alright.

Griffin: I'm making a melee attack against the vibe.

Justin: [wheezes]

Gabe: [chuckles]

Griffin: That's a 21 fantastic success.

Kate: [laughs]

Justin: [giggles]

Kate: [claps]

Clint: You're kidding me.

Griffin: No, that's a fantastic 21 success.

Clint: Awwww, alright.

Justin: Thori, you're killin' the vibe.

Clint: Describe what you're doin'!

Kate: Oh...

Clint: Describe it!

Griffin: I'm not going to— No no no no no. I can't describe what I'm doing in here.

Clint: You do with a fantastic, my friend.

Griffin: I make it... so that when The Collector does come back here someday, he won't be the same.

Kate: [wheezes]

Griffin: In fact, you know what? I'm gonna delay this action, and I say—

Thori: I'm ready to do my thing. You all solve the puzzle or whatever.

Justin: [wheezes]

Clint: [giggles]

Gabe: God.

Wonder Man: Alright. Kate, here's what I'm thinkin'.

Kate: Yeah.

Wonder Man: I'm— Two of 'em I know.

Kate: Oh, okay.

Wonder Man: Hourglass, that's Black Widow. That's a black widow right there.

Kate: Oh, sure.

Wonder Man: The red hourglass is Natasha.

Kate: Yeah yeah yeah yeah. That's right on her costume, right.

Wonder Man: Mystique is the mirror, right?

Kate: Mystique's gotta be the mirror.

Wonder Man: 'Cause she can copy people and look at people.

Kate: Sure. Yeah, yeah yeah.

Miles: Daredevil's probably the skull. Well, no.

Wonder Man: Hmm. Yeah, see that's where I'm lost, 'cause the flexing arm could be The Thing or Hulk.

Kate: Feels like the Hulk, yeah. And what about ghost?

Miles: Also, isn't there only six of those things?

Kate: Correct.

Miles: And seven of these.

Wonder Man: Well, 'cause there's one that's blank.

Kate: Yeah. Yeah.

Wonder Man: I would say Thanos is ghost.

[Clint's Infinity Gauntlet makes sounds]

Wonder Man: Or the—

Griffin: Oh shit.

Kate: Oh jeez.

Travis: Thanos is the skull, right?

Kate: Thanos seems very skull.

Griffin: 'Cause he's death?

Travis: 'Cause he brings—

Kate: Thanos brings death.

Travis: It means death.

Kate: Yeah.

Travis: Thanatos is death.

Griffin: Oh, cool.

Kate: Um...

Travis: So is an AIM agent like super sneaky? Are they like a ghost? Are they like good at infiltration?

Kate: Yeah, Clint. Can you— We presumably would know in character what an AIM agent is, but I don't. Can you tell us what that is?

Clint: Yes. An AIM agent is a— they are... enemies of like SHIELD and just about everybody else has fought them. They wore these—

Gabe: They were geniuses, right?

Clint: They wore these dis—

Gabe: So they wore like lab suits?

Clint: Yeah, they wear these distinctive yellow— they look like hazmat suits. And the Babysitters encountered them... in *Journey into Mystery*, and you have fought them before.

Kate: Okay. Okay. Okay.

Travis: Are they especially ghost-like?

Clint: No.

Travis: Oh. Okay.

Justin: It's the...

Kate: I guess Daredevil would be brain? 'Cause he's an investigator, right?

Justin: It's stats, right? They're stats. Melee, agility...

Kate: Resilience.

Justin: Right, the flexing arm's melee. The brain is— The skull, the ghost. They match up, right?

Kate: With—

Justin: To the stats.

Griffin: I don't know what stat ghost is.

Kate: Yeah, what stat would be ghost?

Griffin: What about hourglass?

Justin: Umm...

Kate: Agility?

Justin: Agility, maybe? Or—

Kate: And like mirror would be Ego, right?

Clint: Somebody give me a Logic check. Somebody with high Logic.

Kate: I have three Logic, is that good for us?

Gabe: I think it might be you.

Kate: Okay. Okay.

Gabe: I think you're the highest.

Kate: Uhhh... 11.

Clint: I need— Yeah, I needed a 13.

Kate: You need a 13, alright. Okay, I'll spend some Karma. That's my last Karma. Come oon, baybeee. Mm-mm. Nope.

Griffin: Oh my god.

Kate: Nope. Yah, that's an 11. That's the most logical we can be as a group.

Thori: Don't worry, I got this.

Griffin: [chuckles] I'll make a Logic check.

Kate: [laughs] Okay.

Clint: Okay.

Kate: Yes, thank you, Thori.

Clint: Thori makes a Logic check.

Kate: Oh...

Griffin: That's a 12.

Travis: You have a minus one.

Griffin: My Logic is minus one.

Kate: Minus one, yeah.

Clint: Alright, do you want to... use Karma?

Griffin: Spend a Karma point? No, I don't.

Kate: [giggles]

Griffin: I won't get higher.

Clint: Alright, I will tell you this. Between your 11 and your 12 together.

Kate: Uh-huh.

Clint: You put your heads together. And here comes your clue.

Griffin: Okay.

[Clint's Infinity Gauntlet makes sounds again]

Justin: Ohhh.

Griffin: Ohhh, they're the Inf—

Justin: Ohhh, they're Infinity Stones.

Gabe: They're Infinity Stones.

Griffin: The Infinity Stones.

Gabe: Yeah.

Justin: They're Infinity Stones.

Griffin: That—

Gabe: So Time.

Justin: Oh, color.

Gabe: Time is hourglass.

Justin: Color. Daredevil's red, Hulk's green.

Griffin: Yep. Yeah.

Kate: Ohhh.

Justin: AIM agent is—

Griffin: Yeah, there we go.

Justin: — orange.

Griffin: There we go, there we go.

Kate: There we go.

Justin: Yellow.

Gabe: Yeah.

Justin: So wait—

Griffin: Is Mind—

Justin: Which gem is—

Gabe: AIM has yellow hazmat suits.

Justin: Do you all—

Griffin: Mind is brain.

Justin: Oh wow, this is so embarrassing.

Griffin: AIM agent is brain.

Kate: Lookin' it up.

Travis: Dad, hold up the glove again. Oh, I can see it back there.

Justin: But you don't know which gem goes to which, right?

Kate: I do.

Clint: I bet she does.

Kate: [laughs]

Justin: Oh, thank god, Kate.

Kate: Yeah. The blue one is the Space stone, the yellow one is the Mind stone... the red one is the Reality stone. Purple is the Power stone, green is the Time stone, and amber? Is the Soul stone.

Travis: The color of energy.

Griffin: The color of our energy, yeah.

Kate: Yes, it's the color of our energy.

Griffin: I know that.

Kate: Yeah, yeah. Soooo...

Clint: There is also a black Infinity Stone.

Kate: Okay.

Travis: [gasps]

Kate: Okay.

Justin: Oh, that's Black Widow.

Kate: That's gonna be Black Widow. Okay.

Justin: 'Kay.

Kate: So.

Gabe: And then the flexing— so flexing arm.

Kate: That's gonna be Power.

Gabe: Is Power.

Kate: So that's Thanos.

Griffin: Power's red.

Gabe: It's purple.

Kate: Oh.

Griffin: Oh, wait.

Gabe: Pow—

Kate: Power is purple.

Gabe: Power is purple.

Kate: Yeah.

Gabe: Reality is red.

Kate: Reality is red.

Griffin: Okay.

Kate: Reality is red. So—

Griffin: Alright.

Gabe: So that would be—

Kate: Yes.

Gabe: That would probably be Mystique.

Justin: If—

Gabe: Well, I guess or Thanos, I guess?

Kate: Mystique's blue, right?

Justin: Thanos 'cause he's purple.

Kate: Mystique's blue.

Gabe: That's true, yeah.

Justin: Yeah, Mystique would be blue.

Kate: So then—

Travis: So—

Griffin: AIM should be yellow.

Travis: I would have to say Reality is the Reality is the mirror.

Kate: Okay.

Travis: Right? Showing you reality?

Justin: That makes sense.

Travis: Right?

Kate: Okay, that's cool.

Justin: Sure, yeah.

Kate: Sure.

Justin: I would buy that.

Travis: So that's red.

Kate: So that's Daredevil?

Griffin: So put Daredevil and a mirror.

Kate: Okay. We— ... Who wants to do it? [chuckles]

Gabe: I'll write it down. So Daredevil and mirror, yup.

Griffin: We're all kind of getting a hand on the.

Kate: Yeah yeah yeah.

Gabe: I'll do it.

Kate: Daredevil mirror.

Gabe: Daredevil mirror.

Kate: Thanos Power. Hulk is—

Travis: Ghost.

Gabe: Thanos.

Kate: — the hourglass, for the Time stone.

Gabe: Who is?

Kate: Hulk.

Griffin: Green.

Kate: Big green guy.

Gabe: Hulk hourglass.

Travis: The ghost is the Soul stone?

Kate: Presumably.

Gabe: Ghost's... Soul stone, yes.

Travis: Yes, so.

Kate: So orange.

Travis: The ghost is The Thing.

Kate: The Thing, yeah. Okay.

Gabe: Thing, yup.

Kate: And then the brain is the Mind stone, what is yellow.

Griffin: AIM agent.

Kate: AIM agent.

Gabe: Yes.

Kate: And then... the black stone is Natasha Romanov, right? Or skull—
Sorry, skull.

Justin: Yeah, gotta be.

Kate: Did we do skull?

Griffin: Well hold on, 'cause there's a missing stone image, right? 'Cause there's only six of the images, so.

Kate: Correct. There's one that's just blank.

Justin: Oh.

Gabe: So we have Daredevil mirror, Hulk hourglass, The Thing Ghost... the Mind stone, the brain with the AIM agent.

Kate: Uh-huh, Thanos is the flexing arm, the purple, but what is—

Gabe: Yes that's it.

Kate: Skull, the last one is... the Reality stone?

Travis: Well—

Kate: No, that's mirror.

Travis: There was a black stone that's War.

Kate: Right. The Space stone—

Griffin: The Space stone is blue, have to solved that yet?

Kate: Space— yeah.

Travis: No, I don't think there's a symbol for Space.

Kate: Okay.

Justin: Here we go.

Travis: So I think that would be the middle one.

Griffin: Okay.

Travis: That's missing a symbol.

Kate: So—

Griffin: The missing one is Mystique.

Kate: Okay okay okay.

Griffin: The skull's the black stone for Black Widow.

Kate: Got it.

Griffin: That's it!

Kate: We did it.

Clint: And with that... we case slides closed.

[mechanized movement sound effect plays]

Kate: Yes.

Clint: On the other side of the room, a door opens and out pops... a transmat device.

Kate: [sighs]

Gabe: GG.

Justin: Nice.

Kate: We solved it.

Thori: You all go on ahead.

Clint: That is starting to spark.

[electronic sparking sound effect plays]

Kate: Oh jeez.

Wonder Man: Sorry.

Kate: Okay.

Travis: Okay.

Clint: [chuckles] "Sorry, that's one me."

Wonder Man: That's my bad.

Clint: [laughs]

Travis: Okay, we put in the code, but before we hit enter, Thori start your terrible stuff, and then we'll hit enter and go.

Kate: Oh yeah, I do wanna— I do—

Thori: No. You go on ahead, I will follow. I can't risk you all being caught in the collateral damage.

Clint: [giggles]

Kate: [giggles]

Kate: I kinda wanna see it.

Thori: You don't want to see it.

Kate: Okay.

Thori: Kate Bishop.

Kate: Okay okay okay. Z-73.

Sebastian: Will you take— Thori, will you take my phone and video it, so at least we can make that decision?

Thori: Yes.

Sebastian: For ourselves later.

Kate: Put it in your mouth.

Clint: [laughs]

Kate: [laughs]

Thori: Will you put it on the Gram?

Clint: [cackles]

Gabe: [chuckles]

Sebastian: I have... I have a tripod, a little one.

Thori: `Kay.

Kate: Okay, okay.

Travis: Oh, a little guy-pod?

Griffin: Cool.

Clint: Aw.

Justin: Yeah, a little guy-pod.

Clint: I love you people.

Sebastian: Okay. Go for it.

Griffin: Alright.

Sebastian: See you on the other side. Don't forget to hydrate.

Thori: [chuckles] Thank you.

Kate: Z-73, buddy. You got that?

Thori: Yep.

Clint: Z-73.

Kate: Okay.

Griffin: Done.

Clint: And you vanish from this sphere and you reappear in a third sphere.

Travis: And we wait. We wait for Thori before commencing in any— We keep our eyes closed.

Griffin: Yeah, five minutes— Five minutes pass. Ten minutes.

Clint: [wheezes]

Griffin: And then I appear—

Justin: Okay, let us talk— Just give us a second. While Thori's peenin'.

Griffin: Yeah.

Sebastian: You guys hear Demi Lovato's new song? I'm not usually a Demi Lovato guy, but it was a remix of... "Cool for the Summer." Did y'all hear it?

Wonder Man: Oh, yeah yeah yeah.

Miles: Huh. Yeah, I'm a big fan.

Sebastian: It's good, do you know her? Anybody know Demi Lovato?

Wonder Man: I know here.

Sebastian: Yeah.

Kate: Yeah, that makes sense.

Wonder Man: Not like know her know her, but we end up being like in a lot of the same circles, you know what I mean? So it's like—

Sebastian: Is— Miles, are people still listening— are kids still listening to Demi Lovato, or is it like... is that just kind of a my... well our generation?

Miles: No, we still like Demi Lovato.

Sebastian: Oh, cool.

Gabe: But there is— You know how like Spider-Man's like visors narrow sometimes.

Kate: Uh-huh.

Justin: Yeah.

Gabe: When Wonder Man says "Yeah, I— We hang out in the same circles," Miles's eyes like, narrow.

Kate & Justin: [laugh]

Gabe: At what he said.

Miles: Okay. Jason Statham I believe. Everyone else, Demi Lovato?

Wonder Man: No, wha— This is what I'm saying. I'm not like— Like I'm at a party that's—

Griffin: [imitates the transmat sound effect]

Thori: [pants heavily from exhaustion]

Kate: [laughs]

Wonder Man: Oh god.

Thori: [continues panting]

Miles: Why are you wet?

Thori: I am victorious!

Justin, Clint & Kate: [laugh]

Miles: Thori, you need to— Thori, you stink!

Justin: [wheezes]

Thori: [out of breath] Justice. Justice has been exacted.

Kate: He drops the phone. [laughs]

Griffin: [chuckles]

Thori: You're going to want to put that in a bag of rice.

Justin: [wheezes]

Kate: [cackles]

Justin: I... Sebastian tents his fingers and says "Wum tah!", and summons the Winds of Wa-Tum.

Kate: Ooo.

Justin: To blow Thori dry. [wheezes]

Travis: And clean.

Clint: [laughs]

Justin: From all the uh... you know, accumulated moisture. And the odors.

Griffin: Just my— I am wet.

Justin: Just gonna blow dry—

Griffin: I am wet all over. I'm wet all over, but my ears are singed? It's like a—

Justin: [wheezes]

Griffin: It's a very confus— I'm in a very confusing state.

Justin: It looks like a— like one of those Dyson air blades just blows him dry with my—

Griffin: Thank you.

Justin: My power.

Kate: I lean over to Miles and I'm like—

Kate: Did he roll in it?

Miles: Yeah, yeah they do that sometimes, but like...

Justin: [chuckles]

Miles: He chose that.

Kate: Yeah, he did it and then he rolled in his own.

Miles: Where did all that water come from?

Kate: I don't think it's water, babe. Yeah.

Miles: Ohhh, gross.

Thori: I've got good news. I've got the napkin again.

Kate & Clint: [cackle]

Thori: If we forget the codes, I've retrieved the napkin.

Miles: No. No, this is the last place. Thanks Thori.

Thori: You are welcome.

Miles: You can—

Kate: You hang onto it.

Clint: Oh.

Miles: Or you could throw it out.

Clint: Okay.

Kate: Phew.

Justin: You see— As he takes it out, Sebastian just quietly just tugs his cloak really tight.

Griffin: [giggles]

Justin: He doesn't want that to even be a thought, like maybe that would be a good place to store it.

Gabe: [chuckles]

[ad break]

Clint: You look around. This third sphere looks like a weight room in a flop house. There are weights and punching bags and workout equipment. There's a poster of Drax the Destroyer with devil horns and a moustache drawn on it.

There's a plaque on the wall that says "Employees of the Month" and it's signed by Thanos. And two massive bean bag chairs are set up in front of a PS5 with *Baldur's Gate* playin' on a screen on the wall.

Griffin & Kate: [laugh]

Clint: And two massive forms extricate themselves from the bean bag chairs and turn to face you. And these are the Blood Brothers. Somebody do a Logic check.

Gabe: Of course he's in the breakup room.

Clint: And we're gonna need a 14.

Kate: Okay. Not gettin' there. Got a 12. Anybody else?

Clint: Somebody else?

Griffin: A fantastic failure.

Kate: Ooo, okay.

Griffin: That's an 11.

Kate: Okay.

Griffin: With a fantastic.

Clint: Okay, wait wait wait wait!

Justin: He knows exactly about them, but they're— he's wrong.
[wheezes]

Kate: [chuckles]

Clint: With a fantastic failure... something happens.

Justin: Nice.

Clint: They... turn and face you and... look at your and think you're very inconsequential, so they get back in their bean bag chairs. Somebody else give me a Logic check!

Griffin: Disarmed that situation. We're safe.

Gabe: I'll try. Twy it. [chuckles] Seven.

Travis: Oh my god.

Clint: Wow. Has anybody not done one?

Griffin: Nobody knows who these fucking guys are. Yeah.

Travis: Yeah, I rolled an 11.

Griffin: This is no longer an us problem.

Miles: Whoa!

Griffin: It's their problem for not being famous enough for us to know.

Miles: It's The Thing!

Kate: Sebastian, you gotta— you got this, man.

Miles: But like twice!

Kate: Save us. Save us from ourselves.

Clint: Sebastian, do it.

Sebastian: Oh yeah. Oh, the uh... The Blood Brothers. Yeah, okay.

Kate: Oh, yeah! [claps]

Clint: There you go.

Kate: There he is.

Sebastian: Let me tell you all about `em.

Clint: And you know that these are the Blood Brothers, Gh-ree and R-hos. G-H dash R-E-E and R dash H-O-S. I did not make that one up. Gh-ree and R-hos Blood are two Rocklites, better known as the Blood Brothers.

They were in the service of the conqueror Thanos for years. They were members of his Butcher's Squadron and later acted as the guardians of his first base on Earth. One of `em was killed by Drax, but he got better. And—

Gabe: [wheezes]

Travis: It happens, guys.

Kate: Yeah. Marvel.

Clint: So.

Gabe: Yeah, there's a whole club for it.

Clint: Sebastian—

Travis: Happened to me three times, man.

Clint: When Sebastian IDed them, they got back out of their bean bags, and R-hos says...

R-hos: Oh Gh-ree, what a nice surprise. You booked a 4:30 without tellin' me.

Clint: And Gh-ree says—

Gh-ree: Don't pull that passive aggressive shit with me, R-hos. You know I would never do that.

Clint: And R-hos says—

R-hos: You have before!

Clint: And Gh-ree looks at you all and says...

Gh-ree: Don't ever go into business with a brother, it'll kill yah.

Griffin: [snorts]

Wonder Man: Yeah, tell me about it.

Griffin: [chuckles]

Clint: So what do you guys do?

Travis: That's how Wonder Man died too!

Griffin: [chuckles]

Sebastian: But you should— Try to— Okay, listen. Try to talk to 'em about that.

Wonder Man: Oh.

Sebastian: Maybe you can build a common ground.

Wonder Man: Yeah.

Sebastian: There's worse ways to start a friendship, is what I'm saying.

Wonder Man: Okay. Yeah man. Tell me about it. My brother? I don't know if this name rings any bells. The Grim Reaper. Huh?

Gh-ree: Mm...

Wonder Man: He became literally... my I would say number one nemesis.

R-hos: Really?

Wonder Man: Dude that shows up all the time like "I— You're not my real brother," tries to kill me. It's bonkers.

Gh-ree: Yeah? That's terrible.

Wonder Man: Yeah.

R-hos: I don't understand what that has to do with you guys doin' a workout, what...?

Wonder Man: Oh, are we doin' a workout?

Gh-ree: Was that not was you're here for?

Kate: Oh, absolutely.

Wonder Man: No, let's do this, man.

Kate: It is. Yeah!

Gabe: Miles immediately goes invisible and starts snooping around the room.

Justin: [laughs]

Gabe: This is weird. [wheezes]

Kate: I haven't had a workout in hours, so I'm ready. I'm ready to go. I've got Combat Expert, I'm— combat reflexes, all of my Fast Strikes. I am— I'm ready to workout.

Clint: Okay.

Gabe: Oh.

Clint: Everybody but Miles roll for initiative.

Kate: [laughs]

Gabe: [triumphantly] Yeeeah! [wheezes] You guys got this.

Kate: Oh my god, I thought we were just gonna work out.

Gabe: I have a— Edge on initiative, I found out. [chuckles]

Justin: I— Can I make the suggestion that Miles should still be in the initiative order.

Griffin: Just invisible.

Justin: I think he could just not act.

Clint: Well, he's— he announced his action first. So—

Justin: Ohhhh, okay.

Clint: So I'm giving him another action.

Justin: Fair enough.

Clint: I'm giving him a different action.

Justin: Okay.

Clint: But you guys go ahead and roll for initiative.

Justin: Fair.

Kate: Does ma— Does fantastic success do anything on initiative?

Clint: Oh.

Griffin: Is that—

Justin: Whoa, I think you get—

Kate: 'Cause that'd be great.

Justin: You get a freebie. You get a free action.

Kate: Ohhh.

Clint: You'll get a free action.

Kate: Cool, is it like a surprise round?

Clint: Yeah.

Kate: Okay.

Gabe: Oh, that's dope.

Clint: Yeah.

Travis: I got a nine.

Clint: So! Before combat starts... Miles.

Gabe: Yeah.

Clint: You're snoopin' around.

Gabe: Yup.

Clint: Give me a Vigilance check.

Gabe: You got it.

Clint: And I'm gonna need—

Gabe: 16.

Clint: I'm gonna need you to—

Gabe: Sorry.

Clint: A 15, you got a 16. Alright. You— [chuckles] You see a Post-It note.

Gabe: Yo.

Clint: Stuck to one of the barbells.

Gabe: Mm-hmm.

Clint: And it says... "If anybody shows up lookin' for me... you know what to do." And it's signed Cull, Obsidian.

Gabe: Mmmm...

Clint: And he put a little "Esquire" on there afterwards, 'cause you know, like some people do. But he's not really an esquire.

Gabe: Okay.

Clint: So this note says, says just that. "If anybody comes lookin' for me, you know what to do".

Gabe: Whoa.

Clint: And I will give you another action... before combat starts.

Gabe: Mmm... I wanna look for like a hidden door or somethin'. I don't trust this place. There's no way they were just playin' *Baldur's Gate*.

Clint: [laughs]

Travis: What's wrong with *Baldur's Gate*? It's a very good game.

Gabe: It's a great game.

Travis: But it isn't a two-player game, is it? Were they both playing it?

Kate: Yeah.

Gabe: It is, technically.

Travis: On the PS5?

Gabe: Oh.

Justin: Ohhhhh.

Gabe: Somethin's wrong here.

Griffin: Somethin'— [chuckles]

Travis: I don't think you can do local.

Gabe: [chuckles] Mmm...

Justin: Does Thori react to the fact that the game is *Baldur's Gate* at all?
[wheezes]

Gabe: [chuckles]

Kate: [laughs]

Griffin: Oh. [laughs]

Clint: It's spelled. I think it's spelled different, isn't it?

Griffin: It is spelled different.

Justin: Oh yeah. That's certainly nuance that won't escape a talking dog.

Kate: [laughs]

Gabe: Ooo, you know what? [chuckles] Miles is gonna take over their game. [chuckles]

Griffin: [gasps] Oh no. [chuckles]

Gabe: [wheezes]

Justin: Oh, that's so messed up.

Kate: That's dark, dude.

Gabe: Yeah, he's gonna hop over and just be like—

Miles: Whoa. Oh, goblin king.

Gh-ree: Hey!

Justin: I thought Thori was the only murderer.

Kate: [laughs]

Gh-ree: Hey! Hey, hey! What are you doin'?! Don't— Hey! I've been playin' for 273 hours.

Gabe: I hover over the jump button, and then I—

Gh-ree: No!

Gabe: — gesture towards a gap.

Gh-ree: No no no no no no no! Just stop! Just stop! Just stop! Just stop.

Justin: Wait, is Miles still invisible?

Kate: Yeah.

Gabe: [chuckles] Eh. No, I stopped that.

Kate: Oh.

Justin: Does it look like— 'Cause it would look like—

Gabe: [wheezes]

Justin: — just on the screen, the character is just like, right?

Miles: [making spooky noises] Ooo!

Justin: It would look like just the character is, of its own volition, going to kill it—

Miles: Tell us what happened!

Gh-ree: [gasps]

Miles: The ghost of... your co— repercussions will jump you into the piiiit!

Justin: [laughs]

Gh-ree: Whaaat the heeell?! R-hos, are you doin' that?

Miles: That's what you get for you boss breaking up with Black Swaaan. Woouoo!

Travis: Woouoo!

Kate: Ohhhh...

Gh-ree: What do you— What do you mean our boss? What do you want with our boss?

Gabe: Miles is quiet. He didn't expect to get this far. They can see y'all.

Kate: [laughs]

Gh-ree: Wait a minute.

Justin: [wheezes]

Gh-ree: Hold on a minute. Hold on a minute. Now I sound like Rolf from *The Muppets*.

Griffin: [laughs]

Justin: [laughs]

Gh-ree: Sorry.

Justin: I was thinking Doctor Teeth, but sure.

Clint: They both turn and look at you guys, and stop whatever they were doin' in the battle. And say...

R-hos: You guys know... Cull Obsidian?

Wonder Man: We run in the same circles. I wouldn't say we're friends.

Justin: [wheezes]

Griffin: [claps]

Kate: [wheezes] Oh my god.

R-hos: Huh. Is that... Is that what you're doin' here?

Wonder Man: Yes.

Gh-ree: Oh... Okay. Well— [sighs] Well, he was here. You know. He has a session, he comes in, you know, and comes in every day and lifts, bro.

Wonder Man: Yeah.

Gh-ree: He also said is anybody showed up we should kill `em, but if you guys are friends...

Wonder Man: Oh yeah.

Miles: [in a spooky voice] The postcard doesn't apply to these peopl!!!e!

R-hos: Oh my god!

Wonder Man: That's your conscience.

R-hos: Is one of you guys a ghost?

Kate: [laughs]

Miles: Yes.

R-hos: Okay, don't hurt us.

Gabe: I—

Gh-ree: We are deathly afraid—

Clint: — says Gh-ree.

Gabe: I save their game.

Gh-ree: Oh. Alright. You're good dudes.

Travis: Have they played for 273 hours without saving once?

Clint: Gh-ree has.

Travis: Oh my god, Gh-ree!

Gabe: [wheezes]

Travis: Yeah.

Clint: So he says—

Gh-ree: Look. Look, you guys. You seem like good dudes.

Wonder Man: Oh, thanks.

Gh-ree: And dudettes. He was here about a half hour ago. But he got a call during his session and it seemed to, you know, shake him up a little bit. So... he said he was gonna chill out somewhere and... and find his center.

Clint: Somebody with good Ego— Well, I guess that would be Sebastian.

Justin: Yeah.

Clint: Give me an Ego check.

Justin: Mmm...

Clint: And you gotta— Wait! Wait wait wait.

Justin: Yes, thank you.

Clint: You're gonna have to give me at least 14.

Justin: To what? What am I trying to do?

Travis: To impress him.

Gabe: [chuckles]

Clint: To hit on the Ego check.

Justin: Okay.

Gabe: To think he comes here every day to work out, and like— and they're like "Okay, *Baldur's Gate* break. We gotta bench."

Kate: Yeah.

Justin: What am I trying to— So I'm trying to what though? I mean I understand pass the Ego check, what am I attempting to do?

Clint: Get a little more information out of 'em.

Justin: Okay.

Kate: Nice.

Travis: Nice.

Clint: Okay, 17.

Gh-ree: So, um... Yeah, when he's lookin' to chill out... He goes to the Omphalos Sphere. That's the sphere at the very center of the Fluster.

Wonder Man: Makes sense, yeah.

Gh-ree: He says the hum of the force emitter—

Wonder Man: Yeah.

Gh-ree: — soothes his, you know, like his migraines.

Wonder Man: The ionic force emitter?

Gh-ree: Yeah.

Wonder Man: Ah, okay.

Gh-ree: Wow. So you are buddies of his.

Wonder Man: Oh yeah, real tight.

Thori: We actually just saw him.

Gh-ree: You did?!

Thori: Yeah, he's not where you said he was. In fact, he's looking for the two of you.

Gh-ree: Oh.

Thori: He's over in sphere Y-19.

Gh-ree: Oh.

R-hos: Dude!

Thori: Yes.

R-hos: Thanks. Come on, Gh-ree!

Clint: And Gh-ree and R-hos go to the other transmat, punch in the three numbers, and disappear.

Griffin: I do—

Clint: And somehow, I don't know how.

Griffin: [chuckles]

Clint: Somehow you hear, horrible, horrible screams.

Kate: [laughs]

Gabe: [wheezes]

Clint: Horrible, terrible screams.

Griffin: Can I rip the wiring outta— Are they— They went in through the one we came into the room from, right?

Clint: Exactly, yes.

Griffin: Yeah, I'll just— I destroy that transmat machine.

Gabe: [wheezes]

Clint: Okay. When you destroy that. Okay. Yeah, go ahead and roll. You gotta hit a four.

Griffin: That's a 21.

Gabe & Justin: [laugh]

Clint: 21! Not only do you tear it up... but you also pee on it.

Travis: But Galactus shows up and says "That's how I like it".

Griffin: Yeah. [chuckles]

Gabe: [wheezes]

Clint: While you're watchin' all this, you guys smell a little bit of o-zone.

Gabe: Ugh.

Clint: And you hear—

[electronic sparking sound effect plays]

Clint: — like sparking sounds. Somebody with high Vigilance, give me a Vigilance check.

Kate: I got three? Is that good?

Travis: Yeah.

Griffin: I have four.

Kate: Oh, do it. Do it, Thori.

Griffin: I got a fantastic 13.

Clint: Okay, fantastic 13. You don't really see anything, but you do smell, you do have an enhanced sense of smell.

Griffin: Yeah.

Clint: And you smell an odor coming from the Employee of the Month plaque.

Griffin: I'm gonna [sings] follow my nose.

Justin: [wheezes]

Griffin: And pull that down off the wall.

Clint: When you move it, the graffiti marked poster of Drax slides up, revealing the last transmat machine that you need. But this one, instead of having three digits have six; three letters and three numbers.

Kate: [whispers] We shoulda asked them for that before we sent them away.

Griffin: Like in that order, three letters and then three numbers?

Clint: Exactly.

Griffin: Okay.

Travis: I try—

Clint: Now I will help you out here.

Travis: I type in D-I-X-4-2-0, enter.

Thori: Very good.

Clint: Yeah.

Wonder Man: Yeah. [chuckles] No, it doesn't work. Sorry, guys.

Clint: Yeah.

Wonder Man: Thought I had it.

Clint: [chuckles] "DIX 420", got it.

Gabe: [laughs] Yes.

Justin: Okay.

Thori: We could ask those two stone men, but they are almost certainly dead already.

Kate: Yeah...

Clint: Nothin'— Nothin happens. Nothin' happens.

Miles: What? Why would they be dead?

Kate: He sent—

Clint: He sent `em to the Brood.

Kate: [whispers] He sent them to Y-19.

Griffin: No. No, I sent them to the stink realm.

Gabe: No!

Kate: He sent them to the stink realm.

Gabe: He sent them to The Collector's room!

Clint: Oh!

Kate: Yeah.

Clint: That would kill 'em too.

Griffin: Yeah.

Kate: Yeah, exactly.

Clint: That'll kill 'em too.

Travis: You really have to understand what terrible things he did in there.

Griffin: Yeah.

Travis: Alright.

Kate: I'm limberin' up for my workout. And so I'm— I think—

Kate: I feel like if we just throw some punches on these like punching bags that I assume are there. [clicks] We can probably— We can sort this out, right? Like I— No offense, but you all look like you could use a little bit... A little bit of adrenaline. Those endorphins that come from a good workout. Come on. [claps] Right?

Thori: You are right.

Griffin: I start—

Wonder Man: I actually don't— I don't work out.

Kate: [wheezes] Jeez.

Griffin: I begin doing dog exercises.

Clint: Okay Kate, when you start doin' that, there is an intercom in the wall. And it's Glabella, and she says—

Glabella: Hey, fellahs. Listen, um... I'm gettin' some readings and it's showing... It's showing a lot of activity there. It's showin' that, you know, a lot of stuff's goin' on. Is everything alright?

Clint: And in the background, you can hear that Jackson 5 song playing.

Griffin: Mmm. Ohh.

Clint: It's her favorite song.

Miles: Everything's as easy as ABC...

Wonder Man: One, two, three.

Kate: [imitating the Blood Brothers] Every—

Miles: Yeah.

Kate: [imitating the Blood Brothers] Everything's—

Wonder Man: Oh, so that's—

Kate: [imitating the Blood Brothers] Everything is going just fine in here. They—

Gabe: Kermit?

Glabella: Huh?

Kate: [imitating the Blood Brothers] I don't—

Glabella: Okay.

Kate: [chuckles]

Kate: [imitating the Blood Brothers] I was going to—

Glabella: Sorry to interrupt!

Travis: Simon stops and looks at Kate.

Kate: [imitating the Blood Brothers] I was goin' for sort of a gru— a gritty Kermit reboot. [wheezes]

Glabella: It's working for yah, honey. It's workin'.

Kate: [imitating the Blood Brothers] Thanks.

Glabella: I love that!

Kate: [imitating the Blood Brothers] Thank you, thank you. No, everything's— Everything—

Clint: Okay.

Justin: I cast—

Kate: [imitating the Blood Brothers] We— Oh, but we did have one—

Justin: I cast Image of Icon. On Kate.

Clint: Okay. [chuckles]

Justin: I've cast Image of Icon on Kate.

Clint: What do you show?

Justin: To make her sound exactly like... the brothers.

Griffin: Gh-ree.

Kate: R-hos and Gh-ree.

Clint: I—

Justin: Gh-ree.

Clint: Oh, I thought she did already. Wow.

Kate: Thank you, Clint.

Gabe: [wheezes]

Justin: Oh yeah.

Kate: Thank you.

Justin: But it's the same, even more so. [laughs]

Glabella: Okay. Everything's alright.

Kate: [imitating the Blood Brothers] Wait, wait! Wait!

Glabella: I'll talk to you boys later. See you at the next—

Kate: [imitating the Blood Brothers] One question though.

Glabella: Yeah.

Kate: [imitating the Blood Brothers] We're so stoned from all of the space drugs that we...

Glabella: Mm-hmm.

Kate: [imitating the Blood Brothers] Uh, we don't remember the code to get to the center.

Travis: Wonder Man's waving it off.

Griffin: [laughs]

Travis: Wonder Man's like—

Wonder Man: [whispers] We've got it. We've got it.

Kate: [imitating the Blood Brothers] Oh, we do. We do know it. No, we remember.

Wonder Man: [whispers] We got it.

Kate: [imitating the Blood Brothers] We figured it out.

Glabella: Okay.

Kate: [imitating the Blood Brothers] Thanks anyway.

Glabella: Alright.

Justin: [wheezes]

Glabella: Seein' yah— See yah at the next sphere owners meeting.

Kate: [imitating the Blood Brothers] Absolutely.

Clint: And she shine— signs off.

Wonder Man: Come here, come here, come here. It's the center one, right? So it's hers? It's her favorite song.

Travis: And he types into the panel A-B-C-1-2-3. And hit enter.

Clint: And you are instantly—

Travis: Yeah.

Justin: [chuckles]

Griffin: [laughs]

Gabe: [laughs]

Clint: Transmatted. To the Omphalos Sphere. And you see power conduits. You see banks of monitors, technology, dominated by one very large iridescent sphere. She's really got a thing for spheres.

In the center of the chamber, it's about 10 feet up, about halfway between the floor and the ceiling, suspended by these six conduits on three different axes. And on the other side of the room, you hear a voice. And that voice says...

Unknown Voice: It's about time.

Clint: And out from the other side of the room steps... Obsidian Cull. The Black Dwarf.

Griffin: We were looking for Corvus Glaive, right?

Kate: Mm-hmm.

Travis: In the beginning.

Kate: Yes.

Griffin: This is a different member of the Black Order that we have stumbled upon.

Gabe: Yeah.

Griffin: Okay.

Travis: Uh-huh.

Griffin: Just making sure.

Obsidian Cull: So uh... Why are you guys spendin' all this energy and stuff lookin' for me?

Kate: Oh.

Wonder Man: Oh...

Kate: Technically looking for you, sir.

Obsidian Cull: Uh-huh.

Kate: We are looking for a Corvus Glaive, actuallyyyy...

Obsidian Cull: My brother.

Wonder Man: Yes.

Kate: Yeah.

Wonder Man: Known associate, one might say.

Kate: Yeeeeeah.

Obsidian Cull: Uh-huh.

Kate: Yeah, we are kind of on the hunt. You don't happen to know where he is, do yah?

Obsidian Cull: Why would I tell you?

Wonder Man: Oh, um we're, um... Let's put it this way. We're on a rescue mission.

Obsidian Cull: Uh-huh.

Wonder Man: And at this point... Um, you're standing between us and saving our friends. And time is kinda gettin' away from us at this point, we're startin' to get real—

Obsidian Cull: Mm-hmm. Mm-hmm.

Wonder Man: Twitchy.

Obsidian Cull: Right. Right.

Wonder Man: Um... Oh! And also, your friend Black Swan? Oh, she's gettin' real pissed at you. And—

Obsidian Cull: Oh, is she really? Is she really?

Wonder Man: Yes!

Kate: Yeah. This part's not made up.

Clint: And then another voice from the other side of the sphere says—

Black Swan: Maybe you should update your information.

Kate: [gasps]

Clint: And Black Swan—

Griffin: Maaaaan.

Clint: — walks out.

Travis: Okay.

Clint: And wraps an arm around Obsidian Cull's waist.

Thori: You were not kidding, it is complicated.

Obsidian Cull: Yeah, it is complicated.

Clint: And she says...

Black Swan: You guys were askin' so many questions about my baby here, I wasn't gonna let— just hang him out to dry. Soooo, I came to warn him that you were coming. What took you so long? It was the Broodling room, wasn't it the Brood room?

Wonder Man: No, actually that was simpler than the one—

Black Swan: Oh.

Wonder Man: — The Collector's escape room.

Black Swan: Right.

Wonder Man: That was a little bit tricky. The Broodlings we just kind floated over, teleported past.

Black Swan: Mm-hmm. So we're all back together now.

Wonder Man: Okay, cool. That doesn't change the fact we're looking for our friend, and you guys are still between us on that one.

Obsidian Cull: And who is your friend?

Gabe: [chuckles]

Miles: Yeah, say it. Say it's a baby.

Wonder Man: Her name is Laussa Odinsdottir.

Gabe: [chuckles]

Obsidian Cull: Hmm.

Wonder Man: She's a toddler, and she's cool.

Obsidian Cull: Right.

Wonder Man: She's cool as fuck.

Obsidian Cull: Um... Let me tell you a little somethin'. All of us in the Black Order have like this psychic connection, through Ebony Maw. I don't expect you know— to know that, but it's kind of a mental text chain?

Wonder Man: Sure.

Obsidian Cull: And two days ago, Corvus vanished from that chain. So... which one of you bestie just killed my brother?

Wonder Man: Okay.

Thori: Unfortunately, none of us.

Wonder Man: It— Yeah. Startin' to feel like, if I may, perhaps a miscommunication has occurred.

Sebastian: Yeah. That— What he said. It seems like maybe we just got some wires crossed at some point.

Obsidian Cull: Mm-hmm.

Sebastian: If you— We— You wanna teeeam up? No. That felt wrong even saying it. I'm sorry.

Griffin: [giggles]

Wonder Man: Team beside, maybe?

Sebastian: Team near?

Kate: Wait wait wait wait wait.

Obsidian Cull: Yeah.

Kate: So where was Corvus Glaive the last time you were able to talk to him?

Obsidian Cull: Well, let's see. He'd had somethin'— He had some big plan, somethin' he was gonna do.

Kate: Sure.

Wonder Man: Mm.

Obsidian Cull: He was goin' to some, I don't know... I've never heard of this planetary system. Ok-la-ho-ma? Ok— Okla—

Kate: Are you kidding me?

Obsidian Cull: — homa?

Wonder Man: Yeah.

Sebastian: Are you shitting me? Yes. Okay.

Obsidian Cull: No, I'm not shitting you. Wait, what— What— [sighs] Listen, if you're not gonna tell me the truth, we're gonna have to beat it out of you.

Miles: Okay, okay. Let's— Can we consider the fact that hey, this interesting group of people have been asking about Corvus Glaive consistently, and if we killed him, why would we do that?

Kate: Good question.

Wonder Man: He's right. That's a fair— It's an excellent point.

Kate: Not logical. Exactly.

Miles: Also, Black Swan. Hey, you're an adult, you can make whatever choices you want, but also why would you come back to a man that hurt you after you drank? You might be under the influence.

Wonder Man: Excellent— Yup.

Miles: You're not makin' the best decisions. You are a Black Swan. He's kind of a rock man.

Wonder Man: Uh-huh.

Miles: Don't settle.

Wonder Man: It's not really the— Miles, not really the time for that. Maybe don't mix our messages.

Miles: No, I think it is! I think it is.

Wonder Man: For a second.

Miles: No, look. Look.

Wonder Man: We can come back to this.

Miles: Look, my mentor has been havin' issues with his wife for so long that he needs to sort out. I don't wanna see other people go th— Just talk. Just have a conversation.

Wonder Man: Yeah, just we might be kind of muddying the waters a little bit, as far as like—

Miles: Yeah! This is space! There's no water!

Black Swan: Hey look, pal.

Wonder Man: It's a good point.

Black Swan: Look.

Kate: Everybody knows that.

Black Swan: You're the ones that came up here, got all up in everybody's face back at Starlin's and here, talkin' about this Loosa...

Wonder Man: Laussa.

Kate: Laussa.

Sebastian: Laussa Odinsdottir.

Kate: Laussa Odinsdottir.

Black Swan: Houssa Odindottir.

Wonder Man: You can say Laussa.

Black Swan: And intimating very strongly that Corvus had something to do with her disappearing.

Kate: Yeah.

Wonder Man: Yeah, we have that on video, actually.

Kate: Yeah, we do.

Thori: Do you want to see the video?

Sebastian: Yeah, we did capture that.

Black Swan: Oh really?

Sebastian: I'll show 'em.

Thori: Caught in 4K.

Sebastian: I'll show 'em the video. Thori, do you have my phone?

Clint: It's not your phone.

Travis: It got—

Griffin: No, it was the nanny— What, no.

Travis: No, Norni-cam.

Griffin: Norni-cam.

Kate: The Norni, yeah.

Gabe: Norni-cam.

Griffin: Norni-cam.

Kate: The Norni-cam.

Justin: Norni-cam. I thought I uploaded it to my phone, just for the— I thought it was in the cloud. So the Norni-cam's not in the cloud.

Clint: Okay.

Justin: It's a physical storage medium. I need to know this.

Gabe: I don't know if the cloud works here. [chuckles]

Justin: That's a good question.

Clint: Okay.

Justin: But I got it from the cloud before.

Clint: Alright. You pull out the Norni-cam.

Justin: Mm-hmm.

Clint: And open it up. And it's running, because it's magic.

Travis: Sure.

Kate: Yes.

Clint: And it's currently— You know, before you can hit the rewind button, you activate it and it's showing present time. And there... sleeping in her bed... is Laussa Odinsdottir.

Gabe: How dare you.

Kate: [sighs heavily]

Wonder Man: Okay. Okay. Okay. This looks—

Gabe: Oh my god.

Wonder Man: This looks— Uh... Huh.

Kate: Huh.

Miles: Wait. So she went to— So he went to Oklahoma and someone killed him, and then they put Laussa back in her crib, and we just never checked.

Kate: It might've been Laussa who did it, yeah.

Clint: Cull lifts his giant mace and knocks the Norni-cam out of your hands, smashin' it to pieces.

Wonder Man: Now listen.

Obsidian Cull: I—

Wonder Man: I hear that you're mad.

Travis: And Wonder Man turns to Thori and [chuckles] Sebastian and goes—

Wonder Man: Did you even check the crib? Before like you guys started collecting all— Give me on second. Did you guys like double-check the crib?

Kate: I'm lookin' for the exit—

Thori: My attention had been—

Kate: While this is goin' on. I'm casting around for the exit.

Thori: I may have taken my eye off of the ball for a moment, back in Oklahoma.

Wonder Man: Uh-huh.

Clint: Sparks are flying a little bit from the giant sphere in the middle of the sphere.

[electronic sparking sound effects play]

Travis: Uh-huh.

Clint: Go on.

Wonder Man: Oh my goodness.

Clint: And I will insert something here. When all this occurred, Laussa was not in her crib.

Griffin: Yeah.

Justin: Yeah.

Griffin: No, we were in the room. But jokes—

Clint: Yeah.

Griffin: Goofs aside, we were in the room and saw that it was empty.

Travis: Okay.

Griffin: And definitely saw video.

Thori: Something peculiar is happening.

Miles: Do it— Is there a possibility that Thor found out his sister was missing, and then got—

Sebastian: Oh, he just took care of our light work? [chuckles]

Miles: And so—

Justin: [laughs] Just kinda— Just solved our ow— solved our adventure for us?

Miles: Yeah, did anyone check in with Thor, actually?

Kate: Also.

Miles: Just a question.

Kate: Can—

Clint: Black Swan takes a huge swing at Simon.

Griffin: Oh shit.

Justin: I thought you were gonna say “dump”.

Travis: Yeah.

Justin: [wheezes]

Travis: Biiiiig dump.

Clint: Black Swan takes a huuuge dump.

Travis: At Simon.

Clint: On—

Kate: Woooow!

Clint: On Simon.

Kate: Power move.

Travis: Okay.

Clint: What do you do, Simon?

Travis: What's the— Against my melee stuff?

Griffin: Yeah, she'd have to roll that.

Clint: It would be against melee. And I wanna tell yah, this is going to be an extremely [chuckles] powerful shot.

Travis: Umm... I'm going to use... Dodge. Wait, let me see what my reactions are. Do do do... As she rears back to swing at Simon, Wonder Man says...

Wonder Man: Okay, hope you guys don't need to breath.

Travis: And holds his hand up and arcs ionic energy in a huge arc behind— between his hands. And switches to his full-on ionic form.

Clint: Wow.

Travis: Yeah.

Clint: When you do that... the sphere suspended in the middle of the sphere... explodes.

Griffin: Uh-oh.

Clint: The force emitter explodes. Smash cut. Outside the Fluster. Becca just happens to look up through the windshield to see the Flinnux Cluster, also known as the Fluster, erupt... outwards. Spheres go flying everywhere!

[electronic shattering sound effects play]

Clint: In a reversal of polarity of monumental proportions! All those spheres that were attracted to each other are now pushin' against each other. And the sphere goes nuts. All the spheres go flying.

Gravity is knocked out inside the sphere you guys are in, the Omflasphere. It's spinning, machinery is flyin' everywhere, bodies are flyin' everywhere, what do you guys do?

Sebastian: Everyone...

Justin: Do any— Does any place look... safe? Like can I see any other spheres?

Clint: Let me give you a little context that'll give it to you. Okay? Just describe everything as flying. On your sci-fi— Psy-Wi-Fi earbuds, you hear Becca's voice.

Death Locket: Guys, are you alive?! And stuff?! What—?!

Wonder Man: And stuff.

Death Locket: The spheres are flyin' everywhere! They're bouncin' off each other like billiard balls! They're— Your sphere is zoomin' through space, I'm barely able to keep up, I'm flyin' alongside it but you are headed right for... that asteroid. The one— The big bowl-shaped asteroid.

Wonder Man: Yeah. My bad.

Justin: I sense supernatural again, to see if I pick up Laussa's energy within 100 spaces.

Clint: Go ahead.

Griffin: I mean, is she tryin' to stay hidden?

Clint: No.

Justin: I mean, that—

Griffin: 'Cause if not, then this would either just work or not work.

Clint: It does not work. She is not within that sphere. You just saw video evidence that she's in Oklahoma.

Kate: Mm-hmm.

Justin: Okay.

Clint: You are bouncin' all over the place, you're soarin' through space. What's your number one concern right now?

Justin: Is stopping, I guess. We need to stop. Need to find a way to stop it.

Clint: Well Becca chimes back in and says—

Death Locket: I'm gonna try to slow you down so that maybe you can survive the impact, alright?

Sebastian: No.

Kate: Maybe?!

Wonder Man: Wait.

Miles: Mmm...

Wonder Man: Idea. Hey, Sebastian.

Sebastian: Yeah.

Wonder Man: Teleport me outside.

Sebastian: Uh... Okay. Hop in.

Travis: I get inside his cloak.

Clint: Okay. Good. And what happens?

Justin: Okay. I teleport him outside.

Clint: Okay.

Travis: And Simon braces himself against the front of it, and is going to try to stop the big sphere.

Clint: Okay. Good. You're gonna have to give me a strength roll, and it's gonna have to be a mother.

Travis: Yeah— Well that's good...

Gabe: [wheezes]

Clint: It's gonna have—

Travis: So, I am Mighty three. I am at the same level as Thor. To give you an idea. And so...

Griffin: What's the number? What are we tryin' to hit here?

Travis: [reading] "Treat the character as three sizes bigger for lifting, carrying, swinging, and throwing things". So I add plus three to their melee damage multiplier and they gain plus three bonus to melee checks other than attacks. So what am I tryin' to hit here, pops?

Clint: Well, I think you're trying to stop the sphere, aren't you? Or is—

Griffin: No. What number?

Travis: Yeah, I'm trying to slow it down.

Clint: Oh boy. You better give me, um... It's gotta be 15. Or more.

Travis: Eugh! Okay. But I'm going to use—

Griffin: You hit it. That's a 12, plus three is 15.

Travis: That's true. That is true.

Clint: Okay.

Travis: But I'm going to use my last Karma here.

Clint: Okay.

Travis: So that's six, so it's a 19 now.

Clint: Okay.

Travis: Didn't get that marvelous or fantastic, which is what I wanted.

Clint: Alright. It starts to slow, but even at this, if you guys impact at this speed... if— with you all just flyin' around on the inside of this sphere, you are going to die.

Kate: Okaaay...

Clint: Somebody needs— You guys need to do something inside this sphere.

Travis: Brace for impact in some way.

Justin: Mm... Who's following us? Be— Oh, in the ship, right? She's following us in the ship?

Clint: Becca is, yeah. Is tryin' to help Simon. She's trying to nudge you guys as Simon is slowing down because at the speed you were goin', any impact at all is gonna be fatal.

Justin: Mm.

Clint: But Simon is slowin' it down and she's tryin' to like be up next to the sphere to kinda push it with the Wonder Wagon to guide it.

Travis: As we're outside—

Sebastian: Okay, everyone. Everyone who's—

Justin: No, I just tel— I sent you out. I can— I teleported you out. If someone gets in my cloak, I can teleport them to anywhere that I've been before.

Sebastian: Okay everybody, I have an announcement to make, and it's that I think that my cat peed on my cape. And that is mainly by way of apology.

Clint: [chuckles]

Sebastian: Okay, all aboard.

Kate: [laughs]

Wonder Man: Oh, Miles, real quick. If you could do me a favor and just suspend the two bad guys so they don't die when it crashes, that would mean the world to me personally and my personal ethos.

Thori: Don't you dare, Miles. Don't do it, Miles.

Wonder Man: It's just my ethos, if you could please.

Sebastian: Everybody else in.

Kate: I've— I'm in.

Sebastian: Let Miles think.

Kate: Swan dive.

Thori: They're stinkers, Miles. And think of what bad they could do if allowed to live.

Miles: Yeah.

Thori: So...

Sebastian: Thori...

Miles: But they could also do good!

Thori: Tough choice.

Sebastian: Thori.

Griffin: I hop in.

Gabe: [imitates web shooting noises] I'm gonna— I don't want them to die. They might be bad, but they still have a chance to do something good with their life.

Clint: Okay.

Gabe: Everyone deserves a chance.

Clint: So—

Justin: Okay. That's Kate is in.

Kate: I'm in.

Justin: Thori is in.

Kate: Oh my god.

Justin: Simon is outside.

Clint: Right.

Justin: And I just realized... that I, um...

Clint: Are—

Justin: Can't climb in my own cloak.

Clint: You can't climb in.

Gabe: [wheezes]

Clint: You can't climb in your own cloak.

Justin: Can't climb in my— Okay, everybody. Time to... Okay.

Clint: Miles, you secured Cull Obsidian and Black Swan, right?

Gabe: Yeah yeah, like webbing `em up.

Clint: And... Cull says—

Obsidian Cull: I can't help but feel a little responsible for this.

Kate: [chuckles]

Miles: Mm.

Obsidian Cull: Come here and give your old buddy Cull a big old hug and I'll hold onto yah.

Kate: What?

Sebastian: Me— You are—

Miles: Is this a trap?

Sebastian: You're gonna give me like a big hug?

Griffin: Or is it—

Obsidian Cull: And I'm trying to save yah, yah dork.

Miles: Okay.

Gabe: I web [chuckles] Mr. Druid and I pull him into me, and then I pull myself into Cull.

Justin: [laughs]

Clint: Okay.

Justin: [wheezes] Okay.

Clint: Alright.

Justin: [laughs]

Clint: So... [chuckles]

Justin: So just Kate an Thori are—

Travis: So Kate and Thori are on the Wonder Wagon, Simon is outside trying to slow it down, [chuckles] and Cull and Black Swan and Miles and Druid are all suspended in the middle of it.

Justin: We're in a web-induced turbo hug.

Travis: Okay.

Griffin: [cackles]

Justin: Obviously.

Gabe: It— The worst thing is, at this moment, Miles is definitely like—

Miles: I've been waiting to talk about this. Am I still the same me? 'Cause we came across that teleporter and it like breaks us down, and I'm really worried that when it breaks it down you technically die and the new version of you isn't alive.

Clint: Mm. But that might get you into a future Afterlife After Party.

Griffin: [cackles]

Justin: That's a—

Kate: Great.

Justin: You know what?

Griffin: And it was awesome in there.

Justin: That's a great point.

Clint: When we do the sequel.

Griffin: Right.

Miles: Okay, I'm in. [chuckles]

Justin: I cast— I cast... Shield of the Seraphim.

Gabe: Oh, hell yeah.

Clint: Ooo!

Justin: Produ— Protecting us from damage.

Clint: Okay.

Justin: If an attack does more—

Travis: And cutting through all the webs [chuckles] holding you in place.

Griffin: [giggles]

Justin: We—

Gabe: Yup.

Justin: If it does more— less than 20 it absorbs it, more than 20 it shatters, but we remain unharmed.

Clint: Okay.

Gabe: [chuckles] I'm also gonna make sure I tap mine and Mr. Druid's space suits.

Justin: Yeah. For sure. Thank you very much.

Gabe: [laughs]

Justin: So cool of you.

Gabe: Ho... This is bad, right?

Travis: It'll be fine.

Justin: We'll see in here in a second.

Miles: I don't even have a girlfriend yet.

Clint: Boom!

Justin: [wheezes]

Clint: You impact the inside of the bowl. Cracks start to form all around the sphere. And the impact shakes off Simon. Simon goes tumbling. The Wonder Wagon starts rolling end over end, side over side, and... the

giant— the sphere inside the bowl spins around and around. You know like one of those coin roll things.

Travis: Sure.

Clint: Around and around, the cracks split, the cracks get bigger and bigger, and finally it comes to rest at the bottom of the bowl. You are all... alive?

Gabe: Why did you say that with a question mark?

Clint: [chuckles] Yeah. You are all alive?

Travis: Physically.

Clint: But there are... large gaps in the sphere you were in. And... you hear a sound. And it is... the sound of... something slicing through the sphere. You see a large reddish orange... blade. Comes slicing through the sphere.

And when that happens, the sphere more or less splits in two and falls to both sides safely, not hurting anybody. And the wielder of this blade... gently alights right in the middle of you all.

Travis: The turbo hug, call it what it is.

Clint: In the middle of the turbo hug.

Gabe: [chuckles] Mm.

Clint: She is an impressive-looking golden-haired teenager. In purple Asgardian battle armor.

Kate: [chuckles]

Clint: And she says—

Unknown Asgardian: Time out! Time out! Time out! Time out. Hey look. Usually... I dig the hell out of a good fight, but this one, there's no need. Your brother Corvus is alive and well, sort of. I'll explain.

Miles: Yaaay.

Unknown Asgardian: You don't have to worry about him.

Clint: And then she turns to the Babysitters. By this time, the people who are in the Wonder Wagon have come out and have gathered in this spot. And Simon, you have too. And she turns with a grin that you all recognize. And she says...

Unknown Asgardian: And you guys! You don't need to worry about me.

Clint: Thori, do a Vigilance check.

Griffin: Yeah.

Miles: Uh.

Griffin: I'm gonna spend my last Karma. 15.

Clint: 15 works. You recognize the scent... It's Laussa Odinsdottir.

Griffin: My ears perk up.

Clint: She's 19 years old. She says—

Laussa: Look.

Clint: To Cull Obsidian and Black Swan.

Laussa: Full disclosure. My brother Thor did sorta kill... Corvus. Complete accident!

Miles: Mm.

Laussa: Somethin' wonky was goin' on with Midgey. Anywhooooo. He got better. Which he does, you know. But he's with me in the future, 16 years from now. He's doin' fine! You can be okay with that. Or...

Clint: And she holds up her flaming sword.

Laussa: My and my Babysitters here... are gonna kick your gruesome asses.

Thori: Language!

Laussa: Oh, sorry.

Travis: Simon leans in and says...

Wonder Man: Did you try to pawn Corvus Glaive's glaive for date money?

Laussa: I'll explain—

Wonder Man: Okay, yeah.

Laussa: I'll explain.

Wonder Man: Uh-huh.

Laussa: I'll explain in a minute.

Wonder Man: Yeah.

Clint: Cull and Black Swan say, "We're good, we're good." She turns to look at you guys and she's got this huge grin on her face. She says...

Laussa: [excited] Don't you have any questions?!

Miles: You're older than me?

Laussa: Yeah!

Sebastian: Wait, are we in the future or are you in the past?

Wonder Man: Good question!

Laussa: I'm in the past. I'm in the past.

Wonder Man: Are we— We're also in the future though, I can't stress this enough. In the future, we're there too, right?

Laussa: Hmm, well yeah, kinda.

Miles: Waah—

Laussa: Sorta.

Wonder Man: Mm...

Laussa: It's com— It's really complicated.

Wonder Man: Oh, I don't love that.

Laussa: Do you really want me to explain.

Wonder Man: No, no.

Laussa: Okay, let me tell yah.

Laussa: No no. D— We shouldn't know about our futures.

Laussa: No no, I can ex—

Sebastian: Give us the short version, kid.

Laussa: As to how I got here... I had some help, okay? Come on! Introduce yourself.

Clint: And so a figure also flies down. And uh...

Justin: Dad's camera is off and I think he's building—

Kate: Yup. Yup.

Justin: Yes.

Griffin: Oh, it's Hollywood.

Gabe: Ah!

Kate: Yep, yep.

Justin: Thank god.

Kate: Yep, yep.

Clint: It's Hollywood. He walks up to Simon and says...

Hollywood: Hey there, me.

Wonder Man: Yip.

Justin: [wheezes]

Kate: [chuckles] "Yip." [cackles]

Hollywood: How yah doin'?

Wonder Man: Doing good...

Kate: Just a yip! [laughs]

Hollywood: You look good! [chuckles] You look real good.

Wonder Man: I wish you looked better, if I'm being honest. Like I just—

Hollywood: Really?

Justin: [wheezes]

Wonder Man: I'm looking at the future, is the problem.

Hollywood: Yeah.

Clint: And like that's what I'm gonna look like.

Justin: [laughs]

Hollywood: Oh no no! I'm not—

Wonder Man: And you have not—

Hollywood: — from 16 years! I'm 100 years in the future.

Wonder Man: Even then, my dude. I'm functionally immortal, man.

Justin: [wheezes]

Wonder Man: And so— Hey, can I tell you somethin'? Hey, you and me.

Hollywood: Yeah.

Wonder Man: Over here.

Hollywood: Go ahead. Yeah. Oh, yeah.

Wonder Man: We're made of ionic energy so basically we look like whatever we want to.

Hollywood: Yeah. Sure.

Wonder Man: And this is what you're going with.

Hollywood: I'm—

Wonder Man: It's kinda—

Hollywood: Do you question all deus ex machinas this way?

Wonder Man: No, it's just you look— You look kind of like a cyberpunk Santa Claus.

Hollywood: What the hell?

Justin: [snorts]

Wonder Man: And I'm confused as to why you went with that.

Hollywood: I'm going— With the jacket?

Justin: Do you guys remember that George—

Wonder Man: The jacket's not at all what I'm commenting on. There's so much more happening than that.

Justin: The mus— That George Jones music video "High Tech Red Neck," it's— is where it's gettin' stuck for me. It's—

Clint: [laughs]

Thori: You look like if Michael McDonald got red pill'd.

Justin, Travis & Kate: [cackle]

Hollywood: How speci—

Kate: [cackles]

Clint: Laussa says...

Justin: Yeah. It look—

Kate: [laughs]

Justin: You look like if Odin became a men's rights activist. [wheezes]

Griffin: Hold on, wait. Time out! Everyone do their joke about what Dad looks like. One at a time.

Clint: Kate?

Kate: Uh, you look like Kurt Russell in denial.

Travis: Ah, yes!

Justin: [laughs]

Clint: Okay. Good. Okay, Gabe?

Gabe: You look like Agent Smith if there as a complete error in his code.

Griffin & Kate: [chuckle]

Justin: [laughs]

Clint: Good. Okay. [snorts] I think Justin's already done his.

Griffin: Yeah, the rest of us are good.

Travis: You look like—

Clint: Okay, that's very good.

Travis: You look like Neo's weird uncle, Leo.

Kate & Justin: [cackle]

Clint: So Laussa says—

Laussa: Look, you guys, I'm a time-traveler, do it all the time.

Justin: You look like Michael McDonald's uncle that pretends to work for the government.

Travis: [cackles]

Kate: [laughs]

Laussa: Okay, so yeah, I took the glaive to the swap meet. I wasn't gonna swap it, I just wanted to see, you know. And the big cat told me he had run into your about 16 years ago, in the future.

Sebastian: Oh shit!

Laussa: And I know you guys, and I know you probably ran into trouble. So I used my power and TARDISed up the future, and I asked you, Simon.

Wonder Man: Yeah.

Laussa: Hollywood about it. He remembered the dog bowl and all the whoosh, whoosh, whoosh, and now... here we are! So... Huggiiies!

Wonder Man: Yeah, we—

Miles: Ooo, don't touch me, Marty McCry.

Wonder Man: Yeah, no I do—

Clint: Everybody except Simon, roll for hug initiative.

Griffin: What?

Justin: Oh, nice. Okay.

Kate: Everyone except so Simon gets to hug.

Gabe: You better—

Clint: Roll for hug initiative.

Kate: Okay, okay. Okay.

Griffin: 17.

Gabe: I have Edge.

Kate: I have Edge as well. I'm just—

Griffin: Oh wow.

Kate: Let me see if I can get a fantastic hug.

Gabe: [chuckles] Oh no.

Kate: Alright, let me see.

Gabe: Crap. [chuckles] I hate this.

Griffin: Oop, Justin gets a fantastic— Or Simon does.

Kate: [gasps] Yeah, Simon gets—

Travis: Sebastian.

Kate: Or Sebastian gets a fantastic hug.

Griffin: Sebastian, god dang.

Justin: Sebastian.

Clint: Okay. Alright. Before we do that, Hollywood turns to Simon and says...

Hollywood: So, really? That's all you wanna ask me is, you know, why I look so bad? There's nothing you wanna know?

Wonder Man: Nope. That's the fut— Wait, actually. Hold on. Hold on!

Hollywood: Okay. Yeah.

Wonder Man: Did we ever get that script off the ground about like Napoleon in space?

Hollywood: Hmm...

Wonder Man: Did that happen? Because I— Listen. Yeah, so close to it. If I can figure out that third act, it's gonna be amazing to— That— Did we— Did it get made?

Hollywood: [inhales deeply] Wow. Um, no. No, that did not. But! It went through a complete rewrite.

Wonder Man: Yeah.

Hollywood: And it became a travel documentary. Of you going through the jungles of Ecuador.

Wonder Man: That is a complete rewrite. But it—

Hollywood: Yeah.

Wonder Man: Was I Bonaparte in it?

Hollywood: Uh no, but you were almost blown apart in it.

Kate: [laughs]

Wonder Man: Oh, that's good. I like that.

Hollywood: You turned into ionic energy.

Wonder Man: Yeah.

Hollywood: And yeah, but no.

Clint: So, let's go back to the others. And... So in order, Druid. You go runnin' up to her to give her a big hug.

Justin: Yeah. A fantastic hug, to be fair.

Clint: And she... she kinda cringes away from you.

[background music becomes ominous]

Sebastian: What's wrong?

Clint: She says...

Laussa: N— Um... I don't want anything to do with you. I'm— No. No. Just... Just... Just stay back, okay? Just—

Clint: And she seems really afraid of you.

Kate: Whoa.

Sebastian: What? What— [sighs] What's wrong. Why are—

Laussa: Look, I—

Sebastian: Why are you afraid? What—

Laussa: [sighs]

Sebastian: What's goin' on? What happened in the past 16 years?

Laussa: Look. Just stay away from the book. Okay? Just stay. Away. From the book. You promise me?

Sebastian: The book? What book?

Laussa: Stay. Away. From the book.

Clint: And she turns to Kate. And she says...

Laussa: Awwww. I am so proud of you!

Kate: Aw, thanks.

Laussa: You are my hero.

Kate: [chuckles]

Laussa: When you takeover the— Aw, crap.

Kate: When I take over theeee... When I take over theeee...?

Laussa: I can't Doc Brown that. Just never mind, but you are definitely my hero.

Kate: Well, cool. Great!

Clint: And then she turns to Thori and she says...

Laussa: Where's my awesome hell beast? Where's my awesome hell beast!

Thori: [delighted] Right here!

Clint: And she scratches you under the chin in that spot that you—

Thori: Ahhhh!

Clint: You really love. And then she turns to Miles—

Thori: Any— Wait. Any strange portents for me?

Kate: [giggles]

Laussa: Aw, no. Just know that I have missed you.

Thori: Wait.

Laussa: Oh! I missed you so much.

Thori: Wait, why am I not there?

Kate: Uh-oh.

Clint: And then she turns to Miles.

Justin: [wheezes]

Kate: [giggles]

Clint: And she turns to Miles and she says...

Laussa: And I have really... missed you.

Clint: And a tear runs down her cheek.

Miles: That's kinda concerning, sobrina. I—

Laussa: Oh...

Miles: Like, is it 'cause I went to college for 16 years?

Wonder Man: Let's go with that.

Kate: Yeah.

Miles: Masters?

Wonder Man: Doctorate?

Laussa: Let's—

Wonder Man: Two doctorates?

Thori: Did I also go to college?

Miles: You might've—

Laussa: Um...

Miles: Well, you might've— Yours might be the Rainbow Bridge, Thori. We can talk about that when you're older.

Laussa: The— Yeah.

Thori: The Bifrost?

Laussa: It depends on which Rainbow Bridge you're talkin' about.
[chuckles]

Griffin: Yeah. [laughs]

Justin & Gabe: [laugh]

Gabe: I'm so glad you got it.

Clint: So with that, you hear a— you hear a sound. It's the horn on the Wonder Wagon, and it's playing the theme song from the Wonder Man animated series. Which I'm sure you all remember.

Justin: Oh yeah.

Travis: [singing] Wonder, Wonder, Wonder—

Gabe: Yeah.

Travis: [singing] – Wonder Man!

Griffin: [laughs]

Travis: We got sued.

Clint: Yeah.

Travis: We got sued really hard.

Griffin: Yooo!

Travis: Yeah, we got sued.

Justin: [wheezes]

Travis: 100% for infringement, yeah.

Kate: [singing to the *Duck Tales* theme song tune] Wonder Man! Ooo-oo-oo!

Travis: Yeah, that one.

Griffin, Gabe & Justin: [laugh]

Travis: Yeah, that one was for season two.

Clint: And Laussa says...

Laussa: Look, I'm— I gotta go—

Travis: [singing to the *Care Bears* theme song tune] Bouncing here and there, it's Wonder Maaaaan!

Griffin, Gabe & Kate: [laugh]

Travis: That one got in a lot of trouble.

Laussa: Listen. I love you all. You— I love most of you. I used to love you all, but now I love most of you.

Clint: And she shoots a glance at Sebastian.

Wonder Man: But you can agree— Okay, hold on.

Sebastian: I get it.

Wonder Man: You agree you love me most, right? 'Cause I'm the one you called when you needed help. I don't see any of them here. Right?

Miles: It sounds like you're just the only one that was alive.

Wonder Man: Wait, is that it? 'Cause I'll take that too, frankly. Like that's not a loss.

Miles: Okay!

Wonder Man: That's not an L, if you're— [chuckles] I mean, I'm sorry if you guys are dead in the future, but I'm not gonna be upset that I'm still alive, you know what I mean?

Laussa: Listen, I can't break the chronosynthastic infundibulum.

Wonder Man: Of course.

Sebastian: Of course you can't.

Miles: Yes.

Wonder Man: Yeah, yeah.

Laussa: I can't tell you anything else. I just want you to know... that... you will always be my Babysitters. And I'm just kinda tickled that I was able to come and return the favor, and help you guys out. I will love you forever, and when you're a time-traveler, that's— [chuckles] that's really somethin'. Um, so thank you. Thank you all for savin' me.

Clint: At that point, Cull and Swan say...

Obsidian Cull: Hey, can we catch a ride?

Clint: And she say—

Laussa: Yeah. Yeah. Yeah, sure.

Clint: And she looks at you guys, she blows you a kiss. And she, along with Hollywood, after giving you a big high-five, Simon. Takes—

Griffin: I think that would collapse—

Travis: Yeah, I—

Griffin: — reality.

Travis: Maybe we almost high-five, and then remember we're both made out of ionic energy and perhaps it is not a good idea for us to make physical contact.

Kate: Good call.

Travis: Huh! Aw.

Clint: You guys high-five.

Travis: Okay.

Clint: There's a giant flash of ionic energy.

Travis: [chuckles] Yeah, right. And we both disappear, we're dead.

Clint: And that's where we stop.

Kate & Justin: [laugh]

Gabe: Wooo!

Griffin: Yaaaay!

[all players clap]

Kate: Yaaay!

Justin: The cosmic high-five that destroyed reality.

Kate: Babysitterrrrs!

Justin: I just wanna say a big thanks to Gabe and Kate for playin' with us.

Griffin: [claps]

Justin: Where can people find more of you gu— your all's— your work? I'm sure they'll wanna see more.

Gabe: Yeeeeeah.

Justin: And who can blame 'em.

Gabe: You can find me pretty much anywhere @gabejamesgames. TikTok is a weird place. If you go there expecting quality, you went to the wrong place. It's just gonna be weird fever dreams in the woods. But yeah, Twitter, Instagram... Twitch, wherever. GabeJamesGames.

Kate: For me it's mostly just Instagram and maybe not even that someday because I rewatched *The Social Dilemma* last night.

Gabe: [wheezes] [chuckles]

Kate: But you can find me there @katewelchhhh with four "H"s at the end.

Justin: [laughs] And is that four "H"s, Kate?

Kate: That is four "H"s, Justin, yes.

Justin: I— [chuckles] To be fair, it sounds like you were just barely on Instagram—

Kate: [laughs]

Justin: Instagram to begin with.

Clint: [chuckles]

Kate: That's right. [laughs]

Justin: Tryin' to gatekeep as much as possible there.

Clint: So is that Kate Welchhhh?

Kate: Yes, exactly. Ch-ch-ch-cha, yeah.

Clint: Okay.

Griffin: Okay, gotcha.

Justin: And si— And thanks to you, Clint McElroy, for this. And all the help from... the *Marvel Multiverse* folks and getting this running.

Clint: Matt Forbeck and...

Justin: Yeah.

Clint: Big— And listen, I couldn't have done this without Amanda, our wonderful Amanda, who did... really most of the work.

Justin: Yeah, that's absolutely fair.

Griffin: Thank you, Amanda.

Kate: Thank you, Amanda.

Travis: Ah!

Kate: Also—

Justin: Ah!

Griffin: And Stanley.

Kate: And Stanley!

Justin: Stanley. [quietly] And Stanley.

Kate: Clint, that was an incredible adventure, and y'all this was a dream come true. Thank you so much for having me. I— This is the only actual play—

Justin: Oh, we're puttin' that on, Kate.

Kate: This is the only—

Justin: [laughs]

Griffin: Oh, you know that's made up.

Kate: This is the—

Justin: Unnecessary.

Griffin: You just made us—

Kate: This is the only actual play podcast I have ever listened to and enjoyed in its entirety.

Justin: Oh.

Kate: So ever. Ever.

Justin: That's so nice.

Griffin: Put that in your fuckin' pipe and smoke it!

Kate: Yes.

Justin: Sorry, Crit Role.

Kate: Sorry, Crit Role.

Gabe: I have to put this— I have to be the other end of the spectrum. I cannot wait for the hate. This was alright.

Kate, Clint, Justin & Griffin: [cackle]

Travis: Alright. You did it Gabe, That's poetry right there.

Justin: This is your reminder, you can find Gabe in the woods.

Gabe: Yeah.

Kate: [laughs] Alone.

[theme music fades in]

Gabe: Yeah! Yeah! You know what, I dare you.

Kate: [laughs]

Gabe: Come find me in the woods.

Justin: Come find Gabe in the woods!

Gabe: *The Adventure Zone?* It's a'ight.

Kate: [laughs]

Gabe: It's cool, I guess. Come find me in the woods.

Clint: But he has been workin' out!

Justin: Come find him in the woods!

Clint: So that's your warning.

Gabe: That's true. I've been workin' out for this moment. I want to be like "Oh Gabe! We heard what you said!"

Kate & Gabe: [simultaneously] Good.

Gabe: I'll be waiting in the trees.

Griffin: [laughs]

Kate: It's time to crush a nerd.

Justin: Is that the ultimate online argument ender? Like, "Come find me in the woods."

Gabe: Yup.

Justin: "If you disagree with this, come to the woods."

Kate: [laughs]

Gabe: Yeah.

Justin: "Try to find me in the woods."

Gabe: 'Cause here's the thing, here's the thing. Either they make it back out of the woods or they don't, either way I win. [wheezes]

Kate: Dang. Powerful.

Griffin: It's beautiful.

Gabe: Yeah.

Griffin: Wow.

Kate: [laughs]

Griffin: Powerful.

Clint: So on that note, we end with... find me in the woods.

Griffin: Come find Gabe in the woods.

Kate: Find Gabe in the woods.

Gabe: [laughs]

Justin: Come find him in the woods.

Kate: We out.

Justin: [laughs]

[outro theme music plays]
